As per the revised arrangement the online test for compulsory computer training of the students, which is being presently conducted by M/s Aptech Ltd. will be henceforth conducted by M/s Sify Software Ltd.

To facilitate the mandatory requirement for students having computer knowledge to pass the online test, M/s Sify Software has developed an online testing portal where students can appear for online test and will be able to download their certificates after 15 days of passing of online test. This will ensure that there is no delay in receiving the certificate after clearing the online test. Students can go to the online portal, register for the test and block a centre for appearing in the test. Payment for the online test can be done both in online or offline mode (through branches of SBI using Powerjyoti scheme). Students can register them for the said online test in [http://icsi.sifyitest.com](http://icsi.sifyitest.com).

The registration for online exemption test from compulsory computer training through the above mentioned online portal is going to start from 19th November, 2011 onwards. Initially M/s Sify Software Ltd. shall be conducting online tests during weekends on Saturdays and at a later period they will extend the benefit in other days also.

All concerned students may note that initially M/s Sify Software Ltd shall be conducting online tests for the students in parallel to that of the present system of online test being conducted by M/s Aptech Ltd. Those students who have already registered with M/s Aptech Ltd for the online test are therefore advised to complete their test with M/s Aptech Ltd at the earliest. The system of online test of M/s Aptech will be however discontinued after 31st January, 2012 and with effect from 1st of February 2012 M/s Sify Software Ltd will be the sole testing authority for ICSI. As part of the endeavor to provide better support to students, M/s Sify Software Ltd. has opened help line for students. Frequently Asked Questions on ACES

1. What is ACES Project of CBEC?

Automation of Central Excise and Service Tax (ACES) is the e-governance initiative by Central Board of Excise and Customs (CBEC), Department of Revenue, Ministry of Finance. It is one of the Mission Mode Projects (MMP) of the Govt. of India under National e-Governance Plan (NeGP). It is a software application which aims at improving tax-payer services, transparency, accountability and efficiency in the indirect tax administration in India. This application is a web-based & workflow-based system that has automated all major procedures in Central Excise and Service Tax.
In the post-independent era of Indirect Tax administration in India, ACES is the most significant IT-based initiative undertaken that has transformed the way about 18.20 lakh indirect taxpayers transact their business with the department of Central Excise and Service Tax. Being an innovative reform initiative in the indirect tax department, ACES had benefited members of trade, industry and commerce.

The ACES application was initially rolled-out in the Large Tax Payer Unit (LTU) Commissionerate in Bengaluru in December, 2008. Subsequently, it was implemented across India in phases covering all 104 Central Excise, Service Tax & LTU Commissionerates with all the modules.

The ACES application has resulted in a major change in the way the Central Excise and Service Tax field formations conduct their regular business vis-a-vis the Trade & Industry. E-filing and e-processing of documents has started replacing manual filing and handling of paper documents.

The main purpose of the initiative was to re-engineer the business processes and transform the existing tax administration into a modern, efficient and transparent system. Its objective was to strike an optimal balance between trade facilitation and enforcement and to promote a culture of voluntary compliance. It aims at reducing physical interface of the business community with the departmental officers and to provide a transparent and paper-less business environment with improved taxpayer services delivered through an automated process.

2. What is Certified Facilitation Centre (CFC)?

A Certified Facilitation Centre (CFC) under ACES project is a facility, other than the physical front offices or Facilitation Centres of CBEC, which may be set-up and operated by a Company Secretary in practice to whom a certificate is issued under the ACES project.

CBEC has entered into MoU's with the Institute of Company Secretaries of India (ICSI), Institute of Chartered Accountants of India (ICAI) and the Institute of Cost and Works Accountants of India (ICWAI) for setting up ACES Certified Facilitation Centres (CFC's) by their Members. These Centres are set up by eligible Members of ICSI/ICAI/ICWAI holding valid Certificates of Practice issued by the Institutes. The services would be available to the assessees on payment of prescribed service charges for various services such as digitisation of paper documents, on-line filing/uploading of documents such as Application for Registration, Returns, Claims, Permissions and Intimations etc. in ACES.

