Surcharge on income-tax

(i) in the case of every domestic company having a total income exceeding one crore rupees @5% of such income-tax;

(ii) in the case of every company other than a domestic company having a total income exceeding one crore rupees @ 2%

(2) Income which do not form part of Total Income

Section 10 of the Income-tax Act provides for certain incomes which are not included in the total income of a person subject to the conditions specified in the relevant clauses of the section. The following clauses of Section 10 are amended by the Finance Act, 2012:

(a) Exemption of income of Prasar Bharati (Broadcasting Corporation of India) [Section 10(23BBH)]

With effect from A.Y.2013-14, clause (23BBH) has been inserted in section 10 to exempt any income of the Prasar Bharati (Broadcasting Corporation of India) established under section 3(1) of the Prasar Bharati (Broadcasting Corporation of India) Act, 1990.

(b) Removal of sectoral restrictions on VCs [Sections 10(23FB)]

Section 10(23FB) provides that income of a SEBI regulated Venture Capital Fund (VCF) or Venture Capital Company (VCC), derived from investment in a domestic company i.e. Venture Capital Undertaking (VCU), is exempt from taxation, provided the VCU is engaged in only nine specified businesses. The working of VCF, VCC or VCU are regulated by SEBI and RBI. In order to avoid multiplicity of conditions in different regulations for the same entities, the sectoral restriction on business of VCU is removed.
from Income Tax Act and such VCU is to be allowed to be governed by conditions imposed by SEBI and RBI. Therefore, with effect from Assessment year 2012-14, the venture Capital undertaking shall have same meaning as provided in relevant SEBI regulations and there would be no sectoral restriction.

(c) **Exemption in respect of income received by certain foreign companies in India in Indian currency from sale of crude oil to any person in India [Section 10(48)]**

A new clause (48) has been inserted with retrospective effect from assessment year 2012-13 in section 10 of the Income-tax Act to provide for exemption in respect of any income of a foreign company received in India in Indian currency on account of sale of crude oil to any person in India subject to the following conditions:

(i) The receipt of money is under an agreement or an arrangement which is either entered into by the Central Government or approved by it.

(ii) The foreign company, and the arrangement or agreement has been notified by the Central Government having regard to the national interest in this behalf.

(iii) The receipt of the money is the only activity carried out by the foreign company in India.

(d) **Assessment of charitable organization in case commercial receipts exceed the specified threshold [Section 10(23C) & 13]**

Sections 11 and 12 of the Act exempt income of any charitable trust or institution, if such income is applied for charitable purposes in India and such institution is registered under section 12AA of the Act. Section 10(23C) of Income Tax Act also provides exemption in respect of approved charitable funds or institutions. Section 2(15) of the Act provides definition of charitable purpose. It includes “advancement of any other object of general public utility” as charitable purpose provided that it does not involve carrying on of any activity in the nature of trade, commerce or business.

The Second proviso to said section provides that in case where the activity of any trust or institution is of the nature of advancement of any other object of general public utility, and it involves carrying on of any activity in the nature of trade, commerce or business; but the aggregate value of receipts from the commercial activities does not exceed ₹25,00,000/- in the previous year, then the purpose of such institution shall be considered as charitable, and accordingly, the benefits of exemption shall be available to it.

Thus, a charitable trust or institution pursuing advancement of object of general public utility may be a charitable trust in one year and not a charitable trust in another year depending on the aggregate value of receipts from commercial activities.

There is, therefore, need to expressly provide in law that no exemption would be available for a previous year, to a trust or institution to which first proviso of sub-section 2(15) become applicable for that particular previous year.

However, this temporary excess in one year may not be treated as altering the very nature of the trust or institution so as to lead to cancellation of registration or withdrawal of approval or rescinding of notification issued in respect of trust or institution.

Therefore, there is need to ensure that if the purpose of a trust or institution does not remain charitable due to application of first proviso on account of commercial receipt.
threshold provided in second proviso in a previous year. Then, such trust or institution would not be entitled to get benefit of exemption in respect of its income for that previous year for which such proviso is applicable. Such denial of exemption shall be mandatory by operation of law and would not be dependent on any withdrawal of approval or cancellation of registration or a notification being rescinded.

It is, therefore, section 10(23C), section 13 and section 143 of the Act has been amended with retrospective effect from Assessment year 2009-10 to ensure that such organization does not get benefit of tax exemption in the year in which it's receipts from commercial activities exceed the threshold whether or not the registration or approval granted or notification issued is cancelled, withdrawn or rescinded.

Further, section 143(3) has been amended to provide that, in such a circumstance, no effect shall be given by the Assessing Officer to the exemption provisions under section 10(23C) while making an assessment of the total income or loss of the trust or institution for the previous year.

(3) Income from Business or Profession

(a) Additional depreciation to power sector undertakings [Section 32(1)(iia)]

With effect from Assessment Year 2013-14 the benefit of additional depreciation at 20% of the cost of new plant or machinery (other than ships and aircraft) acquired and installed during the previous year has been extended to assessee engaged in manufacture or production of any article or thing as well as assessees engaged in the business of generation or generation and distribution of power.

(b) Weighted deduction for expenditure incurred on in-house scientific research and development [Section 35(2AB)]

(i) Under section 35(2AB), a weighted deduction of 200% of expenditure incurred on in-house research and development facility as approved by the prescribed authority (not being expenditure in the nature of cost of any land or building) is allowed to a company which is engaged in the business of bio-technology or in any business of manufacture or production of any article or thing. However, the deduction was restricted to such expenditure incurred on or before 31st March, 2012.

(ii) In order to encourage the corporate sector to continue to spend on in-house research and development, with effect from Assessment Year 2013-14 the benefit of weighted deduction has been extended by a further period of 5 years i.e. up to 31st March, 2017.

(c) Deduction in respect of capital expenditure on specified business under section 35AD

(i) The investment-linked tax deduction under section 35AD has been extended to three new businesses, namely –

- setting up and operating an inland container depot or a container freight station notified or approved under the Customs Act, 1962;
- bee-keeping and production of honey and beeswax; and
- setting up and operating a warehousing facility for storage of sugar.
Deduction is allowed to the above mentioned new “Specified businesses” only if the date of commencement of operations of such business is on or after 1st April, 2012.

Further, the following “specified businesses” would also be eligible for weighted deduction@150% of the capital expenditure (including capital expenditure incurred before commencement of operations and capitalized in the books of account on the date of commencement of operations) under section 35AD(1A), if they commence operations on or after 1st April, 2012 – setting up and operating a cold chain facility;

- setting up and operating a warehousing facility for storage of agricultural produce;
- building and operating, anywhere in India, a hospital with at least 100 beds for patients;
- developing and building a housing project under a scheme for affordable housing framed by the Central Government or a State Government. Such scheme should be notified by the CBDT in accordance with the prescribed guidelines; and
- production of fertilizer in India.

(ii) As per section 35AD, as it stands at present, an assessee engaged in the business of building and operating a hotel, of 2-star or above category in India, becomes eligible for deduction under section 35AD only if he owns and operates the hotel himself.

However, on account of the franchisee business structure which is prevalent in hotel industry, the owner of the hotel generally outsources the operation of the hotel to another person.

Therefore, in order to clarify that the hotel owner would continue to be eligible for the investment-linked tax deduction in such cases, with retrospective effect from Assessment Year 2011-12, sub-section (6A) has been inserted in section 35AD.

New sub-section (6A) provides that where the assessee builds a hotel of two-star or above category as classified by the Central Government and subsequently, while continuing to own the hotel, transfers the operation of the said hotel to another person, the assessee shall be deemed to be carrying on the specified business of building and operating a hotel. Therefore, he would be eligible to claim investment-linked tax deduction under section 35AD.

(d) Weighted deduction in respect of expenditure incurred on notified agricultural extension project [Section 35CCC]

With effect from assessment year 2013-14, new section 35CCC has been inserted to provide a weighted deduction of a sum equal to 150% of expenditure incurred by an assessee on agricultural extension project in accordance with the prescribed guidelines. Only those agricultural extension project which are notified by the board shall be eligible for this weighted deduction.
(e) **Weighted deduction in respect of expenditure incurred by companies on notified skill development project [Section 35CCD]**

In order to encourage companies to invest on skill development projects in the manufacturing sector, with effect from assessment year 2013-14, a new section 35CCD has been inserted to provide for a weighted deduction of a sum equal to 150% of the expenditure (not being expenditure in the nature of cost of any land or building) on skill development project incurred by the company in accordance with the prescribed guidelines.

The skill development project eligible for this weighted deduction shall be notified by the Board.

(f) **Increase in threshold limits of total sales / turnover / gross receipts for audit of accounts and presumptive taxation [Section 44AB]**

In order to reduce the compliance burden on small businesses and on professionals, the threshold limit of total sales, turnover or gross receipts, specified under section 44AB for getting accounts audited has been increased from sixty lakh rupees to one crore rupees in the case of persons carrying on business and from fifteen lakh rupees to twenty five lakh rupees in the case of persons carrying on profession.

**Presumptive taxation under section 44AD:**

For the purposes of presumptive taxation under section 44AD, the threshold limit of total turnover or gross receipts has been increased from sixty lakh rupees to one crore rupees.

Finance (No.2) Act, 2009 substituted Section 44AD in the Income-tax Act to provide for a presumptive income scheme for small businesses with effect from 1st April, 2011. Under this scheme a sum equal to 8% of the total turnover or gross receipts is deemed to be the profits and gains from business. This presumptive scheme is applicable only to a person carrying on any business, except business of plying, hiring or leasing goods carriage, having turnover or gross receipt of less than 60 lakh rupees.

Section 44AD has been amended to clarify that this presumptive scheme is not applicable to

(i) a person carrying on profession as referred to in sub-section (1) of section 44AA;

(ii) persons earning income in the nature of commission or brokerage income; or

(iii) a or a person carrying on any agency business.

(4) **Income under the head Capital Gains**

(a) **Capital gains in cases of amalgamation and demerger**

(i) Under the provisions of section 47(vii) any transfer by a shareholder, in a scheme of amalgamation of a capital asset being a share or shares held by him in the amalgamating company is not regarded as a transfer if,

   (a) any transfer is made in consideration of the allotment to him of any share or shares in the amalgamated company, and

   (b) the amalgamated company is an Indian company.
In a case where a subsidiary company amalgamates into the holding company, it is not possible to satisfy one of the conditions at (a) above, i.e. that the amalgamated company (the holding company) issues shares to the shareholders of the amalgamating company (subsidiary company), since the holding company is itself the shareholder of the subsidiary company and cannot issue shares to itself. Therefore, with effect from assessment year 2013-14, provisions of section 47(vii) has been amended so as to exclude the requirement of issue of shares to the shareholder where such shareholder itself is the amalgamated company. However, the amalgamated company will continue to be required to issue shares to the other shareholders of the amalgamating company.

(ii) Similarly, in the case of a demerger, there is a requirement under section 2(19AA)(iv) that the resulting company has to issue its shares to the shareholders of the demerged company on a proportionate basis. However, it is not possible to satisfy this condition where the demerged company is a subsidiary company and the resulting company is the holding company.

Therefore, with effect from assessment year 2013-14 the provisions of section 2(19AA) has been amended so as to exclude the requirement of issue of shares where resulting company itself is a shareholder of the demerged company. The requirement of issuing shares would still have to be met by the resulting company in case of other shareholders of the demerged company.

(b) Cost of acquisition in case of transfer of assets by a sole proprietorship or a firm to a company on conversion

Where transfer of an asset from one person to another is not regarded as a transfer under section 47, then, for the purpose of computation of capital gains, the cost of the asset in the hands of the successor under section 49 is taken as that of the predecessor. Certain transactions like transfer of assets by a sole proprietorship or a firm to a company on conversion are not regarded as transfer under the provisions of section 47(xiv) and section 47(xiii). While computing capital gains on subsequent sale of such assets by the company, there is no reference in the provisions of section 49 with regard to the cost to be taken for such assets.

Accordingly, with retrospective effect from assessment year 1999-2000, provisions of section 49 has been amended to provide that in case of conversion of sole proprietorship or firm into a company which is not regarded as a transfer, the cost of acquisition of asset in the hands of the company would be the same as that in the hand of the sole proprietary concern or the firm, as the case may be.

(c) Fair market value of the capital asset to be taken as sale consideration, where the consideration is not determinable [Section 50D]

Recently, some of the courts have ruled that, in case of transfer of a capital asset for which the sale consideration is not determinable, the gain arising from transfer of such asset shall not be taxable, due to failure of the machinery provision.

Consequently, with effect from assessment year 2013-14, a new section 50D has been inserted by the Finance Act, 2012 providing that, in case where the consideration received or accruing as a result of the transfer of a capital asset by an assessee is not ascertainable or cannot be determined, then, for the purpose of computing income chargeable to tax as capital gains, the fair market value of the said asset on the date of
transfer shall be deemed to be the full value of consideration received or accruing as a result of such transfer.

(d) **Extension of capital gain exemption under section 54B to a HUF [Section 54B]**

Under section 54B, the capital gain arising on the transfer of land which was used for agricultural purposes by an individual or his parents during the 2 years immediately preceding the date of transfer shall not be charged to tax to the extent of cost of acquisition of new agricultural land acquired within a period of 2 years after the date of transfer.

The aforesaid exemption was so far available only to an individual assessee. Section 54B is now amended to extend the benefit of such an exemption to a Hindu Undivided Family also.

Therefore, the capital gain arising on the transfer of land used for agricultural purposes, for 2 years immediately preceding the date of transfer by an assessee, **being an individual or his parent, or a Hindu Undivided Family shall not be charged to tax if such assessee purchases a new agricultural land within a period of 2 years after the date of transfer. The capital gain would be exempt to the extent of cost of acquisition of new agricultural land acquired.**

(e) **Capital gain exemption on transfer of residential property if invested in a manufacturing small or medium enterprise [New Section 54GB]**

The Government had announced National Manufacturing Policy (NMP) in 2011, one of the goals of which is to incentivise investment in the Small and Medium Enterprises (SME) in the manufacturing sector. Therefore, with effect from assessment year 2013-14, a new section 54GB has been inserted so as to provide rollover relief from long term capital gains tax to an individual or an HUF on sale of a residential property (house or plot of land) in case of re-investment of sale consideration in the equity of a new start-up SME company in the manufacturing sector which is utilized by the company for the purchase of new plant and machinery.

