!!Kind Attention students!!

This has reference to the 22nd National Conference of Student Company Secretaries which is scheduled to be held at Indore, Madhya Pradesh on 11th-12th January, 2022 (Wednesday) to mark the 159th Birth Anniversary of Swami Vivekananda.

As you are aware that Covid restrictions are being imposed by many states due to surge in number of Covid cases. It is expected that State of Madhya Pradesh may also likely to impose these restrictions. Keeping in view the same and security of our students, it has been decided to conduct all the competitions in virtual mode.

The safety of our students is our first priority and allowing them to travel at this critical time can put their health at risk, hence all competitions will be organised in online mode.

However, we assure you that vigour of the event will remain same as Institute is conducting all 22 competitions as planned. Some of the competitions which can only be conducted physically have been replaced with the new competitions. Therefore contact your nearest Regional/Chapter Office to participate in these competitions.

Guideline of each competition is appended as Annexure-B (Rules and Regulations). Please go through the same before sending the entries to your respective Regional/Chapter Office.

**Further, please note that the students need not travel to Indore as all competitions are now being held in online mode.**
