National Seminar
on
Investor Education & Protection For Inclusive Growth

Saturday, the July 27, 2013  9.30 am to 5.00 pm  Venue: The Crown, Bhubaneswar

Dear Professional Colleagues,

The investors are the backbone of the financial markets. They spare their hard earned resources for investment directly through the securities market or indirectly through intermediaries like banks and insurance companies. However, they occasionally have difficulty in getting back their resources or return on such resources. They sometimes become victims of mis-governance in markets, investees and intermediaries. Unless they are protected, it would be difficult for financial markets to mobilise resources necessary to sustain 8% growth in the economy. The governments, regulators, and self-regulatory organisations have been taking systemic measures to prevent any kind of inconvenience to investors and to remedy the inconveniences that arise despite such systemic measures. They are strengthening the hands of investors through investor education and financial literacy programmes to avoid becoming victims of fraud or manipulation and to seek effective redressal before the appropriate fora.

It is necessary that there is a shared vision on educating and protecting investors and that the investors enjoy investing. As part of its corporate governance initiative, the ICSI has been undertaking investor education and protection programmes to promote such vision and explore options to strengthen the mechanism to protect the interests of investors and indemnify their losses, if any, on account of fraud or manipulation. In pursuance to this objective, it has scheduled a national seminar on ‘Investor Education and Protection for Inclusive Growth’ on Saturday, the July 27, 2013 at “The Crown”, A1(a) IRC Village, Nayapali, Bhubaneswar.

Mr. Naveen Patnaik, Hon’ble Chief Minister, Odisha has very kindly consented to inaugurate the seminar as the Chief Guest. Mr. U. K. Sinha, Chairman, Securities Exchange Board of India has very kindly consented to be the Guest of Honour. Distinguished experts from government, regulators and academia will also address on the occasion.
The policy makers, regulators, academicians, researchers, lawyers, company secretaries, other senior corporate professionals, senior functionaries working with market intermediaries, brokers, merchant bankers, investors, and public in general would be benefited by participating in the seminar. The participation fee for the programme is Rs. 1,000/- + 12.36% service tax.

We are pleased to enclose Registration Form for the programme. The registration form duly filled alongwith delegate fee may be deposited with:
