With Shilanyaasa for the 'ICSI House - Mysore' on  
26th September 2010, it was a challenge for each  
one of us to complete the building on time. Within  
this short time, this prestigious building is before us  
which is the result of intermittent commitment and  
all the hard work of the people who are involved  
directly or indirectly in this proud project of our  
MYSORE CHAPTER.

I take this opportunity to convey my heartfelt  
appreciation and acknowledgement to all the CS  
fraternity and all others for their intellectual as well  
as financial support towards the success of this  
mission.

Yours in CS fraternity,

CS. Srilatha T G,  
Chairperson and Member - Building Committee

Making of ICSI House @ Mysore  
As tracked by e-Newsletter...15

**Anil Murarka**  
President

I congratulate the Mysore Chapter of the ICSI for its new building which is being inaugurated by Dr. M Veerappa Moily, Hon'ble Minister of Corporate Affairs, Government of India on December 17, 2011 at Mysore.

The Council of the Institute is making all efforts in strengthening infrastructure at its Regional Councils and Chapters spread all over India, by providing own premises including state of the art facilities such as library, class room, computers and other knowledge driven facilities.

I am sure, housing in the new building with state of art facilities, the Mysore Chapter would extend value added services to students and members of the ICSI.

I wish the Mysore Chapter success in all its endeavours.

**Nesar Ahmad**  
Vice President

It is a matter of great honour for all of us that the new building of the Mysore Chapter is being inaugurated by Dr. M Veerappa Moily, Hon'ble Minister of Corporate Affairs, Government of India on December 17, 2011 at Mysore.

I congratulate the Mysore Chapter for this new building. As the Company Secretaries are prime movers of the good corporate governance and value added corporate excellence, I am sure that the members and students will be immensely benefited by the state of art facilities, in meeting the expectations of the corporate sector.

I wish the Mysore Chapter all success in its future endeavours.

**N K JAIN**  
Secretary & Chief Executive Officer

I compliment the Mysore Chapter of the ICSI for its new building which is being inaugurated by Dr. M Veerappa Moily, Hon'ble Minister of Corporate Affairs, Government of India on December 17, 2011 at Mysore.

It is indeed an honour for all of us that a person of the stature of Dr. M Veerappa Moily is inaugurating this new temple of professional learning. It will certainly enhance the image of the ICSI and the profession of Company Secretaries.

I am sure this new facility will strive to maintain professional excellence and would achieve acclaimed value through professional development and continuing education programme for members and students.

I wish the Mysore Chapter all success in its endeavours.

**R Sridharan**  
**Council Member, the ICSI & Chairman, Building Committee**

I happy to note that the ICSI- Mysore Chapter is bringing out a Special E-Newsletter commemorating the Inauguration of the "ICSI House", Mysore. It is my privilege to share my reminiscences. When I was the Chairman of SIRC, during 2005, we had organized an exclusive session on "AGM" in Students Conference. We have invited the Mysore students and they have carried out the session with professional touch, from that day onwards, the students from Mysore always excelled in various all India competition and had won many prizes, which I feel competitive advantage of the Mysore Chapter. In those initial years, I am quite aware, the strenuous efforts put in by Mr Anshuman and Ms Jayalakshmi Anshuman in training the students. Then on successive Chairmen of the Managing Committee and other members spent their considerable amount of time in building up the talent of the young student, The current Chairperson, Ms Srilatha, Mr Anshuman, apart from conducting various professional development, have conducted the Career Awareness Programmes extensively, which indeed paid rich dividend in the form of student activities.

As the Chairman of ICSI-Mysore Chapter Building Committee I am proud to state that the building has been designed keeping in view of functional requirements, of course it is also aesthetic. I am sure that the new building will form nucleus of all the activities and the Mysore Chapter will grow from strength to strength. There are around 1800 odd students in and around Mysore and they will get benefited. I must compliment the members of the Mysore who have exhibited their abiding interest in the development of the profession through their active participation in the construction of the building.

On this joyous occasion, I am sharing your happiness.

**CS. AS Anshuman,**  
**Past Chairman, Convener - Building Committee and Member**

The thought of having our own premises have been lingering in the minds of our members since a long time. Having our own premises has become a necessity by 2010 due to the exponential growth of the Chapter in recent years with more than 1600 registered students on our roll which is expected to double by 2013.

Now that dream cum necessity has come true with 360 degree support from members from Mysore and outside, SIRC, Central Council, ICSI-News Delhi and corporates. Sincere thanks to one and all for their whole hearted support.