This relief would be subject to the conditions that —

- the amount of net consideration is used by the individual or HUF before the due date of furnishing of return of income under sub-section (1) of section 139, for subscription in equity shares in the SME company in which he holds more than 50% share capital or more than 50% voting rights.
- the amount of subscription as share capital is to be utilized by the SME company for the purchase of new plant and machinery within a period of one year from the date of subscription in the equity shares.

If the amount of net consideration subscribed as equity shares in the SME company is not utilized by the SME company for the purchase of plant and machinery before the due date of filing of return by the individual or HUF, the unutilised amount shall be deposited under a deposit scheme to be prescribed in this behalf.

Suitable safeguards so as to restrict the transfer of the shares of the company, and of the plant and machinery for a period of 5 years are proposed to be provided to prevent diversion of these funds. Further, capital gains would be subject to taxation in case any of the conditions are violated.

The transfer should take place during April 11, 2012 and 31st March, 2017.
(f) **Reference to the Valuation Officer in case the assessee has taken the fair market value as the cost of acquisition of the asset in accordance with the estimate made by the Registered Valuer [Section 55A]**

Under the provisions of section 55A, where in the opinion of the Assessing Officer value of asset as claimed by the assessee is less than its market value, he may refer the valuation of a capital asset to a Valuation Officer. Under section 55 in a case where the capital asset became the property of the assessee before 1st April, 1981, the assessee has the option of substituting the fair market value of the asset as on 1st April, 1981 as the cost of the asset. In such a case the adoption of a higher value for the cost of the asset as the fair market value as on 1st April, 1981, would lead to a lower amount of capital gains being offered for tax.

Accordingly, with effect from 1st July 2012, provisions of section 55A has been amended to enable the Assessing Officer to make a reference to the Valuation Officer where in his opinion the value declared by the assessee is at variance from the fair market value. Therefore, in case where the Assessing Officer is of the opinion that the value taken by the assessee as on 1.4.1981 is higher than the fair market value of the asset as on that date, the Assessing Officer would be enabled to make a reference to the Valuation Officer for determining the fair market value of the property.

(5) **Income from other Sources**

(a) **Exemption of any sum or property received by an HUF from its members [Section 56(2)(vii)]**

Under the existing provisions of clause (vii) of sub-section (2) of section 56 any sum or property received by an individual or HUF for inadequate consideration or without consideration is deemed as income and is taxed under the head “Income from other sources”. However, in the case of an individual, receipts from relatives are excluded from the purview of this section and are therefore treated as not taxable. The definition of relative as given in this sub-clause is only in relation to an individual and not in relation to a HUF.

It is therefore with retrospective effect from 1st day of October, 2009 the provisions of section 56 has been amended so as to provide that any sum or property received without consideration or inadequate consideration by an HUF from its members would also be excluded from taxation.

(b) **Share premium in excess of the fair market value to be treated as income [Section 56(2)(viib)]**

With effect from 1st April 2013, a new clause (viib) has been inserted in section 56(2). The new clause will apply where a company, not being a company in which the public are substantially interested, receives, in any previous year, from any person being a resident, any consideration for issue of shares. In such a case if the consideration received for issue of shares exceeds the face value of such shares, the aggregate consideration received for such shares as exceeds the fair market value of the shares shall be chargeable to income tax under the head "Income from other sources. However, this provision shall not apply where the consideration for issue of shares is received by a venture capital undertaking from a venture capital company or a venture capital fund.
Accordingly, it is provided that the fair market value of the shares shall be the higher of the value—

- as may be determined in accordance with the method as may be prescribed; or
- as may be substantiated by the company to the satisfaction of the Assessing Officer, based on the value of its assets, including intangible assets, being goodwill, know-how, patents, copyrights, trademarks, licences, franchises or any other business or commercial rights of similar nature.

(6) Deduction under Chapter VI

(a) Deduction for life insurance policies (Section 80C)

Under the existing provisions contained in section 10(10D) of the Income-tax Act, any sum received under a life insurance policy, including the sum allocated by way of bonus on such policy, is exempt. For this purpose, it is necessary that the premium payable for any of the years shall not exceed 20% of the actual capital sum assured.

The threshold of premium payable is reduced to 10% from 20% of the actual capital sum assured. Accordingly, section 10(10D) has been amended so as to provide that the exemption for life insurance policies issued on or after 1st April, 2012 would only be available for policies where the premium payable for any of the years during the term of the policy does not exceed 10% of the actual capital sum assured.

Further, in order to ensure that the life insurance products are not designed to circumvent the prescribed limits by varying the capital sum assured from year to year, it is provided that the capital sum assured would be the minimum of the sum assured in any of the years of the policy. A new Explanation 2 has been inserted towards this effect by referring to the new definition of “actual capital sum assured” under Explanation of section 80C(3A). This Explanation will apply to insurance policies issued on or after the 1st April, 2012.

(b) Deduction for investment by a resident individual in listed equity shares [New section 80CCG]

A new section 80CCG has been introduced to provide for a one-time deduction to a resident individual who has acquired listed equity shares in a previous year in accordance with a scheme notified by the Central Government.

The deduction would be 50% of amount invested in such equity shares or ₹25,000, whichever is lower. The maximum deduction of ₹25,000 would be available on investment of ₹50,000 in such listed equity shares.

The following conditions have to be satisfied for claiming the above deduction—

- The gross total income of the assessee for the relevant assessment year should be less than or equal to ₹10 lakh.
- The assessee should be a new retail investor as per the requirement specified under the notified scheme.
- The investment should be made in such listed shares as may be specified under the notified scheme.
- The minimum lock-in period in respect of such investment is three years from the date of acquisition in accordance with the notified scheme.
In addition to the above, other conditions may also be prescribed, subject to fulfillment of which, deduction under section 80CCG can be claimed.

If the individual, after having claimed such deduction, fails to comply with any of the conditions in any previous year, say, he sells the shares before three years, then, the deduction earlier allowed shall be deemed to be the income of the previous year in which he fails to comply with the condition. The income shall, accordingly, be liable to tax in the assessment year relevant to such previous year.

If deduction has been claimed and allowed under this section for any assessment year, the assessee would not be allowed any deduction under this section for any subsequent assessment year.

(c) **Reduction of the eligible age for senior citizens for certain tax relief**

The Finance Act, 2011 amended the effective age of a senior citizen being an Indian resident from sixty-five years of age to sixty years for the purposes of application of various tax slabs and rates of tax under the Income Tax Act, 1961 for income earned during the financial year 2011-12 (assessment year 2012-13). The following provisions are also similarly amended:

(i) Section 80D of the Income-tax Act provides for a deduction in respect of premia paid towards a health insurance policy for the assessee or his family (spouse and dependant children) and a further deduction is also allowed for buying a health insurance policy for parent(s). Where the premium is paid to effect or keep in force an insurance on the health of any person who is a senior citizen, the deductions are allowable up to a higher sum of ₹20,000/- instead of ₹15,000/-.  

(ii) Section 80DDB of the Income-tax Act provides for a deduction up to Rs. 40,000/- for the medical treatment of a specified disease or ailment in the case, inter alia, of an individual or his dependant. This deduction is enhanced to Rs. 60,000/- where the amount actually paid is in respect of any of the above persons who is a senior citizen.

(iii) Section 197A(1C) of the Income-tax Act provides that in respect of tax deduction at source under section 193 (interest on securities) or section 194 (dividends) or section 194A (interest other than interest on securities) or section 194EE (payments in respect of deposits under NSS etc.) or section 194K (income in respect of units), no deduction of tax shall be made in the case of a senior citizen, if such individual furnishes a declaration in the prescribed form (Form No. 15H) to the effect that the tax on his estimated total income of the previous year in which such income is to be included in computing his total income will be nil.

In order to make the effective age of senior citizens uniform across all the provisions of the Income Tax Act, the age for availing of the benefits by a senior citizen under the aforesaid sections (sections 80D, 80DDB and 197A) has been reduced from sixty-five years to sixty years.

(d) **Deduction for expenditure on preventive health check-up [Section 80D]**

With effect from assessment year 2013-14, this section has been amended to include any payment made by an assessee on account of preventive health check-up of self, spouse, dependant children or parent(s) during the previous year as eligible for deduction within the overall limits prescribed in the section. However, the proposed deduction on
account of expenditure on preventive health check-up (for self, spouse, dependant children and parents) shall not exceed in the aggregate Rs.5,000.

It is further amended to provide that for the purpose of the deduction under section 80D, payment can be made – (i) by any mode, including cash, in respect of any sum paid on account of preventive health check-up and (ii) by any mode other than cash, in all other cases.

(e) **Prohibition of cash donations in excess of ten thousand rupees (Section 80G & Section 80GGA)**

Section 80G of the Income-tax Act provides for a deduction in respect of donations to certain funds, charitable institutions, etc. subject to specified conditions. The deduction is allowed in respect of any donation being a sum of money. Similarly, section 80GGA of the Income-tax Act provides for a deduction in respect of certain donations for scientific research or rural development made to research associations, universities, colleges or other associations/institutions, subject to specified conditions.

Currently, there is no provision in either of the aforesaid sections specifying the mode of payment of money. Therefore, with effect from assessment year 2013-14, sections 80G and 80GGA has been amended so as specify therein that any payment exceeding a sum of ten thousand rupees shall only be allowed as a deduction if such sum is paid by any mode other than cash.

(f) **Extension of sunset date for tax holiday for power sector [Section 80-IA(4)(iv)]**

Under the existing provisions of section 80-IA(4)(iv) of the Income-tax Act, a deduction from profits and gains is allowed to an undertaking which,—

- is set up for the generation and distribution of power if it begins to generate power at any time during the period beginning on 1st April, 1993 and ending on 31st March, 2012;
- starts transmission or distribution by laying a network of new transmission or distribution lines at any time during the period beginning on 1st April, 1999 and ending on 31st March, 2012;
- undertakes substantial renovation and modernization of existing network of transmission or distribution lines at any time during the period beginning on 1st April, 2004 and ending on 31st March, 2012.

With effect from assessment year 2013-14, the above provision has been amended to extend the terminal date for a further period of one year, i.e., up to 31st March, 2013.

(g) **Deduction in respect of interest on deposits in savings accounts [New Section 80TTA]**

With effect from assessment year 2013-14, section 80TTA has been introduced to provide that in case the gross total income of an assessee, being an individual or a Hindu Undivided Family, includes any income by way of an interest on deposits in a saving account (not being time deposits, which are deposits repayable on expiry of fixed periods), deduction up to ₹10,000 in aggregate shall be allowed while computing the total income of such assessee. Such deduction shall be allowed in case the saving account is maintained with:

- a banking company to which the Banking Regulation Act, 1949, applies (including any bank or banking institution referred to in section 51 of that Act);
– a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank); or
– a post office.

However, if the aforesaid income is derived from any deposit in a savings account held by, or on behalf of, a firm, an AOP/BOI, no deduction shall be allowed in respect of such income in computing the total income of any partner of the firm or any member of the AOP or any individual of the BOI.

In effect the deduction under this section shall be allowed only in respect of the income derived in form of the interest on the saving bank deposit (other than time deposits) made by the individual or Hindu Undivided Family directly.

(6) Taxation of Firms/Limited Liability Partnership

Alternate Minimum Tax (AMT) on all persons other than companies

From the assessment year 2012-13 onwards, where the regular income tax payable for a previous year by a limited liability partnership is less than the alternate minimum tax payable for such previous year then the adjusted total income shall deemed to be the total income of the LLP for such previous year and it shall be liable to pay income tax on such adjusted total income @ 18.5% plus education & SHEC @ 3%.

Upto Assessment Year 2012-13, Alternate Minimum Tax (AMT) is levied on limited liability partnerships (LLPs). However, no such tax is levied on the other form of business organisations such as partnership firms, sole proprietorship, association of persons, etc.

In order to widen the tax base vis-à-vis profit linked deductions, the provisions regarding AMT has been broaden to cover all persons other than a company, who has claimed deduction under any section (other than section 80P) included in Chapter VI-A under the heading “C – Deductions in respect of certain incomes” or under section 10AA, shall be liable to pay AMT.

Accordingly, where the regular income-tax payable for a previous year by a person (other than a company) is less than the alternate minimum tax payable for such previous year, the adjusted total income shall be deemed to be the total income of such person and he shall be liable to pay income-tax on such total income at the rate of eighteen and one-half per cent.

For the purpose of the above,

(i) “adjusted total income” shall be the total income before giving effect to provisions of Chapter XII-BA as increased by the deductions claimed under any section (other than section 80P) included in Chapter VI-A under the heading “C – Deductions in respect of certain incomes” and deduction claimed under section 10AA;

(ii) “alternate minimum tax;” shall be the amount of tax computed on adjusted total income at a rate of eighteen and one half per cent; and

(iii) “regular income-tax” shall be the income-tax payable for a previous year by a person other than a company on his total income in accordance with the provisions of the Act other than the provisions of Chapter XII-BA.

It is further provided that the provisions of AMT under Chapter XII-BA shall not apply to an individual or a Hindu undivided family or an association of persons or a body of
individuals (whether incorporated or not) or an artificial juridical person referred to in section 2(31)(vii) if the adjusted total income of such person does not exceed twenty lakh rupees.

It is also provided that the credit for tax (tax credit) paid by a person on account of AMT under Chapter XII-BA shall be allowed to the extent of the excess of the AMT paid over the regular income-tax. This tax credit shall be allowed to be carried forward up to the tenth assessment year immediately succeeding the assessment year for which such credit becomes allowable. It shall be allowed to be set off for an assessment year in which the regular income-tax exceeds the AMT to the extent of the excess of the regular income-tax over the AMT.

Every person to which this section applies shall obtain a report, in such form as may be prescribed from an accountant certifying that the adjusted total income and the alternate minimum tax have been computed in accordance with the provisions of this Chapter and furnish such report on or before the due date of filing of return under sub-section (1) of section 139.

(7) Filing of Returns, Signature, E-filings, Assessment and Re-assessment

(a) Mandatory filing of ROI by every resident having any asset (including financial interest in any entity) located outside India [Section 139(1)]

With retrospective effect from Assessment year 2012-13, every resident and ordinarily resident having –

- any asset (including financial interest in any entity) located outside India or
- signing authority in any account located outside India
- is required to file a return of income in the prescribed form compulsorily, whether or not he has income chargeable to tax.

The return of income should be verified in the prescribed manner and provide such particulars as may be prescribed.

