

Dear All,

***Disaster Recovery (DR) Drill is going to be conducted by ICSI in the night of 11<sup>th</sup> August, 2018/ 12<sup>th</sup> August, 2018.***

*ICSI is pleased to inform all its stakeholders that to mitigate the risk of data loss in case of disaster, it has established its Disaster Recovery (DR) Site. ICSI is going to undergo its DR Drill through this DR site in the night of 11<sup>th</sup> August, 2018/ 12<sup>th</sup> August, 2018. The DR drill will be conducted for its SharePoint portal, ERP system, the website ([www.icsi.edu](http://www.icsi.edu)) Services and other applications of the ICSI. The complete DR drill exercise will take 6-8 hours of time. Though the DR Drill exercise has been intentionally planned in the night to have the minimum impact of the disruptions in service to the stakeholders. Kindly treat this as an advance intimation from the ICSI.*

***Directorate of IT  
The ICSI***