# MAKING OF "ICSI HOUSE" @ MYSORE

ಮನೆ ಕಟ್ಟಿ ನೋಡು, ಮದುವೆ ಮಾಡಿ ನೋಡು

**Understand its pains only by constructing the House and facilitating a marriage - yourself**

*- a Kannada saying explains the efforts and difficulties in management of construction of building akin to a marriage. Today dream building 'ICSI House, Mysore' is standing before us; which is the result of instinct and intermittent effort by the Team. This landmark building has been designed keeping in view of aesthetics and elegance and also utility and functional point of view.*

Mission started with key task of finalising a suitable land taking into account its location, reach to students and members, and more importantly title and documents. After evaluating various options, site at **No. 125 NHCL Layout, Metagalli Post Mysore - 570016** located on the road leading to the famous Brindavan Gardens (Krishna Raj Sagar Dam) was selected. After completing various formalities and approvals at ICSI and MUDA, the site was registered in favour of the Institute of Company Secretaries of India on **20<sup>th</sup> September 2010**. Mr. Kumar S., Principal Director, ICSI - New Delhi executed the deed on behalf of ICSI and received the title deed of the property at the Office of the Sub-Registrar, Mysore-North, Mysore. This land was acquired for a sum of Rs. 22.50 lakhs.

After registration of the land, the Chapter celebrated its historic event on **26th September 2010**. On this day, '**SHILANYAASA**' foundation stone was laid for its own premises – the dream for more than a decade came true. This historic event was well attended by CS Vinayak Khanvalkar, then President of ICSI, Rtn. Parthanath, C&MD, Sagas Autotec Pvt Ltd., Rtn, Jagadeesh Kumar, C&MD, Neulite Products Pvt Ltd., CS Jagannatham Puttaparthi, then Chairman-SIRC, CS N.K. Jain, CEO & Secretary - ICSI, CS. K. Sarina Chouta Harish, then Chairperson - Mysore Chapter, CS. A. S. Anshuman, then Chairman of Building Committee, CS. Datla Hanumanth Raju, Past President of ICSI with other members, students, present and past office bearers of Mysore Chapter, SIRC and other dignitaries from professional bodies and Industries.

Parallely, the Chapter obtained a detailed estimate from the Design Company, Architects of repute in Mysore. After deliberation and feedback, the revised drawing submitted by the architect was sent to Headquarters for feedback, suggestions and approval. Based on the approved drawings, estimates were invited from reputed builders of Mysore which was reviewed before awarding the contract to the best bidder Messrs. Shruti Constructions, after following due procedure. In order to ensure quality of work, the Building Committee personally supervised the complete construction work besides the Chartered Engineer and the Architect.

## Building Committee

1. CS. Sridharan R. – Chairman
2. CS. Anshuman A.S. – Convener
3. CS. Ravi B. – Member
4. CS. Srilatha T.G. – Member
5. CS. D.D. Bhat – Member
6. Mr. Ebby Eapen – Member

During the construction phase, the initial bottleneck was the rocky terrain of the site which required compressors to dig the column pits resulting in a delay of about a month in starting the foundation work. More than usual rainy season and untimely rains in October and November also affected the pace of the work. Despite these problems, the dedication of the Contractors ensured that the building is completed on time.

The building committee was strengthened by the head quarters with the nomination of CS. Sridharan R., Council Member as Chairman and CS. B. Ravi, Chairman, SIRC as member. When we were informed that a Central Council Member is going to be nominated to head the building committee, we were apprehensive that he will not be aware of the culture and ethos of our chapter, may impose his decisions on us or make irrational demands. But CS. Sridharan, within a very short time after assuming office ensured that the grant for the building is increased from 19 lakhs to 34 lakhs, attended all the meetings of the committee and provided valuable inputs.

The building, constructed at a cost of about 60.00 lakhs has a two class rooms, two reading rooms, Board Room, Auditorium and other Utilities.

This landmark building 'ICSI House' Mysore befits the image of the Institute by projecting better corporate and professional image for the Chapter. 'ICSI House' Mysore is inaugurated on **17th December 2011 at 4.30pm** by Union Ministers Sri. Veerappa Moily and Smt Daggubati Purandhareswari, in the august presence of President, Vice President, Secretary & CEO and other dignitaries of ICSI, other professional bodies and Industries.

