WIRC INITIATIVE FOR VOLUNTARY DONATION TO CSBF

*When I was a young man, I wanted to change the world.
I found it was difficult to change the world, so I tried to change my nation.
When I found I couldn't change the nation, I began to focus on my town. I couldn't change the town and as an older man, I tried to change my family.*

Now, as an old man, I realize the only thing I can change is myself, and suddenly I realize that if long ago I had changed myself, I could have made an impact on my family. My family and I could have made an impact on our town. Their impact could have changed the nation and I could indeed have changed the world.

Dear Professional Colleagues,

As you are aware that ICSI has established the Company Secretaries Benevolent Fund (CSBF) in the year 1976 which seeks to create big security umbrella to derive comfort and Security for the CS Members. The Fund provides assistance for education /medical or for any other similar purpose in deserving cases.

As you all are aware that the Fund is used for the needy Members and their families in their hour of miseries. By becoming a member of the CSBF, you are not only in a small way securing the future of your own family but also your extended family, i.e. your professional brethren.

This is very novel initiative which will considerably help in increasing the corpus of the CSBF. As you all are aware that the Fund is used for the needy Members and their families in their hour of miseries. You can also donate voluntary in the Fund.

Friends, often we have heard of a saying that "Small Drops of Water Makes the Mighty Ocean".

We appeal our esteemed CSBF members to contribute a small drop of voluntary donation of Re. 1 Per Day towards Company Secretaries Benevolent Fund (CSBF). This small step of contributing for fellow professionals can turn out to be giant leap in providing financial assistance in time of crisis and when it needs the most.