(b) Reassessment of income in relation to any asset located outside India

With effect from 1st July 2012, income chargeable to tax shall be deemed to have escaped assessment for the purpose of section 147, where a person is found to have any asset (including financial interest in any entity) located outside India. Accordingly, the Assessing Officer can serve a notice under section 148 on such assessee requiring him to furnish a return of income within the specified period, for the purpose of making an assessment, reassessment or recomputation under section 147.

The first proviso to section 147 provides that, where an assessment under section 143(3) has already been made by the Assessing Officer for the relevant assessment year, then, no action under the said section can be taken after expiry of 4 years from the end of relevant assessment year. The exception would be in cases where income has escaped assessment on account of failure on the part of the assessee to file a return of income under section 139 or in response to a notice issued under section 142(1) or section 148 or to disclose, fully and truly, all material facts necessary for his assessment for that assessment year.

A second proviso has now been inserted in section 147 to provide that the provisions of the above mentioned first proviso shall not apply in a case where income chargeable to tax, in relation to an asset (including financial interest in an entity) located outside India, has escaped assessment for any assessment year. In effect, in such cases, the Assessing
Office can initiate assessment proceedings under section 147 even after the expiry of 4 years inspite of the assessee having –

- duly furnished his return of income and fully and truly disclosing all material facts necessary for his assessment for that assessment year.

An extended time limit of sixteen years would be available for issue of notice under section 148 for an assessment or reassessment, in case income in relation to such assets (including financial interest in any entity) located outside India has escaped assessment [Section 149]. The provision of an extended time limit is due to the reason that gathering information relating to assets located outside India takes substantially more time due to extra procedural requirements and laws of other nations.

Similar amendments have been made in section 17 of the Wealth-tax Act, 1957 on the above lines (i.e. sections 147 and 149 of the Income-tax Act, 1961), i.e., -

- deeming wealth to have escaped assessment where a person is found to have any asset (including financial interest in any entity) located outside India, non-applicability of the four year time limit for issue of notice and provision of an extended time limit of sixteen years for issue of notice for assessment or reassessment in such cases where wealth is deemed to have escaped assessment.

(8) Tax Deducted and collected at source

(a) Threshold for TDS on payment of interest on debentures (section 193)

Under the existing provisions of section 193 of the Income-tax Act, a person responsible for paying interest to a resident individual on listed debentures of a company, in which the public are substantially interested, is not required to deduct tax on the amount of interest payable if the aggregate amount of interest paid during a financial year does not exceed ₹2,500/- and the interest is paid by account payee cheque. However, in the case of unlisted debentures of a company, no threshold limit is specified for deduction of tax on payment of interest.

In order to reduce the compliance burden on small assessees and companies, with effect from 1st July, 2012 no deduction of tax should be made from payment of interest on any debenture, (whether listed or not) issued by a company, in which the public are substantially interested, to a resident individual or Hindu undivided family, if the aggregate amount of interest on such debenture paid during the financial year does not exceed ₹5,000 and the payment is made by account payee cheque.

(b) TDS on remuneration to a director (Section 194J)

Under the existing provisions of the Income-tax Act, a company, being an employer, is required to deduct tax at the time of payment of salary to its employees including Managing director/whole time director.

However, there is no specific provision for deduction of tax on the remuneration paid to a director which is not in the nature of salary. With effect from 1st July, 2012, section 194J has been amended to provide that tax is required to be deducted on the remuneration paid to a director, which is not in the nature of salary, at the rate of 10% of such remuneration.

(c) Threshold for TDS on compensation or consideration for compulsory acquisition

Under the existing provisions of the section 194LA of the Income-tax Act, a person responsible for paying any compensation or consideration for compulsory acquisition of
immovable property (other than agricultural land) is required to deduct tax at the rate of 10% in case the consideration exceeds one lakh rupees.

In order to reduce the compliance burden of small assesses, with effect from 1st July, 2012, the aforesaid threshold limit has been increased from one lakh rupees to two lakh rupees.

(d) **TCS on sale of certain minerals [Section 206C(1)]**

Mining sector is an important segment of Indian economy but the trading of minerals remained largely unregulated resulting in non-reporting or under-reporting of trading in minerals trading transactions for the taxation purpose.

In order to collect tax at the earliest point of time and also to improve reporting mechanism of transactions in mining sector, with effect from 1st July, 2012, tax at the rate of 1% shall be collected by the seller from the buyer of the following minerals:

(a) Coal;
(b) Lignite; and
(c) Iron ore.

However, the seller shall also not collect tax on sale of the said minerals if the same are purchased by the buyer for personal consumption. Further, the seller of these minerals shall not collect tax if the buyer declares that these minerals are to be utilized for the purposes of manufacturing, processing or producing articles or things. This amendment will take.

(e) **Tax Collection at Source (TCS) on cash sale of bullion and jewellery [Section 206C(1D)]**

Under the existing provisions of the Income-tax Act, tax is required to be collected at source by the seller at the specified rate on certain goods like alcoholic liquor, tendu leaves, scrap etc. at the time of sale.

In order to reduce the quantum of cash transaction in bullion and jewellery sector and for curbing the flow of unaccounted money in the trading system of bullion and jewellery, with effect from 1st July, 2012 the seller of bullion and jewellery shall collect tax at the rate of 1% of sale consideration from every buyer of bullion and jewellery if sale consideration exceeds five lakh and two lakh rupees respectively and the sale is in cash. This would be irrespective of the fact whether buyer is a manufacturer, trader or purchase is for personal use.

(f) **Deemed date of payment of tax by the resident payee [Section 201]**

Under the existing provisions of Chapter XVII-B of the Income-tax Act, a person is required to deduct tax on certain specified payments at the specified rates if the payment exceeds specified threshold. In case of non-deduction of tax in accordance with the provisions of this Chapter, he is deemed to be an assessee in default under section 201(1) in respect of the amount of such non-deduction.

However, section 191 of the Act provides that a person shall be deemed to be assessee in default in respect of non/short deduction of tax only in cases where the payee has also failed to pay the tax directly. Therefore, the deductor cannot be treated as assessee in default in respect of non/short deduction of tax if the payee has discharged his tax liability.
The payer is liable to pay interest under section 201(1A) on the amount of non/short deduction of tax from the date on which such tax was deductible to the date on which the payee has discharged his tax liability directly. As there is no one-to-one correlation between the tax to be deducted by the payer and the tax paid by the payee, there is lack of clarity as to when it can be said that payer has paid the taxes directly. Also, there is no clarity on the issue of the cut-off date, i.e. the date on which it can be said that the payee has discharged his tax liability.

In order to provide clarity regarding discharge of tax liability by the resident payee on payment of any sum received by him without deduction of tax, section 201 has been amended to provide that the payer who fails to deduct the whole or any part of the tax on the payment made to a resident payee shall not be deemed to be an assessee in default in respect of such tax if such resident payee –

- has furnished his return of income under section 139;
- has taken into account such sum for computing income in such return of income; and
- has paid the tax due on the income declared by him in such return of income, and the payer furnishes a certificate to this effect from an accountant in such form as may be prescribed.

The date of payment of taxes by the resident payee shall be deemed to be the date on which return has been furnished by the payer.

With effect from 1st July, 2012, it is provided that where the payer fails to deduct the whole or any part of the tax on the payment made to a resident and is not deemed to be an assessee in default under section 201(1) on account of payment of taxes by the such resident, the interest under section 201(1A)(i) shall be payable from the date on which such tax was deductible to the date of furnishing of return of income by such resident payee.

Amendments on similar lines are also made in the provisions of section 206C relating to TCS for clarifying the deemed date of discharge of tax liability by the buyer or licensee or lessee.

(g) **Senior Citizens, not having profit and gains of business or profession, exempt from payment of advance tax [Section 207]**

Under section 208, every assessee is required to pay advance tax if the tax liability for the previous year is ₹10,000 or more. It is observed that, in case of senior citizens who have passive source of income like interest, rent, etc., the requirement of payment of advance tax causes genuine compliance hardship.

Therefore, in order to reduce the compliance burden on such senior citizens exemption from payment of advance tax has now been provided to a resident individual-

- not having any income chargeable under the head “Profits and gains of business or profession” and of age 60 years or more.

With effect from 1st April 2012, such senior citizens need not pay advance tax and are allowed to discharge their tax liability (other than TDS) by payment of self-assessment tax.
(B) WEALTH TAX (WEALTH TAX ACT, 1956)

(a) Exemption of residential house allotted to an employee etc. of a company [Section 2(ea)]

Under the existing provisions of section 2 of the Wealth-tax Act, the specified assets for the purpose of levy of wealth tax do not include a residential house allotted by a company to an employee or an officer or a whole time director if the gross annual salary of such employee or officer, etc. is less than five lakh rupees.

Considering general increase in salary and inflation since revision of this limit, with effect from Assessment Year 2013-14, the existing threshold of gross salary has been increased from five lakh rupees to ten lakh rupees for the purpose of levying wealth-tax on residential house allotted by a company to an employee or an officer or a whole time director.

(b) Exemption from Wealth Tax - Reserve Bank of India

Under the existing provisions of the Wealth-tax Act, wealth-tax is levied on individual, HUF and company. The definition of “Company” under the Act includes a corporation established by or under the Central, State or Provincial Act. Therefore, the Reserve Bank of India (RBI), being a corporation established under the Central Act, would be deemed as company for the purpose of levy of wealth-tax and shall be liable to pay wealth-tax. However, there is no provision for exempting RBI from the levy of wealth-tax either in the Wealth-tax Act or in Reserve Bank of India Act, 1934.

In order to provide that the RBI is not liable to pay wealth-tax, section 45 has been amended with retrospective effect from assessment year 1957-58 to provide that wealth-tax shall not be levied on the net wealth of RBI.

(C) SERVICE TAX

1. Taxability of Services

Service Tax is levied vide Finance Act, 1994 (the Act). The Finance Act, 1994 applies all over India except the state of Jammu & Kashmir.

With effect from 1st July 2012, a new charging Section 66B has been inserted by the Finance Act 2012. Section 66B provides that there shall be levied a tax (hereinafter referred to as the service tax) at the rate of twelve per cent on the value of all services, other than those services specified in the negative list, provided or agreed to be provided in the taxable territory by one person to another and collected in such manner as may be prescribed.

Overview of Service Tax Regime

The taxation of services is completely overhauled from positive approach or selective services to negative list approach. Now, no classification of services is required for the purpose of taxability. Moreover, only services rendered in taxable territory are taxable for which Place of Provision of Service Rules, 2012 (‘PPSR’) are prescribed and with this Import of services and export of services rules has been rescinded.
2. **Meaning of Service**

The Finance Act, 2012 has also defined a term “Service” for the first time. In other words, from June 1994 to June 2012, the Finance Act, 1994 was not containing a definition of the term Service.

Clause (44) of Section 65B of the Act has defined a term Service as under:

"Service" means any activity carried out by a person for another for consideration, and includes a declared service, but shall not include—

(a) an activity which constitutes merely,—

(i) a transfer of title in goods or immovable property, by way of sale, gift or in any other manner; or

(ii) such transfer, delivery or supply of any goods which is deemed to be a sale within the meaning of clause (29A) of Article 366 of the Constitution; or

---

*Service Tax is levied on all activities except those excluded from the definition of 'service' and those specified in negative list and exemption list.*
(iii) a transaction in money or actionable claim;

(b) a provision of service by an employee to the employer in the course of or in relation to his employment;

(c) fees taken in any Court or tribunal established under any law for the time being in force.

Explanation 1.— For the removal of doubts, it is hereby declared that nothing contained in this clause shall apply to,—

(a) the functions performed by the Members of Parliament, Members of State Legislative, Members of Panchayats, Members of Municipalities and Members of other local authorities who receive any consideration in performing the functions of that office as such member; or

(b) the duties performed by any person who holds any post in pursuance of the provisions of the Constitution in that capacity; or

(c) the duties performed by any person as a Chairperson or a Member or a Director in a body established by the Central Government or State Governments or local authority and who is not deemed as an employee before the commencement of this section.

Explanation 2. — For the purposes of this clause, transaction in money shall not include any activity relating to the use of money or its conversion by cash or by any other mode, from one form, currency or denomination to another form, currency or denomination for which a separate consideration is charged.

Explanation 3. — For the purposes of this Chapter,—

(a) an unincorporated association or a body of persons, as the case may be, and a member thereof shall be treated as distinct persons;

(b) an establishment of a person in the taxable territory and any of his other establishment in a non-taxable territory shall be treated as establishments of distinct persons.

Explanation 4. — A person carrying on a business through a branch or agency or representational office in any territory shall be treated as having an establishment in that territory;

3. Declared Services

Section 66E has been newly inserted which specify that the nine specific activities or transactions are declared to be covered as ‘service’. Such activities includes:
(a) renting of immovable property  
(b) construction of a complex.  
(c) temporary transfer or permitting the use or enjoyment of any intellectual property right  
(d) development, design, programming, customisation, adaptation, upgradation, enhancement, implementation of information technology software  
(e) agreeing to the obligation to refrain from an act, or to tolerate an act or a situation, or to do an act  
(f) transfer of goods by way of hiring, leasing, licensing or in any such manner without transfer of right to use such goods  
(g) activities in relation to delivery of goods on hire purchase or any system of payment by instalments  
(h) service portion in the execution of a works contract  
(i) service portion in an activity wherein goods, being food or any other article of human consumption or any drink (whether or not intoxicating) is supplied in any manner as a part of the activity  

Para No. 3.4.1 of Taxation of Services – An education Guide dated 20.06.2012 has given the following test to determine whether an activity is a taxable service:

**STEP 1: To determine whether service is being provided by you:**

<table>
<thead>
<tr>
<th>S.NO.</th>
<th>QUESTION</th>
<th>Provide Your Answer</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Am I doing an activity (including, but not limited to, an activity Specified in section 65E of the Act) for another person*?</td>
<td>YES</td>
</tr>
<tr>
<td>2</td>
<td>Am I doing such activity for a consideration?</td>
<td>YES</td>
</tr>
<tr>
<td>3</td>
<td>Does this activity consist only of transfer of title in goods or immovable property by way of sale, gift or in any other manner?</td>
<td>NO</td>
</tr>
<tr>
<td>4</td>
<td>Does this activity constitute only a transfer, delivery or supply of goods which is deemed to be a sale of goods within the meaning of clause (29A) of article 366 of the Constitution?</td>
<td>NO</td>
</tr>
<tr>
<td>5</td>
<td>Does this activity consist only of a transaction in money or actionable claim?</td>
<td>NO</td>
</tr>
<tr>
<td>6</td>
<td>Is the consideration for the activity in the nature of court fees for a court or a tribunal?</td>
<td>NO</td>
</tr>
<tr>
<td>7</td>
<td>Is such an activity in the nature of a service provided by an employee of such person in the course of employment?</td>
<td>NO</td>
</tr>
<tr>
<td>8</td>
<td>Is the activity covered in any of the categories specified in Explanation 1 to clause (44) of section 65B of the Act</td>
<td>NO</td>
</tr>
</tbody>
</table>
If the answer to the above questions is as per the above answers in column 3 of the table above THEN you are providing a service.

