NOTIFICATION NO. 60/2015 DATED 24TH JULY, 2015- COST INFLATION INDEX FOR FINANCIAL YEAR 2015-16
In exercise of the powers conferred by clause (v) of the Explanation to section 48 of the Income-tax Act, 1961 (43 of 1961), the Central Government has prescribed ‘1081’ as the Cost Inflation Index for the Financial year 2015-16

NOTIFICATION NO. 71/2015 DATED 17TH AUGUST, 2015
In exercise of the powers conferred by section 32 and section 32AD of the Income-tax Act, 1961 (43 of 1961), the Central Government has notified the following districts of the State of Bihar as backward areas under the first proviso to clause (iiia) of sub-section (1) of section 32 and sub-section (1) of section 32AD, namely:

1. Patna 8. Aurangabad 15. Purnea

NOTIFICATION NO. 72/2015 DATED 24TH AUGUST, 2015
In exercise of the powers conferred by the clause (22B) of section 10 of the Income tax Act, 1961 (43 of 1961), the Central Government has specified the Press Trust of India Limited, New Delhi as a news agency set up in India solely for collection and distribution of news, for the purpose of the said clause for three assessment years 2016-17 to 2018-19.

CIRCULAR NO. 14/2015 DATED AUGUST 17TH 2015- CLARIFICATION REGARDING EXEMPTIONS UNDER SECTION 10(23C) (VI) & 10(23C) (VI A)
Sub Clause (vi) of Section 10 (23C) of the Income Tax Act, 1961 prescribes that, income of any university or other educational institutions, existing solely for educational purposes and not for the purpose of profit, shall be exempt from taxes if such entities are approved by the prescribed authorities. While granting the approval, the prescribed authority has to ensure that the university or educational institutions exists, ‘solely for educational purposes and not for purposes of profit’.

When is the approval not required?
Approval of the prescribed authority is not required in case of universities or educational institutions which are:
• wholly or substantially financed by the Government [ Sub Clause (iiiab) of Section 10(23C) ]
• Aggregate Annual Receipts do not exceed INR 1 Crore [ Sub Clause (iiia) of Section 10(23C), read with rule 2BC ]

What is the scope of enquiry while granting approval?
The prescribed authority, before approval may call for such documents, including audited annual accounts, or information as necessary in order to satisfy itself about the genuineness of the activities and also make such inquiries as it deems necessary.

Whether the prescribed authority is required only to review the nature, existence of the non-profit purpose and the genuineness of the applicant or also ensure the conditions prescribed in the proviso to Section 10(23C) while granting the approval?
In the case of American Hotels and Lodging Association Educational Institute Vs. CBDT [301 ITR 86] 2008, the Apex Court has held that relevant authority should be satisfied about the “existence” of the institution during the “relevant previous year” solely for educational purposes and not for profit. Once this criterion is satisfied, the prescribed authority need not deny approval on the grounds, where compliance depends on events that have not taken place on date on which the application is made.

However, the prescribed authority may also review the conditions prescribed under Proviso to 10 (23C). It has also been clarified in the said judgement that the prescribed conditions can be gauged while monitoring the case and in the event of breach thereof, the approval can be withdrawn.

Is it necessary to obtain registration u/s 12AA while seeking approval or claiming exemption under Section 10 (23C)?
Obtaining prior registration before granting approval u/s 10 (23C) cannot be insisted upon. However, in case the institution has obtained registration u/s 12AA as well as approval u/s 10 (23C), if the registration is withdrawn at some point in time due to certain adverse findings, the withdrawal of approval shall NOT be automatic but will depend upon whether the adverse findings also impact the condition necessary to keep approval u/s 10(23C) alive.

Whether the generation of surplus out of the gross receipts would necessarily “breach” the threshold condition that the institution should exist ‘solely for educational purposes and not for purposes of profit’?
Mere generation of surplus by institutions from year to year cannot be a basis for rejection of application u/s 10(23C)(vi) if it is used for educational purposes unless the accumulation is contrary to the manner prescribed under law. The Third Proviso to 10(23C)(vi) specifically provides that accumulation of income is permissible provided such accumulation is to be applied ‘wholly and exclusively to the objects for which it is established’.

Does collection of amounts under different heads of fee from students Amounts collected by the institutions by way of application fee, examination fee, fee for issuing transfer certificates, subscription fee for library, etc. amount to profit making activities thereby leading to denial of exemption u/s 10(23C)(vi)?
No, the collection of small and reasonable fee amounts which are connected with imparting education and which do not violate any Central and State Regulation does not, in general, represent a profit making activity, unless the amount is in the nature of “capitation fee” charged directly or indirectly.
Can exemption be denied under the premise that the Managing Trustee has extraordinary powers to appoint or remove and also nominate their successors which may affect the nature of charitable activity of the trust?

There is no provision under the Act which calls for denial of exemption merely on the grounds of appointment or removal of Trustees, unless such appointment or removal results in the nature of activities of the trust getting modified or the trust no longer exists ‘solely for educational purposes and not for purposes of profit’.

Similar principles would also apply to cases covered under section 10(23C)(via) of the Income Tax Act, 1961.

The deduction in respect of the cost of production of a feature film certified for release by the Board of Film Censors in a previous year is provided in Rule 9A of Income Tax Rules, 1962.

In the case of abandoned films, however, since certificate of Board of Film Censors is not received, in some cases no deduction was allowed by applying Rule 9A of the Rules or by treating the expenditure as capital expenditure.

The matter has been examined in light of judicial decisions on this subject. The order of the Hon. Bombay High Court dated 28.1.2015 in ITA 310 of 2013 in the case of Venus Records and Tapes Pvt. Ltd. on this issue has been accepted and the aforesaid disputed issue has not been further contested. Consequently, it is clarified that Rule 9A does not apply to abandoned feature films and that the expenditure incurred on such abandoned feature films is not to be treated as a capital expenditure. The cost of production of an abandoned feature film, is to be treated as revenue expenditure and allowed as per the provisions of Section 37 of the Income Tax Act.

"Agricultural Land" is excluded from the definition of capital asset as per section 2(14)(iii) of the Income-Tax Act based, inter-alia, on its proximity to a municipality or cantonment board.

The method of measuring the distance of the said land from the municipality, has given rise to considerable litigation. Although, the amendment by the Finance Act, 2013 w.e.f. 1.04.2014 prescribes the measurement of the distance to be taken aerially, ambiguity persists in respect of earlier periods.

