Dear Professional Colleagues,

Northern India Regional Council of the Institute of Company Secretaries of India (NIRC-ICSI) is regularly conducting Oral Tuition Classes for the students of Foundation, Executive and Professional Programme at ICSI-NIRC Premises, 4, Prasad Nagar Institutional Area, New Delhi-110005 (“NIRC Premises”).

It has been our continued endeavour at Northern India Regional Council (NIRC) to make available the best of faculties to the students undergoing the oral tuition classes. Still, we feel there is large untapped knowledge resource available in the industry, academia, regulators, our members and other professionals, whose intellect, practical expertise and services can be utilized by NIRC for the benefit of the students and the fraternity at large. Keeping this in mind, we invite applications for teaching at Oral Tuition Classes of NIRC Premises as a visiting faculty.

We have also created a panel of experts for suggesting ways and means for improvement in the Oral Tuition Classes and also to run through and lead the selection process of faculties. The said panel has formulated the attached Application Format for members/other faculties to apply for being taken as a faculty member for Oral Tuition Classes at NIRC Premises. Members may send their application through email at niro@icsi.edu in the attached prescribed format on or before 30th April, 2015. After screening of the applications received by the Panel, the further process and details would be upload on NIRO portal in due course of time.

With best regards,