**STEP 2: To determine whether service provided by you is taxable**

If you are providing a ‘service’ (Step 1) and then pose the following Questions to yourself-

<table>
<thead>
<tr>
<th>S.NO.</th>
<th>QUESTION</th>
<th>ANSWER</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Have I provided or have I agreed to provide the service?</td>
<td>Yes</td>
</tr>
<tr>
<td></td>
<td>Have I provided or have I agreed to provide the service in the taxable territory?</td>
<td>Yes</td>
</tr>
<tr>
<td>2</td>
<td>Is this activity entirely covered in any of the services described in the negative list of services contained in section 66D of the Act?</td>
<td>No</td>
</tr>
</tbody>
</table>

If the answer to the above questions is also as per the answers given in column 2 of the table above then you are providing a ‘taxable service’.

4. **Negative List of Services**

A Negative List approach to taxation of services has been introduced vide new sections, namely, 66B, 66C, 66D, 66E and 66F in Chapter V of the Finance Act. The services specified in the ‘Negative List’ (section 66D) will remain outside the tax net. All other services, except those specifically exempted by the exercise of powers under section 93(1) of the Finance Act, 1994, would thus be chargeable to service tax. Negative list approach to taxation of services is effective from July 1, 2012.

Section 66D specify the following list of services under the negative list:

- (a) Services by Government or a local authority excluding the following services to the extent they are not covered elsewhere:
  - (i) services by the Department of Posts by way of speed post, express parcel post, life insurance and agency services provided to a person other than Government.
  - (ii) services in relation to an aircraft or a vessel, inside or outside the precincts of a port or an airport.
  - (iii) transport of goods or passengers.
  - (iv) support services, other than services covered under clauses (i) to (iii) above, provided to business entities.

- (b) services by the Reserve Bank of India.

- (c) services by a foreign diplomatic mission located in India.

- (d) services relating to agriculture or agricultural produce by way of-
(i) agricultural operations directly related to production of any agricultural produce including cultivation, harvesting, threshing, plant protection or seed testing.

(ii) supply of farm labour.

(iii) processes carried out at an agricultural farm including tending, pruning, cutting, harvesting, drying, cleaning, trimming, sun drying, fumigating, curing, sorting, grading, cooling or bulk packaging and such like operations which do not alter the essential characteristics of agricultural produce but make it only marketable for the primary market.

(iv) renting or leasing of agro machinery or vacant land with or without a structure incidental to its use.

(v) loading, unloading, packing, storage or warehousing of agricultural produce.

(vi) agricultural extension services.

(vii) services by any Agricultural Produce Marketing Committee or Board or services provided by a commission agent for sale or purchase of agricultural produce.

(e) trading of goods.

(f) any process amounting to manufacture or production of goods.

(g) selling of space or time slots for advertisements other than advertisements broadcast by radio or television.

(h) service by way of access to a road or a bridge on payment of toll charges.

(i) betting, gambling or lottery.

(j) admission to entertainment events or access to amusement facilities.

(k) transmission or distribution of electricity by an electricity transmission or distribution utility.

(l) services by way of –

   (i) pre-school education and education up to higher secondary school or equivalent.

   (ii) education as a part of a curriculum for obtaining a qualification recognised by any law for the time being in force.

   (iii) education as a part of an approved vocational education course.

(m) services by way of renting of residential dwelling for use as residence.

(n) services by way of –

   (i) extending deposits, loans or advances in so far as the consideration is represented by way of interest or discount;

   (ii) inter se sale or purchase of foreign currency amongst banks or authorised dealers of foreign exchange or amongst banks and such dealers.

(o) service of transportation of passengers, with or without accompanied belongings, by
(i) a stage carriage  
(ii) railways in a class other than –  
   (A) first class or  
   (B) an airconditioned coach  
(iii) metro, monorail or tramway  
(iv) inland waterways  
(v) public transport, other than predominantly for tourism purpose, in a vessel between places located in India and  
(vi) metered cabs, radio taxis or auto rickshaws  

(p) services by way of transportation of goods—  
   (i) by road except the services of—  
      (A) a goods transportation agency; or  
      (B) a courier agency  
   (ii) by an aircraft or a vessel from a place outside India up to the customs station of clearance in India or  
   (iii) by inland waterways  

(q) funeral, burial, crematorium or mortuary services including transportation of the deceased.

5. **List of Exemptions under Mega Notification**

   In exercise of the powers conferred by sub-section (1) of section 93 of the Finance Act, 1994, the Central Government has issued Notification No. 25/ 2012 ST dated 20th June 2012 (Mega Exemption Notification) exempting the following taxable services. This notification has come in to effect from 1st day of July, 2012.

1. Services provided to the *United Nations or a specified international organization.*

   “Specified international organization” means an international organization declared by the Central Government in pursuance of section 3 of the United Nations (Privileges and Immunities) Act, 1947 (46 of 1947), to which the provisions of the Schedule to the said Act apply;

   The illustrative list of such organizations has been provided by Para No. 7.1 Taxation of Services – An Education Guide dated 20.06.2012 as follows :

   - International Civil Aviation Organisation
   - World Health Organisation
   - International Labour Organisation

International Telecommunication Union
World Meteorological Organisation
Permanent Central Opium Board
International Hydrographic Bureau
Commissioner for Indus Waters, Government of Pakistan and his advisers and assistants
Asian African Legal Consultative Committee
Commonwealth Asia Pacific Youth Development Centre, Chandigarh
Delegation of Commission of European Community
Customs Co-operation Council
Asia Pacific Telecommunity
International Centre of Public Enterprises in Developing Countries, Ljubljana (Yugoslavia)
International Centre for Genetic Engineering and Biotechnology
Asian Development Bank
South Asian Association for Regional Co-operation
International Jute Organisation, Dhaka, Bangladesh

2. **Health care services** by a clinical establishment, an authorized medical practitioner or para-medics.

The terms health care services are defined as follows:

“Health care services” means any service by way of diagnosis or treatment or care for illness, injury, deformity, abnormality or pregnancy in any recognised system of medicines in India and includes:

- services by way of transportation of the patient to and from a clinical establishment, but does not include:
- hair transplant or cosmetic or plastic surgery, except when undertaken to restore or to reconstruct anatomy or functions of body affected due to congenital defects, developmental abnormalities, injury or trauma;

As per para 7.2.1 of Taxation of services –An Education Guide the services provided in recognized systems of medicines in India are exempt. In terms of the Clause (h) of section 2 of the Clinical Establishments Act, 2010, the following systems of medicines are recognized systems of medicines:

- Allopathy
- Yoga
- Naturopathy
- Ayurveda
• Homeopathy
• Siddha
• Unani
• Any other system of medicine that may be recognized by central government

“clinical establishment” means a hospital, nursing home, clinic, sanatorium or any other institution by, whatever name called, that offers services or facilities requiring diagnosis or treatment or care for illness, injury, deformity, abnormality or pregnancy in any recognized system of medicines in India, or a place established as an independent entity or a part of an establishment to carry out diagnostic or investigative services of diseases;

“authorised medical practitioner” means a medical practitioner registered with any of the councils of the recognized system of medicines established or recognized by law in India and includes a medical professional having the requisite qualification to practice in any recognized system of medicines in India as per any law for the time being in force;

Para 7.2.2. of Taxation of services- An Education Guide describes Paramedics are trained health care professionals, for example nursing staff, physiotherapists, technicians, lab assistants etc. Services by them in a clinical establishment would be in the capacity of employee and not provided in independent capacity and will thus be considered as services by such clinical establishment. Similar services in independent capacity are also exempted.

In short, the health care services provided by a clinical establishment, an authorized medical practitioner and paramedics shall be exempt.

3. Services by a veterinary clinic in relation to health care of animals or birds.

“Charitable activities” means activities relating to -

(i) public health by way of -

(a) care or counseling of (i) terminally ill persons or persons with severe physical or mental disability, (ii) persons afflicted with HIV or AIDS, or (iii) persons addicted to a dependence-forming substance such as narcotics drugs or alcohol; or

(b) public awareness of preventive health, family planning or prevention of HIV infection;

(ii) advancement of religion or spirituality;

(iii) advancement of educational programmes or skill development relating to,-

(a) abandoned, orphaned or homeless children;

(b) physically or mentally abused and traumatized persons;
(c) prisoners; or

(d) persons over the age of 65 years residing in a rural area;

(iv) preservation of environment including watershed, forests and wildlife; or

(v) advancement of any other object of general public utility up to a value of-

(a) eighteen lakh and seventy five thousand rupees for the year 2012-13 subject to the condition that total value of such activities had not exceeded twenty five lakhs rupees during 2011-12;

(b) twenty five lakh rupees in any other financial year subject to the condition that total value of such activities had not exceeded twenty five lakhs rupees during the preceding financial year;

5. Services by a person by way of-

(a) renting of precincts of a religious place meant for general public; or

(b) conduct of any religious ceremony.

In this case the exemption is provided to the activity of letting out on rent of areas surrounding, or in the compound of a religious place.

For this purpose, the following are defined as;

“Religious place” means a place which is primarily meant for conduct of prayers or worship pertaining to a religion, meditation, or spirituality;

“General public” means the body of people at large sufficiently defined by some common quality of public or impersonal nature;

6. Services provided by-

(a) an arbitral tribunal to-

(i) any person other than a business entity; or

(ii) a business entity with a turnover up to rupees ten lakh in the preceding financial year.

Arbitral tribunal defines as “arbitral tribunal” has the meaning assigned to it in clause (d) of section 2 of the Arbitration and Conciliation Act, 1996 (26 of 1996);

The definition as provided in clause (d) of section 2 of the Arbitration and Conciliation Act, 1996 read as; “arbitral tribunal” means a sole arbitrator or a panel of arbitrators”

Further, Business entity is defined in section 65B of the Finance Act, 1994 as ‘any person ordinarily carrying out any activity relating to industry, commerce or any other business.

Thus, services provided by arbitral tribunal to a business entity having turnover of more then ` 10 lakhs in the preceding financial year would not be exempt.

(b) an individual as an advocate or a partnership firm of advocates by way of legal services to,-
(i) an advocate or partnership firm of advocates providing legal services;

(ii) any person other than a business entity; or

(iii) a business entity with a turnover up to rupees ten lakh in the preceding financial year; or

“Advocate” has the meaning assigned to it in clause (a) of sub-section (1) of section 2 of the Advocates Act, 1961 (25 of 1961);

The definition of advocate has been defined in clause (a) of subsection (1) of section of the Advocates Act, 1961 as; “advocate means an advocate entered in any roll under the provisions of this Act”

“legal service” means any service provided in relation to advice, consultancy or assistance in any branch of law, in any manner and includes representational services before any court, tribunal or authority;

Thus, any services provided by such advocates/firms in fields other than legal services would be taxable. Such services can include services relating to mergers and acquisitions, due diligence etc.

(c) a person *represented on an arbitral tribunal* to an arbitral tribunal.

7. Services by way of *technical testing or analysis of newly developed drugs*, including vaccines and herbal remedies, on human participants by a clinical research organisation approved to conduct clinical trials by the Drug Controller General of India.

In order to promote development of new drugs, exemption is provided to testing and analysis of such new drugs.

8. Services by way of *training or coaching in recreational activities* relating to arts, culture or sports.

Vide Circular No. 164/15/2012 S.T, dated 28-08-2012, it has been clarified that no service tax is leviable on vocational education/training/skill development courses (VEC) offered by the Government (Central Government or state Government) or local authority themselves. Also in case of such courses offered by an entity independently established by the Government under the law as a society or any other similar body, it has been clarified that the words “recognised by an entity established under a central or state law including delegated legislation, for the purpose of granting recognition to any education course including a VEC

9. Services provided to or by *an educational institution* in respect of education exempted from service tax, by way of:-

(a) auxiliary educational services; or

(b) renting of immovable property.

Here, exemption is provided to

- to an educational institution
- in respect of education
- which is exempt from levy of service tax
- by way of auxiliary educational services
- by way of renting of immovable property.

For this purpose ‘auxiliary educational services’ are defined as follows:

“auxiliary educational services” means any services relating to imparting any skill, knowledge, education or development of course content or any other knowledge – enhancement activity, whether for the students or the faculty, or any other services which educational institutions ordinarily carry out themselves but may obtain as outsourced services from any other person, including services relating to admission to such institution, conduct of examination, catering for the students under any mid-day meals scheme sponsored by Government, or transportation of students, faculty or staff of such institution;

(c) up to an amount of five thousand rupees per month per member for sourcing of goods or services from a third person for the common use of its members in a housing society or a residential complex;

“trade union” has the meaning assigned to it in clause (h) of section 2 of the Trade Unions Act, 1926 (16 of 1926).

For clarification Taxation of services –An Education Guide dated 20.06.2012, provides the following:

7.11.9 I am a Resident Welfare Association (RWA). The members contribute an amount to RWA for holding camps to provide health care services to poor men and women. Am I required to pay tax on contribution received from members?

No. You are not required to pay service tax on the contribution received as you are carrying out any activity (holding camps to provide health care services) which is exempt from the levy of service tax. If contribution is for carrying out an activity which is taxable, you are required to pay service tax.

