

Fine payable by students for applying late for registering their training in records of the Institute (if submitting their papers to the Institute after 60 days from the date of commencement of their training)

Students are required to get their training registered in records of the Institute preferably before commencement of their training. If they have not done so, they have option to get it registered within 60 days from the date of commencement of their training. After their training is registered in records of the Institute, the Institute issues a sponsorship letter to the student. That is conclusive evidence that student's training has been taken in records of the Institute.

If any student has not submitted the desired papers for registration of his training within 60 days from the date of commencement of his training, as per decision taken by the Council of the Institute, he is required to pay fine and also submit the other supporting papers as per details given in below mentioned table for due-diligence of his case. After verifying the supporting documents submitted by him, if it is found satisfactory by the Institute, his training may be registered in records of the Institute from the actual date of commencement of training.
