PREFACE

*“Compliance” is just a subset of “governance”
and not the other way around.*

-Pearl Zhu, Digitizing Boardroom

Corporate Governance and Compliance are intricately linked. Governance is the overall management approach, Board Members and Senior Executives use to control and direct an organization. Compliance is the process through which companies demonstrate that they have confirmed to specific requirements of laws, regulations, contracts, strategies and policies. Both governance and compliance involve rules of conduct and controls on organizational behaviour.

It was always comprehended by both the Regulators and Corporates that enactment of various laws is not enough and the desired results cannot be achieved unless their implementation is geared up. This gap is filled by the Compliance Reporting Mechanism which ensures that all applicable rules, regulations and standards set by regulatory bodies and government agencies are adhered to and implemented coherently, consistently and in the right spirit.

Failure to comply means businesses are subject to regulatory penalties, including fines and imprisonment. Reporting of Compliance ensures that a business is complying with the domestic and international regulations and also assessing the internal controls and processes which ensure that the rules are being followed.

The purpose of the Compliance Reporting is to hold processes accountable, not let them fall to the wayside and provide for modification when there is a risk to compliance.

Realising the need of growing Compliance Reporting mechanism in letter and spirit, the Indian Capital Market Regulator, SEBI came out with the Circular dated February 08, 2019 mandating Annual Secretarial Compliance Report to be submitted by a Company Secretary in Practice to the listed entity on an annual basis, regarding compliance of all applicable SEBI Regulations and Circulars/Guidelines issued thereunder.

All these developments, policy initiatives and new legislations emphasize the importance of accountability and transparency, for which the SEBI has entrusted Company Secretaries in Practice with the responsibility to exercise check on the Secretarial Compliances of a listed entity on annual basis.

Further, the SEBI has suggested the ICSI to bring out a Guidance Note in this regard. In this direction, the Institute has brought out this Guidance Note to sensitize the members of the Institute to accomplish the task to the utmost satisfaction of all the stakeholders. This Guidance Note highlights the process and scope of Annual Secretarial Compliance Report and also provides detailed checklists with respect to all mandatory laws as specified in the prescribed format by SEBI.

I sincerely hope that this publication shall prove to be of immense practical value to the members of the Institute while carrying out the exercise of Annual Secretarial Compliance Report and also to gain better understanding of the essence of laws.

I place on record my sincere thanks to Shri Pradeep Ramakrishnan, GM, SEBI for his valuable inputs on preparing the manuscript of this publication.

I commend the dedicated efforts put in by CS Alka Arora, Joint Director and CS Khusbu Mohanty, Assistant Director, under the overall guidance of CS Sonia Bajjal, Director, ICSI and stewardship of CS Ashok Kumar Dixit, Officiating Secretary, ICSI in preparation of this publication.

Furthermore, inevitably, in any publication, there is always scope for further improvement. I would personally be grateful to users and readers for offering the suggestions/comments for further refinement of the contents of the publication.

Introduction

Prologue

There are plethora of laws, rules, procedures and regulations applicable to every form of business. The Corporate sector in India has to abide by various Acts, rules and regulations made thereunder.

Every Company, while pursuing its business activities, has to comply with the rules and regulations relating to the Companies Act, Securities Laws, FEMA, Industry Specific laws and General laws like Labour laws, Competition law and Environment related laws etc. and is further expected to good governance practices.

Under the Companies Act, 2013, a Company Secretary, along with other Key Managerial Personnel and Whole time Directors may be treated as 'officer who is in default' and will be liable for penal consequences for non-compliance, while under most of the other laws, persons in charge of and responsible for the conduct of business of the company are held responsible.

The Regulators have expressed faith in the profession of Company Secretary for furtherance of better control and development of the good governance in the Corporate Sector in India. The role of Company Secretaries have increased manifold under the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, SEBI (Prohibition of Insider Trading) Regulations, 2015 and other Regulations.

