CASE-I:

[In the Supreme court of India]

Special leave Petition

Chairman, Rajasthan State Road Transport Corporation & Ors...petitioner

Vs.

Smt. Santosh & Ors......Respondent

[10th May, 2013]

“Jugaad”

The question raised herein by Shri Imtiaz Ahmed, learned counsel appearing for the RSRTC was that this court must examine whether ‘Jugaad’ is a vehicle under the Act, and in case, it is a motor vehicle under Section 2(28) of the Act, whether such ‘Jugaad’ is required to be insured and registered before it is permitted to ply on the road and whether the driver of ‘Jugaad’ must compulsorily have a driving licence. As such important issues have been raised by Shri Imtiaz Ahmed, Shri H.P. Raval, learned ASC was requested to assist the court, after taking instructions from the Road Transport Ministry of the Central Government about the status of ‘Jugaad’ under the Act. Shri Raval responded to the aforesaid queries and submitted that it is a motor vehicle as defined under Section 2(28) of the Act, and the Ministry of Shipping, Road Transport and Highways had issued a circular dated 26.7.2007 issuing instructions to all State transport authorities clarifying that ‘Jugaad’ is a vehicle under Section 2(28) of the Act and all the States are under a legal obligation to enforce the same. Therefore, no person should be permitted to ply a ‘Jugaad’ as it violates all the provisions of the Act. It must have a registration and insurance and the driver must have a valid driving license and in case of an accident etc, the liability under the provisions of the Act, may be properly determined. However, Shri Raval has raised a grievance that in spite of issuance of such a circular, most of the States have not enforced the terms of the said circular issued by the Central Government.

Considering the aforesaid grievance raised by Shri Raval, this court impleaded the Transport Secretary/Commissioner of all the States as party respondents and asked them to submit their response. While some of the States have submitted that it is not a vehicle within the meaning of the provisions of Section 2(28) of the Act. The State of Karnataka has submitted the vehicle like ‘Jugaad’ was not in existence in the State.

Shri Manish Singhvi, learned senior counsel appearing for the State of Rajasthan has submitted that the government of Rajasthan has examined the matter and decided to prohibit the plying of “Jugaad” on the roads completely. Such a vehicle cannot be used for any commercial purpose, without being registered and duly insured and in compliance with the other statutory requirements. However, the State Government carved out an exception that farmers/poor villagers may be permitted to use the same for their agricultural purposes as an interim measure till the rules are framed in this regard. It has further been submitted that in case ‘Jugaads’ are found plying on the roads, they shall be impounded and will be dealt with strictly in accordance with law. A similar stand has been taken by the majority of the States.

An application has been filed by Rashtriya Kisan Morcha, for impleadment/intervention which is allowed. The Morcha raised a grievance that in case plying of the ‘Jugaad’ is prohibited completely, it will create a serious problem for the farmers, as seizure/impounding of “Jugaad” would have penal consequences. The ‘Jugaad’ is nothing, but an improved version of a bullock cart which has been used for centuries in the villages. The farmer communities should not be restrained from using the improved carts/jugaad in the villages to and from houses to the farms and for bringing the agricultural produces from their agricultural lands.

Further learned standing counsel appearing for the State of Haryana has submitted that even the Punjab and Haryana High Court had directed the State authorities to ensure that no ‘Jugaad’ shall be permitted to ply in the State of Haryana under any circumstance. All such Jugars being plied shall be seized by the concerned law enforcing agencies of the State. Since the aforesaid vehicles are being plied against the provisions of law and these vehicles are not recognised under the Motor Vehicles Act, the same cannot be released in favour of a person, who is not even admitted to be the registered owner of such vehicle.

As such ‘Jugaads’ were being plied against the provisions of the Act and the rules framed under it, and in case any ‘Jugaad’ is found on the road and is seized by the police authorities, it could not be released in favour of its owner either by the law enforcing agency or even by the Magistrate. Plying of such vehicles was in utter disregard/violation of the provisions of the Act and the rules framed thereunder.