3. How tax payers are benefitted with ACES project of CBEC?
Tax payers have the following benefits with the introduction of ACES project of CBEC:

- Providing a single National Portal for transactions in Central Excise and Service Tax
- Online Registration of Central Excise Assessees and online amendments;
- Online Registration of Service Tax Assessees and online amendments;
- Electronic filing of Central Excise Returns;
- Electronic filing of Service Tax Returns;
- Electronic filing of claims, permissions & intimations submitted by assessees in the course of business with the Department;
- Instant e-acknowledgement of documents with an Unique Document Identification Number;
- View, file and track the status of documents filed online;
- Processing of Claims, Permissions & intimations filed by the assessees; Revenue Reconciliation (Receipt of payment information from Banks using EASIEST (Electronic Accounting System in Excise & Service Tax) and reconciling the same with the information provided in the return filed by the assessees);
- Online Messages / Alerts to users on business-related matters;
- Automated Generation of various reports
- Audit Module involving selection of units and tracking of audit results
- Online filing of reply to Show Cause Notice
- Online filing of application for Provisional Assessment
- Online filing of Refund Claims
- Online filing of selected Export related documents

4. What are the technical and non-technical services can be provided by a CFC?

Taxpayers who do not have requisite IT infrastructure/resources to use ACES, may opt for the services of CFCs. CFCs helps in Digitisation and/or E-filing of Central Excise and Service Tax Documents. ACES has made available the following returns which can be filed by a CFC both online or by using offline downloadable utilities:

i. Excel Utilities for Central Excise Returns - ER1, ER2, ER3, ER4, ER5, ER6.
ii. XML Schema for Central Excise Returns - ER1, ER2.
iii. Excel Utility for Service Tax Return (ST3)

Further, the assessees through a CFC can also carry out many on-line transactions such as online registration, amendment to the registration form, filing various claims, intimations, and permissions, refund claim, request for provisional assessment and export related documents. They
can also file replies to show cause notices and appeals to Commissioners (Appeals).

GENERAL AND COMMERCIAL LAWS

LAW RELATING TO RIGHT TO INFORMATION

INSPECTION OF EXAM ANSWER BOOKS PERMISSIBLE

Case comment²

Central Board of Secondary Education & Anr. (Appellants) Vs. Aditya Bandopadhyay & Ors. (Respondents) (2011) 8 SCC 497

Introduction

The Right to Information Act, 2005 came into force on 12th October 2005. The preamble of the Act declares that the Act provides for setting out the practical regime of right to information for citizens to secure access to information under the control of public authorities, in order to promote transparency and accountability in the working of every public authority.

Under Sec. 2 (j) of the Act “right to information” means the right to information accessible under this Act which is held by or under the control of a public authority and includes:

(i) inspection of work, documents, records;

(ii) taking notes, extracts or certified copies of documents or records;

(iii) taking certified samples of material;

(iv) obtaining information in the form of diskettes, floppies, tapes, video cassettes or in any other electronic mode or through printouts where such information is stored in a computer or in any other device.

* Prepared by Krishan Paul Dutt, Assistant Education Officer, the ICSI, under the guidance of Archana Kaul, Assistant Director, the ICSI
Section 3 of the Act provides that subject to the provisions of the Act, all citizens shall have the right to information. The right to information conferred on citizens by the Act is enforceable against public authorities.

Under section 8 of the Act, certain categories of information have been exempted from disclosure. One of these is:

“Information available to a person in his fiduciary relationship, unless the competent authority is satisfied that the larger public interest warrants the disclosure of such information.” [(Section 8 (1) (e)]

A brief case comment has been given herein below for the information of the students:

**Brief facts**

In this case a student (respondent) of mathematics in the Presidency College secured 52 percent marks in first part of the degree examinations. In the second year he got 208 out of 400 marks and got just 28 marks out of 100 in the fifth paper. Upon seeking re-evaluation, his marks increased by four in the fifth paper. He contended that his poor marks stood in the way of his getting admission in post-graduation course and applied to inspect his mark sheet under the RTI law which was rejected.

