TS-iPASS

Speedy processing for issuance of various licenses/ clearances/ approvals

Before TS-iPASS

1. Separate application to be filled up and submitted at department for each approval.

2. Bulky physical application involving up to 100+ documents to be submitted

3. Payments only cash/ DD/ challans that necessitated visit to different offices.

4. Multiple visits to the departments

TS-iPASS

1. Single common application form for all state level approvals and submitted online. The same is processed by all departments.

2. Rationalised attachments being sought by departments. Now, only 12 documents required for all approvals

3. Easy and safe online payments

4. Zero visits needed. End-to-end solution. Approvals can be downloaded online.

TS-iPASS

Speedy processing for issuance of various licenses/ clearances/ approvals

Before TS-iPASS

5. Delay in processing of approvals by various departments since departments insisted on NoC from other Departments to process approvals

6. Limited accountability of services and no tractability of status

7. Shortfalls/Queries being asked by different departments at different times and many a times more than once, by the same department.

8. Limited inter-departmental coordination.

TS-iPASS

5. Approvals for Mega projects within 15 days and for any other projects within a maximum time period of 30 days. Process initiated based on self-certification and all Departments process simultaneously.

6. Tracking of application is available. Toll free number to interact and track status is provided.

7. Shortfalls/queries can be raised only once by any department, that too within 3 days of online application.

8. Higher inter-departmental integration

TS-iPASS

Speedy processing for issuance of various licenses/ clearances/ approvals

Before TS-iPASS

9. Numerous inspections by several departments.

10. No consequences for delays in the service delivery

11.No provision for deemed approval

12.No penalty for official delay in according approval

TS-iPASS

9. Self / Third Party Certifications & Joint Inspections under various acts.

10. Grievance addressable system with clear penalties against officers causing delay.

11.Deemed approval in case of delay by departments.

12.Penalty imposed on official for delay in issuing approval.