**CS. C. K. Sabareeshan,**  
**Past Chairman, Mysore Chapter of ICSI**

It was in the year 1994/95 that I got in touch with the Chapter in a tragic circumstance, the passing away of CS. Ganesh Rao an eminent CA & CS who had so carefully housed the chapter in his office. It was CS. M.C, Bhansali the then Secretary who, without batting an eye lid, took over the responsibility of housing the Chapter in his office premises for almost six year before we could move over to the present premise at Mahajana College, Jayalakshmpuram, thanks to the imitative of the then budding CS A. R. Vishwanathan and G. Kiran!

While this was one defining moment in the history of Mysore Chapter, as it came out of critical survival mode, what transpired thereafter is a history of pride for Mysore, thanks to an enthusiastic, young and bright students lead by CS. H. M. Dattatri who laid the foundation for where the Chapter has reached today!

While the pre-existing Coaching Classes were stepped up (to a peak of 31 per batch), the following took birth during that period:

1. Study Circle Meetings on every Sunday;
2. E-News Letter;
3. CSMysore – eParivaar over Google Groups

The inauguration of its new premises is indeed a Landmark that will make every student & member proud! This could have not have been possible but for the relentless effort of Mr. Anshuman, Ms. Srilatha and their entire team! The challenge ahead is to take the Chapter to even greater heights by establishing it as a CENTRE OF EXCELLENCE! I hope the next generation of members and students would together work toward this! I feel proud to be a part of this fraternity! Wishing the Chapter the very best in the years to come!

**CS. DD Bhat**  
**Past Chairman, Mysore Chapter of ICSI**

The Mysore Chapter, is a small Chapter, going by the number of members, but has proved in the last 10 years that after all size does not matter when it comes to performance! I have witnessed the Chapter operating from the offices of the respective Chairman till it moved to the Mahajana College premises. The student strength started surging, that too with quality students. The Chapter leveraged on its strength - the students and the younger members, to create ripples. The ripples became tides which resulted in the Chapter getting BEST CHAPTER AWARD for 2007 and again for 2009.

The completion of own premises which is a jewel in the crown!

As I had the privilege of being the chairman of the Chapter for a few terms, Mysore Chapter of ICSI has been very dear to my heart. I am sure that with the own building the Chapter would grow many fold. The ICSI Head Quarter, the members of the Building approval committee of ICSI, New Delhi, the SIRC and the members of the building committee deserve compliments for this land mark in the horizon of Mysore City. Wishing all the best in Chapter's future endeavors.

**CS. K. Sarina Chouta Harish**  
**Past Chairperson, Mysore Chapter of ICSI**

I hold my alma mater the Mysore Chapter of ICSI in high esteem. Having been associated with the Chapter as a Student and then serving in various committee positions, I have seen the metamorphosis. Indeed, it is a matter of great pride that the Mysore Chapter has grown from strength to strength and now it is moving into its own premises.

This is a landmark event, which has taken shape today by the unstinted support of CS A S Anshuman, while acknowledging the contribution of each of the other members and students. It is also a matter of pride that the E-newsletter of our Chapter is touching its 100<sup>th</sup> milestone soon – CS H M Dattatri has meticulously ensured the release of every edition on the 15<sup>th</sup> of each month. I have been privileged to be an editorial team member. The Chapter now needs the vigour and enthusiasm of the young blood, and the wisdom and experience of the senior members to remain on the road to progress. I wish the Chapter and the entire family of CS professionals a great success in 2012 and in the years to follow”

**CS. Vinayak S Khanvalkar**  
**Immediate Past President, The ICSI**

I have had the privilege of performing the '**Bhoomi Poojan**' of the land acquired by Mysore Chapter and laying the foundation stone of the new building. It is great achievement for Mysore Chapter that the building came up in a very short span of time.

I have been a keen observer of the activities, be it for students or members, carried on by the Mysore Chapter and I have no hesitation in saying that I found the managing committee of the Chapter very proactive and enthusiastic in conducting the activities of the Chapter.

I take this opportunity to extend my heartiest congratulations to “Team Mysore” on this occasion and also wish them best of luck in their future endeavours.

**CS. D B Saxena,**  
**Past President**

Glad to note that Mysore Chapter will be having a building of its own. I congratulate the office bearers who have contributed this achievement

**DR K R CHANDRATRE,**  
**Past President**

I convey my profound appreciation for the managing committee of the Mysore Chapter for its initiation and successful implementation of the building project which would go a long way in the development and growth of the profession of the company secretaries. I wish the inaugural ceremony best of luck.

Many Congratulations for acquiring the new Building and I wish the function all the success.

