

Temporary Disruption in Registration for PMQ, Certificate and Crash Courses

30th June, 2023

Dear Prospective Candidates,

Due to a major IT maintenance activity currently underway at our Institute, we are facing some technical difficulties that have affected the registration process for the upcoming PMQ, Certificate, and Crash Courses offered by the Institute of Company Secretaries of India (ICSI). As a result, you might have experienced difficulties or been unable to complete your registration for the courses before the original deadline.

We anticipate that registration will be available again within a short period of time, and we will promptly notify you through email and on our official website.

Rest assured, once the registration process is back online, we will release a revised timetable for the online sessions, ensuring that you have ample time to prepare and plan accordingly.

We value your interest in our courses and appreciate your patience during this unexpected interruption. We are committed to ensuring that your journey with us is smooth and hassle-free, and we are taking all necessary measures to rectify the situation promptly.

If you have any further queries or concerns, please feel free to reach out to our dedicated support team at 0120-4522079 / 4522089 or email certificatecourses@icsi.edu. Our team is available to assist you and provide any necessary guidance throughout this process.
