(Under the jurisdiction of Ministry of Corporate Affairs)

Dear Professional Colleagues,

The spread of the pandemic followed by lockdowns had initiated a chain of events as regards India Inc. as well which called for host of relaxations announced as relief measures by the Government through its various Ministries and Regulatory Bodies.

Given the expansive and all-inclusive nature of these relaxations, the need arose to compile the wide variety of measures undertaken by various Ministries and other Regulatory Bodies for the ready reference of the professionals working in close consonance of the Corporate India.

In view of the same, the Institute of Company Secretaries of India (ICSI) had brought out the publication under the aegis of Covid19-Regulatory Updates comprising the relief measures undertaken and classifying the same on a Ministry-wise/Regulators-wise basis. Two volumes, Vol. 1 & Vol. 2 were released in the month of April & May, 2020.

Considering further developments and relief measures undertaken by the government and regulators, the ICSI is releasing a third volume of the publication in the form of '[Covid 19-Regulatory Updates Vol. 3](#)', covering the initiatives of Judiciary, Ministries and various Regulators during the course of this pandemic.

I appreciate the efforts of the Directorate of Academics in preparing this publication and believe that the same shall prove to be a ready reference for not just the members but other stakeholders with respect to various exemptions/ relaxations/extension of timelines and the new compliance mandates of the various Regulatory authorities.
