We are pleased to inform you that **Punjab State Chapter of PHD Chamber of Commerce and Industry** jointly with the **Chandigarh Chapter of NIRC of ICSI** is organizing the **GST Conclave** on **Saturday, May' 27, 2023** from **10:30 AM to 4:30 PM** at **PHD House, Sector 31 A, Chandigarh**.

Introduction: Input Tax Credit under the GST regime is shaping to be the most disputed and litigation prone provision. The never ending issues related to Input Tax Credit are falsifying the Concept of Seamless Credit, the so-called pillar of the entire GST System. The intricacies of Input Tax Credit are going to expose the taxpayer to Audit & Investigation Agencies and certainly for want of clear legal interpretation of the provisions. Further, the tax authorities have initiated an audit of the tax payers under GST. Given this, it is time for the industry to gear up and be prepared for the audits.

Objective: To help Industry members understand the provisions related to Input Tax Credit, enabling them to pull the bug on the intricacies related to Input Tax credit and guiding the industry to gear up and prepare themselves for the audits under the GST.