The matter has been examined in light of judicial decisions on the subject. The Nagpur Bench of the Hon. Bombay High Court vide order dated 30.03.2015 in ITA 151 of 2013 in the case of Smt. Maltibai R Kadu has held that the amendment prescribing distance to be measured aerially, applies prospectively i.e. in relation to assessment year 2014-15 and subsequent assessment years. For the period prior to assessment year 2014-15, the High Court held that the distance between the municipal limit and the agricultural land is to be measured having regard to the shortest road distance.
CIRCULAR NO. 18/2015 DATED 2ND NOVEMBER, 2015 - INTEREST FROM NON-SLR SECURITIES OF BANKS

It has been brought to the notice of the Board that in the case of Banks, field officers are taking a view that, "expenses relatable to investment in non-SLR securities need to be disallowed u/s 57(i) of the Act as interest on non-SLR securities is income from other sources.

Clause (id) of sub-section (1) of Section 56 of the Act provides that income by way of interest on securities shall be chargeable to income-tax under the head "Income from Other Sources", if, the income is not chargeable to income-tax under the head "Profits and Gains of Business and Profession".

The matter has been examined in light of the judicial decisions on this issue. In the case of CIT Vs Nawanshahar Central Cooperative Bank Ltd. [2007] 160TAXMAN 48(SC), the Apex Court held that the investments made by a banking concern are part of the business of banking. Therefore, the income arising from such investments is attributable to the business of banking falling under the head "Profits and Gains of Business and Profession".

The abovementioned decision is equally applicable to all banks/commercial banks/co-operative societies to which Banking Regulation Act, 1949 applies.

In supersession of the Board’s instruction No 5/2014 dated 10.07.2014, it has been decided by the Board that departmental appeals may be filed on merits before Appellate Tribunal and High Courts and SLP before the Supreme Court keeping in view the monetary limits and conditions.

Revised Limits

Henceforth, appeals/ SLPs shall not be filed in cases where the tax effect does not exceed the monetary limits given hereunder: –

1. Before Appellate Tribunal - Rs. 10,00,000/-
2. Before High Court- Rs.20,00,000/-
3. Before Supreme Court- Rs. 25,00,000/-

It is clarified that an appeal should not be filed merely because the tax effect in a case exceeds the monetary limits prescribed above. Filing of appeal in such cases is to be decided on merits of the case.

Further, adverse judgments relating to the following issues should be contested on merits notwithstanding that the tax effect entailed is less than the specified monetary limits or there is no tax effect:

(a) Where the Constitutional validity of the provisions of an Act or Rule are under challenge, or
(b) Where Board’s order, Notification, Instruction or Circular has been held to be illegal or ultra vires, or
(c) Where Revenue Audit objection in the case has been accepted by the Department, or
(d) Where the addition relates to undisclosed foreign assets/bank accounts.

The specified monetary limits shall not apply to writ matters and direct tax matters other than Income tax. Filing of appeals in other Direct tax matters shall continue to be governed by relevant provisions of statute & rules.

Further, filing of appeal in cases of Income Tax, where the tax effect is not quantifiable or not involved, such as the case of registration of trusts or institutions under section 12 A of the IT Act, 1961, shall not be governed by the limits specified above and decision to file appeal in such cases may be taken on merits of a particular case.

**Meaning and calculation of Tax Effect**

Tax effect means the difference between the tax on the total income assessed and the tax that would have been chargeable had such total income been reduced by the amount of income in respect of the issues against which appeal is intended to be filed (hereinafter referred to as “disputed issues”). The tax will not include any interest thereon, except where chargeability of interest itself is in dispute.

In case the chargeability of interest is the issue under dispute, the amount of interest shall be the tax effect.

In cases where returned loss is reduced or assessed as income, the tax effect would include notional tax on disputed additions.

In case of penalty orders, the tax effect will mean quantum of penalty deleted or reduced in the order to be appealed against.

**Tax Effect and Relevant Year**

“In the past, a number of instances have come to the notice of the Board, whereby an assessee has claimed relief from the Tribunal or the Court only on the ground that the Department has implicitly accepted the decision of the Tribunal or Court in the case of the assessee for any other assessment year or in the case of any other assessee for the same or any other assessment year, by not filing an appeal on the same disputed issues. “

Appeals can be filed only with reference to the tax effect in the relevant assessment year. No appeal shall be filed in respect of an assessment year or years in which the tax effect is less than the specified monetary limit. The Assessing Officer shall calculate the tax effect separately for every assessment year in respect of the disputed issues in the case of every assessee. If, in the case of an assessee, the disputed issues arise in more than one assessment year, appeal, can be filed in respect of such assessment year or years in which the tax effect in respect of the disputed issues exceeds the specified monetary limit.

In a case where appeal before a Tribunal or a Court is not filed only on account of the tax effect being less than the specified monetary limit, the Commissioner of Income-tax shall specifically record that “even though the decision is not acceptable, appeal is not being filed only on the consideration that the tax effect is less than the monetary limit specified in this instruction”. Further, in such cases, there will be no presumption that the Income-tax
Department has acquiesced in the decision on the disputed issues. Accordingly, they should impress upon the Tribunal or the Court that such cases do not have any precedent value. As the evidence of not filing appeal due to this instruction may have to be produced in courts, the judicial folders in the office of CsIT must be maintained in a systemic manner for easy retrieval.

The Income-tax Department shall not be precluded from filing an appeal against the disputed issues in the case of the same assessee for any other assessment year, or in the case of any other assessee for the same or any other assessment year, if the tax effect exceeds the specified monetary limits.

Further, in case of a composite order of any High Court or appellate authority, which involves more than one assessment year and common issues in more than one assessment year, appeal shall be filed in respect of all such assessment years even if the ‘tax effect’ is less than the prescribed monetary limits in any of the year(s), if it is decided to file appeal in respect of the year(s) in which tax effect exceeds the monetary limit prescribed. In case where a composite order/ judgment involve more than one assessee, each assessee shall be dealt with separately.

This instruction will apply retrospectively to pending appeals and appeals to be filed henceforth in High Courts/ Tribunals. Pending appeals below the specified tax limits may be withdrawn/ not pressed. Appeals before the Supreme Court will be governed by the instructions on this subject, operative at the time when such appeal was filed.

**CIRCULAR NO. 22/2015 DATED 17-12-2015- ALLOWABILITY OF EMPLOYER'S CONTRIBUTION TO FUNDS FOR THE WELFARE OF EMPLOYEES IN TERMS OF SECTION 43B (B) OF THE INCOME TAX ACT**

As per section 43B of the Act certain deductions are admissible only on payment basis. It is observed by the Board that some field officers disallow employer's contributions to provident fund or superannuation fund or gratuity fund or any other fund for the welfare of employees, by invoking the provisions of section 43B of the Act, if it has been paid after the 'due dates', as per the relevant Acts.

