## Amendment vide Finance Act, 2023

## 1. Time-Limit Specified for Bringing Export Proceeds into India [Section 10AA]

Section 10AA, *inter alia*, provides 15-year tax holiday to units established in a SEZ which begin to manufacture or produce articles or things or provide any services on or after April 1, 2005. The deduction is, however, available for units that begin operations before April 1, 2020 (extended to March 31, 2021 in some cases).

- Amendment Pertaining to Filing of Return of Income: Section 10AA does not provide for the condition to file return before due date provided under section 139(1) for claiming deduction as is provided for similar deductions. Section 143(1), however, provides that the deduction under section 10AA shall be eligible if such return is filed before the due date. To align the two provisions, section 10AA has been amended (with effect from the assessment year 2024-25) to provide that no deduction under section 10AA shall be allowed to an assessee who does not furnish a return of income on or before the due date specified under section 139(1).
- Amendment Pertaining to the Time-Limit for Remittance of Foreign Exchange: There is no time-limit prescribed for timely remittance of the export proceeds from sale of goods or provision of services under section 10AA as is provided under other similar export related deductions under the Act. To provide time-limit for remittance, section 10AA has been amended (with effect from the assessment year 2024-25). After the amendment, deduction under section 10AA shall be available, if the proceeds from sale of goods (or provision of services) is received in, or brought into, India by the assessee in convertible foreign exchange, within a period of 6 months from the end of the previous year (or within such further period as may be allowed by the competent authority). A few more amendments are as follows
  - 1. The export proceeds from sale of goods (or provision of services) shall be deemed to have been received in India where such proceeds are credited to a separate account maintained by the assessee with any bank outside India with the approval of RBI.
  - 2. Further, section 155(11A) has been amended to allow the Assessing Officer to amend the assessment order later where the export earning is realized in India after the permitted period. The Assessing Officer can amend the assessment order within 4 years from the end of the previous year in which such income is received in India.

### 2. Amendment to Section 17 [Perquisites]

The following amendments have been made in the scheme of section 17 (with effect from the assessment year 2024-25)

• Provisions Pertaining to Valuation of Residential Accommodation Provided to Employees [Section 17(2)]: The methodology to compute the value of rent-free accommodation is prescribed in rule 3, while the methodology to compute the value of any concession in the matter of rent provided to employees is prescribed in the *Explanations* to section 17(2).

Section 17(2) has been amended so as to provide that the method of computation of perquisite in respect of rent-free accommodation as well as concession in the matter of rent, shall be computed in such manner as may be provided by rules. Moreover, it has been clarified that accommodation shall be deemed to have been provided at a concessional rate if the value of accommodation computed in such manner (as may be provided by rules) exceeds the rent recoverable from employees.

• Government's Contribution to Agniveer Corpus Fund: Sub-clause (ix) has been inserted in section 17(1) to provide that the contribution made by the Central Government in the previous year to the Agniveer Corpus Fund account of an individual shall be included in the income of the assessee under the head "Salaries". The whole of such contribution shall be deducted under section 80CCH(2).

#### 3. Benefits or Perquisites under Section 28(iv) Maybe in Cash or Kind

Section 28(iv) provides that the value of any benefit or perquisite, whether convertible into money or not, arising from business or the exercise of a profession shall be chargeable to income-tax under the head "Profits and gains of business or profession".

#### **Board's Clarifications**

Section 28(iv) was inserted by the Finance Act, 1964. The Board (vide its Circular No. 20D, dated July 7, 1964) made the following observations pertaining to the scope of section 28(iv) –

"The effect of the abovementioned amendment is that in respect of an assessment for the assessment year 1964-65 and subsequent years, the value of any benefit or amenity, in cash or kind, arising to an assessee from his business or the exercise of his profession, e.g., the value of rent-free residential accommodation secured by an assessee from a company in consideration of the professional services as a lawyer rendered by him to that company, will be assessable in the hands of the assessee as his income under the head 'Profits and gains of business or profession'."

#### Ruling of the Apex Court

In order to invoke the provisions of section 28(iv), the benefit or perquisite arising from business/profession shall be in the form of benefit/perquisite other than in the shape of money – CIT v. Mahindra & Mahindra Ltd. [2018] 93 taxmann.com 32 (SC). Waiver of loan is in the form of cash/money. It cannot be taxed under section 28.

#### Amendment

Section 28(iv) has been amended (with effect from the assessment year 2024-25) to clarify that these provisions shall apply whether benefit or perquisite is convertible into money or not. In other words, after the amendment these provisions also apply to cases where benefit or perquisite is provided in cash or in kind or partly in cash or partly in kind. This amendment will supersede the aforesaid ruling of the Supreme Court in the case of Mahindra & Mahindra Ltd. Cash benefits or perquisites, arising from business or exercises of profession, which were not considered as taxable after the ruling of the Supreme Court, may become taxable under the amended provisions of section 28(iv).

## 4. Relaxation in the Conditions to Avail Deduction Pertaining to Preliminary Expenses [Section 35D]

Section 35D provides for amortization of certain preliminary expenses incurred by an Indian company or a person resident in India. These expenses are incurred prior to the commencement of business or after commencement, in connection with extension of undertaking or setting up of a new unit.

Expenses which can be amortised under section 35D include expenditure in connection with

- (i) preparation of feasibility report,
- (ii) preparation of project report,
- (iii) conducting marketing survey or any other survey necessary for the business of the assessee; and
- (iv) engineering services related to the business of the assessee.

However, the work in connection with the preparation of feasibility report (or the project report or the conducting of market survey or of any other survey or the engineering services) would need to be carried out either by the assessee himself/itself or by a concern which is approved by the Board.

In order to ease the process of claiming amortization of these preliminary expenses, section 35D has been amended (with effect from the assessment year 2024-25) to remove the condition of activity in connection with these expenses to be carried out by a concern approved by the Board. Instead, the assessee shall be required to furnish a statement containing the particulars of this expenditure within prescribed period to the prescribed income-tax authority in the prescribed form and manner.

## 5. Consequences of Making Late Payment to Micro and Small Enterprises [Section 43B]

Section 43B is applicable if an assessee maintains books of account on mercantile basis. This section provides for certain deductions to be allowed only in the year in which payment is actually made (in other words, deductions covered by section 43B are allowed on payment basis, even if the assessee maintains books of account on mercantile basis). However, there is an exception. If payment is made on or before the due date of submission of return of income [as given by section 139(1)], deduction is allowed on accrual basis.

In order to promote timely payments to micro and small enterprises, the above provisions have been amended (with effect from the assessment year 2024-25) to include payments made to such enterprises within the ambit of section 43B.

#### Due Date of Payment Specified Under MSMED Act, 2006

Where any person purchases goods/services from a micro/small enterprise, the payment shall be made before the date agreed upon between him and supplier in writing. In no case the period agreed upon between the supplier and the buyer in writing shall exceed 45 days. If, however, there is no such agreement, the payment shall be made within 15 days of acceptance/deemed acceptance of goods/services.

#### **Consequences of Amendment to Section 43B**

These are given below –

Different situations	In which year deduction is to be allowed
Beyond time-limit – If payment is made by an assessee to a micro or small enterprise beyond the time-limit specified under MSMED Act	Such payment will be deductible in the year making payment
Within the time-limit – If payment is made by an assessee to a micro or small enterprise within the time-limit specified under MSMED Act	Such payment will be deductible on accrual basis (if assessee maintains books of account on mercantile basis)

**Example 1.** X Ltd. purchases raw material on credit from Y Ltd. (value of invoice: Rs. 6,40,000, date of invoice: February 1, 2024, date of acceptance of goods: February 1, 2024). Y Ltd. is a manufacturing company and its investment in plant and machinery is Rs. 3 crore. Generally, payment is made by X Ltd. within 30 days (however, there is no written agreement about the time of payment). Discuss in which previous year X Ltd. will be able to claim deduction, if payment is made on –

- February 28, 2024, or
- March 31, 2024, or
- April 10, 2024.

Y Ltd. is a small enterprise. There is no agreement about the time of payment. Consequently, payment should be made within 15 days of acceptance of goods as per MSMED Act (*i.e.*, on or before February 16, 2024). Deduction will be available to X Ltd. as follows –

Due date as per MSMED Act	Date of payment	Is it late payment and section 43B is applicable	Basis of deduction	Previous year in which deductible
February 16, 2024	February 28, 2024	Yes	Payment basis	2023-24
February 16, 2024	March 31, 2024	Yes	Payment basis	2023-24
February 16, 2024	April 10, 2024	Yes	Payment basis	2024-25

**Example 2.** Z Ltd. purchases goods (invoice value: Rs. 11,20,000) on credit from A Ltd. (a micro/small enterprise as per MSMED Act). Date of purchase is March 2, 2024. As per written agreement with A, Z Ltd. has to make payment on or before April 30, 2024. However, the payment is made as follows –

- Rs. 1,00,000 paid on March 30, 2024,
- Rs. 2,00,000 paid on April 6, 2024,
- Rs. 4,00,000 paid on April 15, 2024 and
- Rs. 4,20,000 paid on May 6, 2024.

Date of acceptance of goods is March 2, 2024. Due date for payment as per MSMED Act is April 16, 2024 (*i.e.*, the agreed date of payment or 45 days, whichever is earlier). Deduction will be available to Z Ltd. as follows –

Payment in Rs. / date of payment	Due date as per MSMED Act	Is it late payment and section 43B is applicable	Basis of deduction	Previous year in which deductible
1,00,000 / March 30, 2024	April 16, 2024	No	Accrual basis	2023-24
2,00,000 / April 6, 2024	April 16, 2024	No	Accrual basis	2023-24
4,00,000 / April 15, 2024	April 16, 2024	No	Accrual basis	2023-24
4,20,000 / May 6, 2024	April 16, 2024	Yes	Payment basis	2024-25

## 6. Non-Banking Financial Company (NBFC) Categorization [Section 43B and 43D]

Section 43B provides, *inter alia*, that any sum payable by an assessee as interest on any loan or borrowing from a Deposit taking Non-Banking Financial Company and Systemically Important Non-Deposit taking Non-Banking Financial Company shall be allowed as deduction on payment basis. It can be allowed on accrual basis if it is actually paid on or before the due date of furnishing the return of income of the relevant previous year.

Section 43D provides, *inter alia*, for special provision in case of income of deposit-taking Non-Banking Financial Company and Systemically Important Non-Deposit taking Non-Banking Financial Company. Interest income in relation to certain categories of bad or doubtful debts received by such deposit-taking Non-Banking Financial Company and Systemically Important Non-Deposit taking Non-Banking Financial Company, shall be chargeable to tax in the previous year in which it is credited to its profit and loss account for that year or actually received, whichever is earlier.

Section 43B and section 43D currently use two erstwhile categories of NBFC (namely, Deposit taking Non-Banking Financial Company and Systemically Important Non-Deposit taking Non-Banking Financial Company). Such classification for non-banking financial companies is no longer followed by RBI for the purpose of asset classification.

In view of the above, sections 43B and 43D have been amended (with effect from the assessment year 2024-25) to substitute the words, "a deposit taking non-banking financial company or systemically important non-deposit taking non-banking financial company", for the words "such class of non-banking financial companies as may be notified by the Central Government in the Official Gazette in this behalf".

