

ICSI Invites Suggestions/views on Proposed “Three Months or so Training Programme” for Professional Pass Students for capacity Building.

Based on the feedback received from the Industries, Corporate, Ministry, Regulators and Senior Members, the Institute is contemplating to introduce Three Months or so Residential /Non residential Training Programme for Professional Pass Students for capacity building and enhancing quality. The proposed training Programme shall be designed to develop requisite skills among the prospective members with Practical knowledge and professional skills to exacting business solution in an effective and efficient manner. As the proposed training program will have extra financial implications on the students, the ICSI is planning to contribute certain Percentage of the total fees at the initial phase of such training program. The format of the training program shall be in the line of the training program undergone by the IAS officers and senior Government officials before their appointment. Some of the important objectives of this proposed Training Program are as follows:-

- I. To provide practical training in Secretarial Audit, NCLT, IBC, GST, Moot Court and other emerging areas for enhancing the professional competency in core areas.
- II. To provide a platform for learning the corporate culture and meeting the Corporate Leaders, industry interaction.
- III. To inculcate professional skills, soft skills, advocacy skills of young members by sharpening their communication skills, inter-personal skills ,drafting skills and other managerial skills.
- IV. To train them on how to deal with clients, colleagues and seniors by way of developing the sense of professional commitment and integrity.
- V. To Sensitize and making the young members ready for employment with presentable interview cracking techniques, leadership skills, office manners & etiquettes to adjust in a corporate ambiance.
- VI. To equip them for attaining professional efficiency by refining theoretical knowledge with the help of group discussions, Presentation skills & explanations on specific case studies/examples of good corporate governance across the globe.
- VII. To induce industry orientation through dedicated corporate trainers on various departments of the corporate and industries on Management, Legal, Finance & Accounting, Audit, HR functions, Secretarial Practice, Behaviour in the Board room etc.
- VIII. To improve problem solving abilities and analytical aptitudes through specialized course module aiming to nurture future global corporate leaders.
