Dear Professional Colleagues

Sub. : ICSI Outreach Month

It gives me immense pleasure to share with you that ICSI is celebrating April, 2016 as 'OUTREACH' Month to acknowledge and reiterate our association and bond with our existing precious MoU partners as well as exploring the new association.

ICSI has Memorandum of Understanding (MoU) with various esteemed Institutes including Government and Educational bodies, Chambers of Commerce, Stock Exchanges, to create synergies for capacity building of its members and students.

We, as institutions, keep pace with the dynamic corporate, economic and social environment by not only capitalising on our inherent strengths but also by synergizing efforts.

We are hopeful, confident and optimistic that with goodwill on both sides, we will be able to further the cause of the MoU in the real sense.

The MOUs are expected to achieve the following for ICSI members and students :-

- Holding joint workshops, seminars, continuing education and training programmes in Company Law, SEBI, LODR, FEMA, Tax etc.
- Regularly exchange journals on a complimentary basis with liberty to replicate in each other's publications subject to acknowledging the source.
- Regularly exchange course materials, case studies, research publications and other academic & research inputs.
- Undertake joint research projects which are mutually beneficial.
- Reciprocate participation in National and International conferences.
- Extend help and co-operation in developing curriculum of academic and continuing education programmes.
- Exchange of faculties as may be mutually agreed.
- Organize programmes jointly for training the trainers for mutual benefit and advantage.
- Any other matter of mutual interest including sharing of facilities like infrastructure, library, reading room etc., as may be mutually agreed.

We are making efforts to ensure that all our members and students really get benefitted out of these MoUs in their career & professional development

We request members to share their views / suggestions on the same, if any, to Ms. Sonia Baijal, Director, Dte. (Professional Development, Perspective Planning and Studies), sonia.baijal@icsi.edu; Tel. 011-45341014.
