Webinar on Corporate Governance-Cutting Corners

Day & Date: Friday, 24th June, 2016 Time: 3.00 p.m. to 4.30 p.m.

Dear Professional Colleagues,

The Institute is holding a webinar on CORPORATE GOVERNANCE-CUTTING CORNERS as a step towards knowledge building initiative.

Corporate Governance refers to the way a corporation is governed. It is the process by which companies are directed and managed. Corporate governance includes monitoring the actions, policies, practices and decisions of corporations.

As a measure to further sensitize the esteemed fraternity and as ongoing knowledge building initiatives of the Institute, we are pleased to announce a webinar on 24th June, 2016, Friday, on Corporate Governance -Cutting Corners. Many a times, corporates have not followed the path of ethics and good governance - they have in fact cut-corners. To be sensitive to this, and what a professional needs to know and understand, both at micro and macro level, will be deliberated in the webinar.

Renowned author and professional CS Robin Banerjee would be sharing his views on the topic. He has vast corporate experience and is presently the managing director of Caprihans Limited.

We invite you to participate in the webinar. The members and students of the Institute may access and participate in webinar at the weblink: http://avg.ivb7webcaster.com/.

We are sure that the webinar will be beneficial to the entire fraternity of Company Secretaries and students at large.

Stay tuned!
