

The motto of ICSI is 'Satyameva Jayate'. It implies that one should speak the truth and follow rules and regulations. Your advice, right or wrong, has an impact on the Corporate Governance of the country as a whole.

Company Secretary

One who ensures compliance in the company and maintains the integrity of the company and its affairs. He is the guardian of the company's interests. He should be honest and fair, and should be able to handle the company's affairs with integrity and honesty. He should be able to handle the company's affairs with integrity and honesty. He should be able to handle the company's affairs with integrity and honesty.
