## CG & CSR : WATCH

The Institute has always been in the frontline to promote good corporate governance and it has been the constant endeavour of the Institute to raise awareness among the members and students in Corporate Governance arena. This watch gives an update of the latest happenings in the area of Corporate Governance and Corporate Social Responsibility.

### NEW DEVELOPMENTS

#### 1. Code for Responsible Investing in South Africa' (CRISA) 19 July 2011

The Code for Responsible Investing in South Africa (CRISA) was launched by Committee on Responsible Investing by Institutional Investors in South Africa in order to encourage institutional investors to integrate into their investment decisions sustainability issues such as environmental, social and governance (ESG). It aims to provide the investor community with the guidance needed to give effect to the King Report on Corporate Governance South Africa (King III) as well as the United Nations-backed Principles for Responsible Investment (PRI) initiative. Both require institutional investors to consider ESG issues in their investment.

It applies to institutional investors such as pension funds and insurance companies as the owners of assets, and their service providers including asset managers and consultants. It encourages institutional investors and service providers to adopt its principles and practice recommendations on an "apply or explain" basis. The effective date for reporting on the application of CRISA is 1 February 2012.

The King Code was written from the perspective of the board of the company as the focal point of corporate governance. CRISA is intended to give guidance on how the institutional investor should execute investment analysis and investment activities and exercise rights so as to promote sound governance.

Institutional investors and service providers are expected to adopt the principles and practice recommendations in CRISA on an "apply or explain" basis. Where there is conflict between CRISA and applicable legislation, the legislation will prevail.

The code contains five principles and practice recommendations for the institutional investors and service providers. If an institutional investor has not fully applied one of the Principles of the Code, the reasons should be disclosed. Disclosure as well as policies should be made public.

Detailed code can be accessed at:

[http://www.iodsa.co.za/Portals/0/library/documents/CRISA\\_19\\_July\\_2011.pdf](http://www.iodsa.co.za/Portals/0/library/documents/CRISA_19_July_2011.pdf)

## 2. International Integrated Reporting Committee (IIRC) Pilot Programme

Integrated Reporting demonstrates the linkages between an organization's strategy, governance and financial performance and the social, environmental and economic context within which it operates. By reinforcing these connections, it can help business to take more sustainable decisions and enable investors and other stakeholders to understand how an organization is really performing. It supports the creation of long-term sustainable value by bringing together financial and non-financial information on areas that are material to an organization's strategy and business performance.

The International Integrated Reporting Committee (IIRC) was established to create a globally accepted integrated reporting framework which brings together financial, environmental, social and governance information in a clear, concise, consistent and comparable format.

IIRC has launched the Pilot Programme to bring together a group of leading companies across different industry sectors and geographies to test the initial proposals for an International Integrated Reporting Framework being developed by the IIRC. Through participation in the Programme, companies will develop an expertise in Integrated Reporting, supported by a network of peer-group companies with whom knowledge can be exchanged and experiences shared in applying the principles of the IIRC's draft Integrated Reporting Framework.

Companies should register their interest in joining the Programme by emailing the [expression of interest form](#) to [pilotprogramme@theiirc.org](mailto:pilotprogramme@theiirc.org). The IIRC encourages early expression of interest. The programme commences in October 2011.

The Integrated Reporting Pilot Programme offers a select group of companies the opportunity to demonstrate global leadership in this emerging field of corporate reporting.

The Pilot Programme will underpin the development of the Integrated Reporting framework in 2011 and onwards. Through the Pilot Programme, the principles and practicalities of Integrated Reporting will be tried and tested, to support the creation a new global standard in Integrated Reporting. The Programme will consist of three phases:

1. Dry run –
2. Pilot Cycle 1
3. Pilot Cycle 2

The Pilot Programme encompasses companies and the investor community, with expert support from the secretariat of the International Integrated Reporting Committee (IIRC) and peer group feedback from other participants in the Programme.

## GREEN CORNER

### GREEN IDEA

### E-waste Management

Manage your e-waste responsibly.

Loosely discarded, surplus, obsolete, or broken electrical or electronic devices is e-waste.

Informal processing of electronic waste in developing countries causes serious health and pollution problems.

Contact nearest E-waste Management facility before dumping your e-waste.

