First proviso to Section 203(1) states that an individual shall not be appointed or reappointed as the Chairperson of the company, as well as the Managing Director or Chief Executive Officer of the company at the same time unless the articles of such a company provide otherwise; or the company does not carry multiple businesses. However, Second proviso states that such class of companies engaged in multiple businesses and which has appointed one or more Chief Executive Officers for each such business as may be notified by the Central Government are exempted from the above.

The Central Government accordingly has made the following notification

Public companies having paid up share capital of rupees one hundred crore or more and annual turnover of rupees one thousand crore or more which are engaged in multiple businesses and have appointed Chief Executive Officer for each such business shall be the class of companies for the purpose of Second Proviso to sub-section (1) of Section 203.

| 3 | Circular dated July 17, 2014 by Ministry of Corporate Affairs issued clarifications on related party transactions |

Second proviso to subsection (1) of section 188 of the Companies Act, 2013 requires that no member of the company shall vote on a special resolution to approve the contract or arrangement (referred to in the first proviso), if such a member is a related party. It is clarified that 'related party' referred to in the second proviso has to be construed with reference only to the contract or arrangement for which the said special resolution is being passed. Thus, the term 'related party' in the above context refers only to such related party as may be a related party in the context of the contract or arrangement for which the said special resolution is being passed.

It is clarified that transactions arising out of Compromises, Arrangements and Amalgamations dealt with under specific provisions of the Companies Act, 1956/Companies Act, 2013, will not attract the requirements of section 188 of the Companies Act, 2013.

Contracts entered into by companies, after making
necessary compliances under Section 297 of the Companies Act, 1956, which already came into effect before the commencement of Section 188 of the Companies Act, 2013, will not require fresh approval under the said section 188 till the expiry of the original term of such contracts. Thus, if any modification in such contract is made on or after 1st April, 2014, the requirements under section 188 will have to be complied with.

H. INVESTOR PROTECTION

SCORES

- SEBI launched a centralized web based complaints redress system ‘SCORES’ in June 2011. The purpose of SCORES is to provide a platform for aggrieved investors, whose grievances, pertaining to securities market, remain unresolved by the concerned listed company or registered intermediary after a direct approach.

- SCORES also provides a platform, overseen by SEBI through which the investors can approach the concerned listed company or SEBI registered intermediary in an endeavor towards speedy redressal of grievances of investors in the securities market. It would, however, be advisable that investors may initially take up their grievances for redressal with the concerned listed company or registered intermediary, who are required to have designated persons/officials for handling issues relating to compliance and redressal of investor grievances.

- SEBI has issued various circulars/directions from time to time with respect to SCORES. In order to enable the users to have an access to all the applicable circulars/directions at one place, this Circular on SCORES consolidates the current provisions.

- Stock Brokers, Sub-Brokers and Depository Participants are not required to obtain SCORES authentication since complaints against these intermediaries shall continue to be routed through the platforms of the concerned Stock Exchange/Depository.

- The registered intermediaries shall submit the details in hard copy (Form-B) to the Department/Division of SEBI which has granted them registration to operate in the securities market. • Action taken by the listed companies and SEBI registered intermediaries will not be considered as complete if the relevant details/ supporting documents are not uploaded in SCORES and consequently, the complaints will be treated as pending.

• A complaint shall be treated as resolved/disposed/closed only when SEBI disposes/closes the complaint in SCORES. Hence, mere filing of ATR by a listed company or SEBI registered intermediary with respect to a complaint will not mean that the complaint is not pending against them.

• Failure by listed companies and SEBI registered intermediaries to file ATR under SCORES within thirty days of date of receipt of the grievance shall not only be treated as failure to furnish information to SEBI but shall also be deemed to constitute non-redressal of investor grievance.

The Depository Receipts Scheme, 2014 (Effective From December 15, 2014)

- The Depository Receipts Scheme, 2014 (“2014 Scheme”) which was notified by the Central Government with effect from December 15, 2014. With the notification of the 2014 Scheme, the erstwhile provisions dealing with depository receipts in the Foreign Currency Convertible Bonds and Ordinary Shares (Through Depositary Receipt Mechanism) Scheme, 1993 (“1993 Scheme”) stand repealed except to the extent they are relating to foreign currency convertible bonds.