The respondent wanted to inspect his answer books. The CBSE (appellant) contended that since it had fiduciary relationship with its evaluators, the answer sheets of an examinee cannot be shared as it was an information exempted under Section 8(1) (e) of Act. The Calcutta High Court over-ruled it and permitted the student to inspect his answer sheets. The Calcutta High Court held that:

“The plea of fiduciary relationship, advanced by the CBSE has not impressed us. Fiduciary relationship is not to be equated with privacy and confidentiality. It is one where a party stands in a relationship of trust to another party and is generally obliged to protect the interest of the other party. While entrusting an examiner with the work of assessment/evaluation of an answer script there is no agreement between the examiner and the public authority that the work performed by the examiner shall be kept close to the chest of the public authority and shall be immune from scrutiny/inspection by anyone. At least nothing in this respect has been placed before us. Since the RTI Act has been enacted to promote transparency and accountability in the working of every public authority and for containing corruption, even if there be such a clause in the agreement between the examiner and the public authority the same would be contrary to public
policy and thus void. We have no hesitation to hold that even if there be any agreement between the public authority and the examiner that the assessment/evaluation made by the latter would be withheld on the ground that it is confidential and an assurance is given in this respect, the same cannot be used as a shield to counter a request from an examinee to have access to his assessed/evaluated answer scripts and the RTI Act would obviously override such assurance. Having regard to our understanding of the meaning of the word 'fiduciary', there is little scope to hold that the etchings/markings made on answer scripts by an examiner are held in trust by the public authority immune from disclosure under the RTI Act. We find no force in the contention which, accordingly, stands overruled.”

The aforesaid order was challenged in Supreme Court by the CBSE and the West Bengal Board of Secondary Education, among others. The main contention of the Appellants was that there is a fiduciary relationship between the examiner and the board, and hence it is not proper to show the answer-sheet to the student. The Appellants had claimed exemption from the ambit of RTI Act.

The Supreme Court held that students have the right to inspect and photocopy their answer sheets after their evaluation under the Right to Information (RTI) Act. The Apex Court pronounced its verdict saying that evaluated answer sheets do come under the definition of "information" and reiterated the duty of the public authority under the transparency law to allow maximum disclosure as envisaged by the RTI Act. The Apex Court rejected the contention that disclosure of answer-sheets and allowing the inspection would lead to the collapse of entire system.

The Apex Court dismissed the bunch of appeals filed by appellants. Explaining the scope of the ‘fiduciary relationship’ of the agency holding the examination, the Apex Court held that bodies conducting examinations could not retain evaluated answer sheets in any fiduciary capacity and contend that they would not disclose the same.

The Supreme Court said that the examinees have a right to inspect answer-sheets under the transparency law. The Apex Court allowed the disclosure of the answer sheets of the examination conducted by boards, universities, institutions and public service commissions, and it upheld the judgement of Calcutta High Court that permitted the students to inspect their answer sheets.

EXPOSURE DRAFT
ON
PROPOSED NEW SYLLABUS FOR EXECUTIVE AND PROFESSIONAL PROGRAMMES OF
THE COMPANY SECRETARYSHIP COURSE

The revision of syllabus is a process in continuum, to nurture the students in terms of capacity building, knowledge grinding and skills development. The evolving corporate environment and regulatory regime including expansion of globalization and the advancement in technology necessitated the revision of syllabus to make it contemporary. It was in this backdrop that the Council of the Institute constituted Syllabus Review Committee with the objective to evaluate the existing syllabus from the perspective of demands and expectations of the corporates, regulators and other stakeholders and re-draw the syllabus to make it more robust, and highly focused to bring it at par with the emerging global trends in professional education.

In this direction, the Committee made a conscious effort to design the syllabus in such a manner that the expectations of members, students and other stakeholders are met and it is in alignment with the ICSI Vision 2020.

Before formulating the syllabus, the Committee sought and considered the views and suggestions from Regional Councils, Chapters, Oral Tuition faculty and subject experts and formulated the draft syllabus which was considered
by the Council of the ICSI. The Council approved in principle the syllabus for Executive and Professional Programmes and decided to publish it as Exposure Draft soliciting views and suggestions from members, students and all other stakeholders. The Exposure Draft is available on the website of the Institute www.icsi.edu.

We request members, students and all other stakeholders to send their views, comments and suggestions on the Proposed New Syllabus for Executive and Professional Programme of the Company Secretaryship Course on or before February 29, 2012, to Dr. S.K.Dixit, Director (Academics) at Sudhir.dixit@icsi.edu