29. Services by the following persons in respective capacities -

(a) sub-broker or an authorised person to a stock broker;

(b) authorised person to a member of a commodity exchange;

(c) mutual fund agent to a mutual fund or asset management company;

(d) distributor to a mutual fund or asset management company;

(e) selling or marketing agent of lottery tickets to a distributor or a selling agent;

(f) selling agent or a distributer of SIM cards or recharge coupon vouchers;
(g) business facilitator or a business correspondent to a banking company or an insurance company, in a rural area; or

(h) sub-contractor providing services by way of works contract to another contractor providing works contract services which are exempt;

“sub-broker” has the meaning assigned to it in sub-clause (gc) of clause 2 of the Securities and Exchange Board of India (Stock Brokers and Sub-brokers) Regulations, 1992;

“authorised person” means any person who is appointed as such either by a stock broker (including trading member) or by a member of a commodity exchange and who provides access to trading platform of a stock exchange or a commodity exchange as an agent of such stock broker or member of a commodity exchange;

“commodity exchange” means an association as defined in section 2(j) and recognized under section 6 of the Forward Contracts (Regulation) Act, 1952 (74 of 1952);

“distributor or selling agent” has the meaning assigned to them in clause (c) of the rule 2 of the Lottery (Regulation) Rules, 2010 notified by the Government of India in the Ministry of Home Affairs, published in the Gazette of India, Extraordinary, Part-II, Section 3, Sub-section (i), vide number G.S.R. 278(E), dated the 1st April, 2010 and shall include distributor or selling agent authorised by the lottery-organising State;

“business facilitator or business correspondent” means an intermediary appointed under the business facilitator model or the business correspondent model by a banking company or an insurance company under the guidelines issued by Reserve Bank of India;

“banking company” has the meaning assigned to it in clause (a) of section 45A of the Reserve Bank of India Act, 1934(2 of 1934);

“general insurance business” has the meaning assigned to it in clause (g) of section 3 of General Insurance Business (Nationalisation) Act, 1972 (57 of 1972);

“insurance company” means a company carrying on life insurance business or general insurance business;

“life insurance business” has the meaning assigned to it in clause (11) of section 2 of the Insurance Act, 1938 (4 of 1938);

“rural area” means the area comprised in a village as defined in land revenue records, excluding the area under any municipal committee, municipal corporation, town area committee, cantonment board or notified area committee; or any area that may be notified as an urban area by the Central Government or a State Government;

For clarification Taxation of services –An Education Guide dated 20.06.2012, provides the following:

2.8.12 Would recharge vouchers issued by service companies for enabling clients/consumers to avail services like mobile phone communication, satellite TV broadcasts, DTH broadcasts etc be ‘actionable claims?'
No. Such recharge vouchers do not create a 'beneficial interest' in a moveable property but only enable a person to enjoy a particular service.

7.11.11 Whether the exemption provided in the mega-exemption to services by way of construction of roads, airports, railways, transport terminals, bridges, tunnels, dams etc., is also available to the sub-contractors who provide input service to these main contractors in relation to such construction?

As per clause (1) of section 66F reference to a service by nature or description in the Act will not include reference to a service used for providing such service. Therefore, if any person is providing services, in respect of projects involving construction of roads, airports, railways, transport terminals, bridges, tunnels, dams etc., such as architect service, consulting engineer service etc., which are used by the contractor in relation to such construction, the benefit of the specified entries in the mega-exemption would not be available to such persons unless the activities carried out by the sub-contractor independently and by itself falls in the ambit of the exemption.

It has to be appreciated that the wordings used in the exemption are ‘services by way of construction of roads etc’ and not ‘services in relation to construction of roads etc’. It is thus apparent that just because the main contractor is providing the service by way of construction of roads, airports, railways, transport terminals, bridges, tunnels, dams etc., it would not automatically lead to the classification of services being provided by the sub-contractor to the contractor as an exempt service.

However, a sub-contractor providing services by way of works contract to the main contractor, providing exempt works contract services, has been exempted from service tax under the mega exemption if the main contractor is engaged in providing exempt services of works contracts. It may be noted that the exemption is available to sub-contractors engaged in works contracts and not to other outsourced services such as architect or consultants.

30. Carrying out an intermediate production process as job work in relation to -

(a) agriculture, printing or textile processing;

(b) cut and polished diamonds and gemstones; or plain and studded jewellery of gold and other precious metals, falling under Chapter 71 of the Central Excise Tariff Act, 1985 (5 of 1986);

(c) any goods on which appropriate duty is payable by the principal manufacturer; or

(d) processes of electroplating, zinc plating, anodizing, heat treatment, powder coating, painting including spray painting or auto black, during the course of manufacture of parts of cycles or sewing machines upto an aggregate value of taxable service of the specified processes of one hundred and fifty lakh rupees in a financial year subject to the condition that such aggregate value had not exceeded one hundred and fifty lakh rupees during the preceding financial year;

“Appropriate duty” means duty payable on manufacture or production under a Central Act or a State Act, but shall not include ‘Nil’ rate of duty or duty wholly exempt;

“Principal manufacturer” means any person who gets goods manufactured or
31. Services by an organiser to any person in respect of a business exhibition held outside India;

For clarification Taxation of services – An Education Guide dated 20.06.2012, provides the following:

Para No. 7.11.16 Footwear Association of India is organizing a business exhibition in Germany for footwear manufacturers of India. Is Footwear association of India required to pay service tax on services to footwear manufacturers?

No. The activity is exempt from service tax.

32. Services by way of making telephone calls from -

(a) departmentally run public telephone;
(b) guaranteed public telephone operating only for local calls; or
(c) free telephone at airport and hospital where no bills are being issued.

For clarification Taxation of services – An Education Guide dated 20.06.2012, provides the following:

Para No. 7.11.13 Whether service tax is leviable on telephone services rendered by M/s. BSNL through Village Panchayat Telephone (VPT) with local call facility, as M/s. BSNL is a public sector unit and telephones run by it cannot be treated as ‘departmentally run telephones’?

As per Sl. No. 32 of the mega-exemption Notification in addition to exemption to ‘departmentally run telephones’ there is exemption for ‘Guaranteed Public Telephone operating only for local calls’ also. Village Public Telephones (VPTs) with facility of local calls (without 9 dialing facility or STD facility) run by BSNL would fall under the category of ‘Guaranteed Public Telephone operating only for local calls’.

33. Services by way of slaughtering of animals.

34. Services received from a provider of service located in a non-taxable territory by-

(a) Government, a local authority, a governmental authority or an individual in relation to any purpose other than commerce, industry or any other business or profession;
(b) an entity registered under section 12AA of the Income tax Act, 1961 (43 of 1961) for the purposes of providing charitable activities; or
(c) a person located in a non-taxable territory.

For clarification Taxation of services – An Education Guide dated 20.06.2012, provides the following example:

Para No. 7.11.17 I am resident in Jammu and Kashmir and planning to construct a property in Delhi. I have got the architectural drawings made from an architect who is also resident in Jammu and Kashmir. Am I liable to pay service tax on architect services?
Solution: No. Even though the property is located in Delhi- in a taxable territory—your architect is exempt from service tax as both the service provider and the service receiver is in a non-taxable territory.

35. Services of public libraries by way of lending of books, publications or any other knowledge-enhancing content or material.

36. Services by Employees’ State Insurance Corporation to persons governed under the Employees’ Insurance Act, 1948 (34 of 1948).

37. Services by way of transfer of a going concern, as a whole or an independent part thereof.

As per Taxation of services – An Education Guide dated 20.06.2012, ‘transfer of going concern’ means transfer of a running business which is capable of being carried on by the purchaser as an independent business, but shall not cover mere or predominant transfer of an activity comprising a service. Such sale of business as a whole will comprise comprehensive sale of immovable property, goods and transfer of unexecuted orders, employees, goodwill etc. Since the transfer in title is not merely a transfer in title of either the immovable property or goods or even both it may amount to service and has thus been exempted.

38. Services by way of public conveniences such as provision of facilities of bathroom, washrooms, lavatories, urinal or toilets.

39. Services by a governmental authority by way of any activity in relation to any function entrusted to a municipality under article 243W of the Constitution.

“governmental authority” means a board, or an authority or any other body established with 90% or more participation by way of equity or control by Government and set up by an Act of the Parliament or a State Legislature to carry out any function entrusted to a municipality under article 243W of the Constitution.

6. **Place of Provision of Service Rules**

Service Tax Is Destination Consumption Based Tax

Service Tax is a Value Added Tax (VAT) and is **destination based consumption tax** in the sense that it is on commercial activities and is not a charge on the business but on the consumer and it would, logically, be leviable **only on services provided** within the country. This principle is more or less universally applied.

In terms of this principle, exports are not charged to tax, as the consumption is outside the taxable territory, and services are taxed on their importation into the taxable territory.

However, most of the services are intangible in nature, the determination of place of their consumption is not easy. Services could be provided by a person located at one location, actually performed at another while being delivered to a person located at a third location, and occasionally actually consumed at a third location or over a larger geographical territory, falling in more than one taxable jurisdiction. For example a person situated in Delhi may buy a ticket on line from a service provider located outside India, say Delta Airline, USA for a journey from Mumbai to New York, wherein part of the service will be provided on Indian land mass or in taxable territory (the territory of India including territorial waters of India extending upto 12 nautical miles (under
International Sea Act). Hence services provided beyond the territorial waters of India are not liable to service tax as the provisions of the service tax have not been extended beyond India. On other occasions the exact location of service recipient itself may not be available e.g. services supplied electronically through internet such as software services, web based services, software maintenance services. As a result it is necessary to lay down rules determining the exact place of provision, while ensuring a certain level of harmonization with international practices in order to avoid both the double taxation as well as double non-taxation of services.

It is also a common practice to largely tax services provided by business to other business entities, based on the location of the customers and other services from business to consumers based on the location of the service provider. Since the determination in terms of above principle is not easy, or sometimes not practicable, nearest proxies are adopted to provide specificity in the interpretation as well as application of the law.

Function of Place of Provision of Services Rules, 2012

These rules are primarily meant for:

a. The assessee who deal in cross-border services (from taxable territory to non taxable territory or from non taxable territory to taxable territory).
b. Those assessees who have operations with suppliers or customers in the state of Jammu and Kashmir.
c. Service providers operating within India (within the taxable territory) from multiple locations, without having centralized registration will find them useful in determining the precise taxable jurisdiction applicable to their operations.
d. Determining services that are wholly consumed within a SEZ, to avail the outright exemption from service tax.

Basic Framework

Place of Provision of Services (POPS) Rules, 2012 are comprehensive set of rules which provides for whether a service has been provided in taxable territory or not. The concept of Export or Import service has been replaced with provision of service in taxable or non taxable territory and therefore no separate set of rules for Export and Import of services exists. The rules for determination of import of services has done away with and export of services are now determined with Rule 6A of Service Tax Rules, 1994.

How the POPS Rules, 2012 shall apply

The answer to this question is provided in Para 5.2.1. of Taxation of Services – An Education Guide dated 20.06.2012 as follows:

As stated earlier, in terms of section 66B, a service is taxable only when, inter alia, it is “provided (or agreed to be provided) in the taxable territory”. Thus, the taxability of a service will be determined based on the place of its provision. For determining the taxability of a service, therefore, one needs to ask the following questions sequentially:

1. Which rule applies to the service provided specifically? In case more than one rules apply equally, which of these come later in the order given in the rules?
2. What is the place of provision of the service in terms of the above rule?
3. Is the place of provision in taxable territory? If yes, tax will be payable. If not, tax will not be payable.
4. Is the provider 'located' in the taxable territory? If yes, he will pay the tax.

5. If not, is the service receiver located in taxable territory? If yes, he may be liable to pay tax on reverse charge basis.

6. Is the service receiver an individual or government receiving services for a non-business purpose, or a charity receiving services for a charitable activity? If yes, the same is exempted. If not, he is liable to pay tax.

Before moving to the Rules for determining the Place of provision of Services Rules, the understanding of the following term is very important.

Taxable territory has been defined in sub-section 52 of section 65B. It means the territory to which the provisions of Chapter V of the Finance Act, 1994 apply i.e. whole of India excluding the state of Jammu and Kashmir.

“Non-taxable territory” is defined in sub-section 35 ibid accordingly as the territory other than the taxable territory.

“India” is defined in sub-section 27 of section 65 B, as follows:

“India” means—

(a) the territory of the Union of India as referred to in clauses (2) and (3) of article 1 of the Constitution;

(b) its territorial waters, continental shelf, exclusive economic zone or any other maritime zone as defined in the Territorial Waters, Continental Shelf, Exclusive Economic Zone and Other Maritime Zones Act, 1976;

(c) the sea-bed and the subsoil underlying the territorial waters;

(d) the air space above its territory and territorial waters; and

(e) the installations structures and vessels located in the continental shelf of India and the exclusive economic zone of India, for the purposes of prospecting or extraction or production of mineral oil and natural gas and supply thereof;

Order of Application of POPS, Rules 2012

Rule 14 of POPS rules, provides that rules should be interpreted in reverse order, means rules which comes last in order will be considered first and if that is not applicable then go to the second last and so on. These rules should be applied in the reverse order (from below to above) i.e. in case rule 8 is applicable no other rule prior to this rule shall be applicable.

An illustration is given in Para 5.14.1 of Taxation of Services – An Education Guide dated 20.06.2012 as follows:

Illustration 1

An architect based in Mumbai provides his service to an Indian Hotel Chain (which has business establishment in New Delhi) for its newly acquired property in Dubai. If Rule 5 (Property rule) were to be applied, the place of provision would be the location of the property i.e. Dubai (outside the taxable territory). With this result, the service would not be taxable in India. Whereas, by application of Rule 8, since both the provider and the receiver are located in taxable territory, the place of provision would be the location of the service.
receiver i.e. New Delhi. Place of provision being in the taxable territory, the service would be taxable in India.

By application of Rule 14, the later of the Rules i.e. Rule 8 would be applied to determine the place of provision.

Illustration 2

For the Ms Universe Contest planned to be held in South Africa, the Indian pageant (say, located in Mumbai) avails the services of Indian beauticians, fashion designers, videographers, and photographers. The service providers travel as part of the Indian pageant’s entourage to South Africa. Some of these services are in the nature of personalized services, for which the place of provision would normally be the location where performed (Performance rule-Rule 4), while for others, under the main rule (Receiver location) the place of provision would be the location of receiver.

Whereas, by application of Rule 8, since both the provider and the receiver are located in taxable territory, the place of provision would be the location of the service receiver i.e. New Delhi. Place of provision being in the taxable territory, the service would be taxable in India.

By application of Rule 14, the later of the Rules i.e. Rule 8 would be applied to determine the place of provision.

Main Rule: Rule 3

Rule 3 of the POPS rules provide the basic rule (expect provided otherwise in the POPS Rules). As per this rule, the place of provision of services shall be:

- the location of the recipient of service
- in case the location of the service receiver is not available in the ordinary course of business, the place of provision shall be the location of the provider of service.