The matter has been examined in light of the judicial decisions on this issue. In the case of Commissioner vs. Alom Extrusions Ltd, [2009] 185 TAXMAN 416 (SC), the Apex Court held that the amendments made in section 43B of the Act i.e, deletion of second proviso and amendment in the first proviso, being curative in the nature are retrospectively applicable from 01.04.1988. It further held that by deleting the second proviso to section 43B and by amending first proviso, the contributions to welfare funds have been brought at par with other duty, cess, fee, tax etc. Thus, the proviso is equally applicable to the welfare funds also. Therefore the deduction is allowable to employer assessee if he deposits the contributions to welfare funds on or before the due date of filing of return of income. Accordingly, w.e.f . 01.04.1988 as per the Apex court judgment, no disallowances under section 43B if the employer deposits the dues in respect of employee welfare funds on or before the due dates as specified in section 139(1).

This Circular does not apply to employee welfare expenses governed by the provisions of section 36(1) (va) of the Income Tax Act.
Section 194A of Income Tax Act, 1961 (“the Act”) stipulates deductions of tax at source (TDS) on interest other than interest on securities if the aggregate of amount of such interest credited or paid to the account of the payee during the financial year exceeds the specified amount.

In the case of UCO Bank in Writ Petition No. 3563 of 2012 and CM No. 7517/2012 vide judgment dated 11/11/2014, the Hon’ble Delhi High Court has held that the provisions of section 194A do not apply to fixed deposits made in the name of Registrar General of the Court on the directions of the Court during the pendency of proceedings before the Court. In such cases, till the Court passes the appropriate orders in the matter, it is not known who the beneficiary of the fixed deposits will be. Amount and year of receipt is also unascertainable. The Hon’ble High Court thus held that the person who is ultimately granted the funds would be determined by orders that are passed subsequently. At that stage, undisputedly, tax would be required to be deducted at source to the credit of the recipient. The High Court has also quashed Circular No. 8 of 2011.

Accordingly, it is clarified that interest on FDRs made in the name of Registrar General of the Court or the depositor of the fund on the directions of the Court, will not be subject to TDS till the matter is decided by the Court. However, once the Court decides the ownership of the money lying in the fixed deposit, the provisions of section 194A will apply to the recipient of the income.

The CBDT has drawn attention to the verdict of the Supreme Court in CIT vs. Calcutta Knitwears 362 ITR 673 in which the stages at which the satisfaction note has to be prepared have been set out.

It clarifies that recording of a satisfaction note is a prerequisite and the satisfaction note must be prepared by the Assessing Officer before he transmits the record to the other Assessing Officer who has jurisdiction over such other person u/s 158BD.

The CBDT has further clarified that even if the Assessing Officer of the searched person and the “other person” is one and the same, then also he is required to record his satisfaction as has been held by the Courts.

Section 115JB and 115JC of the Act contains provisions relating to levy of Minimum Alternate Tax on Companies and Alternate Minimum Tax on person other than companies respectively.

Under clause (iii) of sub-section (1) of section 271 of the Act, penalty for concealment of income or furnishing inaccurate particulars of income is determined based on the “amount of tax sought to be evaded” which has been defined inter-alia, as the difference between the tax due on the income assessed and the tax which would have been chargeable had such total income been reduced by the amount of concealed income.
Pointing out that pursuant to the judgement of the Delhi High Court in Nalwa Sons Investment Ltd 327 ITR 543 (Delhi) and the substitution of Explanation 4 of section 271 of the Act with prospective effect, it is now a settled position that prior to 01/04/2016, where the income tax payable on the total income as computed under the normal provisions of the Act is less than the tax payable on the book profits u/s 115JB of the Act, then penalty under 271(1)(c) of the Act is not attracted with reference to additions /disallowances made under normal provisions.

The CBDT has clarified that in cases prior to 01/04/2016, if any adjustment is made in the income computed for the purpose of MAT, then the levy of penalty u/s 271(1)(c) of the Act, will depend on the nature of adjustment.

NOTIFICATION NO. 73/2015 DATED 24TH AUGUST, 2015
In exercise of the powers conferred by clause (b) of sub-section (4) of section 120 of the Income-tax Act, 1961 (43 of 1961) read with section 6 of the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015, the Central Board of Direct Taxes hereby directs that the Additional Commissioners of Income-tax or the Joint Commissioners of Income-tax, as the case may be, shall exercise the powers and perform the functions of the Assessing Officers under the said Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015, in respect of territorial areas or persons or classes of persons or incomes or classes of incomes or cases or classes of cases, in respect of which such Additional Commissioners of Income-tax or Joint Commissioners of Income-tax have been authorised by the Principal Chief Commissioner of Income-tax or the Chief Commissioner of Income-tax or the Director General of Income-tax or the Principal Commissioner of Income-tax or the Commissioner of Income-tax in pursuance to the directions of the Board under sub-section (1) and (2) of section 120 of the said Income-tax Act, 1961.

CBEC has clarified the points raised by the stakeholders with respect to the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015 by issue of a circular in the form of questions and answers as follows.-

**Question: If firm has undisclosed foreign assets, can the partner file declaration in respect of such asset?**
Answer: The declaration can be made by the firm which shall be signed by the person specified in sub-section (2) of section 62 of the Act. The partner cannot make a declaration in his name. However, the partner may file a declaration in respect of an undisclosed asset held by him.

**Question: Where a company has undisclosed foreign assets, can it file a declaration under Chapter VI of the Act? If yes, then whether immunity would be granted to Directors of the company?**
Answer: Yes, the company can file a declaration under Chapter VI of the Act. The Directors of the company shall not be liable for any offence under the Income-tax Act, Wealth-tax Act, FEMA, Companies Act and the Customs Act in respect of declaration made in the name of the company.

**Question: Whether immunity in respect of declaration made under the scheme is provided in respect of Acts other than those mentioned in section 67 of the Act?**
*Answer: Section 67 provides immunity from prosecution under the five Acts viz. the Income-tax Act, Wealth-tax Act, FEMA, Companies Act and the Customs Act. It does not provide immunity from prosecution under any other Act. For example- if the undisclosed asset has been acquired out of the proceeds of sale of protected animals the person will not be eligible for immunity under the Wildlife (Protection) Act, 1972.*
**Question:** Whether the person making the declaration will be provided immunity from the Prevention of Money Laundering Act (PMLA), 2002?

**Answer:** The offence under the PMLA arises while laundering money generated from the process or activity connected with the offences specified in the schedule to the PMLA. Therefore, the primary requirement under PMLA is commission of a scheduled offence. With the enactment of the Act, the offence of wilful attempt to evade tax under section 51 of the Act has become a scheduled offence under PMLA. However, where a declaration of an asset has been duly made under section 59 of the Act the provisions of section 51 will not be applicable in respect of that asset. Therefore, PMLA will not be applicable in respect of the scheduled offence of wilful attempt to evade tax under section 51 of the Act in respect of assets for which declaration is made under section 59 of the Act.

