GST Registration Closes on January 10 in Nagaland

Dimapur, Jan. 4: The department of Taxes has reminded that the window for enrolment of dealers under GST in Nagaland would close on January 10 next. A press release from the commissioner of Taxes on Wednesday stated that the 'CEO of the Goods and Services Network (GSTN) has informed the Commissioner of Taxes, Nagaland that the process of enrolling for GST' would be available only till said date. "Dealers failing to enroll themselves within this period may face deregistration under the VAT law and have difficulties to register afresh for GST. This will affect smooth transaction of business. It may be stated that the department of Taxes has set up facilitation centers in all its offices across the state from 8th December 2016 to assist dealers for enrolling in the GST portal with facilities such as computers with internet facilities, scanners, printers as well as trained staff to assist in the enrolment process. The dealers who have still not received their provisional IDS and passwords issued by GSTN may contact their respective tax office and collect the same," it stated.