**CS. Dattatraya Joshi**  
**Former Chairman of SIRC of ICSI**

I am personally overwhelmed with this, as I was closely associated with Mysore Chapter earlier and our members from Mysore supported me during my tenure as office bearer and also the Chairman of SIRC of ICSI during 2006. I wish the Mysore Chapter all the success.

**CS. Sudhir Babu**  
**Center Council Member, ICSI**

I extremely happy to know that the ICSI House, Mysore Building is being inaugurated on Saturday, the 17th December, 2011 by Dr. M Veerappa Moily, Honorable Union Minister of Corporate Affairs. It is a great achievement for Mysore Chapter to have its own premises to serve the students and Members of ICSI. I admire the team work of Mysore Chapter members with dedication and commitment. I wish the Mysore Chapter all success to its future endeavours.

**CS. Gopalakrishna Hegde**  
**Center Council Member.**

Mysore Chapter of ICSI has the reputation of spotting rural talent, successfully developing them into high caliber professional and enriching CS fraternity. The kind of intensive training provided by the Chapter is evident through the fact that in the last decade students from Mysore have been winning national level competitions year after year.

Sure they needed right infrastructure to facilitate further systematic growth of the profession in and around Mysore. I am happy that the said need is now met, with the inauguration of bigger and better facility '**ICSI Home**'.

I wish the members and students of the Chapter greater successful in the years to come and enhanced abilities to grow the profession.

**CS K. Narayana Swamy**  
**Past Chairman, SIRC**

I convey my "Heartiest Congratulations" to all the Professional Colleagues involved in building the "ICSI House" at the historic city of Mysore. Realising a great dream of this magnitude in a shortest possible time-frame is no means an ordinary achievement and kodus to every one who have toiled to achieve this stupendous task. I wish the "inaugural function" of the New Mysore Chapter on 17th December, 2011 all success and God bless you.

**J. Krishnamurthy**  
**Past Chairman, SIRC**

Congratulations to all those who have made it possible for the Mysore Chapter of ICSI to have its own premises. I wish the function all success.

**CS. C. Dwarakanath**  
**Secretary-SIRC of ICSI.**

I sincerely hope the new building and infrastructure therein will immensely help CS student community and the members of the Institute of Company Secretaries in the region to carry out various professional activities in the days to come. All the best!!

**Nagendra D. Rao,**  
**Member – SIRC**

Our Best wishes for the inaugural of the grand building of ICSI at Mysore.

**A Visweswara Rao**  
**Member - SIRC**

Your chapter has been continuously in touch with all of us in southern region through your innovative programs, knowledge filled news letters, your knowledgeable colleagues and through the presence of your upcoming bright students who are making their own mark in all the student events that they participate.

Mysore Chapter, though comparatively small in size, could able to make such a Quantum leap jump such as creation of infrastructure which, in my opinion and without a doubt, will definitely go long way in development of profession in this region.

I know how difficult it is. I know there will be many unsung professional colleagues and others who must have made their invaluable contribution for this success. I take this opportunity to salute each of them. I whole heartily congratulate you, your team and our members in Mysore for translating this dream into a reality.

I wish program a grand success!

**CS. C. Ramasubramaniam,**  
**Member- SIRC Of ICSI**

At the outset, my hearty wishes for achieving this great landmark.

Mysore Chapter is always a forerunner for its young and vibrant activities to promote the CS profession. The Students strength and Members' coordinated support is always a special one and that is why Mysore chapter leads the other chapters in many ways. This inauguration of new Chapter building adds a Diadem to the Crown of the Mysore Chapter. I also take the privilege of congratulating Shri.Anshuman, Former Chairman of Mysore Chapter for his excellent support for the profession and for his successors and members.

I once again congratulate the Chairperson and Managing Committee members of Mysore Chapter for their flawless efforts and for achieving this great landmark.

**Makarand Lele**  
**Chairman WIRC of ICSI**

I am sure with the help of best available infrastructure facilities, the Team Mysore and Chapter would be in a position to provide best possible services to students and members of ICSI.

On this occasion I congratulate Team Mysore for its untiring efforts and contribution towards profession. I look forward to great achievements from Mysore.

**G M Ganapathi**  
**Chairman - Bangalore Chapter of ICSI**

The Mysore Chapter of ICSI is one of the fastest growing Chapters of ICSI. **I am sure the Bangalore and Mysore Chapters will work and grow together to create a common platform for the benefits of CS fraternity in Karnataka.**

I congratulate and wish all the very best to the entire Managing Committee members of Mysore Chapter of ICSI on the eve of entering to the New Premises.

