DAY - 1

Inaugural Session

July 26, 2025 (Saturday)

Time - 02:30 PM to 04:00 PM

CHIEF GUEST

Dr. Prem Chand Bairwa
Deputy Chief Minister of Rajasthan

Shri Prem Chand Bairwa is a distinguished Indian politician from Rajasthan, serving as the Deputy Chief Minister. With a rich background in political activism and a strong academic foundation, Bairwa's career is marked by his dedication to public service and his role as a significant Dalit leader in the BJP. His journey from local governance to the deputy chief ministership illustrates his resilience, leadership, and commitment to societal upliftment.

Shri Prem Chand Bairwa is current MLA from Dudu (SC). He belongs to Bharatiya Janata Party.

Shri Bairwa's political journey began with his involvement in the Akhil Bharatiya Vidyarthi Parishad (ABVP), indicating an early commitment to political activism and leadership.

He marked his initial political success as a Zilla Parishad member from Ward 15 of Dudu, showcasing his ability to connect with local communities and address their concerns.

Shri Bairwa held significant positions within the BJP, including the District President of SC Morcha in Jaipur Rural and General Secretary in Dudu BJP Mandal, underscoring his leadership within the party and his community.

His electoral journey includes victories and setbacks, highlighting the competitive nature of politics. He was elected as the BJP MLA from Dudu constituency in 2013, defeating the Congress candidate with a significant margin. However, in 2018, he faced a defeat but made a strong comeback in 2023, winning against the Congress candidate with a notable margin of 35,743 votes.

In 2023, Shri Bairwa's political career reached a new height as he was appointed Deputy Chief Minister of Rajasthan, a testament to his dedication and service in politics.

SPECIAL GUEST

Prof. (Dr.) Gourav Vallabh

Member (Part-Time)- Economic Advisory Council to the Prime Minister

Prof. Gourav Vallabh is a seasoned academician, financial expert, and public policy contributor with over twenty-five (25) years of experience spanning teaching, research, consulting, and institution building. A Certified Financial Risk Manager (GARP, USA), he is a Fellow of the Lok Sabha, a Chartered Accountant, Company Secretary, and holds a Ph.D., LL.B., and M.Com. (Gold Medalist). Currently Professor of Finance at XLRI, he has served as Director (ICAI) and Senior Professor in academic institutions of repute.

He has held several key roles in public policy and governance, serving as an Independent Director on the Board of many listed companies, a Visitor's Nominee at Banaras Hindu University (2015-17), and a Board Member of the Indian Institute of Forest Management (IIFM), Bhopal. Served as a member of NITI Aayog's Transforming India's Gold Market Task Force (2018), which authored the landmark report shaping India's gold policy reforms. He was nominated as a Domain Expert in the Task Force on MoUs by the Department of Public Enterprises and served on the Expert Appraisal Committee of the Ministry of Environment, Forest and Climate Change, Government of India. Additionally, he contributed as a member of the Editorial and Expert Advisory Boards of ICSI and ICAI. He served as an advisor to the Government of Rajasthan from 2005 to 2008 on land revenue administration and land reforms.

Prof. Vallabh has authored two books and published over 50 research papers in peer-reviewed journals. He has also presented papers and chaired sessions at numerous national and international conferences. He was awarded the "Best Young Researcher Award" (2004) by ICWAI & IAA, and has won several best paper awards at academic conferences.

He is a frequent speaker at forums organized by various Government Ministries, IIMs, RBI, ICAI, ICSI, FICCI, CII, and other leading institutions. A prolific writer and commentator on economic and social issues, he has authored over 400 editorial pieces in prominent newspapers and regularly appears on major national television channels.

Beyond academia, he has contributed to public sector reforms, SSA improvements, and SEZ policy. He has been a subject expert on panels for the Ministry of Urban Development, State Bank of India, and PSCs. He brings a rare combination of academic depth, industry insight, policy experience, and political understanding, with a keen interest in financial sector reforms, public finance, inclusive growth, and economic governance.

DAY - 1

Technical Session-I

ESG: Redefining Role of Professionals

July 26, 2025 (Saturday)

Time - 04:30 PM - 05:30 PM

Ms. Surabhi Gupta
Chief General Manager,
Securities and Exchange Board of India (SEBI)

Ms. Surabhi Gupta is a Chief General Manager in Securities and Exchange Board of India (SEBI) and has done Masters in Finance and Control. She joined SEBI in 2002 as a Trainee Officer. She is currently posted in Investigation Department. In her earlier stint in Corporation Finance Department, she was handling matters related to Corporate Governance, ESG, Suptech/ Regtech and supervision & monitoring of disclosures by listed entities.