- The 2014 Scheme is based on the recommendations of the Sahoo Committee, which under the chairmanship of Mr. M.S. Sahoo undertook a comprehensive review of the 1993 Scheme and proposed significant revisions.

- Permission to issue unsponsored depository receipts, issuance of depository receipts against all types of securities (and not only equity shares), expanding the definition of “Issuer”, “Custodian”, “Depository”, permissible jurisdictions etc., are few of the key features.

- Unlike the 1993 Scheme, a company need not obtain approval of Ministry of Finance before issuing depository receipts. However, approval if any required under FDI policy would still be required.

- Clause 3 of the scheme describes the eligibility of issue of depository receipts. The following persons are eligible to issue or transfer permissible transactions to a foreign depository for the issue of depository receipts:
  - Any Indian company, listed or unlisted, private of public;
  - Any other issuer of permissible securities;
  - Any person holding permissible securities which has not been specifically prohibited from accessing the capital market or dealing in securities. Unsponsored depository receipts on the back of the listed permissible securities can be issued only if such depository receipts gave the holder the right to issue voting instruction and are listed on an international exchange.

- Clause 2(g) defines the term ‘permissible jurisdiction’ as foreign jurisdiction which is a member of the Financial Action Task Force on Money Laundering and the regulator of the securities market in that jurisdiction is a member of the International Organization of Securities Commission. Schedule I of the scheme gives the list of permissible jurisdiction.

- Under the 2014 scheme, the companies will be allowed to issue DRs in all kinds of permissible securities including shares, debentures, bonds, derivatives, units of a mutual fund, collective investment schemes, Government securities and right or interest in securities. In the 1993 Scheme, companies could issue DRs only against equity shares of Indian companies.

B. THE APPRENTICES (AMENDMENT) ACT, 2014

The Apprentices Act, 1961 was enacted with the objective of regulating the programme of training of apprentices in the industry by utilising the facilities available therein for imparting on-the-job training. The Act was amended in 1973 and 1986 to include training of graduates, technicians and technician (vocational) apprentices respectively under its purview. It was further amended in 1997 and 2007 to amend various sections of the Act as regards definition of “establishment”, “worker”, number of apprentices for a designated trade and reservation for candidates belonging to Other Backward Classes, etc. Comparing the size and rate of growth of economy of India, the performance of Apprenticeship Training Scheme is not satisfactory and a large number of training facilities available in the industry are going unutilised depriving unemployed youth to avail the benefits of the Apprenticeship Training Scheme. DIVIDEND AND INCOME DISTRIBUTION TAX
In order to ensure that tax is levied on proper base, the amount of distributable income and the dividends which are actually received by the unit holder of mutual fund or shareholders of the domestic company need to be grossed up for the purpose of computing the additional tax.

Therefore, section 115-O has been amended to provide that for the purposes of determining the tax on distributed profits payable in accordance with the section 115-O, any amount by way of dividends referred to in sub-section (1) of the said section, as reduced by the amount referred to in sub-section (1A) [referred to as net distributed profits], shall be increased such amount as would, after reduction of the tax on such increased amount at the rate specified in sub-section (1), be equal to the net distributed profits.

Similarly, section 115R has been amended to provide that for the purposes of determining the additional income-tax payable in accordance with sub-section (2) of the said section, the amount of distributed income shall be increased to such amount as would, after reduction of the additional income-tax on such increased amount at the rate specified in sub-section (2), be equal to the amount of income distributed by the Mutual Fund.