Company Secretary is a competent officer to ensure compliances that is the reason the SEBI, in line with International Best Practices, made it mandatory for listed entity to appoint a Company Secretary as Compliance Officer. Further, to ensure better and effective compliance management, a Company Secretary in Practice is authorised by the SEBI for issuance of Annual Secretarial Compliance Report to listed entity effective from the financial year ended on March 31, 2019.

BACKGROUND

The Securities and Exchange Board of India (SEBI) as the nodal agency for regulation of capital market in India is continuously bringing out new regulations and guidelines for keeping pace with the development of international capital markets. One of the steps in this direction was SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('LODR Regulations') which came into effect from December 01, 2015.

Corporate Governance being a dynamic concept. India Inc. has also faced issues of aligning Corporate Governance with the evolving business environment. Accordingly, the SEBI, in June 2017, constituted a Committee under the Chairmanship of Shri Uday Kotak to review the existing Corporate Governance principles. The Committee was represented by different stakeholders including the Government, Industry, Stock Exchanges, Academicians, Proxy Advisors, Professional Bodies (including ICSI), Lawyers, etc. The Committee in its Report proposed a set of Corporate Governance norms aimed at increasing transparency, strengthening board independence, board composition and enhancing disclosures.

Based on the recommendations of the Kotak Committee, SEBI notified the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018 dated May 09, 2018 enhancing the Corporate Governance norms to be complied with by a listed entity; which were followed by a Circular on May 10, 2018 for implementation of certain recommendations of the Kotak Committee.

Specifically, Regulation 24A was inserted and made effective for the financial year ended March 31, 2019 in the LODR Regulations which mandated the requirements of annexing a Secretarial Audit report in a specified format for the listed entity and all its material unlisted subsidiaries.

The SEBI *vide* its Circular dated February 8, 2019, specified that the listed entity and its unlisted material subsidiaries shall continue to use the same Form No. MR-3 as required under Companies Act, 2013 and the Rules made thereunder for the purpose of compliance with Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, in terms of Secretarial Audit by virtue of Section 204(1) of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 which provides that:

1. every listed company;
2. every public company having a paid-up share capital of fifty crore rupees or more; or
3. every public company having a turnover of two hundred fifty crore rupees or more

shall annex with its Board's Report made in terms of sub-section (3) of section 134, a Secretarial Audit Report, given by a Company Secretary in Practice, in such form as may be prescribed.

Applicability of Annual Secretarial Compliance Report

While the Annual Secretarial Audit shall cover a broad check on compliance with all laws applicable to the entity, listed entities shall **additionally**, on an annual basis, require a check by the Company Secretary in Practice on compliance of all applicable the SEBI Regulations and circulars / guidelines issued thereunder, consequent to which, the Company Secretary in Practice shall submit a report to the listed entity in the manner specified in this circular.

The Annual Secretarial Compliance Report is applicable to all Listed Entities.

It is recommended that the format for Annual Secretarial Compliance (ASC) Report may be annexed to the Annual Report for the financial year 2018-19.

As per SEBI Listing Regulations:

“Listed entity” means an entity which has listed, on a recognised stock exchange(s), the designated securities issued by it or designated securities issued under schemes managed by it, in accordance with the listing agreement entered into between the entity and the recognised stock exchange(s).

Explanation : As it is apparent from the above definition, listed entity means and includes entities other than companies such as banks, body corporates etc. securities of which are listed on the Stock Exchange(s).

“Material subsidiary” shall mean a subsidiary, whose income or net worth exceeds ten percent of the consolidated income or net worth respectively, of the listed entity and its subsidiaries in the immediately preceding accounting year. (w.e.f. 01.04.2019)

Accordingly, by virtue of the above definitions, it is implied that, every unlisted material subsidiary which is a public company or private company, it has to fall under the category of material subsidiary as defined under the SEBI Listing Regulations to which the Secretarial Audit is applicable for the financial year 2019-20 onwards.

