You heard it....

My side of the family is full blooded DOS and Windows, but you are one-quarter of mac with a little linux and Omega on your Mother's side

From Chairman's Desk..

Let us make our chapter the Best...

Dear Professional Colleagues,

Seasons Greetings for the New Year 2004 and best wishes to you and your family for a wonderful year ahead.

We, at the Managing Committee of the Mysore Chapter, feel encouraged by the improvements achieved in the activities of the Chapter that include:

1. A reasonably well furnished office, to facilitate meetings of the members and library/classes and study circle meetings for students;
2. Cable Internet and e-mail facility for cost effective communication;
3. Encouraging support of the H.O. and the SIRC;
4. Active involvement of the Managing Committee members;
5. Effective Career Guidance Programs, resulting in encouraging registrations for both the Foundation and the Intermediate Course
6. Oral coaching classes for both the Foundation and the Intermediate Course;

We do realize that a lot more needs to be done to enthuse all the members of our Institute, in Mysore, to participate in the activities of the Chapter, in whatever manner they can, to strengthen further the services to the students as well as to the members themselves. We also need to establish a place of professional pride with the Corporate Community in Mysore by disseminating relevant information on matters of importance such as Good Corporate Governance, Effective compliance with relevant corporate laws, Sectoral role of company secretaries etc., with an ambition to make our chapter the best in its category in the country.

This can be achieved with your wholehearted support and participation in chapter activities.

We have therefore pleasure in inviting you, with your family, to a **Special General Meeting of the Members, on Saturday, 27th of December 2003**, the communication of which is under mail to you. We earnestly look forward for your participation.