Dividend amount distributed = Rs. 85
Increase by Rs. 15  [i.e. \(85 \times 0.15\)/\((1-0.15)\)= Rs. 100
Tax payable u/s 115-O will be DDT @ 15% of Rs. 100 = Rs. 15

REDUCTION IN TAX RATE ON CERTAIN DIVIDENDS RECEIVED FROM FOREIGN COMPANIES
Section 115BBD of the Act was introduced as an incentive for attracting repatriation of income earned by Indian companies from investments made abroad. It provides for taxation of gross dividends received by an Indian company from a specified foreign company at the concessional rate of 15 per cent. if such dividend is included in the total income for the assessment year 2012-13 or 2013-14 or 2014-2015.

With a view to encourage Indian companies to repatriate foreign dividends into the country, Finance Act (No. 2), 2014 has amended the provisions to extend the benefit of lower rate of taxation without limiting it to a particular assessment year. Thus, such foreign dividends received in financial year 2014-15 and subsequent financial years shall continue to be taxed at the lower rate of 15%.

An exception from applicability of section 206AA in respect of payment of interest on long-term infrastructure bonds eligible for benefit under section 194LC is currently provided in sub-section (7) of this section.

TAX ON LONG-TERM CAPITAL GAINS ON UNITS
Under the existing provisions of section 112 of the Income Tax Act, where tax payable on long-term capital gains arising on transfer of a capital asset, being listed securities or unit or zero coupon bond exceeds ten percent of the amount of capital gains before allowing for indexation adjustment, then such excess shall be ignored. **DEDUCTION IN RESPECT OF CAPITAL EXPENDITURE ON SPECIFIED BUSINESS**

Under the existing provisions of section 35AD of the Act, investment-linked tax incentive is provided by way of allowing a deduction in respect of the whole of any expenditure of capital nature (other than expenditure on land, goodwill and financial instrument) incurred wholly and exclusively, for the purposes of the “specified business” during the previous year in which such expenditure is incurred. “Specified businesses” which are eligible for availing the investment-linked deduction under section 35AD are enumerated in clause (c) of sub-section (8) of the said section.

Following two new businesses are included as “specified business” vide Finance (No. 2) Act, 2014 for the purposes of the investment-linked deduction under section 35AD:

(b) setting up and operating a semiconductor water fabrication manufacturing unit, if such unit is notified by the Board in accordance with the prescribed guidelines.
It is also proposed to provide that the date of commencement of operations for availing investment linked deduction in respect of the two new specified businesses shall be on or after 1st April, 2014.

Further, with a view to ensure that the capital asset on which investment linked deduction has been claimed is used for the purposes of the specified business, sub-section (7A) has been inserted under section 35AD vide Finance (No. 2) Act, 2014 to provide that any asset in respect of which a deduction is claimed and allowed under section 35AD, shall be used only for the specified business for a period of eight years beginning with the previous year in which such asset is acquired or constructed.

Sub-section (7B) has also been inserted vide Finance (No. 2) Act, 2014 to provide that if such asset is used for any purpose other than the specified business, the total amount of deduction so claimed and allowed in any previous year in respect of such asset, as reduced by the amount of depreciation allowable in accordance with the provisions of section 32 as if no deduction had been allowed under section 35AD, shall be deemed to be income of the assessee chargeable under the head “Profits and gains of business or profession” of the previous year in which the asset is so used.

The provisions contained in the sub-section (7B) of the said section would, however, not apply to a company which has become a sick industrial company under sub-section (1) of section 17 of the Sick Industrial Companies (Special Provisions) Act, 1985 within the time period specified in sub-section (7A).

The existing provisions of sub-section (3) of the aforesaid section provide that where any assessee has claimed a deduction under this section, no deduction shall be allowed under the provisions of Chapter VIA for the same or any other assessment year. As section 10AA also provides for profit linked deduction in respect of units set-up in Special Economic Zones, Finance (No. 2) Act, 2014 amends section 35AD so as to provide that where any deduction has been availed of by the assessee on account of capital expenditure incurred for the purposes of specified business in any assessment year, no deduction under section 10AA shall be available to the assessee in the same or any other assessment year in respect of such specified business. As a consequence of this amendment, section 10AA stands amended so as to provide that no deduction under section 35AD shall be available in any assessment year to a specified business which has claimed and availed of deduction under section 10AA in the same or any other assessment year.

