

## **Webinar Series on Insolvency and Bankruptcy Code, 2016**

### **First Webinar**

Date: April 20, 2017

Time: 3.00 PM to 5.00 PM

**Dear Professional Colleagues,**

The notification of the provisions of the Insolvency and Bankruptcy Code, 2016 (the 'Code') relating to Corporate Insolvency Resolution Process, Insolvency Professionals, Insolvency Professional Agencies, Information Utilities, Liquidation and the Regulations/Rules made thereunder, are one of the recent landmark regulatory reforms in India aiming at faster and efficient adjudication mechanism of insolvency process.

The Code has started taking its shape with more than 250 cases being filed as on date for Corporate Insolvency Resolution Process. More than 27 cases have been admitted by the National Company Law Tribunal and the Resolution Professional have been appointed to handle Creditors Committee and Resolution Process. The Code has opened up a plethora of opportunities for the professionals in the areas of Corporate Insolvency Resolution Process, Corporate Liquidation Process and Individual Insolvency Resolution process. It calls for a fresh approach in learning the new legislation and in dealing with the cases.

As a part of the capacity building initiatives for members of ICSI and Professional Members enrolled with ICSI IPA, the ICSI IPA proposes to conduct workshops, seminars and series of webinars; sensitizing the members about the new law, the opportunities for the professionals on the anvil and the challenges in dealing with the insolvency cases.

The **FIRST WEBINAR** of this series is scheduled as below:-
