Greetings!!

We are happy to inform that the Corporate Affairs Committee is organising a **Conference on Corporate Restructuring : Efficient Corporate Structures with Evolving Legal & Governance Framework | Friday, 28 November 2025 from 2.30 PM onwards (followed by Hi-Tea) | PHD House, 4/2 Siri Institutional Area, August Kranti Marg, New Delhi - 110016.**

Efficient corporate structures operating today are not just about tax optimization or operational convenience—they are about long-term sustainability, stakeholder trust, and compliance with evolving governance frameworks. As India positions itself as an attractive global investment destination, it is imperative for companies to design structures that balance regulatory prudence with business agility.

The Conference will deliberate on the latest developments, emerging trends, and practical challenges in domestic & cross-border corporate restructuring. Discussions will focus on evolving governance norms, Legal Structures; Regulatory Dynamics; tax implications and innovative structuring strategies that promote transparency and efficiency in the corporate ecosystem.

The session will be useful for representatives of Business and Professional entities, CFOs, Finance and Taxation personnel, Senior Corporate Executives, professionals including CA, CS, CMAs, lawyers among others.
