Important Announcement

Subject : Temporary discontinuation of 15 days Online CLDP and start of 15 days CLDP in Webinar Mode

The Content of 15 days CLDP (Online Mode- through LMS Portal) is under revision. Therefore, it has been decided that 15 days Online CLDP (through LMS Portal) would be temporarily discontinued from 01.04.2024.

So, in the place of 15 days Online Mode CLDP(LMS Portal), a 15 days Online CLDP through **Webinar Mode** is being introduced w.e.f. 01.04.2024 and shall be conducted by the Institute's Regional Offices.

The student would have to apply for the above option through Stimulate Portal only. Students who have already started CLDP (Online Mode) through LMS Portal would be able to continue their training but would not be granted any extension.

Once the CLDP content is updated on LMS Platform, both the Online (through LMS Portal) and Webinar Mode options (for 15 Days Online CLDP) would be available to the eligible students. However, there is no change in 15 days CLDP being conducted through Classroom mode and students may continue to undergo the same as per the present practice only.

All concerned may take note of the same.