**Question:** Where an undisclosed foreign asset is declared under Chapter VI of the Act and tax and penalty is paid on its fair market value then will the declarant be liable for capital gains on sale of such asset in the future? If yes, then how will the capital gains in such case be computed?

**Answer:** Yes, the declarant will be liable for capital gains under the Income-tax Act on sale of such asset in future. As per the current provisions of the Income-tax Act, the capital gains is computed by deducting cost of acquisition from the sale price. However, since the asset will be taxed at its fair market value the cost of acquisition for the purpose of Capital Gains shall be the said fair market value and the period of holding shall start from the date of declaration of such asset under Chapter VI of the Act.

**Question:** Where a notice under section 142/ 143(2)/ 148/ 153A/ 153C of the Income-tax Act has been issued to a person for an assessment year will he be ineligible from voluntary declaration under section 59 of the Act?

**Answer:** The person will only be ineligible from declaration of those foreign assets which have been acquired during the year for which a notice under section 142/ 143(2)/ 148/ 153A/ 153C is issued and the proceeding is pending before the Assessing Officer. He is free to declare other foreign assets which have been acquired during other years for which no notice under above referred sections have been issued.

**Question:** As per section 71(d)(i), declaration cannot be made where an undisclosed asset has been acquired during any previous year relevant to an assessment year for which a notice under section 142, 143(2), 148, 153A or 153C of the Income-tax Act has been issued. If the notice has been issued but not served on the declarant then how will he come to know whether the notice has been issued?

**Answer:** The declarant will not be eligible for declaration under Chapter VI of the Act where an undisclosed asset has been acquired during any previous year relevant to any assessment year where a notice under section 142, 143(2), 148, 153A or 153C of the Income-tax Act has been issued and served on the declarant on or before 30th day of June, 2015. The declarant is required to file a declaration regarding receipt of any such notice in Form 6.

**Question:** Where an undisclosed foreign asset has been acquired partly during a previous year relevant to the assessment year which is pending for assessment and partly during other years not pending for assessment then whether such asset is eligible for declaration under Chapter VI of the Act?

**Answer:** In the case where proceedings are pending before an Assessing Officer in pursuance of a notice under section 142, 143(2), 148, 153A or 153C of the Income-tax Act served on or before 30-06-2015, the declarant may declare the undisclosed asset under Chapter VI of the Act. However, while computing the amount of declaration the investment made in the asset during the previous year relevant to the assessment year for which such notice is issued needs to be deducted from the fair market value of the asset for which the person shall provide a computation alongwith the declaration. Further, such investment which is deducted from the fair market value shall be assessable in the assessment of the relevant assessment year pending under the Income-tax Act and the person shall inform the Assessing Officer the investment made during the relevant year in such asset.
Also to clarify, where a notice under section 142, 143(2), 148, 153A or 153C of the Income-tax Act is issued on or after 30-06-2015, the declarant shall be eligible to declare full value of asset even if such asset (or part of such asset) is acquired in the previous year relevant to the assessment year for which such notice is issued.

**Question: Can a declaration be made of undisclosed foreign assets which have been assessed to tax and the case is pending before an Appellate Authority?**

Answer: As per section 65 of the Act, the declarant is not entitled to re-open any assessment or reassessment made under the Income-tax Act. Therefore, he is not entitled to avail the tax compliance in respect of those assets. However, he can voluntarily declare other undisclosed foreign assets which have been acquired or made from income not disclosed and consequently not assessed under the Income-tax Act.

**Question: Can a person against whom a search/ survey operation has been initiated file voluntary declaration under Chapter VI of the Act?**

Answer: (a) The person is not eligible to make a declaration under Chapter VI if a search has been initiated and the time for issuance of notice under section 153A has not expired, even if such notice for the relevant assessment year has not been issued. In this case, however, the person is eligible to file a declaration in respect of an undisclosed foreign asset acquired in any previous year in relation to an assessment year which is prior to assessment years relevant for the purpose of notice under section 153A.

(b) In case of survey operation the person is barred from making a declaration under Chapter VI in respect of an undisclosed asset acquired in the previous year in which the survey was conducted. The person is, however, eligible to make a declaration in respect of an undisclosed asset acquired in any other previous year.

**Question: Where a search/ survey operation was conducted and the assessment has been completed but the undisclosed foreign asset was not taxed, then whether such asset can be declared under Chapter VI of the Act?**

Answer: Yes, such undisclosed asset can be declared under Chapter VI of the Act.

**Question No.12: Whether a person is barred from voluntary declaration under Chapter VI of the Act if any information has been received by the Government under DTAA?**

Answer: As per section 71(d)(iii), the person cannot make a declaration of an undisclosed foreign asset where the Central Government has received an information in respect of such asset under the DTAA. The person is entitled for voluntary declaration in respect of other undisclosed foreign assets for which no information has been received.

**Question: How would the person know that the Government has received information of an undisclosed foreign asset held by him which will make the declaration ineligible?**

Answer: The person may not know that the Government has information about undisclosed foreign asset held by him if the same has not been communicated to him in any enquiry/proceeding under the Income-tax Act. After the person has filed a declaration, which is to be filed latest by 30th September, 2015, he will be issued intimation by the Principal Commissioner/Commissioner by 31th October, 2015, whether any information has been received by the Government and consequently whether he is eligible to make the payment on the declaration made. If no information has been received up to 30th June, 2015 by the Government in respect of such asset the person will be allowed a time upto 31st December, 2015 for payment of tax and penalty in respect of the declared asset.

There may be a case where person makes declaration in respect of 5 assets whereas the Government has information about only 1 asset. In such situation the person will be eligible to declare the balance 4 assets under Chapter VI of the Act. In such case the declarant, on receipt of intimation by the Principal Commissioner/Commissioner, shall revise the declaration made within 15 days of such receipt of
intimation to exclude the asset which is not eligible for declaration. Tax and penalty on the eligible assets under the Act shall be payable in respect of the revised declaration by 31st of December, 2015. In respect of the ineligible assets provisions of the Income-tax Act shall apply. (Please also see answer to question no. 15)

Question: What are the consequences if no declaration under Chapter VI of the Act is made in respect of undisclosed foreign assets acquired prior to the commencement of the Act?
Answer: As per section 72(c), where any asset has been acquired prior to the commencement of the Act and no declaration under Chapter VI of the Act is made then such asset shall be deemed to have been acquired in the year in which it comes to the notice of the Assessing Officer and the provisions of the Act shall apply accordingly.

Question: If a declaration of undisclosed foreign asset is made under Chapter VI of the Act and the same was found ineligible due to the reason that Government had prior information under DTAA then will the person be liable for consequences under the Act?
Answer: In respect of such assets which have been duly declared in good faith under the tax compliance but not found eligible, he shall not be hit by section 72(c) of the Act and no action lies in respect of such assets under the Act. However, such information may be used for the purpose of the Income-tax Act.