### Something Good:

**Concept of 'Paryavarana Ganapathi'** -- The Andhra Pradesh Pollution Control Board (APPCB) is advocating celebrating eco-friendly Ganesha Chaturthi through various awareness programmes and workshops to promote clay Ganesh idols and use of environment-friendly colours to protect the water bodies. APPCB has dispatched guidelines set by the Central Pollution Control Board (CPCB) to district collectors and departments concerned for compliance.

Sub: Clarification on notification no. S.O. 447 (E) dated 28.02.2011 on Revised Schedule VI (shall be effective from 01.04.2011)

The undersigned is directed to refer to this Ministry's notification no. S.O. 447 (E) dated 28.02.2011 regarding Revised Schedule VI of the Companies Act, 1956 and to say that clarification has been sought that during the current year, Ministry has amended the Schedule VI which is to take effect for accounts closing on 31<sup>st</sup> March 2012. During the Financial Year, in case companies intend to go for Initial Public Offer / Further Public Offer, they are expected to prepare accounts in the new schedule VI format. If previous figures are reclassified in accordance with new Schedule VI, this will pose enormous amount of administrative work and difficulty in making such changes besides making comparison with previous year unrealistic.

Contd...

2. The Ministry has examined this matter and clarifies that the presentation of Financial Statements for the limited purpose of IPO/FPO during the Financial Year 2011-12 may be made in the format of the pre-revised Schedule VI under the Companies Act, 1956. However, for period beyond 31<sup>st</sup> March 2012, they would prepare only in the new format as prescribed by the present Schedule VI of the Companies Act, 1956. Also the companies would ensure that it will prepare and file the Annual Accounts for the Financial Year 2011-12 as per revised Schedule VI of the Companies Act, 1956.

3. This issues with the approval of the Corporate Affairs Minister.

## MASTER CIRCULAR ON PROSECUTION OF DIRECTORS

Master Circular No. 1/2011

No.3/57/2011/CL- II  
Government of India  
Ministry of Corporate Affairs

5th Floor, Shastri Bhavan,  
Dr. Rajendra Prasad Road,

Dated the 29th July, 2011

To,

All Regional Directors,  
All Registrars of Companies,  
All Official Liquidators.

### **Sub: Master Circular on Prosecution of Directors – Regarding**

Sir,

The question of treating a person as an officer in default by ROCs when prosecutions are launched against a company and its directors for violations under Companies Act, 1956 has come up for examination time and again. The Department has issued various circulars in this regard so far. It may be recollected that the Department vide circular No.42/7/73-CL.II dated 20.9.1973 had clarified that a person appointed as a nominee director, whatever interest he represents or protects is responsible for the proper discharge of his obligations and fiduciary responsibilities under the statute in the similar manner as an ordinary directors. However, in the same circular, it was further clarified that nominees of institutions set up under Acts having non-obstante clauses can enjoy immunity from prosecutions.

2. In Departmental circular No.6/98 dated 12.11.1998, it was clarified that where penal provisions provide for "punishment of officers in default", prosecutions should be filed primarily against managing director(s)/ whole time director(s)/manager(s) and the company secretary, if any. It was also clarified that only in those cases where the above mentioned managerial personnel are not available in any company; prosecutions should be against ordinary directors. In the same circular, it was also clarified that there are provisions in the Act which though do not use the expression "officers who are in default" for fastening liabilities in case of their contraventions, yet the persons against whom the proceedings can be initiated is specified. In such cases, the persons expressly specified in the relevant provisions of the Act should alone be prosecuted.

**Stop diminishing the green shadow. Plant at least one tree.**

**Turn off your electronic equipment when not in use.**

**Make it a habit to take the train, bus, or metro when feasible and become a sustainable traveller**

3. It has come to the notice of the Department that in spite of various rulings available on the question of "officers in default" who can be held liable for violations of a particular provision under the Companies Act, the ROCs are arraying all the directors of the company for the violations without differentiating between officer in default and or others.

4. It is noticed that penal actions are also initiated against certain Directors who are not charge with the responsibility, particularly in following cases: --

(a) For listed companies Securities and Exchange Board of India (SEBI) requires nomination of certain Directors designated as Independent Directors.

