GST is one of the biggest tax reforms in India aiming to integrate State economies and boost overall growth by creating a single, unified Indian market to make the economy stronger. GST is a comprehensive destination based indirect tax levy of goods as well as services at the national level. Its main objective is to consolidate multiple indirect tax levies into a single tax thus subsuming an array of tax levies, overcoming the limitations of earlier indirect tax structure, and creating efficiencies in tax administration.

Company Secretaries are eligible for enrolment as a Goods & Services Tax Practitioner by making an application in Form GST PCT-01. Also, a Company Secretary is entitled to appear before an officer appointed under Central Goods & Services Tax Act, 2017, or the Appellate Authority or the Appellate Tribunal in connection with any proceedings under this Act.