## 7. Increasing Threshold Limits for Presumptive Taxation Schemes [Section 44AB, 44AD and 44ADA]

Sections 44AD and 44ADA provide for a presumptive income scheme for small businesses and small professionals as given below –

Section	Who is eligible	Threshold limits	Income under presumptive scheme
44AD	Resident assessee ( <i>i.e.</i> , an individual, HUF or a partnership firm other than LLP) carrying on eligible business and having a turnover or gross receipt not exceeding the threshold limit given in the next column	Rs. 2 crore	8 per cent or 6 percent of the turnover or gross receipts is deemed to be business income
44ADA	Resident assessee (i.e., an individual, or partnership firm other than LLP) who is engaged in any profession referred to in section 44AA(1) and whose total gross receipts do not exceed the threshold limit given in the next column	Rs. 50 lakh	50 per cent of the gross receipts is deemed to be income from profession

In the aforesaid cases, if assessee has claimed to have earned higher sum than 8 per cent or 6 per cent or 50 percent, then that higher sum is taxable.

#### Tax Audit under Section 44AB

Every person carrying on business/profession is required to get his accounts audited, if his total sales, turnover or gross receipts exceeds Rs. 1 crore (in the case of business) or Rs. 50 lakh (in the case of profession) in any previous year. By an amendment made by the Finance Act, 2021, the limit of Rs. 1 crore was raised to Rs. 10 crore where at least 95 per cent of receipts/payments are in non-cash mode.

In order to ease compliance and to promote non-cash transactions, the threshold limits under sections 44AD and 44ADA has been enhanced (with effect from the assessment year 2024-25) as follows –

Section 44AD: Where in the case of an eligible business, the amount (or aggregate of the amounts) received during the previous year, in cash, does not exceed 5 per cent of the total turnover or gross receipts, the threshold limit of Rs. 3 crore will apply.

#### Section 44ADA

Where in the case of an eligible profession, the amount (or aggregate of the amounts) received during the previous year, in cash, does not exceed 5 per cent of the total gross receipts, the threshold limit of Rs. 75 lakh will apply.

In the aforesaid cases, the receipt by a cheque/draft, which is not account payee, shall be deemed to be the receipt in cash.

#### **Amendment to Section 44AB**

Section 44AB has been amended (with effect from the assessment year 2024-25). After the amendment, the provisions of section 44AB shall not apply to the person, who declares profits and gains for the previous year in accordance with the provisions of section 44AD(1)/44ADA(1).

Example 1: X is a resident individual [or a resident HUF or a resident firm (other than LLP)]. He wants to know-

- Whether (or not) the benefit of presumptive income scheme under section 44AD is available for the assessment year 2023-24/2024-25 (his turnover of the relevant previous year is given in the table below).
- Whether (or not) tax audit is required under section 44AB.

Different situations	Turnover of the assessee falls in the range given below	Whether section 44AD is applicable	Whether section 44AB tax audit is required	Notes
Situation 1	0 – Rs. 1 crore	Yes	No	See Note
Situation 2	Rs. 1 crore – Rs. 2 crore	Yes	Not required [if income is declared under section 44AD(1)]	See Note 2
Situation 3	Rs. 2 crore — Rs. 3 crore (AY 2024-25)	Yes (if a few conditions are satisfied)	Not required [if income is declared under section 44AD(1)]	See Note
Situation 4	Rs. 2 crore — Rs. 10 crore (not being covered by Situation 3)	No	Not required (if a few conditions are satisfied)	See Note 4
Situation 5	Above Rs. 10 crore	No	Required	See Note 5

#### Notes –

- 1. In Situation 1, the assessee can declare his business income as per section 44AD(1) [i.e., 8 per cent of turnover (6 per cent of turnover if amount is received by account payee cheque/draft/prescribed electronic mode) or more]. The assessee can even declare lower income. Tax audit under section 44AB is not required (as turnover does not exceed Rs. 1 crore). Tax audit under section 44AB is not required even if declared business income is lower than 8 per cent/6 per cent of turnover [unless the assessee falls under section 44AD(4)].
- **2.** In *Situation 2*, tax audit under section 44AB is not required if declared business income is 8 per cent/6 per cent of turnover or more. The assessee can declare lower income. If declared business income is lower than 8 per cent/6 per cent of turnover, tax audit under section 44AB will be required only if the assessee falls in any one (or more) of the following 3 cases –
- Case 1 If the assessee falls under section 44AD(4).
- Case 2 If aggregate of all receipts in cash during the previous year exceeds 5 per cent of such receipt.
- Case 3 If aggregate of all payments in cash during the previous year exceeds 5 per cent of such payment.
- 3. Situation 3 is applicable only for the assessment year 2024-25 (or any subsequent assessment year). Presumptive income scheme of section 44AD is applicable only if the amount (or aggregate of the amounts) received during the previous year, in cash, does not exceed 5 per cent of the total turnover or gross receipts. In such a situation, he can declare his business income on estimated basis (i.e., 8 per cent/6 per cent of turnover or more) and the provisions of tax audit under section 44AB will not be applicable. He can declare lower income [but then tax audit provisions of section 44AB will be applicable if the assessee falls in any one (or more) of the 3 cases given above].
- **4.** In *Situation 4*, the assessee cannot avail the benefit of presumptive computation of income scheme under section 44AD. Tax audit under section 44AB is not required if the following two conditions are satisfied –
- aggregate of all receipts in cash during the previous year does not exceed 5 per cent of such receipt; and
- aggregate of all payments in cash during the previous year does not exceed 5 per cent of such payment.

For this purposes, payment/receipt by a cheque/draft, which is not account payee, shall be deemed to be payment/receipt in cash.If, however, the assessee satisfies one or none of the aforesaid two conditions, he will have to get his books of account audited for the purpose of section 44AB.

**5.** In *Situation 5*, the assessee cannot avail the benefit of presumptive computation of income scheme under section 44AD. Tax audit under section 44AB is required (as the turnover exceeds Rs. 10 crore).

Example 2. X is a resident individual (or a resident firm other than LLP). He is engaged in a profession referred to in section 44AA(1). He wants to know –

- Whether (or not) the benefit of presumptive income scheme under section 44ADA is available for the assessment year 2023-24/2024-25 (his gross receipts from the profession of the relevant previous year is given in the table below).
- Whether (or not) tax audit is required under section 44AB.

Different situations	Gross receipts of the assessee fall in the range given below	Whether section 44ADA is applicable	Whether section 44AB tax audit is required	Notes
Situation 1	0 – Rs. 50 lakh	Yes	No	See Note
Situation 2	Rs. 50 lakh — Rs. 75 lakh (AY 2024-25)	Yes (if a few conditions are satisfied)	Not required [if income is declared under section 44ADA(1)]	See Note 2
Situation 3	Above Rs. 50 lakh (other than <i>Situation 2</i> )	No	Required	See Note

#### Notes:

- **1.** In *Situation 1*, the assessee can declare his income from profession as per section 44ADA(1) (*i.e.*, 50 per cent of the total gross receipts in the previous year on account of his profession). He can declare even higher income. Tax audit under section 44AB is not required. If he declares lower income from profession (and his total income exceeds the exemption limit), then he will have to maintain books of account as per section 44AA and get his books of account audited under section 44AB (irrespective of quantum of gross receipts).
- 2. Situation 2 is applicable only for the assessment year 2024-25 (or any subsequent assessment year). Presumptive income scheme of section 44ADA is applicable only if the amount (or aggregate of the amounts) received during the previous year, in cash, does not exceed 5 per cent of the total gross receipts. In such a situation, he can declare his income from profession on estimated basis (i.e., 50 per cent of total gross receipts or more) and the provisions of tax audit under section 44AB will not be applicable. He can declare lower income (but then compulsory books of account provisions of section 44AB and tax audit provisions of section 44AB will be applicable).
- **3.** In *Situation 3*, the assessee cannot avail the benefit of presumptive computation of income scheme under section 44ADA. Tax audit under section 44AB is required.

## 8. Averting Misuse of Presumptive Schemes under Section 44BB/44BBB

Section 44BB provides for presumptive scheme in the case of a non-resident who is engaged in the business of providing services or facilities in connection with or supplying plant and machinery on hire used (or to be used) in the prospecting for (or extraction or production of) mineral oils. Under the scheme, a sum equal to 10 per cent of the aggregate of the amounts [as narrated in section 44BB(2)] is deemed to be business income.

Section 44BBB provides for presumptive scheme in the case of a non-resident foreign company who is engaged in the business of civil construction (or the business of erection of plant or machinery or testing or commissioning thereof), in connection with a turnkey power project approved by the Central Government. Under this scheme, a sum equal to 10 per cent of the amount paid or payable (whether in or out of India) to the said assessee on account of the aforesaid business shall be deemed to be business income.

Under the aforesaid sections, an assessee can declare lower profit than the amount specified above. In such a case:

- a. the assessee will have to maintain books of account under section 44AA(2);
- b. the assessee will get his books of account audited under section 44AB (irrespective of turnover); and
- c. the Assessing Officer will complete the assessment under section 143(3).

As there is no check, a taxpayer can opt in and opt out of presumptive scheme in order to avail benefit of both presumptive scheme income and non-presumptive income. In a year when the assessee has loss, it can claim actual loss as per the books of account and carry it forward. In a year when it has higher profits, it can use presumptive scheme to restrict the profit to 10 per cent and set off the brought forward losses from earlier years. Logically, there is no justification for setting off of losses (computed as per books of account) with income computed on presumptive basis.

To avoid such misuse, sections 44BB and 44BBB have been amended (with effect from the assessment year 2024-25) to provide that [notwithstanding anything contained in section 32(2)/72(1)] where an assessee declares profits and gains of business for any previous year in accordance with the provisions of presumptive taxation, no set off of unabsorbed depreciation and brought forward loss shall be allowed to the assessee for such previous year.

#### 9. Amendment to Section 45(5A)

Section 45(5A), *inter alia*, provide that capital gain arising to an individual/HUF from the transfer of land/building under a joint development agreement (JDA), shall be chargeable to tax in the year in which the certificate of completion for the whole or part of the project is issued by the competent authority. Further, for computing capital gain, the full value of consideration shall be taken as the stamp duty value of his share, as increased by the consideration received in "cash".

One can infer that any amount of consideration which is received in a mode other than cash (*i.e.*, cheque/draft, or electronic payment) would not be included in the consideration for the purpose of computing capital gains chargeable to tax under section 45(5A). It appears that it is not intention of law as is evident from the provisions of section 194-IC. Under Section 194-IC, TDS is required [in cases covered by section 45(5A)] regardless of the fact whether consideration payable is in cash or by way of issue of a cheque or draft or any other mode.

Section 45(5A) has been amended (with effect from the assessment year 2024-25) to provide that the full value of consideration shall be taken as the stamp duty value of his share (*i.e.*, the share of transferor under joint development agreement) as increased by any consideration received in cash or by a cheque or draft or by any other mode.

#### 10. Amendment to Section 47

The following amendments have been made in the scheme of section 47 (relating to transactions not regarded as transfers for the purpose of calculating capital gain under section 45) –

#### Relocation

Explanation (b) to section 47(viiad) defines the term "relocation" as transfer of assets of the original fund (or of its wholly owned special purpose vehicle) to a resultant fund on or before March 31, 2023, where consideration for such transfer is discharged in the form of share (or unit or interest) in the resulting fund in the manner specified therein.

