Dear Professional Colleagues,

As you may be aware that NIRC-ICSI performs its various activities through Functional Committees constituted every year. This year we have formulated few new committees keeping in mind the feedback and request of members. One of such newly formulated committee is “Members Assistance Committee”. The primary task of this committee is to provide assistance to members, by all possible ways and means, for resolving their queries, may it be technical, professional or administrative. Endeavour shall be made to resolve the queries of the members in a time bound manner. An “E-Help Desk for Members” is being created to facilitate the working and achieving the above objective. CS Manish Gupta, Vice Chairman, NIRC-ICSI has been nominated as the Chairman of the Members Assistance Committee of NIRC-ICSI for the year 2015.

In order to initiate the above task, NIRC invites you to join for an Interactive Session amongst members of the Northern Region for highlighting the issues relating to our profession and the areas where assistance to members can be provided by NIRC. Issue requiring immediate attention of Ministry of Corporate Affairs, relating to the rules, regulations and forms under the new Companies Act, 2013 may also be highlighted at the said session.
