

**Testimonials from the volunteers who have donated for
“Shaheed Ki Beti” initiative of the Institute.**

Let's hear from Mitali Gandhi

Whenever I come across the news of a soldier sacrificing their lives for our safety, my heart gets overwhelmed with feelings of gratitude towards their families. With this incredible touching gesture a thought stroked in my mind that because of their sacrifice we are able to celebrate our birthday happily, then how can I pay tribute to them?

So, this Birthday I decided rather buying a New Dress , I will pay tribute to female of martyrs. So that they can live with dignity. Further, My Dream got wings and on 4th October-2017 ICSI has announced an initiative called “Shaheed ki Beti” and with the full support of Sir Shyam Agarwal. I was able to do a little for them. I couldn't find a better option to pay them tribute although whatever I did is nothing in comparison to their sacrifice.

I am Proud of “शहीद” and “शहीदकी बेटी”