The following amendments have been made with effect from the assessment year 2023-24 –

- 1. The definition of "original fund" has been amended to include within its purview –
- An investment vehicle, in which Abu Dhabi Investment Authority is the direct or indirect sole shareholder or unitholder or beneficiary or interest holder and such investment vehicle is wholly owned and controlled, directly or indirectly, by the Abu Dhabi Investment Authority or the Government of Abu Dhabi.
- A fund notified by the Central Government.
- **2.** The date for transfer of assets of the original fund (or of its wholly owned special purpose vehicle) to a resultant fund in case of relocation has been extended from March 31, 2023 to March 31, 2025.
- 3. Further, the Explanation(c)(i) to section 47(viiad) has been amended to give reference of the International Financial Services Centres Authority (Fund Management) Regulations, 2022 in the definition of "resultant fund".

## **Conversion of Gold into Electronic Gold Receipt**

Any person desirous of creating Electronic Gold Receipt (EGR) shall place a request for the deposit of gold with the Vault Manager. The Vault Manager upon receipt of request and physical gold shall record the relevant information and create EGR. While creating EGR, the Vault Manager shall ensure that no EGR is created without the presence of physical gold. Upon creation of EGR, the depository shall make necessary arrangement for the trading of it on the stock exchange.

In order to promote the concept of electronic gold, the following amendments have been made (with effect from the assessment year 2024-25) in the scheme of sections 2(42A), 47 and 49-

Under section 2(424), the period of holding of EGR shall be determined as follows-

Electronic Gold Receipt (EGR) issued in respect of gold deposited as referred to in section 47(viid)	Period of holding shall include period for which such gold was held by the assessee prior to conversion into EGR
Gold released in respect of an Electronic Gold Receipt (EGR) as referred to in section 47(viid)	Period of holding shall include period for which such EGR was held by the assessee prior to its conversion into gold

Clause (viid) has been inserted in section 47 to provide that conversion into EGR or EGR into gold shall not be regarded as transfer for the purpose of computing capital gains.

Cost of acquisition of gold or EGR shall be determined as follows [as per newly inserted sub-section (10) to section 49] –

Different Cases	Deemed of Cost of acquisition
Cost of acquisition of Electronic Gold Receipt (EGR) issued by a Vault Manager which became the property of the transferor as referred to in section 47(viid)	Cost of gold in the hands of the person in whose name EGR is issued
Cost of acquisition of gold released against an Electronic Gold Receipt (EGR), which became the property of the person as consideration for a transfer, referred to in section 47(viid)	Cost of the EGR in the hands of such person

## Transfer of Interest in a Joint Venture [Section 47(xx)]

Clause (xx) has been inserted in section 47 (with effect from the assessment year 2024-25). By virtue of this amendment, any transfer of a capital asset (being an interest in a joint venture held by a public sector company) in exchange of shares in a company incorporated outside India by a foreign Government, will not be treated as "transfer" for the purpose of computation of capital gain under section 45. "Joint venture" shall mean a business entity, as may be notified by the Central Government.

Section 49(2AI) has been inserted (with effect from the assessment year 2023-24). It provides that where the capital asset [being shares as referred to in section 47(xx)] became the property of the assessee, the cost of acquisition of such asset shall be deemed to be the cost of acquisition to the assessee of the interest in the joint venture.

## 11. Interest on Borrowed Capital – Not to Be Part of Cost of Acquisition in Certain Cases [Section 48]

Section 48, *inter alia*, provides that the income chargeable under the head "Capital gains" shall be computed, by deducting the cost of acquisition/cost of improvement from the full value of the consideration received or accruing as a result of the transfer of the capital asset. Interest on capital borrowed for the purpose of financing acquisition, construction/reconstruction/renewal of house property is deductible under section 24(b).

One can have double deduction of interest paid on borrowed capital for acquiring (or renewing or reconstructing, etc.) a property. Firstly, it is claimed in the form of deduction under section 24(b) from the income from house property. Secondly, while computing capital gains on transfer of such property the same interest also forms a part of cost of acquisition/cost of improvement under section 48.

In order to prevent this double deduction, a proviso has been inserted in section 48(ii) (with effect from the assessment year 2024-25) to provide that the cost of acquisition or the cost of improvement shall not include the amount of interest claimed as deduction under section 24 or Chapter VIA.

## 12. Cost of Acquisition of a Unit of Business Trust [Explanations 1 and 2 to Section 48(ii)]

Section 48(ii) has been amended (with effect from the assessment year 2024-25) to clarify that the cost of acquisition of a unit of a business trust shall be reduced by any sum received by a unit holder from the business trust with respect to such unit and which is not in the nature of income as referred to in section 10(23FC)/(23FCA) and which is not chargeable to tax under section 56(2)(xii)/115UA(2).

Where transaction of transfer of a unit is not considered as transfer under section 47 and cost of acquisition of such unit is determined under section 49, sum received with respect to such unit (before such transaction as well as after such transaction) shall be reduced from the cost of acquisition as stated above.

- 1. 6 per cent is applicable in respect of total turnover (or gross receipts) received by the assessee by an account payee cheque/draft or received through prescribed electronic mode on or before the due date of submission of return of income under section 139(1).
- 2. "Vault Manager" means any person who carries on or intends to carry on the business of providing vaulting services [Regulation 2(1)(1) of SEBI (Vault Managers) Regulations, 2021.

## 13. Agnipath Scheme, 2022

The Ministry of Defence has introduced the Agnipath Scheme, 2022 (the Scheme) for enrolment of Agniveers in Indian Armed Forces. It has come into force on 1st November, 2022. 'Agnipath scheme' as a scheme for the enrolment in Indian Armed Forces introduced by the Central Government, and 'Agniveer Corpus Fund' as a fund defined in para 2(c) of Agnipath Scheme notified by the Central Government.

New clause (12C) in section 10 of the Act has been inserted to provide that any payment received from the Agniveer Corpus Fund by a person enrolled under the Agnipath Scheme, 2022, or the nominee of such person shall be exempted from income tax.

Further new section 80CCH to the Act has been inserted to provide that an assessee, being an individual enrolled in the Agnipath Scheme and subscribing to the Agniveer Corpus Fund on or after the 1st day of November, 2022, shall be allowed a deduction of the whole of the amount deposited by him and also the amount contributed by the Central Government to his account in the Agniveer Corpus Fund, from his total income.

Further, it has been provided that in the new tax regime of section 115BAC an individual enrolled in the Agnipath Scheme and subscribing to the Agniveer Corpus Fund shall get a deduction of the government contribution to his Seva Nidhi [sub-section (2) of section 80CCH].

#### 14. Increasing threshold limit for co-operatives to withdraw cash without TDS

Section 194N of the Act provides that a banking company or a co-operative society engaged in carrying on the business of banking or a post office, which is responsible for paying any sum to any person (referred to as the recipient) shall, at the time of payment of such sum in cash, deduct an amount equal to two per cent of such sum, as income-tax. The requirement to deduct tax applies only when the payment of amount or aggregate of amount in cash during the year exceeds one crore rupees.

Section 194N of the Act has been amended by inserting a new proviso to provide that where the recipient is a co-operative society, the provisions of this section shall have effect, as if for the words "one crore rupees", the words "three crore rupees" had been substituted.

## 15. Penalty for cash loan/ transactions against primary co-operatives

Section 269SS of the Act provides that no person shall take from any person any loan or deposit otherwise than by an account payee cheque or account payee bank draft or online transfer through a bank account, if the amount of such loan or deposit is Rs. 20,000 or more. Similarly, section 269T provides that no loan or deposit shall be repaid otherwise than by an account payee cheque or account payee bank draft or online transfer through a bank account, if the amount of such loan or deposit is Rs. 20,000 or more. Certain exceptions have, however, been specified in the provisions.

To provide relief to the low-income groups and facilitate easier conduct of business operations in such areas an amendment has been made in the section 269SS and 269T of the Act by raising the limit of Rs. 20,000 to Rs. 2 lakh for Primary Agricultural Credit Societies ("PACS") and Primary Co-Operative Agricultural and Rural Development Bank ("PCARD").

#### 16. Relief to start-ups in carrying forward and setting off of losses

Section 79 of the Act restricts carrying forward and setting off of losses in cases of companies, other than the companies in which the public is substantially interested. It prohibits setting off of carried forward losses if there is change in shareholding. The carried forward loss is set off only if at least 51% shareholding (as on the last date of the previous year) remains same with the company on the last date of the previous year to which the loss belongs.

However, some relaxation has been provided in case of an eligible start-up as referred to in section 80-IAC of the Act. The condition of continuity of at least 51% shareholding is not applicable to the eligible start-up, if all the shareholders of the company as on the last day of the year, in which the loss was incurred, continue to hold those shares on the last day of the previous year in which the loss is set off. There is an additional condition that the loss is allowed to be set off, under this relaxation, only if it has been incurred during the period of seven years beginning from the year in which such company is incorporated.

In order to align this period of seven years with the period of ten years contained in sub-section (2) of section 80-IAC of the Act, the time period for loss of eligible start-ups to be considered for relaxation is increased from seven years to ten years from the date of incorporation.

#### 17. Extension of date of incorporation for eligible start-up for exemption

In order to further promote the development of start-ups in India and to provide them with a competitive platform, an amendment has been made in the provisions of section 80-IAC of the Act so as to extend the period of incorporation of eligible start-ups to 1st day of April 2024.

#### 18. Facilitating certain strategic disinvestment

Section 72A of the Act relates to provisions on carry forward and set off of accumulated loss and unabsorbed depreciation allowance in amalgamation or demerger. Sub-section (1) of section 72A provides that in specified cases, accumulated loss and unabsorbed depreciation of the amalgamating company shall be deemed to be the accumulated loss and unabsorbed depreciation of amalgamated company for the previous year in which the amalgamation was affected. Conditions have also been laid down in the said section to facilitate carry forward and set off of loss and unabsorbed depreciation in the case of strategic disinvestment. Strategic disinvestment has been defined as sale of shareholding by the Central Government or any State Government in a public sector company which results in reduction of its shareholding below fifty-one per cent along with transfer of control to the buyer.

Section 72AA of the Act relates to carry forward of accumulated losses and unabsorbed depreciation allowance in a scheme of amalgamation in certain cases, which, inter-alia, includes amalgamation of one or more banking company with any other banking institution.

To facilitate further strategic disinvestment, an amendment has been made in the definition of 'strategic disinvestment' in section 72A of the Act so as to provide that strategic disinvestment shall mean sale of shareholding by the Central Government, the State Government or Public Sector Company in a public sector company or a company which results in

- (i) reduction of its shareholding below fifty-one per cent, and
- (ii) transfer of control to the buyer.

The first condition shall apply in case the shareholding was above fifty one percent before such sale of shareholding.

The requirement of transfer of control may be carried out by either the Central Government or State Government or Public Sector Company (or any two of them or all of them).

Further section 72AA of the Act has been amended to allow carry forward of accumulated losses and unabsorbed depreciation allowance in the case of amalgamation of one or more banking company with any other banking institution or a company subsequent to a strategic disinvestment, if such amalgamation takes place within 5 years of strategic disinvestment.