Before this her portfolio involved handling of matters related to Credit Rating Agencies and debenture trustees. She has worked extensively towards strengthening the regulatory framework for CRAs, including their supervision, inspection and enforcement. She has represented SEBI in various parliamentary committees with regard to matters pertaining to CRAs. She has also been instrumental in framing the recent framework of sustainability disclosures by corporates called the BRSR and BRSR Core.

In a career span of over 23 years in SEBI, she has worked in various departments and has handled work related to policy and inspection of Mutual Funds, policy related to stock exchange and depository, and market surveillance. She has served as a member secretary of RBI-SEBI technical committee on CRAs and had represented India in IOSCO supervisory college of CRAs. She had been a part of the working Group between India-UK on ESG related issues, IOSCO Sustainable Finance Task Force, IPSF working group on Social Bonds etc and currently Chair of IOSCO APRC Working Group on 'Use of Suptech and Regtech solutions in securities market'.

CS Ranjeet Pandey
Former President - ICSI &
Chairman - ESG and Sustainability Board of ICSI

A Fellow Member of the Institute of Company Secretaries of India (ICSI) and a Law Graduate from University of Delhi. CS Ranjeet Pandey, is a practising Company Secretary having over 23 years of experience in the field of Corporate and Commercial Laws. He is also a registered Insolvency Professional. He is a prominent advisor in the areas of Corporate Governance, ESG & Sustainability Compliances Management, Due-diligence, Corporate Restructuring & Insolvency & Bankruptcy.

CS Ranjeet Pandey served as the President of the ICSI for the year 2019. He also served as the Secretary (2019) and Vice-President (2020) of Corporate Secretaries International Association (CSIA).

Presently, he Chairs the ESG and Sustainability Board of ICSI and Advisory Committee of Professional Members of ICSI Institute of Insolvency Professionals. He is also part of Disciplinary Committee of ICSI-IIP and Board Member of ICSI Institute of Social Auditors (ISA).

With his rich knowledge and experience in Corporate Governance, Capital & Financial markets, he represented ICSI and contributed to: Primary Market Advisory Committee of SEBI as ex-officio member, High Level Committee on Corporate Social Responsibility, Insolvency Law Committee, Working group of MCA for Finalizing BRSR Framework of reporting for listed entities and Rolling out of the e-Forms under V2 & V3 of MCA.

CS Pandey has been called upon for conducting training programs on the topics Board Governance, Related Party Transactions, Board Familiarisation Programs, Capacity Building for Independent Directors and Senior Management of leading corporates and Govt. organisations. CS Pandey has been a part of various Training Programs organized by ICLS Academy for ICLS Officers, mid-Career Training Program (MCTP) on Securities and Capital Market. He was also invited to give presentation to MCA Officers on Important Judgements under Insolvency Law.

As a committed governance professional, CS Pandey has always promoted system building thereby promoting good Corporate Governance practices. As a Presiding Officer of Disciplinary Committee of ICSI, Mr. Pandey led the speedy disposal of disciplinary matters and contributed to reforms in Disciplinary process and systems and contributed to Meenakshi Dutta Ghosh committee constituted for Disciplinary reforms.

During his tenure as President, ICSI, the Institute launched strengthening self - governance initiatives like UDIN, eCSin and ICSI Auditing Standards. A firm believer of continuous training & skill development, CS Ranjeet Pandey is a regular speaker, panelist at various national and international academic and industry forums.

DAY - 2

Third (III) Technical Session

ESG: AI and Technology Integration

July 27, 2025 (Sunday)

Time - 11:30 AM - 01:00 PM

CS Vidhi Thukral
Chief Manager - ESG, Axis Max Life Insurance

Vidhi Thukral is a driven legal professional specializing in environmental law with a strong foundation in corporate governance. Currently she holds the position of Chief Manger: ESG at Axis Max Life Insurance where she spearheads ESG initiatives, demonstrating her evolved focus on integrating sustainability principles within the financial sector. Her responsibility encompasses developing and overseeing ESG policies, engaging with stakeholders on sustainability matters, ensuring compliance with relevant ESG reporting standards and driving initiatives that contribute to environmental stewardship, social responsibility and robust corporate governance within the organisation.

Her academic journey reflects a commitment to both legal and commercial understanding, holding an LL.M. in Environmental Law, Energy and Climate Change from Jindal Global Law School and WWF India (a joint program in New Delhi).

Her professional experience showcases a progressive trajectory in diverse legal and regulatory environments. From November 2018 to October 2019, Vidhi served as an Assistant Legal Consultant at the Petroleum and Natural Gas Regulatory Board (PNGRB) in New Delhi. During this tenure, she was involved in handling city gas and other gas-related matters before the Appellate Tribunal for Electricity (APTEL), the designated tribunal for petroleum and natural gas issues.