As to whether a particular vehicle can be defined as motor vehicle in terms of Section 2(28) of the Act, is to be determined on the facts of each case taking into consideration the use of the vehicle and its suitability for being used upon the road. Once it is found to be suitable for being used on the road, it is immaterial whether it runs on the public road or private road, for the reason, that actual user for a particular purpose, is no criteria to decide the name. Definition of motor vehicle takes within its ambit, a dumper and tractor. Tractor which is used basically for agricultural purpose and a dumper is carved out an exception that farmers/poor villagers may be permitted to use the same for their agricultural purposes as an interim measure till the rules are framed in this regard. It has further been submitted that in case ‘Jugaads’ are found plying on the roads, they shall be impounded and will be dealt with strictly in accordance with law. A similar stand has been taken by the majority of the States.
being used on the road, therefore, they will meet the requirement of definition of motor vehicle under Section 2(28) of the Act. The word ‘only’ used in Section 2(28) of the Act clearly shows that the exemption is confined only to those kinds of vehicles which are exclusively being used in a factory or in any closed premises. Thus, a vehicle which is not adapted for use upon the road, is only to be excluded.

However, Shri S.C. Maheshwari, learned senior counsel appearing for the applicant could not satisfactorily reply as under what circumstances, if the tractor which is exclusively used for agricultural purpose, does require registration and insurance and driver also require a driving license, why the same provisions would not apply in case of ‘Jugaad’. ‘Jugaad’ does not require the permit, insurance or a driving licence for its driver. There is no specification for its body. It does not require fitness certificate. However, passenger vehicle has a upper limit of number of passengers it can carry. The same remains the position for the goods vehicle as there is a specification for the maximum load it can carry. The ‘Jugaad’ is not liable to pay any passenger or road tax like other vehicles.

Observations of the Court:

In view of the above case, as the ‘Jugaad’ is covered in the definition of the motor vehicle under Section 2(28) of the Act, the statutory authorities cannot escape from their duty to enforce the law and restrain the plying of ‘Jugaad’. The statutory authorities must ensure that ‘Jugaad’ can be plied only after meeting the requirements of the Act. The same has become a menace to public safety as they are causing a very large number of accidents. ‘Jugaads’ are not insured and the owners of the ‘Jugaad’ generally do not have the financial capacity to pay compensation to persons who suffer disablement and to dependents of those, who lose life. Thus, considering the gravity of the circumstances, the statutory authorities must give strict adherence to the circular referred to hereinafter by the Central Government. However, Court further clarify that it is open to the statutory authorities to make exemptions by issuing a notification/circular specifically if such a vehicle is exclusively used for agricultural purposes but for that sufficient specifications have to be provided so that it cannot be used for commercial purposes.

CASE-2:

[In the Supreme court of India]
V.L.S. FINANCE LTD....petitioner
Vs.
UNION OF INDIA & ORS.....Respondent
[10th May, 2013]

Brief facts of the case:

The Registrar of Companies, NCT of Delhi and Haryana laid complaint in the Court of Chief Metropolitan Magistrate, Tis Hazart, inter alia alleging that during the course of inspection it was noticed in the balance sheet of 1995-96 Schedule of the fixed assets included land worth Rs. 21 crores. According to the complaint, M/s. Sunair Hotels Ltd., for short ‘the Company’, had taken this land from New Delhi Municipal Corporation on license and the Company only pays the yearly license fee thereof. Thus, according to the complainant, without any right land has been shown as land in the Schedule of fixed assets, which is not a true and fair view and punishable under Section 211(7) of the Companies Act, hereinafter referred to as “the Act”. The Company and its Chairman-cum-Managing Director, S.P. Gupta were arrayed as accused. However, before the court in seisin of the case could proceed with the complaint, the Company and its Managing Director jointly filed an application before the Company Law Board for compounding the offence. The Northern Region Bench of the Company Law Board, by its order dated 9th August, 2000 acceded to the prayer and compounded the offence u/s 621A (1) against the Managing Director on payment of Rs. 1000/- for each offence each year. It is an admitted position that the allegations made exposed the accused to an offence punishable under Section 211(7) of the Act.