Question No.16: In respect of the undisclosed foreign assets referred to in answer to question No. 15 above, where the proceedings under the Income-tax Act are initiated, can the options of settlement commission etc. under the Income-tax Act be availed in respect of such assets?
Answer: All the provisions of the Income-tax Act shall be applicable in respect of those assets.

Question: A person has some undisclosed foreign assets. If he declares those assets in the Income-tax Return for assessment year 2015-16 or say 2014-15 (in belated return) then should he need to declare those assets in the voluntary tax compliance under Chapter VI of the Act?
Answer: As per the Act, the undisclosed foreign asset means an asset which is unaccounted/ the source of investment in such asset is not fully explainable. Since an asset reported in Schedule FA does not form part of computation of total income in the Income-tax Return and consequently does not get taxed, mere reporting of a foreign asset in Schedule FA of the Return does not mean that the source of investment in the asset has been explained. The foreign asset is liable to be taxed under the Act (whether reported in the return or not) if the source of investment in such asset is unexplained. Therefore, declaration should be made under Chapter VI of the Act in respect of all those foreign assets which are unaccounted/ the source of investment in such asset is not fully explainable.

Question: A person holds certain foreign assets which are fully explained and acquired out of tax paid income. However, he has not reported these assets in Schedule FA of the Income-tax Return in the past. Should he declare such assets under Chapter VI of the Act?
Answer: Since, these assets are fully explained they are not treated as undisclosed foreign assets and should not be declared under Chapter VI of the Act. However, if these assets are not reported in Schedule FA of the Income-tax Return for assessment year 2016-17 (relating to previous year 2015-16) or any subsequent assessment year by a person, being a resident (other than not ordinarily resident), then he shall be liable for penalty of Rs. 10 lakhs under section 43 of the Act. The penalty is, however, not applicable in respect of an asset being one or more foreign bank accounts having an aggregate balance not exceeding an amount equivalent to Rs. 5 lakhs at any time during the previous year.

Question: A person has a foreign bank account in which undisclosed income has been deposited over several years. He has spent the money in the account over these years and now it has a balance of only $500. Does he need to pay tax on this $500 under the declaration?
Answer: Section 59 of the Act provides for declaration of an undisclosed asset and not income. In this
case the Bank account is an undisclosed asset which may be declared. Tax on undisclosed asset is required to be paid on its fair market value. In case of a bank account the fair market value is the sum of all the deposits made in the account computed in accordance with Rule 3(1)(e). Therefore, tax and penalty needs to be paid on such fair market value and not on the balance as on date.

**Question:** A person held a foreign bank account for a limited period between 1994-95 and 1997-98 which was unexplained. Since such account was closed in 1997-98 does he need to declare the same under Chapter VI of the Act?

**Answer:** Section 59 of the Act provides that the declaration may be made of any undisclosed foreign asset which has been acquired from income which has not been charged to tax under the Income-tax Act. Since the investment in the bank account was unexplained and was from untaxed income the same may be declared under Chapter VI of the Act. The consequences of non-declaration may arise under the Act at any time in the future when the information of such account comes to the notice of the Assessing Officer.

**Question:** A person inherited a house property in 2003-04 from his father who is no more. Such property was acquired from unexplained sources of investment. The property was sold by the person in 2011-12. Does he need to declare such property under Chapter VI of the Act and if yes then, what will be the fair market value of such property for the purpose of declaration?

**Answer:** Since the property was from unexplained sources of investment the same may be declared under Chapter VI of the Act. However, the declaration in this case needs be made by the person who inherited the property in the capacity of legal representative of his father. The fair market value of the property in his case shall be higher of its cost of acquisition and the sale price as per Rule 3(2) of the Rules.

**Question:** A person acquired a house property in a foreign country during the year 2000-01 from unexplained sources of income. The property was sold in 2007-08 and the proceeds were deposited in a foreign bank account. Does he need to declare both the assets under Chapter VI of the Act and pay tax on both the assets?

**Answer:** The declaration may be made in respect of both the house property and the bank account at their fair market value. The fair market value of the house property shall be higher of its cost and the sale price, less amount deposited in bank account. If the cost price of the house property is higher the declarant will be required to pay tax and penalty on (cost price – sale price) of the house. If the sale price of the house property is higher the fair market value of the house property shall be nil as full amount was deposited in the bank account. The fair market value of the bank account shall be as determined under Rule 3(1)(e) and tax and penalty shall be paid on this amount. (Please also refer to the illustration under Rule 3(3) for computation of fair market value.)

Further, it is advisable to declare all the undisclosed foreign assets even if the fair market value as computed in accordance with Rule 3 comes to nil. This may avoid initiation of any inquiry under the Act in the future in case such asset comes to the notice of the Assessing Officer.

**Question:** A person is a non-resident. However, he was a resident of India earlier and had acquired foreign assets out of income chargeable to tax in India which was not declared in the return of income or no return was filed in respect of that income. Can that person file a declaration under Chapter VI of the Act?

**Answer:** Section 59 provides that a declaration may be made by any person of an undisclosed foreign asset acquired from income chargeable to tax under the Income-tax Act for any assessment year prior to assessment year 2016-17. Since the person was a resident in the year in which he had acquired foreign assets (which were undisclosed) out of income chargeable to tax in India, he is eligible to file a declaration under section 59 in respect of those assets under Chapter VI of the Act.

**Question:** A person is a resident now. However, he was a non-resident earlier when he had acquired
foreign assets (which he continues to hold now) out of income which was not chargeable to tax in India. Does the person need to file a declaration in respect of those assets under Chapter VI of the Act?
Answer: No. Those assets do not fall under the definition of undisclosed assets under the Act.

Question: If a person has 3 undisclosed foreign assets and declares only 2 of those under Chapter VI of the Act, then will he get immunity from the Act in respect of the 2 assets declared?
Answer: It is expected that one should declare all his undisclosed foreign assets. However, in such a case the person will get immunity under the provisions of the Act in respect of the two assets declared under Chapter VI of the Act and no immunity will be available in respect of the third asset which is not declared.

Question: A resident earned income outside India which has been deposited in his foreign bank account. The income was charged to tax in the foreign country when it was earned but the same was not declared in the return of income in India and consequently not taxed in India. Does he need to disclose such income under Chapter VI of the Act? Will he get credit of foreign tax paid?
Answer: Declaration under Chapter VI is to be made of an undisclosed foreign asset. In this case, the person being a resident of India, the foreign bank account needs to be declared under Chapter VI as it is an undisclosed asset and acquired from income chargeable to tax in India. The fair market value of the bank account shall be determined as per Rule 3(1)(e). No credit of foreign taxes paid shall be allowable in India as section 84 of the Act does not provide for application of sections 90(1)(a)/90(1)(b)/90A(1)(a)/90A(1)(b) of the Income-tax Act (relating to credit of foreign tax paid) to the Act. Further, section 73 of the Act does not allow agreement with foreign country for the purpose of granting relief in respect of tax chargeable under the Act.