The principal effect of this rule is that:

A. Where the location of receiver of a service is in the taxable territory, such service will be deemed to be provided in the taxable territory and service tax will be payable.

B. However if the receiver is located outside the taxable territory, no service tax will be payable on the said service.

Rule 2 defines ‘location of service provider’ as follows:

(h) “location of the service provider” means-

(a) where the service provider has obtained a single registration, whether centralized or otherwise, the premises for which such registration has been obtained;

(b) where the service provider is not covered under sub-clause (a):

i. the location of his business establishment; or

ii. where the services are provided from a place other than the business establishment, that is to say, a fixed establishment elsewhere, the location of such establishment; or

iii. where services are provided from more than one establishment, whether business or

iv. fixed, the establishment most directly concerned with the provision of the service; and in the absence of such places, the usual place of residence of the service provider.
Rule 2 defines ‘location of service receiver’ as follows:

(i) “Location of the service receiver” means:-
   (a) where the recipient of service has obtained a single registration, whether centralized or otherwise, the premises for which such registration has been obtained;
   (b) where the recipient of service is not covered under sub-clause (a):
       (i) the location of his business establishment; or
       (ii) where services are used at a place other than the business establishment, that is to say, a fixed establishment elsewhere, the location of such establishment; or
       (iii) where services are used at more than one establishment, whether business or fixed, the establishment most directly concerned with the use of the service; and
       (iv) in the absence of such places, the usual place of residence of the recipient of service.

Explanation: For the purposes of clauses (h) and (i), “usual place of residence” in case of a body corporate means the place where it is incorporated or otherwise legally constituted.

Explanation 2: For the purpose of clause (i), in the case of telecommunication service, the usual place of residence shall be the billing address.

Who is a service receiver?

Para 5.3.3 of Taxation of Services – An Education Guide dated 20.06.2012 provides as follows:

Normally, the person who is legally entitled to receive a service and, therefore, obliged to make payment, is the receiver of a service, whether or not he actually makes the payment or someone else makes the payment on his behalf.

Service tax is normally required to be paid by the provider of a service, except where he is located outside the taxable territory and the place of provision of service is in the taxable territory.

Where the provider of a service is located outside the taxable territory, the person liable to pay service tax is the receiver of the service in the taxable territory, unless of course, the service is otherwise exempted.

Following illustration will make this clear:-
A company ABC provides a service to a receiver PQR, both located in the taxable territory. Since the location of the receiver is in the taxable territory, the service is taxable. Service tax liability will be discharged by ABC, being the service provider and being located in taxable territory.

However, if ABC were to supply the same service to a recipient DEF located in non-taxable territory, the provision of such service is not taxable, since the receiver is located outside the taxable territory.

If the same service were to be provided to PQR (located in taxable territory) by an overseas provider XYZ (located in non-taxable territory), the service would be taxable, since the recipient is located in the taxable territory. However, since the service provider is located in a non-taxable territory, the tax liability would be discharged by the receiver, under the reverse charge principle (also referred to as “tax shift”).

7. **Rate of Service Tax**

The rate of service tax is mentioned in the charging section. As per the new charging section 66B, as stated earlier, service tax is leviable @12% on the value of taxable services. Further, as per section 91 read with section 95 of the Finance (No. 2) Act, 2004 Section education cess is leviable @ 2% and as per section 136 read with section 140 of the Finance Act, 2007 secondary and higher education cess is leviable @ of on the amount of Service Tax levied. Education cess of 2% and secondary and higher education cess of 1% is in the nature of sur tax on service tax.

Computation of Service Tax

If a person renders a taxable service of the value of ₹500, the service tax @12% will be ₹60. The Education cess of 2% on ₹60 will be ₹1.20 and secondary and higher education cess of 1% will be ₹0.60. Thus, a total tax will be ₹61.80.

8. **Value of Taxable Services**

Where the gross amount charged by a service provider is inclusive of service tax payable, the value of taxable service shall be such amount as with the addition of tax payable, is equal to the gross amount charged. The territory of India including territorial waters of
India extending upto 12 nautical miles (under International Sea Act). Hence services provided beyond the territorial waters of India are not liable to service tax as the provisions of the service tax have not been extended to such area. The valuation provisions are discussed later on.

9. **Abatement in Service Tax**

Abatement in Service Tax is a major relief to certain kinds of services which are chargeable to service tax. Finance Act 1994 provides that for determining value of service tax on which service tax is to be charged abatement in value determination is allowed.

Abatement under service tax laws means that for certain services, a specified percentage of discount is allowed from the gross amount collected for rendering the services subject to the conditions that CENVAT Credit has not been availed by the service provider.

Notification No. 26/2012-ST dated 20/06/2012 provides the list of services on which abatement is allowed. It also provides for the percentage on which service tax is payable under the scheme of abatement. The concept of abatement may be understood with the help of this example;

As per notification no. 26/2012, railway is required to charge service tax only on 30% value of the taxable services. Thereby by virtue of this provision, if railways receive an amount of `50 Lakhs against the services, it needs to pay service tax only on `15 Lakhs i.e. 30% value of `50 Lakhs.

10. **Registration**

Section 69 of the Finance Act, 1994 specifies the persons who are required to get themselves registered under this Act. Every person liable to pay service tax to get registered with designated Superintendent of Central Excise.

An application for registration is required to be made to the Superintendent of Central Excise in Form ST-1. This is to be made within a period of thirty days from the date on which the service tax is leviable on him and where a person commences the business of providing a taxable service after such service has been levied, he shall make an application for registration within a period of thirty days from the date of such commencement.

As stated earlier, a person can become liable to pay tax both as service provider as well as service receiver. Therefore, when a service receiver is liable to pay service tax he is also required to get himself registered.

**Procedure for Registration**

With effect from 1st June 2010 vide notification no.20-21/2010 a person shall make an online application for registration. Online registrations have been made mandatory for all the assesses. Assessee has to register via online portal of Automation of Central Excise and Service Tax (ACES) or can utilise the services Certified Facilitation Centres (CFCs) set up by Company Secretaries in practice under the (ACES) project of Central Board of Excise and Custom.

*CBEC has rolled-out a new centralized, web-based and workflow-based software application called Automation of Central Excise and Service Tax (ACES) for on-line filing/uploading of documents and other activities under Central Excise and Service Tax.*
A Certified Facilitation Centre (CFC) under ACES project is a facility, other than the physical front offices or Facilitation Centres of CBEC, which may be set-up and operated by a Company Secretary in practice to whom a certificate is issued under the ACES project. Under this scheme, the assesses of Central Excise and Service Tax can avail the facility to file their returns and other documents electronically on payment of specified fees.

Assessee has to fill Form ST-1 for registration and thereafter submit the following documents as specified in Order No.2/2011 dated 13-12-2011:

- Copy of Permanent Account number (PAN);
- Proof of residence
- Constitution of applicant other than individuals at the time of filing an application for registration.
- Power of attorney in respect of authorized person.

Registration where the services are provided or received from more than one premises and having centralised accounting system in one or more premises:

Where a person, liable for paying service tax on a taxable service

(i) provides such service from more than one premises or offices; or
(ii) receives such service in more than one premises or offices; or,
(iii) is having more than one premises or offices, which are engaged in relation to such service in any other manner, making such person liable for paying service tax, and has centralised billing system or centralised accounting system in respect of such service, and such centralised billing or centralised accounting systems are located in one or more premises, he may, at his option, register such premises or offices from where centralised billing or centralised accounting systems are located.

The registration under this case shall be granted by the Commissioner of Central Excise in whose jurisdiction the premises or offices, from where centralised billing or accounting is done, are located.

Registration where the services are provided or received from more than one premises and not having centralised accounting system:

Where an assessee is providing a taxable service from more than one premises or offices, and does not have any centralized billing systems or centralized accounting systems, as the case may be, he shall make separate applications for registration in respect of each of such premises or offices to the jurisdictional Superintendent of Central Excise.

Single Registration for Multiple Services

Where an assessee is providing more than one taxable service, he may make a single application, mentioning therein all the taxable services provided by him, to the concerned Superintendent of Central Excise.

Issue of Registration Certificate

The Superintendent of Central Excise is bound to grant a certificate of registration in Form ST-2 within 7 days of the date of receipt of the application or intimation for any
change or additional information provided by the applicant. This certificate shall indicate
the details of all the taxable services provided by the service provider. In case of transfer
of business by the assessee to another person, the transferee is required to obtain a fresh
Certificate of Registration.

*Surrender of Certificate of Registration*

The registered assessee who ceases to provide the taxable services for which he had been
registered shall surrender his Certificate of Registration to the concerned Superintendent
of Central Excise.

**Service Tax Registration of Special Category of Persons**

*Input Service Distributor*

Service Tax (Registration of Special Category of Persons) Rules, 2005 have come into
effect on 16th day of June, 2005.

Registration under these rules can be obtained by an input service distributor by making
an application to the jurisdictional Superintendent of Central Excise in such form as
specified by the Board within a period of thirty days of the commencement of business or
the 16th day of June, 2005, whichever is later.

*Small Scale Service Provider*

A small scale service provider has been specified as any provider of taxable service
whose aggregate value of taxable service in a financial year does not exceeds a certain
specified limit. A small scale service provider whose aggregate value of taxable service in
a financial year exceeds nine lakh rupees shall make an application to the jurisdictional
Superintendent of Central Excise in the prescribed form for registration within a period
of thirty days of exceeding the aggregate value of taxable service of nine lakh rupees.

However, a small scale service provider are not liable to pay service tax till they cross the
exemption limit of `10 lakhs during a Financial Year.

11. Payment of Service Tax

As per Section 68(1), every person providing taxable services i.e. provider of taxable
service is liable to pay service tax at the rate specified in section 66B of the Finance Act,
1994 in such manner and within such period as may be prescribed.

Section 68(2), provides that in respect of the taxable services notified by the Central
Government the service tax thereon shall be paid by such person as may be prescribed.
Notification No. 30/2012 dated 20th June 2012 provides for the services where service
tax shall be paid by service receiver or in some case by both i.e. service receiver and
service provider. The mechanism under which liability for payment of service tax is on
the service receiver is known as reverse charge. Under this charge service receiver has to
register himself under service tax. Further service receiver cannot claim general
exemption limit of ` 10 Lakhs and he is liable to pay service tax even on small amount.

Below is the list of services covered under Reverse charge mechanism along with the
share of service provider and share of service recipient on which they are required to pay
service tax.

12. **Incidence to Pay Service Tax**

The liability to pay service tax was shifted from receipt basis to accrual basis with the introduction of Point of Taxation (POT) Rules, 2011. As per rule 3 of POT rules the liability to pay service tax shall arise upon issuance of invoice or receipt of payment whichever is earlier.

Proviso to Rule 6 of Service Tax Rules, 1994 has provided that in case of the individuals and partnership firms having an aggregate value of taxable services provided from one or more premises of ` 50 lakhs or less in the previous financial year, shall have the option to pay service tax upon receipt basis upto ` 50 lakhs in the current financial year.

The basic purpose for introduction of Point of Taxation Rules, 2011 is to bring clarity and certainty in matter of levy and collection of service tax in situations of:

- Change of rate of service tax
- Imposition of service tax on new services
- Continuous supply of services

Moreover, POT rules, 2011 have been introduced to bring synchronization between service tax and other taxes like Excise Duty and VAT which work on accrual basis and this is a step towards implementation of GST.

POT rules, 2011 were issued by the Central Government vide Notification No. 18/2011-ST dated 1st March, 2011 w.e.f. 1st April 2011. However, these rules were made effective w.e.f. 1st July 2011 vide Notification No.25/2011-ST dated 31st March 2011. Now, let us discuss the provisions of these rules:

Point of taxation means the point in time when a service shall be provided or deemed to have been provided. This Point of time will determine rate of service tax and due date of payment of service tax.

As per rule 2A of POT Rules, “Date of payment” shall be the earlier of the dates on which the payment is entered in the books of accounts or is credited to the bank account of the person liable to pay tax:

Provided that —

(A) the date of payment shall be the date of credit in the bank account when—

(i) there is a change in effective rate of tax or when a service is taxed for the first time during the period between such entry in books of accounts and its credit in the bank account; and

(ii) the credit in the bank account is after four working days from the date when there is change in effective rate of tax or a service is taxed for the first time; and

(iii) the payment is made by way of an instrument which is credited to a bank account,
(B) if any rule requires determination of the time or date of payment received, the expression “date of payment” shall be construed to mean such date on which the payment is received.

As per Rule 3 of Point of Taxation Rules shall be;

(a) the time when the invoice for service provided or to be provided is issued or

(b) in case where payment is received before the issue of invoice then the time when such payment is received or

(c) where advance is received by the service provider the time of receipt of such advance.

Rule 4A of the Service Tax Rules, 1994, provides that every person providing taxable service shall issue invoice within 30 days of completion of service or receipt of service whichever is earlier.

Further proviso to Rule 3 of POT Rules, provides that where the invoice is not issued within 30 days of completion of service than the point of taxation shall the date of completion of such service.

</tbody>
</table>
Continuous Supply of Service

“Continuous supply of service” means any service provided or agreed to be provided continuously or on recurrent basis, under a contract, for a period exceeding three months with the obligation for payment periodically or from time to time. Further, Central Government may notify provision of a particular service to be considered as continuous supply of service.

The following services have been notified vide Notification No. 28/2011 as continuous supply of service irrespective of period for which they are provided or to be provided;

- Telecommunication service
- Commercial or Industrial Construction Service
- Construction of Residential Complex
- Internet Communication
- Works contract services

As per Rule 3, in case of continuous supply of service, the point of taxation shall be the date of completion of the events as specified in the contract or time when invoice for the service provided or to be provided is issued or the date on which payment is received whichever is earlier. Where any advance is received by the service provider the point of taxation shall be date of receipt of each such advance. Further, where the invoice is not issued within 30 days of completion of such event then point of taxation shall be the date of completion of such event.