With a view to provide further time to the undertakings to commence the eligible activity to avail the tax incentive, the above provisions stands amended vide Finance (No. 2) Act, 2014 to extend the terminal date for a further period up to 31st March, 2017.

**CORPORATE SOCIAL RESPONSIBILITY (CSR)**

Under the Companies Act, 2013 certain companies (which have net worth of Rs.500 crore or more, or turnover of Rs.1000 crore or more, or a net profit of Rs.5 crore or more during any financial year) are required to spend certain percentage of their profit on activities relating to Corporate Social Responsibility (CSR).
It has been clarified vide Finance (No. 2) Act, 2014 that for the purposes of section 37(1) any expenditure incurred by an assessee on the activities relating to corporate social responsibility referred to in section 135 of the Companies Act, 2013 shall not be deemed to have been incurred for the purpose of business and hence shall not be allowed as deduction under section 37. However, the CSR expenditure which is of the nature described in section 30 to section 36 of the Act shall be allowed deduction under those sections subject to fulfilment of conditions, if any, specified therein.

**DISALLOWANCE OF EXPENDITURE FOR NON-DEDUCTION OF TAX AT SOURCE**

Section 40(a)(i) has been amended vide Finance (No. 2) Act, 2014 to provide that the deductor shall be allowed to claim deduction for payments made to non-residents in the previous year of payment, if tax is deducted during the previous year and the same is paid on or before the due date specified for filing of return under section 139(1) of the Act.

Section 40(a)(ia) has proved to be an effective tool for ensuring compliance of TDS provisions by the payers. Therefore, in order to improve the TDS compliance in respect of payments to residents which were not specified in section 40(a)(ia), Finance (No. 2) Act, 2014 has provided that the disallowance under section 40(a)(ia) of the Act shall extend to all expenditure on which tax is deductible under Chapter XVII-B of the Act.

Vide section 13(1) of the said Repeal Act, SUUTI is exempt from income-tax or any other tax or any income, profits or gains derived, or any amount received in relation to the specified undertaking for a period of five years, computed from the appointed day, i.e. 1st day of February, 2003. This exemption was to come to an end on 31st January, 2008 and the exemption was extended up to the 31st March, 2009 and thereafter, up to the 31st March, 2014.

Since some of the tasks of SUUTI are still pending closure, section 13(1) is amended so as to extend the exemption for a further period of five years that is upto 31st March, 2019.
**SPECULATIVE TRANSACTION IN RESPECT OF COMMODITY DERIVATIVES**

This amendment will take effect retrospectively from 1st April, 2014 and will accordingly apply, in relation to the assessment year 2014-15 and subsequent assessment years.

**LOSSES IN SPECULATION BUSINESS**

The existing provisions of section 73 of the Act provide that losses incurred in respect of a speculation business cannot be set off or carried forward and set off except against the profits of any other speculation business.

Sub-section (4C) of section 139 has been amended so as to provide that Mutual Fund referred to in clause (23D) of section 10, securitization trust referred to in clause (23DA) of section 10 and Venture Capital Company or Venture Capital Fund referred to in clause (23FB) of section 10 shall, if the total income in respect of which such fund, trust or company is assessable, without giving effect to the provisions of section 10, exceeds the maximum amount which is not chargeable to income-tax, furnish a return of such income of the previous year in the prescribed forms and verified in the prescribed manner and setting forth such other particulars as may be prescribed and all the provisions of the Act, so far as may be, apply as if it were a return required to be furnished under sub-section (1) of section 139.

Further, in the case of the Mutual Funds and securitisation trusts referred to above, the requirement of filing of statements before an income-tax authority is dispensed with by omitting sub-section (3A) of section 115R and sub-section (3) of section 115TA.

**ALTERNATE MINIMUM TAX**

The existing provisions of section 115JC of the Act provide that where the regular income tax payable by a person, other than a company, for a previous year is less than the alternate minimum tax for such previous year, the person would be required to pay income tax at the rate of eighteen and one half per cent on its adjusted total income. The section further provides that the total income shall be increased by deductions claimed under Part C of Chapter VI-A and deductions claimed under section 10AA to arrive at adjusted total income.

