Keeping in view your success, it has been decided by the Institute to publish your success story in the form of a Video Byte at the website of the Institute and other social media platforms of the Institute.

Kindly prepare a Video Byte of 2-3 minutes and upload the same on You-tube and thereafter send us the link of the Youtube video at provisional@icsi.edu with your name, Registration number, Stage and Rank.

We would like you to briefly describe the key points in the video byte of having attained this grand success in the examination. This may include your planned approach towards studies, the methodology, time devoted, and role of Class Room teaching Centres of the ICSI etc. On receipt of these details, the same will be uploaded on the website of the Institute.