(b) For public sector undertakings, respective Government nominates Directors on behalf of the respective Government.

(c) Various Public Sector Financial Institutions, Financial Institutions and Banks having participation in equity of a Company also nominate Directors to the Board of such companies.

(d) Directors nominated by the Government u/s 408 of the Companies Act, 1956.

In super session of all earlier circulars, it is clarified that Registrar of Companies should take extra care in examining the cases where above Directors are also identified as Officer in default. No such Director as indicated above shall be held liable for any act of omission or commission by the company or by any officer of the company which constitute a breach or violation of any provision of the Companies Act, 1956, and which occurred without his knowledge attributable through Board process and without his consent or connivance or where he has acted diligently in the Board process. The Board process includes meeting of any committee of the Board and any information which the Director was authorized to receive as Director of the Board as per the decision of the Board. All the Regional Directors are advised to direct Inspecting Officers also to examine the Board's minutes of the company to arrive at a conclusion if Independent director is also responsible for any violation of the provisions of Companies Act, 1956.

5. It is further clarified that before taking penal action under the Companies Act, 1956 against the Directors the following compliances should be verified by Registrar of Companies: -

(a) A director resigns and the company does not file Form 32 as required in terms of Section 302(2) of the Act. In case, the director concerned has informed/endorsed a copy of his resignation to the Registrar of Companies, the Registrar should enquire into such cases and try to find out whether such director has actually resigned or not.

(b) In case the status of a director, i.e. whether he is a nominee director or not, is not reflected in the Annual Return or other documents of the company, available with Registrar, the same should be cross checked with the Annual Report filed by the company;

**Stop diminishing the green shadow. Plant at least one tree.**

**Turn off your electronic equipment when not in use.**

**Make it a habit to take the train, bus, or metro when feasible and become a sustainable traveller**

(c) The timing of the commission of offence is also material to identify the director's responsibility; and Form 1AB should also be checked in case any person has been charged by the Board under Section 5(f) with the responsibility of complying with some particular provision or in case any director has been specified by the Board under Section 5(g) of the Act.

(d) Special Directors appointed by BIFR under section 16 (6)(b) of SICA 1985, shall not incur any obligation or liability for anything done or omitted to be done in good faith and in discharge of duties. Hence they shall be excluded in the list of officers in default

6. For default u/s 209(5), 209(6), 211 and 212 of the Act, the following persons shall be the 'officers in default for the purpose of prosecution under these provisions: -

(a) Where there is a Managing Director or Manager, the Managing Director or the Manager as the case may be and in addition, the Company Secretary appointed u/s 383A or the person who has been charged with work of maintenance and preparation of Annual Accounts in compliance with aforesaid provisions.

(b) Where there is no Managing Director or Manager, every director and the Company Secretary appointed u/s 383A of the Act.

(c) Any persons amongst officers and employees other than Managing Director/Manager/Directors who has been charged by the Managing Director/Manger or Board of Directors with specific responsibility of complying with aforesaid provisions, in addition to Managing Director/Manager/Board of Directors as the case may be.

(d) Directors including Non-Executive Directors, officers and employees not connected with responsibility with the above provisions should not be arrayed as delinquent directors.

(e) While considering the non-executive directors for including in the list of officers in default for a particular violation of the Companies Act, it should be examined whether the violation has taken place with his knowledge attributable through board process, with his consent or connivance and whether he acted diligently or not.

(f) Where prosecution is required to be filed against any Government company, its directors/officers and Member of Parliament and Member of Legislator under the Companies Act, 1956, Registrar of Companies should seek prior authorization of Central Government in terms of Section 621 of the Act

7. There should be proper application of mind on the part of Registrar of Companies in deciding whether a person to be implicated is an 'officer in default' by examining the Annual Return, Form 32(s) and DIN-3 database available in the Registry. The guidelines issued herein above should be applied and wrongful prosecution should be avoided. Wherever the Registrar

of Companies has doubt as to whether director/officer can be held liable after applying the above parameters, they should refer to Regional Director, who shall guide Registrar of Companies in the matter.

8. All the Regional Directors are required to ensure that such cases are reviewed, based on these parameters and a report must be sent by each Regional Director with specific recommendation in case the proceedings are proposed to be discontinued.