## 19. 15% concessional tax to promote new manufacturing co-operative society

The Taxation Laws (Amendment) Act, 2019, inter-alia, inserted section 115BAB in the Act which provides that new manufacturing domestic companies set up on or after 01.10.2019, which commence manufacturing or production by 31.03.2023 and do not avail of any specified incentive or deductions, may opt to pay tax at a concessional rate of 15 per cent. The time for commencing manufacturing or production has been extended to 31.03.2024 by the Finance Act, 2022. However, the same provision has not been provided for new manufacturing co-operative societies.

Accordingly, new section 115BAE to the Act has been inserted in which concessional tax regime is being provided for the new manufacturing cooperative societies as well. The conditions are materially similar to the conditions applicable to new manufacturing companies.

#### 20. Extending the scope for deduction of tax at source to lower or nil rate

Section 197 of the Act relates to grant of a certificate of tax deduction at lower or nil rate. It provides for assessee to apply to the Assessing Officer for TDS at zero rate or lower rate, if the tax is required to be deducted under sections 192, 193, 194, 194A, 194C, 194D, 194G, 194H, 194-I, 194J, 194K, 194LA, 194LBB, 194LBC, 194M, 194-O and 195 of the Act. If the Assessing Officer is satisfied that the total income of the recipient justifies the deduction of income-tax at any lower rates or zero rate, he is required to give an appropriate certificate to the assessee.

Section 194LBA of the Act, inter-alia, provides that business trust shall deduct and deposit tax at the rate of 5% on interest income of non-resident unit holders. Representations have been received that in some cases rate of deduction may be required to be reduced due to some exemption, for example exemption under section 10(23FE) of the Act allowed to notified Sovereign Wealth Funds and Pension Funds. However, since certificate for lower deduction under section 194LBA of the Act cannot be obtained under section 197 of the Act, benefit of exemption is not available at the time of tax deduction.

To remove this difficulty, an amendment has been made in sub-section (1) of section 197 of the Act to provide that the sums on which tax is required to be deducted under section 194LBA of the Act shall also be eligible for certificate for deduction at lower rate.

#### 21. Extending deeming provision under section 9 to gift to not-ordinarily resident

Under the Act, income which, inter-alia, is deemed to accrue or arise in India during a year is chargeable to tax. Sub-section (1) of section 9 of the Act is a deeming provision providing the types of income deemed to accrue or arise in India.

Finance (No. 2) Act, 2019 inserted clause (viiii) to sub-section (1) of section 9 of the Act to provide that the any sum of money exceeding fifty thousand rupees, received by a non-resident without consideration from a person resident in India, on or after the 5th day of July, 2019, shall be income deemed to accrue or arise in India. Sum of money is referred to in sub-clause (xviia) of clause (24) of section 2 of the Act.

The above amendment was introduced as an anti-abuse provision, as certain instances were observed where gifts were being made by persons residents in India to non-residents and were claimed to be non-taxable in India by such non-residents.

It has come to notice that certain persons being not ordinarily residents are receiving the gifts from persons resident in India and not paying tax on it. In view of the above, an amendment has been made in clause (viii) of sub-section (1) of section 9 of the Act so as to extend this deeming provision to sum of money exceeding fifty thousand rupees, received by a not ordinarily resident, without consideration from a person resident in India.

#### 22. Removal of exemption of news agency under clause (22B) of section 10

Clause (22B) of section 10 of the Act, inter-alia, provides exemption to any income of a notified news agency which is set up in India solely for collection and distribution of news. This is subject to condition that the news agency applies its income or accumulates it for application solely for collection and distribution of news and does not distribute its income in any manner to its members.

In accordance with the stated policy of the Government of phasing out of exemptions and deductions under the Act, the exemption available to news agencies under clause (22B) of section 10 of the Act has been withdrawn from the assessment year 2024-25.

## 23. Removal of exemption from TDS on payment of interest on listed debentures to a resident

Section 193 of the Act provides for TDS on payment of any income to a resident by way of interest on securities.

The proviso to section 193 of the Act provides exemption from TDS in respect of payment of interest on certain securities. Clause (ix) of the proviso to the aforesaid section provides that no tax is to be deducted in the case of any interest payable on any security issued by a company, where such security is in dematerialized form and is listed on a recognized stock exchange in India in accordance with the Securities Contracts (Regulation) Act, 1956 (32 of 1956) and the rules made thereunder.

It is seen that there is under reporting of interest income by the recipient due to above TDS exemption. Hence, clause (ix) of the proviso to section 193 of the Act has been omitted.

#### 24. TDS and taxability on net winnings from online games

Section 194B of the Act provides that the person responsible for paying to any person any income by way of winnings from any lottery or crossword puzzle or card game and other game of any sort in an amount exceeding ten thousand rupees shall, at the time of payment thereof, deduct income-tax thereon at the rates in force.

Section 194BB of the Act provides for similar provisions for deduction of tax at source for horse racing in any race course or for arranging for wagering or betting in any race course.

It is seen that deductors are deducting tax under section 194B and 194BB of the Act by applying the threshold of Rs 10,000/- per transaction and avoiding tax deduction by splitting a winning into multiple transactions each below Rs 10,000/-. This is against the intention of legislature.

It is also seen that in recent times, there has been a rise in the users of online games. There is a need to bring in specific provisions regarding TDS and taxability of online games due to its different nature, being easily accessible vide the Internet and computer resources with a variety of playing options and payment options.

Accordingly, following amendment has been made:

- (i) Amendment in section 194B and 194BB of the Act to provide that deduction of tax under these sections shall be on the amount or aggregate of the amounts exceeding ten thousand rupees during the financial year;
- (ii) Amendment in section 194B of the Act to include "gambling or betting of any form or nature whatsoever" within its scope;
- (iii) Amendment in section 194B of the Act to exclude online games from the purview of the said section from the 1st day of July, 2023, since a new section 194BA is inserted for deduction of tax at source on winnings from online games from that date;
- (iv) Inserted a new section 194BA in the Act, with effect from 1st July 2023, to provide for

19

deduction of tax at source on net winnings in the user account at the end of the financial year. In case there is withdrawal from user account during the financial year, the income-tax shall be deducted at the time of such withdrawal on net winnings comprised in such withdrawal. In addition, income-tax shall also be deducted on the remaining amount of net winnings in the user account at the end of the financial year. Net winnings shall be computed in the prescribed manner.

- (v) In a case where the net winnings are wholly in kind or partly in cash and partly in kind but the part in cash is not sufficient to meet the liability of deduction of tax in respect of whole of the net winnings, the person responsible for paying shall, before releasing the winnings, ensure that tax has been paid in respect of the net winnings;
- (vi) Amendment in section 115BB of the Act to exclude income from winnings from online games from the purview of the said section from the assessment year 2024-25, since the new section 115BBJ to tax winnings from online games from that assessment year;
- (vii) Inserted a new section 115BBJ in the Act with regard to tax on winnings from online games to provide that where the total income of an assessee includes any income by way of winnings from any online game, the income-tax payable shall be the aggregate of—
  - the amount of income-tax calculated on net winnings from such online games during the previous year, computed in the prescribed manner, at the rate of thirty per cent; and
  - the amount of income-tax with which the assessee would have been chargeable had his total income been reduced by the net winnings referred to above;

## 25. Increasing rate of TCS of certain remittances

Section 206C of the Act provides for TCS on business of trading in alcohol, liquor, forest produce, scrap etc. Sub-section (1G) of the aforesaid section provides for TCS on foreign remittance through the Liberalised Remittance Scheme and on sale of overseas tour package.

In order to increase TCS on certain foreign remittances and on sale of overseas tour packages, amendment in sub-section (1G) of section 206C of the Act has been made as under:

## 26. Limiting the roll over benefit claimed under section 54 and section 54F

The existing provisions of section 54 and section 54F of the Income-tax, 1961 (the Act) allows deduction on the Capital gains arising from the transfer of long-term capital asset if an assessee, within a period of one year before or two years after the date on which the transfer took place purchased any residential property in India, or within a period of three years after that date constructed any residential property in India. For

20

section 54 of the Act, the deduction is available on the long-term capital gain arising from transfer of a residential house if the capital gain is reinvested in a residential house. In section 54F of the Act, the deduction is available on the long term capital gain arising from transfer of any long term capital asset except a residential house, if the net consideration is reinvested in a residential house.

An amendment has been made to impose a limit on the maximum deduction that can be claimed by the assessee under section 54 and 54F to rupees ten crore. It has been provided that if the cost of the new asset purchased is more than rupees ten crore, the cost of such asset shall be deemed to be ten crores. This will limit the deduction under the two sections to ten crore rupees.

Further, for the purpose of deposit in the Capital Gains Account Scheme, shall apply only to capital gains or net consideration, as the case may be, upto rupees 10 Crores.

#### 27. Special provision for taxation of capital gains in case of Market Linked Debentures

'Market Linked Debentures' are listed securities. They are currently being taxed as long term capital gain at the rate of 10% without indexation. However, these securities are in the nature of derivatives which are normally taxed at applicable rates. Further, they give variable interests as they are linked with the performance of the market.

In order to tax the capital gains arising from the transfer or redemption or maturity of these securities as short-term capital gains at the applicable rates, new section 50AA in the Act has been inserted to treat the full value of the consideration received or accruing as a result of the transfer or redemption or maturity of the "Market Linked Debentures" as reduced by the cost of acquisition of the debenture and the expenditure incurred wholly or exclusively in connection with transfer or redemption of such debenture, as capital gains arising from the transfer of a short term capital asset.

Further, 'Market linked Debenture' has been defined as a security by whatever name called, which has an underlying principal component in the form of a debt security and where the returns are linked to market returns on other underlying securities or indices and include any securities classified or regulated as a Market Linked Debenture by Securities and Exchange Board of India.

## 28. Preventing permanent deferral of taxes through undervaluation of inventory

Assessees are required to maintain books of account for the purposes of the Act. The Central Government has notified the Income Computation and Disclosure Standards (ICDS) for the computation of income. ICDS-II relates to valuation of inventory. Section 148 of the Companies Act 2013 also mandates maintenance of cost records and its audit by cost accountant in some cases.

In order to ensure that the inventory is valued in accordance with various provisions of law, section 142 of the Act has been amended relating to Inquiry before assessment to ensure the following:

(i) To enable the Assessing Officer to direct the assessee to get the inventory valued by a cost accountant, nominated by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner in this behalf. Assessee is then required to furnish the report of inventory valuation in the prescribed form duly signed and verified by such cost accountant and setting forth such particulars as may be prescribed and such other particulars as the Assessing Officer may require.

- (ii) The expenses of, and incidental to, such inventory valuation (including remuneration of the cost accountant) shall be determined by the Principal Chief Commissioner or Chief Commissioner or Principal Commissioner or Commissioner in accordance with the prescribed guidelines and that the expenses so determined shall be paid by the Central Government.
- (iii) Except where the assessment is made under section 144 of the Act, the assessee will be given an opportunity of being heard in respect of any material gathered on the basis of such inventory valuation which is proposed to be utilized for assessment.

## 29. Rationalisation of exempt income under life insurance policies

Clause (10D) of section 10 of the Act provides for income-tax exemption on the sum received under a life insurance policy, including bonus on such policy. There is a condition that the premium payable for any of the years during the terms of the policy should not exceed ten per cent of the actual capital sum assured.

