

**46th National Convention of Company Secretaries
to be held on 30th August to September 01st, 2018 at Mayfair Convention**

Announcement for Hotel Booking of Residential Delegates

1. All delegates may kindly note that Bhubaneswar is a tourist destination due to its proximity to the heavenly abode of Lord Jagannath and nearly several sea beaches which are among few finest in India. Therefore, air tickets, train tickets and Hotel rooms will get exhausted quickly. Hence, the delegates who are waiting for last minutes planning may face difficulty in getting confirmed reservations in flight/train and hotels. Of late, Bhubaneswar has been in news being the top rated smart city of the country and Bhubaneswar will be hosting FIH Hockey World Cup to be held in 2018.
2. In view of the above, all delegates are advised to plan their travel program at the earliest and book their flight/train tickets quickly. It is advisable to book hotels quickly before it gets exhausted. Ideally the hotel rooms must be booked latest by July 30th, 2018. After that delegates may face crisis of confirmed room reservations.
3. ICSI has taken the best efforts to negotiate rates for room in some of the hotels at Bhubaneswar. In spite of that over internet some hotel booking sites may offer further better rate than which ICSI has negotiated. Even the hotels have no control over the rates offered by the hotel booking sites which are purely driven by supply and demand situation on real time basis. Hence, delegates may check once those hotel booking sites before booking rooms directly with the hotels at price negotiated by ICSI. Delegates are requested to avail this opportunity quickly. Otherwise delegates may have to book rooms at very higher price due to huge tourist influx in the city.
4. For booking rooms in hotels, members/students/others (as the case may be) are required to first get themselves registered as delegate for the convention by paying the delegate fees online at following ICSI web link:
<https://www.icsi.in/student/DelegateRegistration/tabid/137/ctl/DelegateRegistration/mid/454/EventId/54/Default.aspx> While booking the rooms, mentioning delegate registration is compulsory on hotel room booking application form without which the hotel authorities may not entertain room booking request from delegates.
5. **For booking of rooms in hotel, delegates may select the hotel as per their choice from the list of hotels given in the below mentioned table. They may download the room booking form the link given against that hotel's name. They are required to fill-up details in the form and after that scanned copy of the form are required to be sent by e-mail to respective hotel.**
6. All payments related to stay of delegates in Hotel are required to be settled by the delegates with the hotel directly.
7. All delegates may kindly note that hotel rooms shall be booked on full room basis. If any delegate wants to share room with any other delegate, in such case it is advised to decide room partner in advance and should give details of partner (i.e. accompanying guest) in the booking form itself. Payment should be settled by either of the delegate and later on the total amount can be shared by them.
8. Pick up and drop facility to the Convention venue will be provided by ICSI to delegates to and from Hotel and also to and from Airport/railway station at certain intervals.
9. Hotel authorities have been requested to allow delegates for early check-in, but the facility will be provided subject to availability of room at the time of arrival of the delegate.
