## Capacity Building Series on MSMEs & Startups (Webinar Mode)

### For ICSI Members

Capacity Building Series is a new initiative of the Institute for knowledge updation and skill enhancement of the members on contemporary topics.

The series is aimed at equipping members with the theoretical and practical insights to take up the professional opportunities in areas which are less explored.

MSMEs and Startups are vital engines of India's economic growth, fostering employment, entrepreneurship and overall progress. The sector is central to India's vision of becoming a global economic powerhouse, driving innovation, expanding job opportunities and boosting export competitiveness. This series will provide an in-depth exploration of the legal and regulatory landscape for emerging entities, equipping professionals with the knowledge to manage compliance effectively. By blending theoretical insights with practical applications and real-world case studies, this series will empower Company Secretaries to deliver strategic guidance, support and value to the evolving MSMEs and Startups ecosystem.