Finance Act, 2021, amended clause (10D) of section 10 of the Act to, inter-alia, provide that the sum received under a ULIP (barring the sum received on death of a person), issued on or after the 01.02.2021 shall not be exempt if the amount of premium payable for any of the previous years during the term of such policy exceeds Rs 2,50,000. It was also provided that if premium is payable for more than one ULIPs, issued on or after the 01.02.2021, the exemption under the said clause shall be available only with respect to such policies where the aggregate premium does not exceed Rs 2,50,000 for any of the previous years during the term of any of the policy. Circular no 02 of 2022 dated 19.01.2022 was issued to explain how the exemption is to be calculated when there are more than one policies. 4. After the enactment of the above amendment, while ULIPs having premium payable exceeding Rs 2, 50,000/- have been excluded from the purview of clause (10D) of section 10 of the Act, all other kinds of life insurance policies are still eligible for exemption irrespective of the amount of premium payable.

Receipts from life insurance policies issued on or after April 1st, 2023 shall be considered as income from other sources if the premium payable for any of the previous years during the term of such policy exceeds Rs. 5 lakhs. The exemption for receipts in the event of the insured person's death shall remain unchanged.

#### 30. Defining the cost of acquisition in case of certain assets for computing capital gains

The existing provisions of the section 55 of the Act, inter alia, defines the 'cost of any improvement' and 'cost of acquisition' for the purposes of computing capital gains. However, there are certain assets like intangible assets or any sort of right for which no consideration has been paid for acquisition. The cost of acquisition of such assets is not clearly defined as 'nil' in the present provision. This has led to many legal disputes and the courts have held that for taxability under capital gains there has to be a definite cost of acquisition or it should be deemed to be nil under the Act. Since there is no specific provision which states that the cost of such assets is nil, the chargeability of capital gains from transfer of such assets has not found favour with the Courts.

Therefore, to define the term 'cost of acquisition' and 'cost of improvement' of such assets, an amendment has been made in the provisions of sub-clause (1) of the Clause (b) of the sub-section (1) and clause (a) of sub-section (2) of section 55 so as to provide that the 'cost of improvement' or 'cost of acquisition' of a capital asset being any intangible asset or any other right (other than those mentioned in the said sub-clause or clause, as the case may be) shall be 'Nil'

#### 31. Amendments in consequence to new provisions of TDS

Section 271C of the Act has provisions for penalty for failure to deduct tax at source. Under this section, a person who has failed to deduct whole or part of tax as required under provisions of Chapter XVII-B (Tax Deduction at Source - TDS) or pay the whole or part of tax as required under section 115-O (Tax on distributed profits) or under proviso to section 194B (tax on winnings from crossword, lottery, puzzles etc) is liable to pay penalty of sum equal to the amount of tax he failed to deduct or pay. Section 276B of the Act makes provisions for prosecution for failure to pay tax to the credit of Central Government under Chapter XII-D (as required under section 115-O) or under XVII-B (deduction at source).

Two new provisions – section 194R and section 194S were introduced in the Act vide Finance Act, 2022. Section 194R makes provisions for deduction of tax on benefit or perquisite in respect of business or profession. In addition, section 194BA is inserted in the Act to provide for TDS on net winnings from online games.

Section 194S makes provisions for deduction of tax on payment on transfer of virtual digital asset (VDA) owing to their very nature, payments related to benefit or perquisite or VDA may also be wholly in kind or partly in cash and partly in kind. Accordingly, the first proviso to section 194R provides that in case the benefit or perquisite or VDA has a "in kind" component, then the person responsible shall ensure that required amount of tax has been paid, before releasing the benefit or perquisite.

In the case of VDA, since the consideration for transfer could be in exchange of another VDA (fully "in kind") or partly in kind, the first proviso to section 194S provides that the person responsible for paying the consideration shall ensure that the required amount of tax has been paid, before releasing the consideration.

Similarly, in the case of winnings from online games, sub-section (2) provides that where the net winnings are wholly in kind or partly in cash and partly in kind, the person responsible for paying the net winnings shall ensure that tax has been paid in respect of the net winnings, before releasing the winnings.

Presently, the provisions for penalty and prosecution do not clearly mandate a penalty or prosecution for a person who does not pay or fails to ensure that tax has been paid in a situation where the benefit or perquisite is passed in kind. Therefore, to enable such penalty and prosecution, an amendment has been made in section 271C by inserting two new sub-clauses under clause (b) in sub-section (1) providing reference to the first proviso to section 194R and the first proviso to section 194S. Similar amendments are also made in section 276B.

## 32. TDS on payment of accumulated balance due to an employee

Section 192A of the Act provides for TDS on payment of accumulated balance due to an employee under the Employees' Provident Fund Scheme, 1952. The existing provisions of section 192A of the Act, interalia, provide for deduction of tax at the rate of 10% of the taxable component of the lump sum payment due to an employee. Further, no deduction of tax is to be made where the amount of such payment or the aggregate amount of such payment to the payee is less than fifty thousand rupees.

The second proviso to section 192A of the Act provides that any person entitled to receive any amount on which tax is deductible shall furnish his Permanent Account Number (PAN) to the person responsible for deducting such tax, failing which tax shall be deducted at the maximum marginal rate.

It was observed that many low-paid employees do not have PAN and thereby TDS is being deducted at the maximum marginal rate in their cases under section 192A. Hence second proviso to section 192A of the Act has been omitted, so that in case of failure to furnishing of PAN by the person relating to payment of accumulated balance due to him, tax will be deducted at the rate of 20% as in other non-PAN cases in accordance with section 206AA of the Act, instead of at the maximum marginal rate.

#### 33. Facilitating TDS credit for income already disclosed in the return of income of past year

Representations have been received that in many instances, tax is deducted by the deductor in the year in which the income is actually paid to the assessee. However, following accrual method, the assessee may have already disclosed this income in earlier years in their return of income. This results in TDS mismatch, since the corresponding income has already been offered to tax by the assessee in earlier years, however, TDS is only being deducted much later when actual payment is being made. The assessee cannot claim the credit of TDS in the year in which tax is deducted since income is not offered to tax in that year. It may also not be possible to revise the return of past year in which the corresponding income was included since time to revise the return of income for that year may have lapsed. This results in difficulty to the assessee in claiming credit of TDS.

New sub-section (20) in section 155 of the Act has been inserted. This new sub-section applies where any income has been included in the return of income furnished by an assessee under section 139 of the Act for any assessment year (hereinafter referred to as the "relevant assessment year") and tax has been deducted at source on such income and paid to the credit of the Central Government in accordance with the provisions of Chapter XVII-B in a subsequent financial year. In such a case the assessee can make application in the prescribed form to the Assessing Officer within two years from the end of the financial year in which such tax was deducted at source. Then Assessing Officer shall amend the order of assessment or any intimation allowing credit of such tax deducted at source in the relevant assessment year. It has been further provided that the provisions of section 154 of the Act shall, so far as may be, apply thereto, and the period of four years specified in sub-section (7) of that section shall be reckoned from the end of the financial year in which such tax has been deducted. Further, credit of such tax deducted at source shall not be allowed in any other assessment year.

Amendment has also been made in section 244A of the Act to provide that the interest on refund arising out of above rectification shall be for the period from the date of the application to the date on which the refund is granted.

#### 34. Relief from special provision for higher rate of TDS/TCS for non-filers of income-tax returns

Section 206AB of the Act provides for special provision for higher TDS for non-filers of income-tax returns. Similarly, section 206CCA of the Act provides for special provision for higher TCS for non-filers of income-tax returns. These non-filers in these sections are referred to as "specified person".

These sections define "specified person" to mean a person who has not furnished the return of income for the assessment year relevant to the previous year immediately preceding the financial year in which tax is required to be deducted or collected (as the case may be)-

(i) for which the time limit for furnishing the return of income under sub-section (1) of section 139 has expired; and

(ii) the aggregate of tax deducted at source and tax collected at source in his case is rupees fifty thousand or more in the said previous year.

The provisos to these definitions exclude a non-resident from the definition of specified person, if the non-resident does not have a permanent establishment in India.

The definition of the "specified person" in sections 206AB and 206CCA of the Act has been amended so as to exclude a person who is not required to furnish the return of income for the assessment year relevant to the said previous year and who is notified by the Central Government in the Official Gazette in this behalf.

## 35. Clarification regarding advance tax while filing Updated Return

The Finance Act, 2022 inserted sub-section (8A) in section 139 of the Act enabling the furnishing of an updated return by taxpayers up to two years from the end of the relevant assessment year subject to fulfilment of certain conditions as well as payment of additional tax. For the determination of the amount of additional tax on such updated return section 140B was inserted in the Act.

The sub-section (4) of the section 140B of the Act provides for the computation of interest under section 234B of the Act on the tax on updated return. The said sub-section (4) provides that interest payable under section 234B of the Act shall be computed on an amount equal to the assessed tax or the amount by which the advance tax paid falls short of the assessed tax. This implied that interest was payable only on the difference of the assessed tax and advance tax. Further, the sub-clause (i) of the clause (a) of the said sub-section also provides advance tax which has been claimed in earlier return of income shall be taken into account for computing the amount on which the interest was to be paid.

Therefore, in order to clarify the provisions of the sub-section (4) of section 140B of the Act, an amendment has been amended in the said sub-section that interest payable under section 234B shall be computed on an amount equal to the assessed tax as reduced by the amount of advance tax, the credit for which has been claimed in the earlier return, if any.

# 36. Bringing the non-resident investors within the ambit of section 56(2)(viib) to eliminate the possibility of tax avoidance

Section 56(2)(viib) of the Act, inter alia, provides that where a company, not being a company in which the public are substantially interested, receives, in any previous year, from any person being a resident, any consideration for issue of shares that exceeds the face value of such shares, the aggregate consideration received for such shares as exceeds the fair market value of the shares shall be chargeable to income-tax under the head 'Income from other sources'. Rule 11UA of the Income-tax Rules provides the formula for computation of the fair market value of unquoted equity shares for the purposes of the Section 56(2) (viib) of the Act.

Clause (viib) of sub section (2) of section 56 of the Act was inserted vide Finance Act, 2012 to prevent generation and circulation of unaccounted money through share premium received from resident investors in a closely held company in excess of its fair market value. However, the said section is not applicable for consideration (share application money/ share premium) received from non-resident investors.

Accordingly, an amendment has been made to include the consideration received from a non-resident also

under the ambit of clause (viib) by removing the phrase 'being a resident' from the said clause. This will make the provision applicable for receipt of consideration for issue of shares from any person irrespective of his residency status.

#### 37. Removal of certain funds from section 80G

Section 80G of the Act, inter alia, provides for the procedure for granting approval to certain institutions and funds receiving donation and the allowable deductions in respect of such donations to the assessee making such donations.

Sub-section (2) of section 80G of the Act, inter alia, provides the list of these funds to which any sum paid by the assessee in the previous year as donations is allowed as a deduction to an extent of 50 per cent/100% of the amount so donated.

It has been observed that there are only three funds based on names of the persons in the said section. In order to remove such funds, sub-clauses (ii), (iiic) and (iiid) of clause (a) of sub-section (2) of section 80G of the Act has been omitted.

#### 38. Omission of certain redundant provisions of the Act

Section 10 of the Act provides for incomes which are not included in total income. Clauses (23BBF), (23EB), (26A), (41) and (49) of this have already been sunset Hence, clauses (23BBF), (23EB), (26A), (41) and (49) of section 10 of the Act has been omitted.

