

Hotel Booking for Delegates

1. The members/students/others (as the case may be) are required to first get themselves registered as delegate for the 53rd National Convention of Company Secretaries.
2. The ICSI has taken best/ negotiated rates from some of the hotels and blocked the rooms at concessional rates for delegates attending the National Convention. The delegates are requested to avail this opportunity at the earliest.
3. For booking of rooms in hotels, delegates may select the hotel as per their choice from the list of hotels given below. They may download the room booking form from the link given against that hotel's name. Delegates need to fill-up details including the Delegate Reference No. in the form and scanned copy of the same is required to be forwarded by e-mail to respective Hotel. Upon receipt of the same, the hotel shall share the link for payment and accordingly, delegates may make the payment and book the rooms.
4. All payments related to hotels are to be settled by the delegate with the hotel concerned directly.
5. **All delegates may kindly note that hotel rooms shall be booked on full occupancy basis.** The sharing of the room with the other delegate is permissible and will depend completely on the mutual understanding amongst the delegates. The details of the accompanying delegate are to be filled in the form at the time of booking of the hotel. The ICSI in no way is involved in the process and would not be suggesting any names for sharing of room.

6. Hotel may allow delegates for early check-in, if some of them are reaching before check-in time. But this facility is subject to availability of rooms at that point of time. Lunch is arranged to be served from 12:00 Noon onwards (on Day 1) at Convention venue to facilitate such delegates who are reaching Kochi before check-in time of their respective hotels.
7. Delegates are free to book their stay in any hotel of their own choice.
