

Date-21ST April 2023

To,

CS Shivam Baghel
Chairman
Indore Chapter of ICSI of WIRC

Dear Sir,

Greetings from Medanta Super-Specialty Hospital, Indore!

I take this opportunity to apprise you of Medanta Super Speciality Hospital Indore, which brings the highest quality of medical services to central India and is accredited by NABH. The 150 bed facility is an extension of the flagship hospital in Gurugram and is known for providing the highest end Emergency and Trauma Care.

Medanta Hospital Indore is located at Plot No. 8, PU 04, Commercial Scheme 54, Rasoma Square, Vijaynagar, AB Road, Indore – 452010

ABOUT MEDANTA-THE MEDICITY

Medanta – The Medicity is one of India's largest multi-super specialty institutes located in Gurgaon, a bustling town in the National Capital Region. Founded by eminent cardiac surgeon, **Dr. Naresh Trehan**, the institution has been envisioned with the aim of bringing to India the highest standards of medical care along with clinical research, education and training. Medanta is governed under the guiding principles of providing medical services to patients with care, compassion, commitment.

Located across 43 acres in the new International business destination in the National Capital Region of New Delhi – Gurgaon, Medanta is a world-class medical Institute which has 45 operating theatres; 1250 beds with over 350 critical care beds & catering to over more than 20super specialties. The objective of the Institute is to bring over Global healthcare delivery standards at affordable price while firmly placing India on the International road map as premier destination for healthcare services, medical research and high end medical diagnostics.

Besides offering the best of preventive and curative medicine, Medanta also offers to explore integrating the knowledge of traditional and alternative medicine with modern medicine, through means of scientific research.

Medanta – The Medicity has been designed to provide the Global Healthcare Standards in India, functionally modeled after epitomes of clinical care and research such as **Mayo Clinic** and **John Hopkins**.