Point of Taxation in case of change in effective rate of tax (Rule 4)

Notwithstanding anything contained in rule 3, the point of taxation in cases where there is a change in effective rate of tax in respect of a service, shall be determined in the following manner, namely:-

(a) in case a taxable service has been provided before the change in effective rate of tax,-

(i) where the invoice for the same has been issued and the payment received after the change in effective rate of tax, the point of taxation shall be date of payment or issuing of invoice, whichever is earlier; or

(ii) where the invoice has also been issued prior to change in effective rate of tax but the payment is received after the change in effective rate of tax, the point of taxation shall be the date of issuing of invoice; or

(iii) where the payment is also received before the change in effective rate of tax, but the invoice for the same has been issued after the change in effective rate of tax, the point of taxation shall be the date of payment;

(b) in case a taxable service has been provided after the change in effective rate of tax,-

(i) where the payment for the invoice is also made after the change in effective rate of tax but the invoice has been issued prior to the change in effective rate of tax, the point of taxation shall be the date of payment; or

(ii) where the invoice has been issued and the payment for the invoice received before the change in effective rate of tax, the point of taxation
shall be the date of receipt of payment or date of issuance of invoice, whichever is earlier; or

(iii) where the invoice has also been raised after the change in effective rate of tax but the payment has been received before the change in effective rate of tax, the point of taxation shall be date of issuing of invoice.

“Change in effective rate of tax” shall include a change in the portion of value on which tax is payable in terms of a notification issued in the Official Gazette under the provisions of the Act, or rules made thereunder.

Point of Taxation where Service is Taxed First Time (Rule 5)

Where a service is taxed for the first time, then, –

(a) no tax shall be payable to the extent the invoice has been issued and the payment received against such invoice before such service became taxable;

(b) no tax shall be payable if the payment has been received before the service becomes taxable and invoice has been issued within fourteen days of the date when the service is taxed for the first time.

Point of Taxation in case of Specified Services or Persons (Rule 7)

The point of taxation in respect of the persons required to pay tax as recipients of service under the rules made in this regard in respect of services notified under sub-section (2) of section 68 of the Act, shall be the date on which payment is made.

Provided that, where the payment is not made within a period of six months of the date of invoice, the point of taxation shall be determined as if this rule does not exist.

Provided further that in case of “associated enterprises”, where the person providing the service is located outside India, the point of taxation shall be the date of debit in the books of account of the person receiving the service or date of making the payment whichever is earlier.

Determination of Point of Taxation in case of intangibles (Rules 8)

In respect of royalties and payments pertaining to copyrights, trademarks, designs or patents, where the whole amount of the consideration for the provision of service is not ascertainable at the time when service was performed, and subsequently the use or the benefit of these services by a person other than the provider gives rise to any payment of consideration, the service shall be treated as having been provided each time;

- when a payment in respect of such use or the benefit is received by the provider in respect thereof, or

- an invoice is issued by the provider, whichever is earlier.

Determination of Point of Taxation based on best judgement (Rule 8A)

Where the point of taxation cannot be determined as per these rules as the date of invoice or the date of payment or both are not available, the Central Excise officer, may, require the concerned person to produce such accounts, documents or other evidence as he may deem necessary and after taking into account such material and the effective rate of tax prevalent at different points of time, shall, by an order in writing, after giving an opportunity of being heard, determine the point of taxation to the best of his judgment.

13. Due Date for Payment of Service Tax
Rule 6(1) of the Service Tax Rules, 1994 specifies the time period for payment of service tax.

For individuals or proprietors or partnership firms:

The service tax shall be paid to the credit of the Central Government by the 5th of the month immediately following the respective quarter in which service is deemed to have been provided as per POT Rules made in this regard.

Where payment is made through internet banking, such e-payment can be made by 6th of the month immediately following the respective quarter.

However, for the quarter ending 31st March, the due date of payment of service tax shall be 31st March.

As stated earlier, individuals and partnership firms whose aggregate value of taxable services provided from one or more premises is fifty lakh rupees or less in the previous financial year, the service provider shall have option to pay the service tax on receipt basis by the due dates upto `50 lakhs in the current financial year.

For others

The service tax shall be paid to the credit of the Central Government by the 5th of the month immediately following the calendar month in which service is deemed to have been provided.

Mandatory e-payment of service tax

Under proviso to Rule 6(2), e-payment of service tax is mandatory for the assessee, who has paid service tax of rupees 10 lakh (cash plus Cenvat credit) and above in the preceding financial year shall be deposit the service tax liable to be paid by him electronically, through internet banking.

Further, notwithstanding the time of receipt of payment towards the value of services, no service tax is payable for the part or whole of the value of services, which is attributable to services provided during the period when such services were not taxable.

Deposit of Service Tax

The assessee shall deposit the service tax liable to be paid by him with the bank designated by the Central Board of Excise and Customs in Form GAR-7 challan.

Interest on Delayed Payment of Service Tax under Section 75

Every person, liable to pay the tax in accordance with the provisions of section 68 or rules made thereunder, who fails to credit the tax or any part thereof to the account of the Central Government within the period prescribed, shall pay simple interest at such rate not below 10% and not exceeding 36% p.a.

However where the service provider whose taxable services does not exceed `60 lakhs during any of the financial years covered by the notice or during the last financial year the rate of interest shall be reduced by 3% p.a.

14. Adjustment of Service Tax

(1) Adjustment of excess service tax paid on the services which are not so provided
Where an assessee has issued an invoice, or received any payment, against a service to be provided which is not so provided by him either wholly or partially for any reason, or where the amount of invoice is renegotiated due to deficient provision of service, or any terms contained in a contract the assessee may take the credit of such excess service tax paid by him, if the assessee,

(a) has refunded the payment or part thereof, so received along with the service tax payable thereon for the service to be provided by him to the person from whom it was received;

(b) has issued a credit note for the value of the service tax not so provided to the person to whom such an invoice had been issued.

(2) Adjustment of excess service tax paid in other cases

Where an assessee has paid to the credit of Central Government any amount in excess of the amount required to be paid towards service tax liability for a month or quarter, the assessee may adjust such excess amount paid by him against his service tax liability for the succeeding month or quarter.

The adjustment of excess amount paid, shall be subject to the conditions that the excess amount is paid on account of reasons not involving interpretation of law, taxability, valuation or applicability of any exemption notification.

15. Valuation of Taxable Services

Section 67 provides for the method of valuation of taxable services i.e. the value on which service provider is required to discharge service tax. As per section 67, the valuation of taxable service shall be determined under the following two situations:

- Service tax is separately charged in the bill
- Bill value is inclusive of service tax

Where the service tax is separately charged in the bill:

(i) in a case where the provision of service is for a consideration in money, be the gross amount charged by the service provider for such service provided or to be provided by him;

(ii) in a case where the provision of service is for a consideration not wholly or partly consisting of money, be such amount in money, with the addition of service tax charged, is equivalent to the consideration;

(iii) in a case where the provision of service is for a consideration which is not ascertainable, be the amount as may be determined in the prescribed manner.

Where the bill is inclusive of service tax:

Where the gross amount charged by a service provider, for the service provided or to be provided is inclusive of service tax payable, the value of such taxable service shall be such amount as, with the addition of tax payable, is equal to the gross amount charged. In this case, value of taxable services shall be calculated as follows:

\[ \text{Value of taxable services} = \frac{\text{Gross Amount} \times 100}{100 + \text{Applicable rate of service tax}} \]

Example:
Pawan rendered a taxable service to a client on 25-08-2012. A bill of ₹40,000 was raised on 29-08-2012; ₹15,000 was received from the client on 1-10-2012 and the balance on 23-10-2012.

(a) If service tax was separately charged in the bill, what is the value of taxable services and service tax payable?

(b) No Service tax was separately charged in the

- Is Pawan liable to pay service tax, even though the same has not been charged by him?

- In case, she is liable, what is the value of taxable services and service tax payable?

Solution

The bill is raised on 29-08-2012 but the payment is received in October 2012. As per Point of Taxation Rules, service tax shall be payable on or before 05-09-2012 or 06-09-2012 and not in October when payment is received.

Therefore, in this case service tax shall be payable as;

(a) Value of taxable service is ₹40,000, therefore service tax shall be payable @12% Plus Education @2% and SHEC@1%.

Service tax = ₹40,000 X 12.36% = ₹4944/-

(b) Pawan is liable to pay service tax even though the tax has not been collected by him. The service tax payable shall be;

= 40,000 X 12.36/112.36 = ₹4400/-

16. Records to be maintained

Every assessee shall furnish to the Superintendent of Central Excise at the time of filing of return for the first time or the 31st day of January, 2008, whichever is later, a list in duplicate, of-

(i) all the records prepared or maintained by the assessee for accounting of transactions in regard to,-

   (a) providing of any service,

   (b) receipt or procurement of input services and payment for such input services;

   (c) receipt, purchase, manufacture, storage, sale, or delivery, as the case may be, in regard of inputs and capital goods;

   (d) other activities, such as manufacture and sale of goods, if any.

(ii) all other financial records maintained by him in the normal course of business;

All such records shall be preserved at least for a period of five years immediately after the financial year to which such records pertain.

The records including computerised data, as maintained by an assessee in accordance with the various laws in force from time to time shall be acceptable.

17. Returns under Service Tax
Rule 7 of the Service Tax Rules, 1994 return under Service Tax is required to be filed by every assessee on half yearly basis in Form ST-3 or Form ST-3A, as the case may be, along with a copy of the Form TR-6/GAR-7, in triplicate for the months covered in the half-yearly return.

Every assessee shall submit the half yearly return by the 25th of the month following the particular half-year. Every assessee is required to file return electronically.

Vide Notification No. 43/2011 dt. 25th August 2011, every Assessee shall submit a half yearly return electronically. Assessees can service tax return online at registering at https://www.aces.gov.in.

With effect from 1st October, 2011, every assessee is required to file half yearly return electronically.

Revision of Returns

As per Rule 7B, an assessee may submit a revised return, in Form ST-3, in triplicate, to correct a mistake or omission, within a period of ninety days from the date of submission of the return under rule 7.

Penalty for not filing and late Filing of Return

If return of service tax is not filed within the prescribed period penalty is leviable under section 77(2) which can be upto `10,000.

Rule 7C of Service Tax Rules, 1994 provides for penalty for delay in filing of service tax return. Accordingly late fee is payable as follows:

| Delay up to 15 days | ₹ 500/- |
| Delay beyond 15 days and up to 30 days | ₹1,000/- |
| Delay beyond 30 days | ₹1,000 + ₹100/- per day subject to a maximum of ₹20,000/ [the penalty prescribed in section 70(1)] |

Penalty for late filing of return is specifically prescribed in Rule 7C subject to section 70 therefore if late fee is paid then no penalty prescribed under section 77(2) shall be leviable.

18. Penalties and Prosecution

Various penalties have been provided under the Act. Section 83A empowers Central Excise Officer to adjudicate penalty within such powers as may be conferred by CBEC, by issuing a notification.

(A) Penalty for Failure to pay Service Tax [Section 76]

Any person who fails to pay service tax, shall pay, in addition to such tax and the interest on that tax amount in accordance with the provisions of section 75, a penalty which shall not be less than;

- one hundred rupees for every day during which such failure continues; or
- at the rate of one per cent. of such tax, per month, whichever is higher, starting with the first day after the due date till the date of actual payment of the outstanding amount of service tax.
Provided that the total amount of the penalty payable in terms of this section shall not exceed 50% of the service tax payable.

Example

X, an assessee, fails to pay service tax of `10 lakhs payable by 5th March. X pays the amount on 15th March. The default has continued for 10 days. The penalty payable by X is computed as follows:

- 1% of the amount of default for 10 days = \( \frac{1 \times 10,00,000 \times 10}{31} = Rs.3,225.80 \) or
- Penalty calculated @ `100 per day for 10 days = `1,000

Penalty liable to be paid is `3,226.00.

(B) Penalty for Contravention of Rules and Provisions of Act for which no Penalty is specified elsewhere [Section 77]

(a) Any person who is liable to pay service tax, or required to take registration, fails to take registration shall be liable to pay a penalty which may extend to

- ten thousand rupees or
- two hundred rupees for every day during which such failure continues, whichever is higher starting with the first day after the due date, till the date of actual compliance.

(b) Any person who fails to keep, maintain or retain books of account and other documents shall be liable to a penalty which may extend to ten thousand rupees.

(c) Any person who fails to—

(i) furnish information called by an

(ii) produce documents called for by a Central Excise Officer

(iii) appear before the Central Excise Officer, when issued with a

summon for appearance to give evidence or to produce a document in an inquiry, shall be liable to a penalty which may extend to;

- ten thousand rupees or
- two hundred rupees for every day during which such failure continues, whichever is higher, starting with the first day after the due date, till the date of actual compliance.

(d) Any person who is required to pay tax electronically, through internet banking, fails to pay the tax electronically, shall be liable to a penalty which may extend to ten thousand rupees.

(e) Any person who issues invoice with incorrect or incomplete details or fails to account for an invoice in his books of account, shall be liable to a penalty which may extend to ten thousand rupees.

(f) Any person, who contravenes any of the provisions or any rules for which no penalty is separately provided, shall be liable to a penalty which may extend to Ten thousand rupees
(C) **Penalty for Suppressing Value of Taxable Service [Section 78]**

Where any service tax has not been levied or paid or has been short-levied or short-paid or erroneously refunded, by reason of

(a) fraud; or

(b) collusion; or

(c) wilful mis-statement; or

(d) suppression of facts; or

(e) contravention of any of the provisions or of the rules with intent to evade payment of service tax the person shall be liable to pay service tax or erroneous refund, and

shall be liable to pay a penalty, in addition to such service tax and interest which shall equal to the amount of service tax so not levied or short-paid or erroneously refunded.

However the amount of penalty shall be reduced to:

(a) 50% where true and complete details of the transactions are available in the specified records.

(b) 25% where true and complete details of the transactions are available in the specified records and the amount of service tax, interest and penalty has been paid within 30 days.

In case of service providers whose taxable value of service tax does not exceed `60 lakhs, the period of 30 days shall be extended to 90 days.

*Section 78 provides that if penalty is applicable under this section, provisions section 76 shall be apply. Thus, the assessee is relieved from effects of dual penalty.*

**Waiver or Reduction of Penalty**

As per Section 80, penalty under Sections 76, 77 or first proviso to section 78 (1) can be waived if assessee proves that he had reasonable cause for the failure.

**Prosecution**

Section 89 was inserted by Finance Act, 2011 which provides for offences which can lead to prosecution. The prosecution was introduced in service tax to promote self compliance among the assessee. Further, sections 9A, 9AA, 9B, 9E and 34A of the Central Excise Act, 1944 have been made applicable service tax. These provisions together constitute the provisions relating to prosecution of offences.