Prior to her role at PNGRB, Vidhi spent a significant period, from January 2017 to October 2018, as a Legal Assistant within the Impact Assessment- Mining Division of the Ministry of Environment, Forest and Climate Change (MoEF&CC) in New Delhi. This experience provided her with deep insights into environmental law, particularly concerning the mining sector. Vidhi's diverse experiences across regulatory bodies, governmental ministries, and the corporate sector, coupled with her specialized education in environmental law and her qualifications, position her as a well-rounded and capable ESG practitioner with a strong commitment to environmental sustainability and corporate governance in India.

Mr. Krishang Thakur
Associate Director - Enterprise Sales,
The Sustainability Cloud by LogicLadder Technologies

Mr. Krishang Thakur is a passionate advocate for the new climate economy and a driving force behind digital climate solutions for enterprise sustainability. As Associate Director - Enterprise Sales at The Sustainability Cloud, he plays a strategic role in enabling leading organizations to accelerate their journey toward net zero through advanced, AI-powered ESG and carbon management platforms. With a foundation in Product Management at the same company, Krishang brings a rare blend of technical depth and business acumen. His journey is marked by a fervent exploration of how technology and AI can be harnessed to influence real-world climate change. He brings deep expertise in the sustainability domain, enabling leading enterprises to achieve their Net Zero ambitions and positioning them as exemplary climate leaders primed for success in an ever-evolving economy.

Krishang has been at the forefront of aligning product innovation with market needs, regulatory frameworks, and client feedback, ensuring enterprises are equipped with solutions that are not only robust but also intuitive. He has played a key role in shaping TSC's flagship software for Integrated global ESG Reporting, GHG Protocol-Aligned Carbon Accounting, and compliance for Importers and exporters, including regulations such as the EU CBAM. Known for his ability to translate complexity into simplicity, Krishang uniquely combines technical insights with customer-centric sales execution. Outside the boardroom, you can find Krishang on a football pitch or cheering on Real Madrid.

Mr. Gaurav Sharma
Founder - GrowYourScope,
Project Leader in AI & Governance

Gaurav Sharma is a serial entrepreneur, project leader, and founder of GrowYourScope, and DiyakoX an ed-tech and transformation platform empowering individuals to master future-ready skills. With 15+ years of cross-functional experience across Dubai, India, and the US market, Gaurav blends strategic foresight with executional clarity.

He led a groundbreaking AI-assisted fraud detection system at GenRocket, a California based SaaS Tech Platform deals in Synthetic Data and AI, simulating 990 million synthetic invoices – pioneering innovation in regulatory technology.

He has coached over 950+ entrepreneurs across 24 countries, driven product launches, and managed enterprise-grade projects with global tech giants.

Armed with a Leadership MBA from ISB Hyderabad, Advanced Project Management from SP Jain, Project Management Professional (PMP) and a Top 1% Expert-Vetted badge on Upwork, Gaurav champions the integration of ESG with AI and governance frameworks. His work sits at the intersection of ethics, technology, and purpose.

At the ICSI National Sustainability Conference 2025, Gaurav brings a sharp, forward-looking lens on how AI can amplify ESG accountability – empowering professionals to lead the digital transformation with confidence and conscience.

DAY - 2

Fourth (IV) Technical Session

Stewardship Governance for Sustainable and Inclusive Growth

July 27, 2025 (Sunday)

Time - 01:00 PM - 02:30 PM

Mr. Sunil Dadhe, IAAS (Retd.)
Former Dy. CAG & Director General
International Centre for Environment Audit and Sustainable Development

Shri Sunil Dadhe is a distinguished retired Indian Audit & Accounts Service (IAAS) officer with a robust academic background, holding an M.Com. from Pune University and a Post Graduate Diploma in Management from MDI Gurugram. His expertise encompasses the full spectrum of public audit, including performance auditing, compliance auditing, and financial attest auditing. Additionally, he is a thought leader in environmental auditing and sustainability accounting.

Shri Sunil Dadhe's retired as Deputy Comptroller & Auditor General (C&AG) in the rank of Secretary to the Government of India, where he headed key offices under the C&AG of India in Delhi, Odisha, Maharashtra, etc. He has served as Advisor to the Ministry of National Economy, Government of the Sultanate of Oman, on secondment from the Government of India. He has also served as Director General of the Global Training Facility in Environment Auditing and the National Academy of Audit & Accounts, Shimla, roles that reflect his commitment to both national and global standards in public financial management and environmental governance.

