Presents
The Global M&A Strategy Conclave 2011
26th & 27th May 2011
The Leela Kempinski, Mumbai

"I am sure that this event is the only conference held in India that examines the Indian Mergers & Acquisition sector from a financial, tax, commercial and legal perspective"

Paul Tennola, Vice President, Corporate Development / M&A
Wolters Kluwer Tax and Accounting

Dear Professionals,

The Global M&A Strategy Conclave 2011 is a leading forum with rich insights from India’s M&A leaders and experts in conducting best-practice M&A strategy, transaction, integration and execution. With a detailed and dedicated focus on cross-border acquisition, large cap-acquisitions, joint ventures, trade flows between key Indian markets such as Europe and the US, etc.

This master-class event will address the current issues affecting the variant industries in India dealing with Mergers and Acquisition, design a successful cross border strategy, mitigate risk for your M&A deal, examine local and global markets, and help you achieve a smooth deal completion and company integration.

Join us at this world class forum when we explore the opportunities and challenges in M&A for the year ahead.

Topics to be discussed include:

- Setting up a sound M&A regime
- Difference between Good Acquisition and Bad Acquisitions: Risks & Pitfalls of M&A
- How is India compared to other Asian markets in M&A?
- How do you validate your due diligence process?
- M&A process: BILL vs BUY methodology
- Assessing appetite for credit and political risk
- Defined post integration market strategy
- The role of factoring in an emerging market like USA, UK etc.
- When and how to exit a contract or merger?
- Learning and Knowing Anti-trust issues
- Regulatory challenges in cross-border M&A deals
- Legal protection for sales, loans and investments: Stocks VS Cash flow
- Regulation, documentation, legal and reform issues
- Corporate perspectives and industry case studies with practical examples
- Gain best practice insight for future international acquisitions
- What are the tools and techniques of valuation?
- Analyzing the Income Approach to establish value
- Understanding the cost of capital essentials for valuation
- Conducting a successful due-diligence program

Many more…
**Why you should attend?**

- Gain an update on due diligence assessments to avoid messy legal wrangling post acquisition
- Discover how to successfully identify M&A market and then execute the acquisition
- Compare debt and equity financing methodology to learn how to assess deal ROI and value faster
- Learn how to structure cross-border M&As deals to minimise tax and legal liability and avoid exposure
- Evaluate the changing regulations and implications in global M&A
- Structure the bid and design method efficiently and effectively to maximize a deal’s value creation and assessment
- Learn best practices for valuation and negotiation to be a successful M&A representative
- Analysis of the potential benefits and pitfalls involved is important before going ahead with a merger or a strategic alliance