#### 39. Rationalisation of the provisions of Charitable Trust and Institutions

Income of any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (iv) or sub-clause (v) or sub-clause (vi) or sub-clause (via) of clause (23C) of section 10 of the Act or any trust or institution registered u/s 12AA or 12AB of the Act is exempt subject to the fulfilment of the conditions provided under various sections. The exemption to these trusts or institutions is available under the two regimes-

- Regime for any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (iv) or sub-clause (v) or sub-clause (vi) or sub-clause (via) of clause (23C) of section 10 of the Act (hereinafter referred to as trust or institution under first regime); and
- Regime for the trusts registered under section 12AA/12AB of the Act (hereinafter referred to as trust or institution under the second regime).

Section 12A of the Act, inter alia, provides for procedure to make application for the registration of the trust or institution to claim exemption under section 11 and 12 of the Act. Section 12AB of the Act is the new section which comes into effect from the 1st April, 2021.

#### **Treatment of donation to other trusts:**

The income of the trusts and institutions under both regimes is exempt subject to the fulfilment of certain

conditions. Some of such conditions are as follows:

- a) at least 85% of income of the trust or institution should be applied during the year for the charitable or religious purposes to ensure bare minimum application for charitable or religious purposes.
- b) Trusts or institutions are allowed to either apply mandatory 85% of their income either themselves or by making donations to the trusts with similar objectives.
- c) If donated to other trusts or institutions, the donation should not be towards corpus to ensure that the donations are applied by the donee trust or institutions.
- d) Thus, every trust or institution under both the regimes is allowed to accumulate 15% of its income each year.

Instances have come to the notice that certain trusts or institutions are trying to defeat the intention of the legislature by forming multiple trusts and accumulating 15% at each layer. By forming multiple trusts and accumulating 15% at each stage, the effective application towards the charitable or religious activities is reduced significantly to a lesser percentage compared to the mandatory requirement of 85%.

In order to ensure intended application toward charitable or religious purpose, an amendment has been made that only 85% of the eligible donations made by a trust or institution under the first or the second regime to another trust under the first or second regime shall be treated as application only to the extent of 85% of such donation. Accordingly, the following amendments are made:

- a) inserted clause (iii) in Explanation 2 to the third proviso of clause (23C) of section 10 of the Act to provide that any amount credited or paid out of income of any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (iv) or sub-clause (v) or sub-clause (vi) or sub-clause (via) of clause (23C) of section 10 of the Act, other than the amount referred to in the twelfth proviso, to any other fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause 56 (iv) or sub-clause (v) or sub-clause (vi) or sub-clause (via) of clause (23C) of section 10 of the Act or trust or institution registered under section 12AB of the Act, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent. of such amount credited or paid;
- b) inserted clause (iii) in Explanation 4 to sub-section (1) of section 11 of the Act to provide that any amount credited or paid, other than the amount referred to in Explanation 2 to the said sub-section, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (iv) or sub-clause (vi) or sub-clause (vii) or sub-clause (via) of clause (23C) of section 10 of the Act or other trust or institution registered under section 12AB of the Act, as the case may be, shall be treated as application for charitable or religious purposes only to the extent of eighty-five per cent. of such amount credited or paid.

#### 40. Omission of redundant provisions related to roll back of exemption

There are roll back provisions for the trust or institutions under the second regime. Sub-section (2) of section 12A of the Act provides that where an application for registration under section 12AB of the Act has been made, the exemption shall be available with respect to the assessment year relevant to the financial year in which the application is made and subsequent assessment years.

Second proviso to sub-section (2) of section 12A of the Act provides that where registration has been granted to the trust or institution under section 12AA or section 12AB of the Act, then, the provisions of

sections 11 and 12 of the Act shall apply in respect of any income derived from property held under trust of any assessment year preceding the aforesaid assessment year, for which assessment proceedings are pending before the Assessing Officer as on the date of such registration if the objects and activities of such trust or institution remain the same for such preceding assessment year.

The roll back provision become redundant after the amendment of section 12A of the Act by the Taxation and Other Laws (Relaxation and Amendment of Certain Provisions) Act, 2020. Now the trusts and institutions under the second regime are required to apply for provisional registration before the commencement of their activities and therefore there is no need of roll back provisions provided in section 12A of the Act. With a view to rationalise the provisions and accordingly omitted.

## 41. Alignment of the time limit for furnishing the form for accumulation of income and tax audit report

The trusts and institutions under the first regime are required to get their accounts audited as per the provisions of clause (b) of the tenth proviso to clause (23C) of section 10 of the Act. The trusts and institutions under second regime are required to get their accounts audited as per the provisions of subclause (ii) of clause (b) of sub-section (1) of section 12A of the Act. The audit report under both the regimes is required to be furnished at least one month before the due date for furnishing the return of income.

An amendment has been made to provide for filing of Form No. 10A/9A at least two months prior to the due date specified under sub-section (1) of section 139 for furnishing the return of income for the previous year.

#### 42. Tax Rates under Section 115BAC

With effect from assessment year 2024-25, the following rates provided in sub-section (1A) of section 115BAC of the Act. The rates applicable for determining the income-tax payable in respect of the total income of a person, being an individual or Hindu undivided family or association of persons [other than a co-operative society], or body of individuals, whether incorporated or not, or an artificial juridical person.

Thus, rates given in sub-section (1A) of section 115BAC of the Act are the default rates.

Further, the income-tax payable in respect of the total income of the person [other than a person who has

exercised an option under sub-section (6) of section 115BAC], shall be computed without allowing for any exemption or deduction as provided under clause (i) of subsection (2) of section 115BAC of the Act. However, standard deduction as provided under clause (ia) of section 16 of the Act, deduction in respect of income in the nature of family pension as provided under clause (iia) of section 57 of the Act and deduction in respect of the amount paid or deposited in the Agniveer Corpus Fund to be provided under sub-section (2) section 80CCH of the Act, shall be allowed for the purposes of computing the income chargeable to tax under sub-section (1A) of section 115BAC.

A person having income from business or profession who has exercised the above option of shifting out of the regime provided under the sub-section (1A) of section 115BAC shall be able to exercise the option of opting back to the regime under proposed sub-section (1A) of section 115BAC only once. However, a person not having income from business or profession shall be able to exercise this option every year.

#### 43. Tax rate under section 115BAD and section 115BAE

A co-operative society resident in India has the option to pay tax at 22% for assessment year 2021-22 onwards as per the provisions of section 115BAD of the Act, subject to fulfilment of certain conditions. As per the new section 115BAE of the Act, a new manufacturing co-operative society set up on or after 01.04.2023, which commences manufacturing or production on or before 31.03.2024 and does not avail of any specified incentive or deductions, may opt to pay tax at a concessional rate of 15% for assessment year 2024-25 onwards. Surcharge would be at 10% on such tax.

#### 2. Changes in Tax Structure Under the New Regime

Income Tax Slabs	Tax Rate
₹0-3 lakh	Nil
₹3-7 lakh	5%
₹7-10 lakh	10%
₹10-12 lakh	15%
₹12-15 lakh	20%
Above ₹15 lakh	30%

#### 3. Simplification of Taxation of Capital Gains

- For classifying assets into long-term and short-term, there will only be two holding periods: 12 months and 24 months. The 36-month holding period has been removed.
- The holding period for all listed securities is 12 months. All listed securities with a holding period exceeding 12 months are considered Long-Term. The holding period for all other assets is 24 months.
- Unlisted bonds and debentures are brought in line with the taxation on debt mutual funds and market-linked debentures. They will attract tax on capital gains at applicable slab rates. (i.e., they will be treated as short-term irrespective of the period of holding.)
- The taxation of Short-Term Capital Gain for listed equity shares, a unit of an equity-oriented fund, and a unit of a business trust has been increased to 20% from 15%. Other financial and non-financial assets which are held for short term shall continue to attract the tax at slab rates.
- For the benefit of the lower and middle-income classes, the limit on the exemption of Long-Term Capital Gains on the transfer of equity shares or equity-oriented units or units of Business Trust has increased from Rs.1 Lakh to Rs.1.25 lakh per year. However, the rate at which it is taxed has increased from 10% to 12.5%.
- The exemption limit to Rs. 1.25 lakhs have been increased for the whole of the year, whereas the tax rate changed on 23<sup>rd</sup> July 2024.
- The tax on long-term capital gains on other financial and non-financial assets is reduced from 20% to 12.5%. While on the other hand, the indexation benefit that previously was available on sale of long-term assets, has now been done away with. So, any sale of long-term asset made from 23rd July, 2024, will attract tax rate of 12.5% only without indexation benefit. However, it is to be noted that the provision regarding availing the benefit of FMV of asset as on 01.04.2001 as cost while selling the asset, is still available even after the recent changes.

## 4. "Grandfathering" of indexation benefit for resident individuals and Hindu Undivided Families (HUFs) on transfer of property

Finance Act, 2024 to discontinue indexation benefit for long-term capital gains (LTCG) earned on or after 23 July 2024.

Inserted a proviso to section 112(1)(a) of the ITA (relating to tax on LTCG) to provide that on the transfer of a long-term capital asset which is property (land, buildings, or both), a resident individual or a resident HUF has the option to pay tax of the lower of (i) 20% on capital gains with indexation or (ii) 12.5% on capital gains without indexation, where the property is acquired before 23 July 2024 and transferred on or after that date.

#### 5. LTCG on the sale of unlisted securities or shares by a nonresident taxpayer

Section 112(1)(c)(iii) of the ITA is amended to tax LTCG earned by a nonresident taxpayer on the sale of unlisted securities or shares of a company (other than a company in which the public are substantially interested), without giving effect to the first and second provisos to section 48 of the ITA. Section 48 relates to the method of calculation of capital gains, and the first and second provisos relate to foreign exchange fluctuations and indexation benefit, respectively. The rate of tax on such gains is 10% for sales before 23 July 2024 and 12.5% for sales on or after that date.

#### 6. Changes in TDS Rates

Finance Act, 2024 reduced the TDS rates on specified payments to facilitate business and improve taxpayer compliance. However, TDS rates are effective only either after 1st Oct 2024 or 1st April 2025. The table below shows the specified payments.

TDS Sections	Current TDS Rate	Proposed TDS Rate	Effective from

#### 7. Introduction of TDS on Payments Made to Partners by Firms (Section 194T)

This Finance Act, 2024 introduced a new TDS provision for payments made by the firms (i.e., it covers both partnership firms as well as LLPs), to the partners by way of salary, remuneration, interest, bonus or commission. So, now any payment by a firm of the above nature exceeding Rs. 20,000 shall be subjected to the TDS at the rate of  $10\% \, \text{u/s} \, 194\text{T}$ .

#### 8. Increase in limit for Partner's Remuneration

Under section 40(b), the partner's limit for remuneration has been increased in the Finance Act 2024 as follows,

Book Profit	Limit
On the first Rs.6,00,000 of book profit or loss	Rs.3,00,000 or 90% of the book profit, whichever is
	higher
On the remaining balance of book-profit	60% of the book-profit

#### 9. Abolishment of Angel Tax

The Angel tax provisions of Section 56(2)(viib) has been proposed to be removed. Angel Tax is a tax levied on companies that issue fresh shares to investors at a price above the company's Fair Market Value. The excess of the Issue Price over and above the FMV was made taxable u/s 56(2)(viii) as an angel tax in the hands of the Company. This provision is removed. The startup ecosystem will benefit considering the frequent fund raise that can happen in startups and the compliance cost and the time that is consumed by the said provision while conducting a fund raise in start up.