In recent years, Shri Sunil Dadhe has remained actively engaged in academia and public discourse. He was a key organizer of the "Pune Urban Dialogue" (April 2025), inaugurated by the Chief Minister of Maharashtra, and panelist and speaker at ESG-focused events hosted by institutions such as IIT Gandhinagar, KPMG, and the Gokhale Institute of Politics and Economics.

As a trainer and expert, he has addressed international audiences on auditing the Sustainable Development Goals (SDGs), including at the World Bank Roundtable in Bangladesh in 2019 and the INTOSAI Scientific and Practical Conference in 2020-2021. He has also led the design and delivery of training modules on "Greening Offices" for the C&AG of India and CBIC, Ministry of Finance, Government of India, and authored articles on environmental audit for the Asian Organization of Supreme Audit Institutions (ASOSAI) during 2017-2018.

Shri Sunil Dadhe is also a member of the Institute of Public Auditors of India, serves as a Professor of Practice and research mentor at the Indian Institute of Democratic Leadership, Mumbai and actively involved in ecological and environmental charity work.

Currently, he is an Independent External Monitor for two Government of India entities.

CS Pradeep Ramakrishnan
Executive Director, IFSCA

Shri Pradeep Ramakrishnan, is a commerce graduate and qualified Company Secretary. He has a distinguished career of over 27 years, spanning multiple organizations and domains. He began his professional journey with Madras Fertilizers Limited in 1997-98 and subsequently served as the Company Secretary of Kothari Petrochemicals Limited, Chennai, until 2002.

From February 2002 to January 2024, he was with SEBI, where he held significant leadership roles. Between 2015 and 2020, he headed the Compliance and Monitoring Division, focusing on corporate governance, listing-related matters, BRSR, and the forensic accounting cell. Later, from September 2020 until his tenure at SEBI concluded, he led the Department of Debt and Hybrid Securities, handling corporate bonds, municipal bonds, and sustainable finance.

In February 2024, he joined IFSCA as Executive Director. Currently, he leads the Department of Capital Markets, overseeing Corporate Finance (Equity, Hybrid, and related products), Market Infrastructure Institutions (Regulation and Supervision), Sustainable Finance, Investment Funds, New Products & Services, and the Supervision of Intermediaries. Additionally, he heads the Department of Metals and Commodities, which includes divisions for Market Development, Market Regulation, and Market Supervision.

Ms. Aruna C. Newton
VP & Head - DEI, Sustainability, ESG Governance & Reporting,
Infosys Ltd.

Ms. Aruna C. Newton started her career as a cost accountant and worked extensively in the areas of sales and marketing, quality processes and systems, leadership development, diversity consulting and ESG. Over the last 36+ years, she has traversed many fields gaining a rich experience and perspective across organizations, people and functions.

She currently heads the Diversity, Equity & Inclusion portfolio at Infosys and under her leadership Infosys' DEI efforts have received a huge fillip. She participated actively to introduce the Maternity Amendment Act in corporate India to facilitate women's return to work post maternity. In August 2024, she was awarded the prestigious DEIA Leadership Excellence Award by the US Embassy. She also leads Infosys' Sustainability Governance and Reporting portfolio powering Infosys' Vision 2030 ESG ambitions. Under her leadership Infosys was one of the first companies to publish a Business Responsibility Report in India and the first GRI (G4) comprehensive report in the IT industry and occupy a leadership position in ESG assessments worldwide.

As leader in the Executive Council at Infosys Bangalore Development Centre, she is also Founder Mentor of Green Connect, the Infosys environmental sustainability initiative powered by Infoscions. Leading the Elevated Road project on Hosur Road, Bangalore, secured her a seat in the executive committee of the Electronics City Industries Association (ELCIA). In her tenure as President of ELCIA (2013-2015), an industrial estate with over 180 member companies in Bangalore, she set up Asia's largest IoT hub in partnership with CISCO to nurture the spirit of entrepreneurship in electronics manufacturing. She also created a common facility for MSME's, the first of its kind in Karnataka for electronics manufacturing.

She is currently a Committee Member of Electronics City Industrial Township Authority (ELCITA) that is focused on building a sustainable industrial township and chairs the Sustainability and Smart City expert sub-committees.

A keen sports enthusiast, Aruna has represented Karnataka state in Women's Hockey for many years including captaining the state team, school, college and university teams in a sports career spanning over 11 years. She is also an amateur athlete (marathoner), randonneur, motorcyclist, and rallyist. She serves on the Board of Studies at Mount Carmel College's Commerce Department and is the President of the Citizens for Civic Action Residents Welfare Association where she is experimenting with larger citizen-led social change through building sustainable communities.
