REPLY TO Q.11

Candidates often use the terms verification of marks, inspection and supply of certified copies of answer book(s) interchangeably. However, there is a striking difference amongst these three concepts :

a) *Verification of marks* : On receipt of duly completed application, the Institute verifies the answer books for any totalling or posting error and any questions/answers that might have inadvertently remained unevaluated. If such an error is noticed, the Institute gets such omission and commission rectified and communicates the revised marks/result to the candidate. However, candidates are not allowed to have any access to their answer books.

b) *Inspection of answer books* : In case of receipt of application for inspection of answer books, the Institute checks the answer books of the candidates concerned in the same manner as is done in the case of verification of marks. Once the Institute has completed the process on its part, the candidate is informed to personally visit the Directorate of Examinations of the Institute at Noida office at a specific date and time to inspect the scanned copy(ies) of the answer book(s) for self assessment. However, the candidates are not provided copy of their answer book(s) for future reference.

c) *Supply of certified copies* : The process of supply of certified copies of answer books is by and large similar to that of inspection of answer books. While in inspection, the candidate has to personally visit the ICSI Noida office for inspection; in case of supply of certified copies, scanned copy(ies) of the answer book(s) in *pdf* format is hosted on the Institute's website which can be accessed through a secure login ID and password by the candidates.
