Western Region Convocation of The Institute of Company Secretaries of India (ICSI) organised

Dr. J. N. Mishra, Chief Executive Officer, Indian Institute of Banking and Finance seen alongwith CS (Dr.) Shyam Agrawal, President, ICSI, at the ICSI Western Region Convocation

The Institute of Company Secretaries of India (ICSI) organised Convocation 2017–Western Region at Mumbai today to formalize the Award of Associate Membership of the Institute to the newly qualified CS Members. Around 750 newly qualified members hailing from the States of Maharashtra , Madhya Pradesh, Goa , Gujarat and Chhattisgarh attended the Convocation and received their Certificate of Associate Membership. The meritorious students of the examinations held in the year 2016 were also felicitated.

Dr. J. N. Mishra, Chief Executive Office, Indian Institute of Banking and Finance was the Chief Guest at the ICSI Western Region Convocation . He congratulated the newly qualified Company Secretaries for their exemplary performance and also congratulated the new CS Members by motivating them to remain inquisitive throughout their lives, saying this would ensure constant growth of their knowledge. Mr. Mishra also urged the students to follow the path of truth and ethics in their future endeavours and guide the corporate world on Corporate Governance and compliances.

CS (Dr.) Shyam Agrawal, President, ICSI while speaking on the occasion informed that "the path to success is through hard work and perseverance and not through accumulation of wealth. He also stated that , "There are instances of overnight success stories, which ultimately doomed as the persons involved chased the wealth and lost track of their real success. "To Excel in the right sense is chasing your professional / personal goals and letting the results take care of themselves, making the process of achievement supreme and making the result irrelevant. He advised the students to perfect the process of performance and not to allow the pressure of the result to choke your performance. We are entering a world that increasingly rewards individual aspiration and persistence and can measure precisely who is contributing and who is not. He advised that, each of the students should consider **investing in oneself so as to witness the transformation** which will happen in each one.

The idea is to promote Indian culture among future leaders and shed away the colonial tradition". "The whole world is changing in all the spheres at a mindboggling speed. In this transformational environment, The ICSI believes that the best gift it can give to its students is the ability to understand this very basic nature of change so that they are well prepared for the future,**Dr. Agrawal further added.**

About The Institute of Company Secretaries of India, (ICSI): The Institute of Company Secretaries of India, (ICSI) is premier professional body set up under an Act of Parliament, i.e., Company Secretaries Act, 1980, for the regulation and development of the profession of Company Secretaries in India.
