Professional Opportunities For Members

Background	<p>Corporates today are experiencing a great demand for displaying corporate credibility and transparency in managing their internal affairs. There is also a need to retain the confidence of various stakeholders. The role of a company secretary is not only limited to providing support to the board of directors and managing administrative affairs of an organization. The horizon of their roles and responsibilities has expanded exponentially. Apart from their traditional tasks, company secretaries now have to take care of corporate governance and even legal matters of a company. As the position of a company secretary has steadily become critical to the smooth functioning of a corporate entity so has the demand for this job profile has also steadily risen.</p> <p>There are expansion in professional opportunities for a company secretary in the corporate world across the globe. Company Secretary needs to develop an increased capacity to unlearn and relearn the laws for aggressive capacity building of its members.</p>
