The regulations provides for the requisite majority to initiate voluntary liquidation proceedings, provisions for appointment of Liquidator and their remuneration, their powers and functions. The regulations also provides for the manner and content of public announcement, receipt and verification of claims of stakeholders, reports and registers to be maintained, preserved and submitted by the liquidator, realisation of assets and distribution of proceeds to stakeholders, distribution of residual assets and the dissolution of corporate person.

RBI ADVISORY ON E-WALLETS⁴

The Reserve Bank of India via a press release 2016-2017/2624, has advised the users of Pre-paid Payment Instruments (PPIs), including mobile and electronic wallets, that only non-bank entities authorised by RBI under the Payment and Settlement Systems Act, 2007 (the Act) can issue PPI wallets for purchase of goods and services from third parties and money transfer within India. Only permitted banks can issue PPI wallets which in addition to purchase of goods and services from third parties and money transfer within India, can also be used for withdrawing cash. An updated list of entities is available on the Reserve Bank's website. Public should access the RBI website for the list of such bank and non-bank entities issuing e-wallets and pre-paid cards.

Intermediaries, like aggregators and payment gateways, which facilitate payment services, though not authorised by Reserve Bank under the Act, are however required to route their transactions only through a nodal account opened with a bank under Reserve Bank's guidelines of November 24, 2009.

Background

Reserve Bank frames guidelines under the Payment and Settlement Systems Act, 2007 in respect of various payment systems, including issuance of Pre-paid Payment Instruments (PPIs). This advisory is being issued as the usage of digital payment options, including e-wallets is on the rise and public can make an informed choice.
