The Sweat Equity regulations provided framework for issuance of Sweat Equity shares by listed companies and the SBEB Regulations provided framework to regulate Employee Stock Option Scheme, Employee Stock Purchase Scheme and other share based employee benefits.

Further, to improve ease of doing business from a regulatory perspective, it was observed that, both the SBEB Regulations and the Sweat Equity Regulations regulate employee benefits arising out of and relating with the equity shares of listed companies, thus the possibility of merging both such regulations may be explored.

Accordingly, the SEBI constituted the Expert Group to analyze the above proposals, and to provide its recommendations on the following:

- Revisiting the framework of SBEB regulations and suggesting policy change thereto.
- Revisiting the framework of SEBI Sweat equity regulations vis-à-vis the Companies Act, 2013 and suggesting policy changes thereto.
- Suggesting, whether it is advisable to combine both the regulations and if so, providing draft of combined regulations.

The changes in the two regulations and their merger into a single regulation were approved by SEBI in the Board Meeting held on August 06, 2021. **Thereafter, the SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (herein referred as "New Regulations") have been notified and become effective on August 13, 2021.**

## LESSON 10

### INTER-CORPORATE LOANS AND INVESTMENT/DEPOSIT

#### Case Law

19/09/ 2018	M/s Ind-Swift Limited (Appellant) vs. Registrar of Companies (Respondent)	NCLT
----------------	--	------

#### **Repayment of Deposits accepted before Commencement of the Companies Act, 2013**

The Company filed application before CLB and obtained relief under Section 58AA read with Section 58A(9) of the Companies Act, 1956 and got instalments fixed to repay deposits, Appellant sought re-fixing of periods, instalments and rate of interest from NCLT, New Delhi under Section 74 of the Companies Act, 2013 which was rejected by NCLT, New Delhi bench. This Appeal is against rejection of the application/s.

The NCLAT observed that the NCLT considered that the Appellant had at the time of first grant of time got relief of huge extension and that there was no reason to accept the plea for further extension. The NCLT appears to have found that when big relief had already been granted to the Company, further extension was not justified.

Section 76 makes it clear that legislature has put in many safeguards when deposits are to be taken from public. One of the important provisions is to ensure that the Company creates a charge of its assets of an amount not less than the amount of deposits accepted in favour of the deposit holders.

Section 76(2) read with Sections 73 and 74 would apply to acceptance of deposits from public by eligible Companies but it saves the Company which had accepted or invited public deposits under the relevant provisions of the old Act and Rules thereunder and has been repaying such deposits and interests thereon in accordance with such provisions, then the provisions of Clause (b) of Sub-Section (1) of Section 74 of the new Companies Act, 2013 shall be deemed to have been complied with. This is, however, subject to the fact that the Company complies with the requirements under the Act and the Rules and “continues to repay such deposits and interest due thereon on due dates for the remaining period” as per the terms and conditions.

Considering these provisions, it appears to us that Section 74(1)(b) was attracted and when it appears from record that the Appellant defaulted, the penal provisions would get attracted.