Under the Act, the investment linked deductions have been provided in place of profit linked deductions. These profit linked deductions are subject to alternate minimum tax (AMT). Accordingly, with a view to include the investment linked deduction claimed under section 35AD in computing adjusted total income for the purpose of calculating alternate minimum tax, the section is amended vide Finance (No. 2) Act, 2014 to provide that total income shall be increased by the deduction claimed under section 35AD for purpose of computation of adjusted total income. The amount of depreciation allowable under section 32 shall, however, be reduced in computing the adjusted total income.

Further the present provisions of sub-section (2) of section 115JEE provide that the Chapter shall not be applicable to an individual or an HUF or an association of persons or a body of individuals (whether incorporated or not) or an artificial juridical person if the adjusted total income does not exceed twenty lakh rupees. This has created difficulty in claim of credit of alternate minimum tax under section 115JD in an assessment year where the income is not more than twenty lakh rupees or there is no claim of any deduction under section 10AA or Chapter VI-A.

With a view to enable an assessee who has paid alternate minimum tax in any earlier previous year to claim credit of the same, in any subsequent year, this section has been amended to provide that the credit for tax paid under section 115JC shall be allowed in accordance with the provisions of section 115JD, notwithstanding the conditions mentioned in sub-section(1) or (2) of section 115JEE.

Sections 11, 12 and 13 of the Income tax Act are special provisions governing institutions which are being given benefit of tax exemption. Similar situation exists in the context of section 10(23C) which provides for exemption to funds, institution, hospitals, etc. which have been granted approval by the prescribed authority.

The Finance (No. 2) Act, 2014 provides specifically that where a trust or an institution has been granted registration for purposes of availing exemption under section 11, and the registration is in force for a previous year, then such trust or institution cannot claim any exemption under any provision of section 10 [other than that relating to exemption of agricultural income and income exempt under section 10(23C)]. Similarly, entities which have been approved or notified for claiming benefit of exemption under section 10(23C) would not be entitled to claim any benefit
of exemption under other provisions of section 10 (except the exemption in respect of agricultural income).

The provisions of section 11 and section 10(23C) have been further amended to provide that income for the purposes of application shall be determined without any deduction or allowance by way of depreciation or otherwise in respect of any asset, acquisition of which has been claimed as an application of income under these sections in the same or any other previous year.

**CLARIFICATION IN RESPECT OF SECTION 10(23C) OF THE ACT**

Absence of a definition of the phrase “substantially financed by the Government” has led to litigation and varying decisions of judicial authorities who have, for this purpose, relied upon various other provisions of the Income-tax Act and other Acts. Thus, there is lack of certainty in this regard. Therefore, provisions of section 10(23C) has been amended vide Finance (No. 2) Act, 2014 by inserting following Explanation:

“Explanation.—For the purposes of sub-clauses (iiiab) and (iiiac), any university or other educational institution, hospital or other institution referred therein, shall be considered as being substantially financed by the Government for any previous year, if the Government grant to such university or other educational institution, hospital or other institution exceeds such percentage of the total receipts including any voluntary contributions, as may be prescribed, of such university or other educational institution, hospital or other institution, as the case may be, during the relevant previous year.”

**CANCELLATION OF REGISTRATION OF THE TRUST OR INSTITUTION IN CERTAIN CASES**

In order to rationalise the provisions relating to cancellation of registration of a trust, section 12AA of the Income Tax Act has been amended vide Finance (No. 2) Act, 2014 to provide that where a trust or an institution has been granted registration, and subsequently it is noticed that its activities are being carried out in such a manner that,—

(i) its income does not enure for the benefit of general public;
(ii) it is for benefit of any particular religious community or caste (in case it is established after commencement of the Act);
(iii) any income or property of the trust is applied for benefit of specified persons like author of trust, trustees etc.; or
(iv) its funds are invested in prohibited modes,

then the Principal Commissioner or the Commissioner may cancel the registration if such trust or institution does not prove that there was a reasonable cause for the activities to be carried out in the above manner.