Section 211(7) reads as under:

“If any such person as is referred to in sub-section (6) of section 209 fails to take all reasonable steps to secure compliance by the company, as respects any accounts laid before the company in general meeting, with the provisions of this section and with the other requirements of this Act as to the matters to be stated in the accounts, he shall, in respect of each offence, be punishable with imprisonment for a term which may extend to six months, or with fine which may extend to ten thousand rupees, or with both”. Thus, the offence alleged is punishable with imprisonment for a term which may extend to six months or with fine which may extend to Rs. 10,000/- or with both.

The appellant has taken an extreme stand before this Court and contends that the Company Law Board has no jurisdiction to compound an offence punishable under Section 211(7) of the Act as the punishment provided is imprisonment also. The respondent however, submits that imprisonment is not mandatory punishment under Section 211(7) of the Act and, hence, the Company Law Board has the authority to compound the same.

Further, the appellant also submits that sub-section (7) of Section 621A confers jurisdiction on the court to accord permission for compounding of the offence punishable with imprisonment or with fine or with both, the jurisdiction of the Company Law Board is excluded and, therefore, the Company Law Board erred in acceding to the request of the accused for compounding of the offence.

Observations of the Court:

Section 211(7) of the Act provides for punishment with imprisonment for a term which may extend to six months or with fine or with both. Therefore, an accused charged with the offence under Section 211(7) of the Act has not necessarily to be visited with imprisonment or imprisonment and also fine but can be let off by imposition of fine only. Hence, we are of the opinion that the nature of the offence is such that it was possible to be compounded by the Company Law Board.
Sub-section (1) of Section 621A and sub-section (7) thereof are differently worded but on their close reading it is evident that both cover such offences depending upon the nature of punishment. Sub-section (1) of Section 621A excludes offence punishable with imprisonment only or with imprisonment and also fine and includes the residue offences which will obviously include offence punishable with imprisonment or with fine or with both whereas sub-section (7) specifically include those and excludes, like sub-section (1), offences punishable with imprisonment only or with imprisonment and also fine. Therefore, both cover similar nature of offences. Hence, the power for compounding can be exercised in relation to the same nature of offences by the Company Law Board or the court in seisin of the matter with the difference that the Company Law Board can proceed to compound such offence either before or after the institution of any prosecution.

We are of the opinion that the power under sub-section (1) and sub-section (7) of Section 621A are parallel powers to be exercised by the Company Law Board or the authorities mentioned therein and prior permission of Court is not necessary for compounding the offence, when power of compounding is exercised by the Company Law Board. In view of what we have observed above, the order impugned does not require any interference by this Court.

In the result, we do not find any merit in the appeal and it is dismissed accordingly but without any order as to costs.

An Appeal for Becoming Member of CSBF

In recent past, some of our members have died leaving behind the spouse and minor children. In some cases providing adequate financial assistance to the bereaved family becomes an impediment. Although the Managing Committee of the CSBF wanted to help the bereaved family members, but it was constrained to do so in view of financial position of the Fund.

As of now, around 9600 members of ICSI have become members of the CSBF which constitutes less than 30% of the total membership of the Institute.

The fund can provide the much needed financial assistance in such cases if the corpus of the Fund increases substantially which is possible if more number of members are enrolled to the fund. The members in all earnestness are therefore sincerely requested to become the members of the CSBF by paying one time Life membership fee of Rs. 7,500/-.

The payments made to the Fund are exempted under Section 80G of the Income Tax Act, 1961.

Following benefits are presently provided by the CSBF:

- Members of the ICSI
- Spouse and Children of the deceased members
- The financial assistance upto Rs. 60,000 is provided to the members for medical expenses for self, spouse or dependents in deserving cases on receipt of request.
- Financial assistance for education at the rate of Rs. 20,000/- per child (subject to maximum of two children) in deserving cases is provided to the family of the deceased members.
- As a member of the Fund upto the age of 60 years it covers the member’s future through the Group Life Insurance Policy for a sum of Rs. 2,00,000/-. In addition to this, additional financial assistance of Rs. 3,00,000/- is provided to the family of the deceased member of the Fund from the CSBF. The widow / dependants of the deceased member above 60 years of age are provided financial assistance upto Rs. 2,00,000/- from the fund depending upon the merit of the case. The assistance is provided in minimum time possible.