Question: Can a person declare under Chapter VI his undisclosed foreign assets which have been acquired from money earned through corruption?
Answer: No. As per section 71(b) of the Act, Chapter VI shall not apply, inter-alia, in relation to prosecution of any offence punishable under the Prevention of Corruption Act, 1988. Therefore, declaration of such asset cannot be made under Chapter VI. However, if such a declaration is made and in an event it is found that the asset represented money earned through corruption it would amount to misrepresentation of facts and the declaration shall be void under section 68 of the Act. If a declaration is held as void, the provisions of the Act shall apply in respect of such asset as they apply in relation to any other undisclosed foreign asset.

Question: If a foreign asset has been acquired partly out of undisclosed income chargeable to tax and partly out of disclosed income/exempt income (tax paid income) then whether that foreign asset will be treated as undisclosed? Whether declaration under Chapter VI needs to be made in respect of such asset? If yes, what amount should be disclosed?
Answer: As per section 5 of the Act, in computing the value of an undisclosed foreign asset any income which has been assessed to tax under the Income-tax Act from which that asset is acquired shall be reduced from the value of the undisclosed foreign asset. Only part of the investment is such foreign asset is undisclosed (unexplained) hence declaration of such foreign asset may be made under Chapter VI of the Act. The amount of declaration shall be the fair market value of such asset as on 1st July, 2015 as reduced by the amount computed in accordance with section 5 of the Act.

Question: Whether for the purpose of declaration, the undisclosed foreign asset should be held by the declarant on the date of declaration?
Answer: No, there is no such requirement. The declaration may be made if the foreign asset was acquired out of undisclosed income even if the same has been disposed off and is not held by the declarant on the date of declaration.
Question: Whether at the time of declaration under Chapter VI, will the Principal Commissioner/Commissioner do any enquiry in respect of the declaration made?
Answer: After the declaration is made the Principal Commissioner/Commissioner will enquire whether any information has been received by the competent authority in respect of the asset declared. Apart from this no other enquiry will be conducted by him at the time of declaration.

Question: A person is a beneficiary in a foreign asset. Is he eligible for declaration under section 59 of the Act?
Answer: As far as ownership is concerned, as per section 2(11) of the Act “undisclosed asset located outside India” means an asset held by the person in his name or in respect of which he is a beneficial owner. The definition of “beneficial owner” and “beneficiary” is provided in Explanation 4 and Explanation 5 to section 139(1) of the Income-tax Act, respectively (which is at variance with the determination of beneficial ownership provided under Rule 9(3) of the PMLA (Maintenance of Records) Rules, 2005). Therefore, for the purpose of the Act “beneficial owner” in respect of an asset means an individual who has provided, directly or indirectly, consideration for the asset for the immediate or future benefit, direct or indirect, of himself or any other person. Further, “beneficiary” in respect of an asset means an individual who derives benefit from the asset during the previous year and the consideration for such asset has been provided by any person other than such beneficiary. Therefore, as per the Act the beneficial owner is eligible for declaration under section 59 of the Act.

There may be a case where a person is listed as a beneficiary in a foreign asset, however, if he has provided consideration for the asset, directly or indirectly, he will be covered under the definition of beneficial owner for the purposes of the Act.

Question: A person was employed in a foreign country where he acquired or made an asset out of income earned in that country. Whether such asset is required to be declared under Chapter VI of the Act?
Answer: If the person, while he was a non-resident in India, acquired or made a foreign asset out of income which is not chargeable to tax in India, such asset shall not be an undisclosed asset under the Act.

However, if income was accrued or received in India while he was non-resident, such income is chargeable to tax in India. If such income was not disclosed in the return of income and the foreign asset was acquired from such income then the asset becomes undisclosed foreign asset and the person may declare such asset under Chapter VI of the Act.

**SWACHH BHARAT CESS (SBC) FREQUENTLY ASKED QUESTIONS (FAQ)**

**Background**
Chapter VI (Section 119) of the Finance Act 2015 contains provisions for levy and collection of Swachh Bharat Cess (SBC). The Government has announced 15th November, 2015 as the date from which the provisions of Section 119 would come into effect (notification No.21/2015-Service Tax, dated 6th November, 2015 refers). Simultaneously, Government has also notified levy of Swachh Bharat Cess at the rate of 0.5% on all taxable services.

Effectively, the rate of SBC is 0.5% and new rate of service tax plus SBC is14.5%. The proceeds from this cess will be exclusively used for Swachh Bharat initiatives. In this context certain points have been clarified with the help of FAQs given below:

**Q.1 What is Swachh Bharat Cess (SBC)?**
**Ans.** It is a Cess which shall be levied and collected in accordance with the provisions of Chapter VI of the Finance Act, 2015 on all the taxable services at the rate of 0.5% of the value of taxable service.

**Q.2 What is the date of implementation of SBC?**
**Ans.** The Central Government has appointed 15th day of November, 2015 as the date from which provisions of Swachh Bharat Cess will come into effect (notification No.21/2015-Service Tax, dated 6th November, 2015 refers).

**Q.3 Whether SBC is leviable on exempted services and services in the negative list?**
**Ans.** Swachh Bharat Cess is not leviable on services which are fully exempt from service tax or those covered under the negative list of services.

**Q.4 Why has SBC been imposed?**
**Ans.** SBC has been imposed for the purposes of financing and promoting Swachh Bharat initiatives or for any other purpose relating thereto.

**Q. 5 Where will the money collected under SBC go?**
**Ans.** Proceeds of the SBC will be credited to the Consolidated Fund of India, and the Central Government may, after due appropriation made by Parliament, utilise such sums of money of the SBC for the purposes of financing and promoting Swachh Bharat initiatives or for any other purpose relating thereto.

**Q.6 How will the SBC be calculated?**
**Ans.** SBC would be calculated in the same way as Service tax is calculated. Therefore, SBC would be levied on the same taxable value as service tax.

**Q. 7 Whether SBC would be required to be mentioned separately in invoice?**
**Ans.** SBC would be levied, charged, collected and paid to Government independent of service tax. This needs to be charged separately on the invoice, accounted for separately in the books of account and paid separately under separate accounting code.

