Dear All,

Greetings!

The Union Budget 2022-23 is being presented at a very vital juncture when the recovery momentum of Indian economy from daunting impact of pandemic COVID-19, is catching pace and expectations of strong, sustainable and higher GDP growth trajectory are strengthening on the back of bold and meaningful economic reforms announced by the Government in last many quarters. The sharp rebound in the GDP growth from the severe contraction of FY 2020-21 caused by pandemic COVID-19 impact, is highly appreciable.

Also, the uptrend in the lead economic and business indicators in the recent months shows that the economic recovery is strengthening and strong economic growth is expected in the coming quarters. At this juncture, India's GDP growth projections by various international and national agencies at around 9.5% in FY 2021-22 is realistic and achievable.

At this backdrop, **PHD Chamber of Commerce and Industry (PHDCCI)** in collaboration with **EGROW (Foundation of Economic Growth and Welfare)** is organizing a Programme on "Shadow Budget 2022-23" on Tuesday, 11th January 2022 from 10:30 AM to 12:30 PM in Virtual Mode.
