

<p>CORPORATE GOVERNANCE From Compliance to Excellence (Handbook on Best Practices)</p>			
<p>The publication titled Corporate Governance – From Compliance to Excellence (Handbook on Best Practices) is based on the analysis of the governance mechanism existing in the companies which participated in ICSI National Awards for Excellence in Corporate Governance, 2021. It highlights the governance practices adopted by Indian corporates in respect of various aspects including Board composition/processes, transparency and disclosure, creativity/innovation, risk management and sustainability.</p>