**Q. 8 Whether separate accounting code is there for Swachh Bharat Cess?**
**Ans.** Yes, for payment of Swachh Bharat Cess, there is a separate accounting code. These are as follows:
Goods Transport Agency (GTA) has been defined to mean any person who provides service to a person in relation to transport of goods by road and issues consignment note, by whatever name called. The service provided is a composite service which may include various ancillary services such as loading/unloading, packing/unpacking, transshipment, temporary storage etc., which are provided in the course of transportation of goods by road. These ancillary services may be provided by GTA himself or may be sub-contracted by the GTA. In either case, for the service provided, GTA issues a consignment note and the invoice issued by the GTA for providing the said service includes the value of ancillary services provided in the course of transportation of goods by road. These services are not provided as independent activities but are the means for successful provision of the principal service, namely, the transportation of goods by road.

A single composite service need not be broken into its components and considered as constituting separate services, if it is provided as such in the ordinary course of business. Thus, a composite service, even if it consists of more than one service, should be treated as a single service based on the main or principal service.

While taking a view, both the form and substance of the transaction are to be taken into account. The guiding principle is to identify the essential features of the transaction. The interpretation of specified descriptions of services in such cases shall be based on the principle of interpretation enumerated in section 66F of the Finance Act, 1994. Thus, if ancillary services are provided in the course of transportation of goods by road and the charges for such services are included in the invoice issued by the GTA, and not by any other person, such services would form part of GTA service and, therefore, the abatement of 70%, presently applicable to GTA service, would be available on it.

It is also clarified that transportation of goods by road by a GTA, in cases where GTA undertakes to reach/deliver the goods at destination within a stipulated time, should be considered as ‘services of goods transport agency in relation to transportation of goods’ for the purpose of notification No. 26/2012-ST dated 20.06.2012, serial number 7, so long as (a) the entire transportation of goods is by road; and (b) the GTA issues a consignment note, by whatever name called.
**CIRCULAR NO.189/8/2015-SERVICE TAX DATED 26TH NOVEMBER, 2015- CLARIFICATION REGARDING LEVIABILITY OF SERVICE TAX IN RESPECT OF SEED TESTING WITH EFFECT FROM 01.07.2012**

The Board has noted that the certain field formations have taken a view that all activities incidental to seed testing are leviable to service tax and only the activity in so far it relates to actual testing has been exempted in the Negative List.

In this regard, it may be noted that in the Budget 2013-14, the word “seed” prefixed to “seed testing” was omitted w.e.f. 10.05.2013. The intent was clarified by the Joint Secretary (Tax Research Unit) vide Budget D.O.F. No. 334/3/2013-TRU, New Delhi, dated February 28, 2012, in para 1 (iii) of the letter that the negative list entry in sub-clause (i) of clause (d) of section 66D is being modified by deleting the word “seed”. This will allow the benefit to all other testing in relation to “agriculture” or “agricultural produce”.

It is thus clarified that all testing and ancillary activities to testing such as seed certification, technical inspection, technical testing, analysis, tagging of seeds, rendered during testing of seeds, are covered within the meaning of ‘testing’ as mentioned in sub-clause (i) of clause (d) of section 66D of the Finance Act, 1994. Therefore, such services are not liable to Service Tax under section 66B of the Finance Act, 1994.

**CIRCULAR NO.190/9/2015-SERVICE TAX DATED15TH DECEMBER, 2015- APPLICABILITY OF SERVICE TAX ON THE SERVICES RECEIVED BY APPAREL EXPORTERS IN RELATION TO FABRICATION OF GARMENTS**

Board has noted that certain field formations are taking a view that service tax is payable on services received by the apparel exporters from third party for job work.

Apparently field formations are taking a view that the services received by apparel exporters is of manpower supply, which neither falls under the negative list nor is specifically exempt. However, trade is of the view that the services received by them is of job work involving a process amounting to manufacture or production of goods, and thus would fall under negative list [section 66D (f)] and hence would not attract service tax.

The matter has been examined. The nature of manpower supply service is quite distinct from the service of job work. The essential characteristics of manpower supply service are that the supplier provides manpower which is at the disposal and temporarily under effective control of the service recipient during the period of contract. Service provider’s accountability is only to the extent and quality of manpower. Deployment of manpower normally rests with the service recipient. The value of service has a direct correlation to manpower deployed, i.e., manpower deployed multiplied by the rate. In other words, manpower supplier will charge for supply of manpower even if manpower remains idle.

On the other hand, the essential characteristics of job work service are that service provider is assigned a job e.g. fabrication/stitching, labeling etc. of garments in case of apparel. Service provider is accountable for the job he undertakes. It is for the service provider to decide how he deploys and uses his manpower. Service recipient is concerned only as regard the job work and not about the manpower. It is immaterial as to whether the job worker undertakes job work in his premises or in the premises of service receiver.

If the job work involves a process on which duties of excise are leviable under section 3 of the Central Excise Act, 1944, it would be covered under negative list in terms of Section 66D(f) read with section 65B (40) of the Finance Act, 1994. However, every job work is not covered under the negative list.

Therefore, the exact nature of service needs to be determined on the facts of each case which would vary from case to case. The terms of agreement and scope of activity undertaken by the service provider would determine the nature of service being provided.

The Board has issued consolidated guidelines for launching prosecution under the Central Excise Act, 1944 and the Finance Act, 1994, in supersession of the following circulars/instructions issued by the Board regarding guidelines for launching of prosecution under the Central Excise Act, 1944 and the Finance Act, 1994:

5. Letter F. No. 203/05/98-CX.6 dated 06.04.1998 regarding making DG, CEI competent authority to sanction prosecution in respect of cases investigated by DGCEI.

Guidelines

Person liable to be prosecuted

- Whoever commits any of the offences specified under sub-section (1) of Section 9 of the Central Excise Act, 1944 or sub-section (1) of section 89 of the Finance Act, 1994, can be prosecuted. Section 9AA (1) of Central Excise Act, 1944
- Provided that where an offence under this Act has been committed by a company, every person who, at the time offence was committed was in charge of, and was responsible to, the company for the conduct of the business of the company, as well as the company, shall be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly. Section 9AA (2) of Central Excise Act, 1944
- Provided further that where an offence under this Act has been committed by a company and it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part of, any director, manager, secretary or other officer of the company, such director, manager, secretary or other officer shall be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

Monetary limits

In order to optimally utilize limited resources of the Department, prosecution should normally not be launched unless evasion of Central Excise duty or Service Tax, or misuse of Cenvat credit in relation to offences specified under sub-section (1) of Section 9 of the Central Excise Act, 1944 or sub-section (1) of section 89 of the Finance Act, 1994 is equal to or more than Rs. One Crore.