**19. Cenvat Credit Rules, 2004**

(1) **Amendments in Definitions**

(a) Capital goods means:

(A) the following goods, namely:

(i) all goods falling under Chapter 82, Chapter 84, Chapter 85, Chapter 90, heading 6805, grinding wheels and the like, and parts thereof falling under heading 6804 of the First Schedule to the Excise Tariff Act;

(ii) pollution control equipment;
(iii) components, spares and accessories of the goods specified at (i) and (ii) above;
(iv) moulds and dies, jigs and fixtures;
(v) refractories and refractory materials;
(vi) tubes and pipes and fittings thereof;
(vii) storage tank; and
(viii) motor vehicles other than those falling under tariff headings 8702, 8703, 8704, 8711 and their chassis, but including dumpers and tippers used—

(1) in the factory of the manufacturer of the final products, but does not include any equipment or appliance used in an office; or
(1A) outside the factory of the manufacturer of the final products for generation of electricity for captive use within the factory or
(2) for providing output service;
(B) motor vehicle designed for transportation of goods including their chassis registered in the name of the service provider, when used for-

(i) providing an output service of renting of such motor vehicle; or
(ii) transportation of inputs and capital goods used for providing an output service; or
(iii) providing an output service of courier agency”
(C) motor vehicle designed to carry passengers including their chassis, registered in the name of the provider of service, when used for providing output service of-

(i) transportation of passengers; or
(ii) renting of such motor vehicle; or
(iii) imparting motor driving skills”
(D) components, spares and accessories of motor vehicles which are capital goods for the assessee;

(b) The definition of “Exempted Services”

Exempted service means a-

(1) taxable service which is exempt from the whole of the service tax leviable thereon; or
(2) service, on which no service tax is leviable under section 66B of the Finance Act; or
(3) taxable service whose part of value is exempted on the condition that no credit of inputs and input services, used for providing such taxable service, shall be taken; but shall not include a service which is exported in terms of rule 6A of the Service Tax Rules, 1994.

(c) Definition of Input

For sub clause (B), the following sub-clause shall be substituted, namely:-

Any goods used for -

(a) construction or execution of works contract of a building or a civil structure or a part thereof; or
(b) laying of foundation or making of structures for support of capital goods, except for the provision of service portion in the execution of a works contract or construction service as listed under clause (b) of section 66E of the Act;

(d) Definition of Input Services
Input Service means any service,
— used by a provider of output service for providing an output service; or
— used by the manufacturer, whether directly or indirectly, in or in relation to the manufacture of final products and clearance of final products up to the place of removal,
and includes services used in relation to setting up, modernization, renovation or repairs of a factory, premises of provider of output service or an office relating to such factory or premises, advertisement or sales promotion, market research, storage up to the place of removal, procurement of inputs, activities relating to business, such as accounting, auditing, financing, recruitment and quality control, coaching and training, computer networking, credit rating, share registry, and security, inward transportation of inputs or capital goods and outward transportation up to the place of removal but excludes
(A) service portion in the execution of a works contract and construction services including service listed under clause (b) of section 66E of the Finance Act (hereinafter referred as specified services) in so far as they are used for -
(a) construction or execution of works contract of a building or civil structure therefore or structure or a part
(b) laying of foundation or making of structures for support of capital goods, except for the provision of one or more of the specified services; or;
(B) services provided by way of renting of a motor vehicle in so far as they relate to a motor vehicle which is not a capital goods or
(BA) service of a general insurance business, servicing, repair and maintenance, in so far as they relate to a motor vehicle which is not a capital goods, except when used by –
(a) a manufacturer of a motor vehicle in respect of a motor vehicle manufactured by such person; or
(b) an insurance company in respect of a motor vehicle insured or reinsured by such person or.
(C) such as those provided in relation to outdoor catering, beauty treatment, health and fitness centre, life insurance, health insurance and travel benefits extended to employees on vacation such as Leave or Home Travel Concession, when such services are used primarily for personal or consumption of any employee.

(e) Definition of Output Services
Output service means any service provided by a provider of service located in the taxable territory but shall not include a service,-
(1) specified in section 66D of the Finance Act; or
(2) where the whole of service tax is liable to be paid by the recipient of service.

2. Cenvat Credit (Rule 3)
(a) Rule 3(1): Duties/taxes in respect of which Cenvat credit is allowed:
(i) for the words, “provider of taxable service”, wherever they occur, the word “provider of output service” shall be substituted-
(ii) The Cenvat credit of Basic Excise duty is allowed. However, the cenvat credit of such duty shall not be allowed to be taken when paid on any goods in respect of which the benefit of exemption under Notification No.1/2011CE dated 1st March 2011 is availed; or specified in serial numbers 67 and 128 in respect of which the benefit of an exemption under Notification No.12/2012 dated 17th March 2012 is availed;

(iii) The Cenvat credit shall also be available in respect of Service tax leviable under section 66B of the Finance Act.

(b) Rule 3(4): Application and Quantum of Cenvat credit available
An explanation has been inserted by which the Cenvat credit can not be used for payment of service tax in respect of services where the person liable to pay tax is the services recipient.

(c) Rule 3(5): Reversal of Cenvat Credit where Input and capital goods are removed
The provisions relating to reversal of Cenvat credit on the capital goods after used in the factory are deleted and substituted for/under Rule 3(5A).

(d) Rule 3(5A): Prior to amendment, this rule specify for reversal of Cenvat credit taken on capital goods which are cleared as waste or scrap:
But now, if the capital goods, on which CENVAT credit has been taken, are removed after being used, whether as capital goods or as scrap or waste, the manufacturer or provider of output services shall pay an amount equal to the CENVAT Credit taken on the said capital goods reduced by the percentage points calculated by straight line method as specified below for each quarter of a year or part thereof from the date of taking the CEVAT Credit, namely:-

<table>
<thead>
<tr>
<th>For Each Quarter</th>
<th>At the rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>First year</td>
<td>10%</td>
</tr>
<tr>
<td>Second year</td>
<td>8%</td>
</tr>
<tr>
<td>Third year</td>
<td>5%</td>
</tr>
<tr>
<td>Fourth and fifth year</td>
<td>1%</td>
</tr>
</tbody>
</table>

Provided that if the amount so calculated is less than the amount equal to the duty leviable on transaction value, the amount to be paid shall be equal to the duty leviable on transaction value.

3. Conditions for Allowing CENVAT Credit (Rule 4)

(a) Rule 4(1): the following proviso has been inserted;

Provided further that the CENVAT credit in respect of inputs may be taken by the provider of output service when the inputs are delivered to such provider, subject to maintenance of documentary evidence of delivery and location of the inputs.

(b) Rule 4(2): the following proviso has been inserted:

Provided also that the CENVAT credit in respect of capital goods may be taken by the provider of output service when the capital goods are delivered to such provider, subject to maintenance of documentary evidence of delivery and location of the capital goods.
4. Refund of Cenvat Credit (Rule 5):
The rule 5 shall be substituted with the following amended Rule:

(1) A manufacturer who clears a final product or an intermediate product for export without payment of duty under bond or letter of undertaking, or a service provider who provides an output service which is exported without payment of service tax, shall be allowed refund of CENVAT credit as determined by the following formula subject to procedure, safeguards, conditions and limitations, as may be specified by the Board by notification in the Official Gazette:

\[
\text{Refund amount} = \frac{\text{Export turnover of goods} + \text{Export of goods}}{\text{Total turnover}} \times \text{Net Cenvat credit}
\]

Where,-

(A) Refund amount means the maximum refund that is admissible;

(B) Net CENVAT credit means total CENVAT credit availed on inputs and input services by the manufacturer or the output service provider reduced by the amount reversed in terms of sub-rule (5C) of rule 3, during the relevant period;

(C) Export turnover of goods means the value of final products and intermediate products cleared during the relevant period and exported without payment of Central Excise duty under bond or letter of undertaking;

(D) Export turnover of services means the value of the export service calculated in the following manner, namely:-

Export turnover of services = payments received during the relevant period for export services (+) export services whose provision has been completed for which payment had been received in advance in any period prior to the relevant period (–) advances received for export services for which the provision of service has not been completed during the relevant period;

(E) Total turnover means sum total of the value of -

(a) all excisable goods cleared during the relevant period including exempted goods, dutiable goods and excisable goods exported;

(b) export turnover of services determined in terms of clause (D) of sub-rule (1) above and the value of all other services, during the relevant period; and

(c) all inputs removed as such under sub-rule (5) of rule 3 against an invoice, during the period for which the claim is filed.

(2) This rule shall apply to exports made on or after the 1st April, 2012:

Provided that the refund may be claimed under this rule, as existing, prior to the commencement of the CENVAT Credit (Third Amendment) Rules, 2012, within a period of one year from such commencement:

Provided further that no refund of credit shall be allowed if the manufacturer or provider of output service avails of drawback allowed under the Customs and Central Excise Duties and Service Tax Drawback Rules, 1995, or claims rebate of duty under the
Central Excise Rules, 2002, in respect of such duty; or claims rebate of service tax under the Service Tax Rules, 1994 in respect of such tax.

Explanation 1 - For the purposes of this rule,-
(1) export service means a service which is provided as per the provisions of Rule 6A of the Service Tax Rules, 1994, whether the payment is received or not;
(2) relevant period means the period for which the claim is filed.

Explanation 2 - For the purposes of this rule, the value of services, shall be determined in the same manner as the value for the purposes of sub-rule (3) and (3A) of rule 6 is determined.

5. Refund of CENVAT credit to service providers providing services taxed on reverse charge basis: (Rule 5B)
After rule 5A, the above rule shall be inserted, namely:-
A provider of service providing services notified under sub-section (2) of section 68 of the Finance Act and being unable to utilise the CENVAT credit availed on inputs and input services for payment of service tax on such output services, shall be allowed refund of such unutilised CENVAT credit subject to procedure, safeguards, conditions and limitations, as may be specified by the Board by notification in the Official Gazette.

6. Obligation of a manufacturer or producer of final products and a provider of output services (Rule 6)
(i) in the marginal heading, for the words “provider of taxable service” the words, “provider of output service” shall be substituted;
(ii) in sub-rule (3), after the second proviso, the following proviso shall be inserted, namely:-
“Provided that in case of transportation of goods or passengers by rail the amount required to be paid under clause (i) shall be an amount equal to 2 per cent of value of the exempted services.”
(iii) in sub-rule (3A), in clauses (a), (b), (c) and (h), for the words “taxable” wherever they occur, the words, “output” shall be substituted;
(iv) in sub-rule 3(B), for the words, brackets, letters and figures “providing taxable service specified in sub-clause (zm) of clause (105) of section 65 of the Finance Act” the words, “engaged in providing services by way of extending deposits, loans or advances” shall be substituted;
(v) in sub-rule 3(D), for the Explanation I, the following Explanation shall be substituted, namely:-

“Explanation I. - “Value” for the purpose of sub-rules (3) and (3A),—
(a) shall have the same meaning as assigned to it under section 67 of the Finance Act, read with rules made thereunder or, as the case may be, the value determined under section 3, 4 or 4A of the Excise Act, read with rules made thereunder;
(b) in the case of a taxable service, when the option available under sub-rules (7),(7A),(7B) or (7C) of rule 6 of the Service Tax Rules, 1994, has been availed, shall be the value on which the rate of service tax under section 66B of the
Finance Act, read with an exemption notification, if any, relating to such rate, when applied for calculation of service tax results in the same amount of tax as calculated under the option availed; or

(c) in case of trading, shall be the difference between the sale price and the cost of goods sold (determined as per the generally accepted accounting principles without including the expenses incurred towards their purchase) or ten per cent of the cost of goods sold, whichever is more.

(d) in case of trading of securities, shall be the difference between the sale price and the purchase price of the securities traded or one per cent of the purchase price of the securities traded, whichever is more.

(e) shall not include the value of services by way of extending deposits, loans or advances in so far as the consideration is represented by way of interest or discount;”

(vi) after sub-rule (6A), the following sub-rules (7) & (8) shall be inserted, namely:-

The provisions of sub-rules (1), (2), (3) and (4) shall not be applicable in case the taxable services are provided, without payment of service tax, to a unit in a Special Economic Zone or to a developer of a Special Economic Zone for their authorised operations or when a service is exported,

For the purpose of this rule, a service provided or agreed to be provided shall not be an exempted service when:-

(a) the service satisfies the conditions specified under rule 6A of the Service Tax Rules, 1994 and the payment for the service is to be received in convertible foreign currency; and

(b) such payment has not been received for a period of six months or such extended period as maybe allowed from time-to-time by the Reserve Bank of India, from the date of provision.”

7. Manner of distribution of credit by input service distributor:
The input service distributor may distribute the CENVAT credit in respect of the service tax paid on the input service to its manufacturing units or units providing output service, subject to the following conditions, namely:—

(a) the credit distributed against a document referred to in rule 9 does not exceed the amount of service tax paid thereon;

(b) credit of service tax attributable to service used in a unit exclusively engaged in manufacture of exempted goods or providing of exempted services shall not be distributed;

(c) credit of service tax attributable to service used wholly in a unit shall be distributed only to that unit; and

(d) credit of service tax attributable to service used in more than one unit shall be distributed pro rata on the basis of the turnover during the relevant period of the concerned unit to the sum total of the turnover of all the units to which the service relates during the same period.
Explanation 1.- For the purposes of this rule, —unit includes the premises of a provider of output service and the premises of a manufacturer including the factory, whether registered or otherwise.

Explanation 2.- For the purposes of this rule, the total turnover shall be determined in the same manner as determined under rule 5.

Explanation 3.- (a) The relevant period shall be the month previous to the month during which CENVAT credit is distributed.
(b) In case if any of its unit pays tax or duty on quarterly basis as provided in rule 6 of the Service Tax Rules, 1994 or rule 8 of the Central Excise Rules, 2002 then the relevant period shall be the quarter previous to the quarter during which the CENVAT credit distributed.
(c) In case of an assessee who does not have any total turnover in the said period, the input service distributor shall distribute any credit only after the end of such relevant period wherein the total turnover of its units is available.

8. Document and accounts
- The clause (e) of section 9(1) shall be substituted with the following;
(e) a challan evidencing payment of service tax, by the service recipient as the person liable to pay service tax; or
- the words “provider of taxable service” shall be substituted with the words “Provider of output services” in proviso to section 9(2).