**CS Devang M. Vyas**  
**Chairman, Rajkot Chapter Of WIRC OF THE ICSI.**

Being the most Vibrant chapter of the ICSI, Mysore chapter has created a Landmark in developing Students and Members Services and representing the ICSI. My Best Wishes for this event is sent with open heart.

Great work, Team Mysore Chapter...!!!

**S.P. Kamath**  
**Past Chairman-Cochin Chapter**

At the outset, please accept my congratulations to you and your entire team of Mysore Chapter for getting your own building. Mysore Chapter has set a noble example for all other chapters in India to follow.  
Once again my best wishes for your program.

Congratulations to you and your team for this stupendous achievement.

**S. Kedarnath**  
**Past Chairman, ICSI Bangalore**

I convey my best wishes for the inaugural function of the Seminar and also for the Building.

**CS. P Chiranjeevulu**  
**Chairman, Hyderabad Chapter**

I wish the program and followed seminar a grand success.

**CS. M Krishna**  
**CFO AT&S India Pvt Ltd, Nanjangud,**

Mysore Chapter of ICSI is really a model for all Chapters not only of ICSI but for all professional institutions. Team of ICSI, Mysore is so vibrant and committed to the profession.

Due to the commitment and initiatives of Chapter team has brought this Chapter to this level. Now this new building is new palace in palace city for all new entrants in ICSI. All the best for ICSI Mysore Chapter and the team.

**Dr. M.N. Bheemesh**  
**Sr. Advisor, ALMT Legal, Advocates & Solicitors**

My wishes are due to all who is responsible for the event. I greet the Chairperson & the office bearers on their successful launching of the task.

**CS. S. Muthukrishnan**

May the Institute flourish in its excellent service to all students in Mysore.

**Shanmugam R.S.**  
**CFO & CS, Sambandam Spinning Mills Ltd, Salem.**

I have been observing from the emails that the Team Mysore has been doing a great job for the benefit of students and members of ICSI. It is no wonder that Mysore Chapter has bagged the BEST CHAPTER AWARD. Your dynamic leadership with dedication should no doubt be the main cause. I wish the inaugural function grand success and a great future for the members and students of ICSI, Mysore.

**CS. T.P. Subbaraman**

It is fitting and most appropriate for the Chapter to have continued its best efforts, so soon after working hard for achieving the Best Chapter award last year. My heartiest congratulations and very best wishes for continued progress of the Chapter.

**CS Ritesh Gupta, PCS, Indore**

Congratulations to Team Mysore Chapter and Building Committee of Mysore Chapter for your remarkable achievements. I express my best wishes to all the members, students and staff members who contributed in shaping the own building of Mysore chapter.

**CS. Dr. P. M. Bhansali**

This is a very great occasion for all of us to have our own place for our activities which was lacking since long and Mysore being growing city, it is right step for the growth of the profession to boost the activities and a good platform for students fraternity. You have done a great job. Congratulations.

**CS PB Madhavan,  
Former member of SIRC and Secretarial Standards Board, Chennai**

I offer my felicitations to the Mysore Chapter on the happy occasion of the inauguration of their own home. I trust that the new facility will enable the Chapter to render further services to its members and students. As a former Company Secretary from Mysore, I feel particularly happy on this occasion.

**CS. Rohit Jain  
Nagpur**

We convey our heartfelt congratulations and wishes to Mysore Chapter on the inauguration of your own office "ICSI House" and wish that you continue to do better each day.

It is really heartening to find Chapters of our cadre progressing in leaps and bounds. May Mysore Chapter keep working in the benefit of the profession and more so in the interest of CS Students to take CS Profession to greater heights.

Once again many congratulations on your achievement.

**S. Piramuthu  
Company Secretary  
KLRF Limited, Gangaikondan, Tirunelveli District**

My best wishes to you and your effective team members immense contribution to achieve this. May the Almighty Goddess Lakshmi & Saraswathi continue to shower HER choicest blessing and continue to great you prosperity in the years to come.

**K. Muthusamy, FCS**

I wish the function a very grand success.

**Guruswamy K  
General Manager Indirect Taxation  
Tractors and Farm Equipment Ltd, Chennai**

On behalf of myself and on behalf of my colleagues in my organization TAFE we wish the function every success.

# Making ICSI House @ Mysore, as tracked in the eNewsletter
