

*Our Valued Women Members*

It has been very beautifully said by Nancy Rathburn "A strong woman understands that the gifts such as logic, decisiveness, and strength are just as feminine as intuition and emotional connection. She values and uses all of her gifts."

I humbly urge all Women Members of ICSI family to value as well as use this God gifted distinction. Your contribution is priceless to us, and, I request your goodselves to share:

- a. ***Your innovative and creative ideas, suggestions, feedback on any area benefitting the Institute to grow further and march towards excellence***
- b. ***Ideas which can facilitate and strengthen our Women Members/Professionals in view of significantly increasing women members in our profession***
- c. ***Success Stories of yourselves or your members colleagues or acquaintances which may be inspiring to our young Women members***

With greetings and warm regards

Sincerely