Habitual evaders

- Notwithstanding the above limits, prosecution can be launched in the case of a company/assessee habitually evading tax/duty or misusing Cenvat Credit facility.
- A company/assessee would be treated as habitually evading tax/duty or misusing Cenvat Credit facility, if it has been involved in three or more cases of confirmed demand (at the first appellate level or above) of Central Excise duty or Service Tax or misuse of Cenvat credit involving fraud, suppression of facts etc. in past five years from the date of the decision such that the total duty or tax evaded or total credit misused is equal to or more than **Rs. One Crore**.
- Offence register (335J) may be used to monitor and identify assesses who can be considered to be habitually evading duty.
Sanction of prosecution has serious repercussions for the assessee and therefore along with the above monetary limits, the nature of evidence collected during the investigation should be carefully assessed.

The evidences collected should be adequate to establish beyond reasonable doubt that the person, company or individual had guilty mind, knowledge of the offence, or had fraudulent intention or in any manner possessed mens rea (guilty mind) for committing the offence.

**Authority to sanction prosecution**

- The criminal complaint for prosecuting a person should be filed only after obtaining the sanction of the Principal Chief/Chief Commissioner of Central Excise or Service Tax as the case may be.
- In respect of cases investigated by the Directorate General of Central Excise Intelligence (DGCEI), the criminal complaint for prosecuting a person should be filed only after obtaining the sanction of Principal Director General/ Director General, CEI.
- An order conveying sanction for prosecution shall be issued by the sanctioning authority and forwarded to the Commissionerate concerned for taking appropriate action for expeditious filing of the complaint.

**Procedure for sanction of prosecution**

- Prosecution proposal should be forwarded to the Chief Commissioner / Principal Chief Commissioner or Director General / Principal Director General of DGCEI (in respect of cases booked by DGCEI) after the case has been carefully examined.
- In all cases of arrest, examination of the case to ascertain fitness for prosecution shall be necessarily carried out.
- Prosecution should not be launched in cases of technical nature, or where the additional claim of duty/tax is based totally on a difference of opinion regarding interpretation of law.
- Before launching any prosecution, it is necessary that the department should have evidence to prove that the person, company or individual had guilty knowledge of the offence, or had fraudulent intention to commit the offence, or in any manner possessed mens rea (guilty mind) which would indicate his guilt.
- Prosecution should not be launched indiscriminately against all the Directors of the company but it should be restricted to only against persons who were in charge of day-to-day operations of the factory and have taken active part in committing the duty/tax evasion or had connived at it.
- Prosecution should not be filed merely because a demand has been confirmed in the adjudication proceedings particularly in cases of technical nature or where interpretation of law is involved.
- The standard of proof required in a criminal prosecution is higher as the case has to be established beyond reasonable doubt whereas the adjudication proceedings are decided on the basis of preponderance of probability. Therefore, evidence collected should be weighed so as to likely meet the test of being beyond reasonable doubt for recommending prosecution.
- Decision should be taken on case-to-case basis considering various factors, such as, nature and gravity of offence, quantum of duty/tax evaded or Cenvat credit wrongly availed and the nature as well as quality of evidence collected.
- Decision on prosecution should be normally taken immediately on completion of the adjudication proceedings. However, Hon’ble Supreme Court of India in the case of Radheshyam Kejriwal [2011(266)ELT 294 (SC)] has inter alia, observed the following :- “(i) adjudication proceedings and criminal proceedings can be launched simultaneously; (ii) decision in adjudication proceedings is not necessary before initiating criminal prosecution; (iii) adjudication proceedings and criminal proceedings are independent in nature to each other and (iv) the findings against the person facing prosecution in the adjudication proceedings is not binding on the proceeding for criminal prosecution.” Therefore, prosecution may even be launched before the adjudication of the case, especially where offence involved is grave, qualitative evidences are available and it is also apprehended that party may delay completion of adjudication proceedings.
Principal Commissioner/Commissioner or ADG (Adjudication) acting as adjudicating authority should indicate at the time of passing the adjudication order itself whether he considers the case to be fit for prosecution so that it can be further processed and sent to Principal Chief Commissioner/Chief Commissioner or Principal Director General/ Director General of DGCEI, as the case may be, for sanction of prosecution.

Where at the time of adjudication proceedings no view has been taken on prosecution by the Adjudicating Authority then the adjudication wing shall re-submit the file within 15 days from the date of issue of adjudication order to the Adjudicating Authority to take view of prosecution.

Where, prosecution is proposed before the adjudication of the case, Commissioner/Principal Commissioner or Principal Additional Director General/Additional Director General, DGCEI who supervised the investigation shall record the reason for the same and forward the proposal to the sanctioning authority.

The adjudicating authority shall also be informed of the decision to forward the proposal so that there is no need for him to examine the case at the time of passing of adjudication order from the perspective of prosecution.

Principal Chief Commissioner/Chief Commissioner or Principal Director General of DGCEI may on his own motion also, taking into consideration the seriousness of an offence, examine whether the case is fit for sanction of prosecution irrespective of whether the adjudicating authority has recommended prosecution.

In respect of cases investigated by DGCEI, the adjudicating authority would intimate the decision taken regarding fitness of the case for prosecution to the Principal Additional Director General/Additional Director General of the Zonal Unit or Headquarters concerned, where the case was investigated and show cause notice issued. The officers of unit of Directorate General of Central Excise Intelligence concerned would prepare an investigation report for the purpose of launching prosecution, within one month of the date of receipt of the decision of the adjudicating authority and would send the same to the Director General, CEI for taking decision on sanction of prosecution.

In respect of cases not investigated by DGCEI, where the Principal Commissioner/Commissioner who has adjudicated the case is satisfied that prosecution should be launched, an investigation report for the purpose of launching prosecution should be carefully prepared within one month of the date of issuance of the adjudication order. Investigation report should be signed by an Assistant/Deputy Commissioner, endorsed by the jurisdictional Principal Commissioner/Commissioner and sent to the Principal Chief/Chief Commissioner for taking a decision on sanction for launching prosecution.

A criminal complaint in a court of law should be, filed by the jurisdictional Commissionerate only after the sanction of the Principal Chief/Chief Commissioner or Principal Director General/Director General of DGCEI has been obtained.

Principal Commissioner/Commissioner or Additional Director General (Adjudication) shall submit a report by 10th of every month to the Principal Chief/Chief Commissioner or the Principal Director General/ Director General of CEI, who is the sanctioning authority for prosecution, conveying whether a view on launching prosecution has been taken in respect of adjudication orders issued during the preceding month.

Once the sanction for prosecution has been obtained, criminal complaint in the court of law should be filed as early as possible by an officer of the jurisdictional Commissionerate authorized by the Commissioner.

It shall be the responsibility of the officer who has been authorized to file complaint, to take charge of all documents, statements and other exhibits that would be required to be produced before a Court. The list of exhibits etc. should be finalized in consultation with the Public Prosecutor at the time of drafting of the complaint. No time should be lost in ensuring that all exhibits are kept in safe custody. Where a complaint has not been filed even after a lapse of three
