Invitation to CS Fraternity for Participation in Paving the Way for CS-CEO Journey

My Valued Colleagues

I feel honoured and overwhelmed by the support you all are extending by joining hands for tracing out novel opportunities for all members in the contemporary scenario after you bestowed the responsibility of leading this prestigious profession for the year 2017 on me. Our message is very clear to the Corporate world and society ***"We are determined to keep the fire burning within us and are going to break our comfort zones and explore the roads less travelled."***

Continuing the journey, we also hold a firm belief that ***our professionals who are in employment*** are not only capable of holding a KMP positions but have exemplary qualities which can lead them to climb up to the highest rung of the ladder and take up the responsibilities of a Chief Executive Officer (CEO). Therefore, we once again invite your participation in realizing this vision. ***We solicit your sagacious participation to carve the niche of "CS to CEO" expedition and suggest the kind of capacity building initiatives, theme of trainings or workshops or any other requirement which will place many of you on the Chair of CEO one day.*** I deem it to be a mutual exercise which will bring marvellous yet practical ideologies to realize this vision.

You may please send such ideas to my Office addressed to Dr. Harpreet Raman Bahl at **harpreet.bahl@icsi.edu** with a copy to **kushal.kumar@icsi.edu**.

Let us all believe in future, so that future believes in us and let the world witness the pace at which our profession deserves to grow.

Best wishes