**APPLICABILITY TO EARLIER YEARS OF THE REGISTRATION GRANTED TO A TRUST OR INSTITUTION**

Section 12 A of the Income Tax Act has been amended to provide that in case where a trust or institution has been granted registration under section 12AA of the Act, the benefit of sections 11 and 12 shall be available in respect of any income derived from property held under trust in any assessment proceeding for an earlier assessment year which is pending before the Assessing Officer as on the date of such registration, if the objects and activities of such trust or institution
in the relevant earlier assessment year are the same as those on the basis of which such registration has been granted.

Further, no action for reopening of an assessment under section 147 shall be taken by the Assessing Officer in the case of such trust or institution for any assessment year preceding the first assessment year for which the registration applies, merely for the reason that such trust or institution has not obtained the registration under section 12AA for the said assessment year.

However, the above benefits would not be available in case of any trust or institution which at any time had applied for registration and the same was refused under section 12AA or a registration once granted was cancelled.

**ANONYMOUS DONATIONS UNDER SECTION 115B**

Section 115B of the Income Tax has been amended to provide that the income-tax payable shall be the aggregate of the amount of income-tax calculated at the rate of thirty per cent on the aggregate of anonymous donations received in excess of five per cent of the total donations received by the assessee or one lakh rupees, whichever is higher, and the amount of income-tax with which the assessee would have been chargeable had his total income been reduced by the aggregate of the anonymous donations which is in excess of the five per cent of the total donations received by the assessee or one lakh rupees, as the case may be.

**Amendments Relating to Deductions**

**DEDUCTION FROM INCOME FROM HOUSE PROPERTY**

The second proviso to clause (b) of the section 24 provides that in case of self occupied property where the acquisition or construction of the property is completed within three years from the end of the financial year in which the capital is borrowed, the amount of deduction under that clause shall not exceed one lakh fifty thousand rupees.

The second proviso to clause (b) of said section 24 has been amended so as to increase the limit of deduction on account of interest in respect of property referred to in sub-section (2) of section 23 to two lakh rupees.

**RAISING THE LIMIT OF DEDUCTION UNDER SECTION 80C, 80CCE AND 80CCD**

Under the existing provisions of section 80C of the Act, an individual or a Hindu undivided family, is allowed a deduction from income of an amount not exceeding one lakh rupees with respect to sums paid or deposited in the previous year, in certain specified instruments. The investments eligible for deduction, specified under sub-section (2) of section 80C, include life insurance premia, contributions to provident fund, schemes for deferred annuities etc. The assessee is free to invest in any one or more of the eligible instruments within the overall ceiling of Rs. 1 lakh.

The limit of above investments eligible for deduction under section 80C has been raised from the existing Rs. 1 lakh to Rs.1.5 lakhs vide Finance (No. 2) Act, 2014. In view of the same, consequential amendments are proposed in sections 80CCE and 80CCD of the Act.

**EXTENSION OF TAX BENEFITS UNDER SECTION 80CCD TO PRIVATE SECTOR EMPLOYEES**

Under the existing provisions contained in sub-section (1) of section 80CCD of the Act, if an individual, employed by the Central Government or any other employer on or after 1st January,
2004, has paid or deposited any amount in a previous year in his account under a notified pension scheme, a deduction of such amount not exceeding ten per cent. of his salary is allowed.

Similarly, the contribution made by the Central Government or any other employer to the said account of the individual under the pension scheme is also allowed as deduction under sub-section (2) of section 80CCD, to the extent it does not exceed ten percent. of the salary of the individual in the previous year.

Considering the fact that for employees in the private sector, the date of joining the service is not relevant for joining the New Pension Scheme (NPS), the provisions of section 80CCD has been amended to provide that the condition of the date of joining the service on or after 1.1.2004 is not applicable to them for the purposes of deduction under the said section.
