will also be
provided

INTRODUCTION : Contract Management and commercial competence have become critical enablers of business performance, whether in public or private sector, with the potential to drive both value and reputation. Competence is achieved through a combination of operational experience, structured learning and rigorous assessment.

This unique qualification brings together contemporary contract management theory and existing good practice in a structured way. The ICSI's online certificate course on Commercial Contract Management will provide the journey to individual and organizational excellence as it has a highly applied and focused approach designed to give the professionals knowledge, understanding and practical skills necessary for managing contracts effectively.