#### 10. Corporate Taxes on Foreign Companies

Corporate taxes are imposed on the company's net income or profit. Finance Act, 2024 have reduced the corporate tax on foreign companies from 40% to 35%.

#### 11. Increased Deduction on Employer's Contribution to Pension Scheme

Section 80CCD provides a deduction for the employer's contribution to the Pension scheme up to 10%. Finance Act 2024 has now increased the limit deduction limit to 14% of the salary of the employee during the previous year.

#### 12. STT on Futures and Options

The Securities Transaction Tax (STT) on futures has been increased from 0.0125% to 0.02% and STT on options has been increased from 0.0625% to 0.1%.

#### 13. Tax incentives to International Financial Services Centre

Section 68 of the Act provides that where any sum is found to be credited in the books of an assessee maintained for any previous year, and the assessee offers no explanation about the nature and source thereof or the explanation offered by him is not, in the opinion of the Assessing Officer, satisfactory, the sum so credited may be charged to income-tax as the income of the assessee of that previous year.

• Finance Act, 2023 amended the provisions of section 68 so as to provide that the nature and source of any sum, whether in form of loan or borrowing, or any other liability credited in the books of an assessee shall be treated as explained only if the source of funds is also explained in the hands of the creditor or entry provider. However, this additional onus of proof of satisfactorily explaining the source in the hands of the creditor, would not apply if the creditor is a well-regulated entity, i.e., it is a Venture Capital Fund (VCF) or Venture Capital Company (VCC) registered with SEBI. Section 68 accordingly makes a reference to the definition of

- VCF/VCC in the Explanation to clause (23FB) of section 10.
- An amendment has been made to extend the relaxation in place for VCFs registered with SEBI, to those VCFs which are regulated by IFSCA. It is therefore, proposed to amend the definition of VCF in the Explanation to clause (23FB) of section 10, to include VCFs in IFSC.

#### 14. Amendment to definition of Specified Mutual Fund under section 50AA

The Finance Act, 2023 had introduced special taxation regime of deemed short term capital gains taxation for Market Linked Debentures and Specified Mutual Funds by way of introduction of section 50AA of the Act. The gains in such cases were to be taxed as Short-term Capital Gain irrespective of period of holding. The requirement of investment of not more than 35% in equity shares has also impacted other funds which are not debt-oriented funds, but invest below 35% in equity shares. Such funds which are adversely impacted include Exchange Traded Funds (ETFs), Gold Mutual Funds and Gold ETFs. In the case of Fund-of-Funds (FoFs) as well, wherein the underlying fund further invests in other instruments, there is ambiguity as to whether they will be considered Specified Mutual Funds as defined in section 50AA.

Thus, a need to re-define the term "Specified Mutual Funds" for the purposes of Section 50AA, to provide clarity regarding the proportion of investment being made in terms of debt and money market instruments, and also to clarify the investment requirements in the case of Fund-of-Funds (FoFs) had arisen.

Accordingly, the definition of "Specified Mutual Fund" under clause (ii) of Explanation of section 50AA has been amended to provide that a specified mutual fund shall mean a mutual fund: (a) a Mutual Fund by whatever name called, which invests more than sixty-five per cent of its total proceeds in debt and money market instruments; or (b) a fund which invests sixty-five per cent or more of its total proceeds in units of a fund referred to in sub-clause (a).

#### 15. Ease in claiming credit for TCS collected/TDS deducted by salaried employees

Section 192 of the Act provides for deduction of tax at source on salary income. Further, sub-section (2B) of section 192 of the Act provides for consideration of income under any other head and tax, if any, deducted thereon to be taken into account for the purposes of making the deduction under sub-section (1) of the aforesaid section, subject to certain conditions.

Representations have been received that credit of TCS paid should be allowed while computing the amount of tax to be deducted on salary income of the employees as this will help in avoiding cash flow issues for employees. Similarly, all TDS may be taken into account for the purpose of deduction of tax from the salary income of employees. Moreover when the TCS etc. is not taken into account, the same is required to be claimed as a refund by the employee which adds to the compliance process.

In order to ease compliance, an amendment has been made to expand the scope of the said sub-section to include any tax deducted or collected under the provisions of Chapter XVII-B or Chapter XVII-BB, as the case may be, to be taken into account for the purposes of making the deduction under sub-section (1) of section 192.

#### 16. Alignment of interest rates for late payment to Government account of TCS

Section 206C of the Act provides for the collection of tax at source (TCS) on business of trading in alcoholic liquor, forest produce, scrap etc. Sub-section (7) of the section 206C provides that persons

33

who fail to collect tax or after collecting, fail to deposit the same to the credit of the Central Government shall be liable to pay simple interest at the rate of one percent for every month or part thereof on the amount of such tax from the date on which such tax was collectible to the date on which the tax was paid.

It was noted that the rates of interest applicable for late collection / late deposit of TCS are not in line with provisions of sub-section (1A) of section 201 pertaining to late deduction / deposit of TDS. A higher interest rate of 1.5% is applicable where tax has been deducted but not been deposited to Government account due to the gravity attached with the failure, as it deprives the deductee of due tax credit and does not reach the Central Government in time. Same difficulty is also faced by the collectee.

To align the rate of simple interest charged on failure to pay to Government account after collection of tax, an amendment has been made to amend sub-section (7) of section 206C, to specify that simple interest for non-payment of tax collected at source to Government account, is to be increased from one per cent. to one and one-half per cent. for every month or part thereof on the amount of such tax from the date on which such tax was collected to the date on which such tax is actually paid.

#### 17. Claiming credit for TCS of minor in the hands of parent

Section 206C of the Act provides for the collection of tax at source (TCS) on business of trading in alcoholic liquor, forest produce, scrap etc. Representations have been received that there is no provision in the Act for allowing credit of TCS to any other person (eg. parent) other than the collectee.

Accordingly, an amendment has been made to allow the Board to notify the rules for cases where credit of tax collected are given to person other than collectee. However, to ensure that this provision is not misused, credit of TCS of the minor shall only be allowed where the income of the minor is being clubbed with the parent as under sub-section (1A) of section 64 of the Act which states that in computing the total income of any individual, there shall be included all such income as arises or accrues to his minor child.

## 18. Tax on distributed income of domestic company for buy-back of shares

Both dividend as well as buy-back are methods for the company to distribute accumulated reserves and thus ought to be treated similarly.

Accordingly, an amendment has been made that the sum paid by a domestic company for purchase of its own shares shall be treated as dividend in the hands of shareholders, who received payment from such buy-back of shares and shall be charged to income-tax at applicable rates. No deduction for expenses shall be available against such dividend income while determining the income from other sources. The cost of acquisition of the shares which have been bought back would generate a capital loss in the hands of the shareholder as these assets have been extinguished. Therefore, when the shareholder has any other capital gain from sale of shares or otherwise subsequently, he would be entitled to claim his original cost of acquisition of all the shares (i.e. the shares earlier bought back plus shares finally sold). It shall be computed as follows:

- deeming value of consideration of shares under buy-back (for purposes of computing capital loss) as nil;
- allowing capital loss on buy-back, computed as value of consideration (nil) less cost of acquisition;
- allowing the carry forward of this as capital loss, which may subsequently be set-off against consideration received on sale and thereby reduce the capital gains to this extent.

Example:

100 shares bought in 2020 @Rs. 40/- per share Total cost of acquisition Rs. 4000/-20 shares bought back in 2024 @Rs. 60/- per share Income taxable as deemed dividend Rs. 1200/-Capital loss on such buyback (Rs. 40 \*20) Rs. 800/-50 Shares sold in 2025 @Rs. 70 per share Capital Gain (3500 – 2000) Rs. 1500 Chargeable capital gain after set off Rs. 700

#### 19. Amendment of section 47

Section 47 of the Act provides exclusion to certain transactions not regarded as transfer for the purposes of chargeability under 'Capital Gains' under section 45.

Clause (iii) of section 47 provides that nothing contained in section 45 shall apply to any transfer of a capital asset under a gift or will or an irrevocable trust. The first proviso to the said clause makes an exception to the clause in respect of specified ESOPs.

An amendment has been made to substitute clause (iii) of section 47 and its proviso, to provide that nothing contained in section 45 shall apply to transfer of a capital asset, under a gift or will or an irrevocable trust, by an individual or a Hindu undivided family.

### 20. TCS under sub-section (1F) of section 206C on notified goods

The existing provisions of section 206C of the Act provide, inter alia, for the collection of tax at source on business of trading in alcoholic liquor, forest produce, scrap etc. Sub-section (1F) provides that every person, being a seller, who receives any amount as consideration for sale of a motor vehicle of the value exceeding ten lakh rupees, shall, at the time of receipt of such amount, collect from the buyer, a sum equal to one per cent. of the sale consideration as income-tax.

An amendment has been made to also levy TCS on any other goods of value exceeding ten lakh rupees, as may be notified by the Central Government in this behalf. Such goods would be in the nature of luxury goods.

#### 21. Amendment of provisions of TDS on sale of immovable property

Section 194-IA of the Act provides for deduction of tax on payment of consideration for transfer of certain immovable property other than agricultural land.

Sub-section (1) of the said section provides that any person responsible for paying to a resident any sum by way of consideration for transfer of any immovable property shall, at the time of credit or payment of such sum to the resident, deduct an amount equal to one per cent. of such sum or the stamp duty value of such property, whichever is higher, as income-tax thereon. Sub-section (2) of the said section provides that no deduction of tax shall be made where the consideration for the transfer of an immovable property and the stamp duty value of such property, are both less than fifty lakh rupees.

An amendment has been made to amend sub-section (2) of section 194-IA of the Act to clarify that where there is more than one transferor or transferee in respect of an immovable property, then such consideration shall be the aggregate of the amounts paid or payable by all the transferoes to the transferor or all the transferors for transfer of such immovable property.

#### 22. Tax Deduction at source on Floating Rate Savings (Taxable) Bonds (FRSB) 2020

Section 193 of the Act provides for deduction of tax at source on payment of any income to a resident by way of interest on securities. The Government has introduced Floating Rate Savings (Taxable) Bonds (FRSB) 2020. The provisions of section 193 of the Act have been amended to allow for deduction of tax at source at the time of payment of interest exceeding ten thousand rupees on the Floating Rate Savings Bonds (FRSB) 2020 (Taxable) as well.

#### 23. Preventing misuse of deductions of expenses claimed by life insurance business

Section 44 of the Act provides for computing of profits and gains of any business of insurance, including any such business carried on by a mutual insurance company or by a co-operative society, to be in accordance with First Schedule of the Act, notwithstanding other specific provisions of the Act.

Rule 2 of the First Schedule, applicable for Life insurance business, states that the profits and gains of life insurance business shall be taken to be the annual average of the surplus arrived at by adjusting the surplus or deficit disclosed by the actuarial valuation made in accordance with the Insurance Act, 1938, in respect of the last inter-valuation period ending before the commencement of the assessment year and excluding from it such surplus or deficit included therein which was made in any earlier inter-valuation period.

An amendment has been made to amend Rule 2 of the First Schedule of the Act to provide that any expenditure which is not admissible under the provisions of section 37 in computing the profits and gains of a business shall be included to (i.e. added back to) the profits and gains of the life insurance business.

