Message

The Institute of Company Secretaries of India has attained a remarkable mark by reaching the milestone of 50,000 members. On this occasion, I congratulate ICSI, President CS (Dr.) Shyam Agrawal, and all ICSI members.

At the same time, I have an expectation from the Institute and its members that they should play their role as Corporate Governance professionals with full dedication and responsibility while act as 'Conscious Keepers' of the companies and watch over those black sheeps in the corporate sector who play foul by taking advantage of some existing legal loopholes. For ensuring setting up Good Governance practices, I think, ICSI members have a monumental role to play while acting as 'advisor' to the corporate sector.

I know ICSI will keep on guiding the way of its professionals to establish best governance practices in Indian Corporate Sector and contribute to a great extent to the objective of Government of India for making India a world leader in Governance.
