# CAIT to Train 5,000 Traders as 'Master Trainers' for GST

The Confederation of All India Traders (CAIT) today said it will prepare 5,000 trade leaders across the Country as 'Master Trainers', who will be responsible to empower and educate the trading community about Goods and Services Tax (GST).

CAIT in association with Tally Solutions (TSPL) has initiated a national drive to help traders to understand the impact of GST on their business and to educate them about the procedural compliance under the new taxation system, CAIT National President B C Bhartia said in a release issued here.

"The proposed GST is a technology-based taxation system, which will change the business landscape in the country. We have conducted over 20 conferences in various states and 20 workshops are in the pipeline. We intend to make 5,000 trade leaders as 'Master Trainer' on GST all over the country in next two months. We will rope in Tax Practitioners, Chartered Accountants and Tax Consultants in this drive," he added.