#### 24. Excluding sums paid under section 194J from section 194C (Payments to Contractors)

Section 194C of the Act provides for TDS on payments to contractors at the rate of 1% when the payment is being made or credit is being given to an individual or HUF and 2% in other cases. Section 194J of the Act relates to TDS on fees for professional or technical services wherein the applicable TDS rates are 2% or 10% depending on the nature of payment being made.

Clause (iv) of the Explanation of section 194C defines "work" to specify which all activities would attract TDS under section 194C. However, there is no explicit exclusion of assessees who are required to deduct tax under section 194J from requirement or ability to deduct tax under section 194C of the Act. Therefore some deductors are deducting tax under section 194C of the Act when in fact they should be deducting tax under section 194J of the Act.

Accordingly, an amendment has been made to explicitly state that any sum referred to in sub-section (1) of section 194J does not constitute "work" for the purposes of TDS under section 194C.

## 25. Disallowance of settlement amounts being paid to settle contraventions

Section 37 of the Act provides for allowability of expenditure laid out or expended wholly and exclusively for the purpose of business or profession.

Explanation 1 of sub-section (1) of section 37 provides that any expenditure incurred by an assessee for any purpose which is an offence or which is prohibited by law shall not be deemed to have been incurred for the purpose of business or profession and no deduction or allowance shall be made in respect of such expenditure.

Settlement amounts are incurred due to an infraction of law and relate to contraventions etc and, therefore, should not be allowed as business expenses.

Accordingly, an amendment has been made to amend the Explanation 3 to sub-section (1) of section 37 of the Act to clarify that "expenditure incurred by an assessee for any purpose which is an offence or which is prohibited by law" under Explanation 1 shall include any expenditure incurred by an assessee to settle proceedings initiated in relation to a contravention under any law for the time being in force, as may be notified by the Central Government in the Official Gazette in this behalf.

#### 26. Amendment of Section 55 of the Act

An amendment has been made in sub-clause (iii) of clause (a) of the Explanation to clause (ac) of sub-section (2) of section 55 of the Act, to specifically provide that in a case where the capital asset is an equity share in a company which is not listed on a recognised stock exchange as on the 31st day of January, 2018, or which became the property of the assessee in consideration of share which is not listed on such exchange as on the 31st day of January, 2018 by way of transaction not regarded as transfer under section 47, but listed on such exchange subsequent to the date of transfer, where such transfer is in respect of sale of unlisted equity shares under an offer for sale to the public included in an initial public offer, "fair market value" would mean an amount which bears to the cost of acquisition the same proportion as Cost Inflation Index for the financial year 2017-18 bears to the Cost Inflation Index for the first year in which the asset was held by the assessee or for the year beginning on the first day of April, 2001, whichever is later.

#### 27. Reducing time limitation for orders deeming any person to be assessee in default

Section 201 and section 206C of the Act provides for the consequences when a person does not deduct/collect, or does not pay, or after so deducting/collecting fails to pay, the whole or any part of the tax, as required by or under the Act.

An amendment has been made in sub-section (3) of section 201 and insert new sub-section (7A) in section 206C of the Act to provide that no order shall be made deeming any person to be assessee in default for failure to deduct/ collect the whole or any part of the tax from any person, at any time after the expiry of six years from the end of the financial year in which payment is made or credit is given or tax was collectible or two years from the end of the financial year in which the correction statement is delivered, whichever is later.

#### 28. Notification of certain persons or class of persons as exempt from TCS

Section 206C of the Act provides for the collection of tax at source on business of trading in alcoholic liquor, forest produce, scrap etc.

Representations have been received that there can be entities whose income is exempt from taxation and are not required to furnish returns of income. However, they face difficulty as tax is being collected on transactions carried out by them.

Accordingly, an amendment has been made to provide that no collection of tax shall be made or that collection of tax shall be made at such lower rate in respect of specified transaction, from such person or class of persons, including institution, association or body or class of institutions, associations or bodies, as may be notified by the Central Government in the Official Gazette, in this behalf.

29. Amendment of Section 80G.  An amendment has been made to amend sub-clause (iiihg) of clause (a) of sub-section (2) of Section 80G of the Act to provide that in computing the total income of an assessee, there shall be deducted, in accordance with and subject to the provisions of this section, any sums paid by the assessee in the previous year as donations to the National Sports Development Fund set up by the Central Government.

Also, tax is required to be deducted at the time of withdrawal as well as at the end of the financial year. **Multiple Wallets** Talking about multiple wallets under one user, CBDT said the main account must include every account of the user and will be registered with an online gaming intermediary. This

wallet is where any taxable deposit, non-taxable deposit or the winning of the user is credited, and withdrawal by the user is debited. However, one deductor with multiple platforms must calculate the tax required to be deducted for each platform separately. Further, the notice clarified that self-transfer between a user's multiple accounts on the same platform shall not be considered a withdrawal or deposit.

#### **Bonus**

The CBDT noted that any deposit in the form of a bonus, referral bonus, incentives, etc, would form part of net winnings and is liable for tax to be deducted at the time of withdrawal as well as at the end of the financial year. For non-taxable deposits, CBDT said it's necessary that the amount deposited by the user is not taxable — it's from already taxed income or not tax-chargeable. In a case where the user borrows the money and deposits it in his user account, it will be considered a non-taxable deposit.

#### Withdrawal of a small amount

If the withdrawal amount is very small, the tax will not be deducted if the net winnings or part of the amount withdrawn do not exceed Rs 100 per month. However, the tax will be deducted when the net winnings from withdrawal exceed Rs 100 in the same month or a subsequent month, or if there is no such withdrawal, at the end of the financial year.

12.	Relief for TDS Deductors on PAN-Aadhar Linkage [Circular No. 6 Dated April 23, 2024]	https://income taxindia.gov.in/ communication
	The CBDT, aiming to address grievances of deductors/collectors who collected TDS/TCS at the normal rate but were required to deduct/collect at double the rate due to the deductee's PAN being inoperative (unlinked with Aadhar) since April 1, 2023, issued Circular No. 6 on April 23, 2024. This circular prevents treating such TDS deductors as in default (for short deduction) if, by May 31, 2024, the deductee's PAN is linked to Aadhar, rendering it operative for transactions until March 31, 2024. Consequently, no liability arises for deductors/collectors to deduct/collect tax under sections 206AA/206CC at double the rate due to PAN inoperability, and they need not pay the difference.	s/circular/circ ular-6-2024.pdf

# Non-applicability of higher rate of TDS/TCS as per provisions of section 206AA/206CC of the Income-tax Act, 1961, in the event of death of deductee / collectee before linkage of PAN and Aadhaar [Circular No. 8 Dated August 5, 2024]

https://incomet axindia.gov.in/ communication s/circular/circu lar-8-2024.pdf

As per Circular no. 06 of 2024 dated 23.04.2024, the Board had provided a window of opportunity to the taxpayers upto 31.05.2024 for linkage of PAN and Aadhaar for the transactions entered into upto 31.03.2024 so as to avoid higher deduction/collection of tax under section 206AA/206CC of the Income-tax Act, as the case maybe.

Several grievances have been received from the taxpayers where they have cited instances of demise of the deductee / collectee during the said period (i.e. on or before 31.05.2024) before the option to link PAN and Aadhaar could have been exercised. In such cases, tax demands are standing against the deductor /collector as a result of failure to link PAN and Aadhaar of the deceased person.

In order to redress such grievances of the taxpayers, the Board, hereby specifies that in respect of cases where higher rate of TDS/TCS was attracted under section 206AA/206CC of the Act pertaining to the transactions entered into upto 31.03.2024 and in case of demise of the deductee/collectee on or before 31.05.2024 i.e. before the linkage of PAN and Aadhaar could have been done, there shall be no liability on the deductor /collector to deduct/collect the tax under section 206AA/206CC, as the case maybe. The deduction/collection as mandated in other provisions of Chapter XVII-B or Chapter XVII-BB of the Act, shall be applicable.

## 14. CBDT issues clarification in respect of Income-tax clearance certificate (ITCC) [PIB Dated August 20, 2024]

https://pib.gov. in/PressRelese Detail.aspx?PR ID=2047104

Section 230 (1A) of the Income-tax Act, 1961(the 'Act') relates to obtaining of a tax clearance certificate, in certain circumstances, by persons domiciled in India. The said provision, as it stands, came on the statute through the Finance Act, 2003 w.e.f. 1.6.2003. The Finance (No.2) Act, 2024 has made only an amendment in Section 230(1A) of the Act, vide which, reference of the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015 (the 'Black Money Act') has been inserted in the said Section. This insertion has been made to also cover the liabilities under the Black Money Act in the same manner as the liabilities under the Income-tax Act,1961 and other Acts dealing with direct taxes for the purpose of Section 230(1A) of the Income-tax Act,1961.

There appears to be a mis-information about the said amendment emanating from incorrect interpretation of the amendment. It is being erroneously reported that all Indian citizens must obtain income-tax clearance certificate (ITCC) before leaving the country. **This position is factually incorrect.** 

As per section 230 of the Act, every person is not required to obtain a tax clearance certificate. Only certain persons, in respect of whom circumstances exist which make it necessary to obtain a tax clearance certificate, are required to obtain the

	said certificate. This position has been in the statute since 2003 and remains unchanged even with the amendments vide Finance (No. 2) Act, 2024.	
15.	CBDT notifies amendment to Form No. 10A and Form No. 10AB [Notification No. 111 Dated October 15, 2024]	https://incomet axindia.gov.in/ communication
	The Central Board of Direct Taxes amend the Income-tax Rules, 1962, effective retroactively from October 1, 2024. The amendments primarily affect Form No. 10A and Form No. 10AB. Key changes in Form No. 10A include the removal of the reference to "2C" and a new declaration format requiring the applicant to confirm the accuracy of the provided details and to communicate any alterations in their trust or institution. Adjustments were made to the serial numbers and notes for clarity and compliance, including new requirements for supporting documents based on the institution's formation.	s/notification/n otification- 111-2024.pdf
	The revisions aim to streamline the registration process under sections 12A and 80G of the Income-tax Act, enhancing the clarity of obligations for applicants. In Form No. 10AB, similar omissions and a declaration format have been introduced. The explanatory memorandum certifies that no individual will be adversely affected by the retrospective application of these rules.

Rule 26B now allows assessees to provide details regarding income from sources other than salaries and any tax deducted or collected at source during the financial year using a newly introduced Form No. 12BAA. Additionally, Form No. 16 and Form No. 24Q have been updated to include adjustments for tax deducted or collected as per Form No. 12BAA. 	These amendments modify certain provisions under the Income-tax Rules, 1962, particularly concerning tax collection at source (TCS) under Section 206C of the Income-tax Act, 1961. Key changes include adjustments in Rule 31AA, such as the replacement of references from "fourth proviso" to "fifth proviso" and from "fifth proviso" to "sixth proviso." A new clause requires details to be furnished when tax is not collected or collected at a lower rate due to specific notifications. Rule 37-I has also been updated to clarify that when the income of a collectee is assessable to another person, TCS credit will be given to that person, provided the collectee submits a declaration. Additionally, the collector must issue the TCS certificate in the name of the individual receiving the credit. Further, Form 27EQ has been	s/notification/n otification- 114-2024.pdf