However, for the year 2018-19 the definition of Material Subsidiary shall mean a subsidiary, whose income or net worth exceeds twenty percent of the consolidated income or net worth respectively, of the listed entity and its subsidiaries in the immediately preceding

accounting year and the provisions of the law shall be applicable on them accordingly.

The listed entity in addition to the Secretarial Audit Report as required under section 204 of the Companies Act, 2013 read with its Rules, is also required to annex a separate report i.e. 'Annual Secretarial Compliance Report' for due compliance with the circular.

The ASC report is required to be submitted by the listed entity to the Stock Exchange(s) within 60 days from the end of the financial year.

Purpose

The ASC Report postulates for an independent verification of the records, books, papers and documents by a Company Secretary in Practice to check the compliance status of the company with the provisions of all applicable SEBI laws, Regulations and circulars/guidelines issued thereunder.

Further, SEBI has also suggested for the issuance of a guidance note by ICSI for enabling the Company Secretary in Practice to conduct this exercise in letter and spirit.

Scope

The Company Secretary in Practice needs to examine and report the compliance of the SEBI Regulations, which *inter alia* includes:

- (a) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (b) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (c) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (d) Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (e) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
- (f) Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (g) Securities and Exchange Board of India (Issue and Listing

of Non-Convertible and Redeemable Preference Shares) Regulations, 2013;

(h) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

(i)(other regulations as applicable)

and circulars/ guidelines issued thereunder;

(Note: The aforesaid list of Regulations is only illustrative. The list of all SEBI Regulations, as may be relevant and applicable to the listed entity for the review period, shall be added.)

Minimum fees to be charged with respect to exercise of Annual Secretarial Compliance Report

There is no minimum fees prescribed by ICSI for issuing the Annual Secretarial Compliance Report by a Company Secretary in Practice. However, it would be in the fitness of things that Company Secretary in Practice takes proper call about fees considering the nature & size of the company, type of company and the efforts required to be put in while carrying out such exercise. It is expected that member should maintain high standard and quality in issue of the ASC Report.

Signing

The Annual Secretarial Compliance Report should be signed by the Company Secretary in Practice by whom the exercise for verifying/ checking the compliances was conducted or under whose supervision the same was conducted indicating his FCS/ ACS number along with Certificate of Practice Number issued by the Institute of Company Secretaries of India.

In case of PCS firm, the Annual Secretarial Compliance Report may be signed by the partner by whom the exercise for verifying/ checking the compliances was conducted or under whose supervision the same was conducted indicating his FCS/ACS number alongwith his Certificate of Practice number. The Annual Secretarial Compliance Report cannot be signed by an employee of the PCS firm even if he/she may be a member of the ICSI.

Diligence while checking the compliances and co-operation by the listed entity in this regard

It is imperative that the Company Secretary in Practice undertakes necessary diligence while checking the compliances. This exercise might include the requirement of various certificates/declarations/undertakings from the listed entity/its related entities and their co-operation in the matter is desired. Checklists

(a) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Listing Agreement is a basic document which is executed between companies and the stock exchange when companies are listed on the stock exchange. Listing Agreement entered into by listed companies with the stock exchanges prescribes initial and continuous disclosure norms. The modifications to provisions of Listing Agreement are prescribed by the SEBI.

The SEBI has launched numerous policy initiatives not only to strengthen the regulatory framework of the Indian Capital Market but also align the role of Capital Market with the international best practices and more importantly to the investing and funding needs of the inspirational Indian population. Broadly, the regulatory framework in India is in compliance with the OECD Principles, an international benchmark worldwide. A step further in this direction was envisioned through the policy measures when SEBI notified the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The SEBI Listing Regulations lay down the broad principles for periodic disclosures to be given by the listed entities operating in different segments of the capital markets. The Listing Regulations were structured to provide ease of reference by consolidating provisions of the then ongoing Listing Agreements into one single document across various types of securities listed on the Stock Exchanges.

This checklist covers the various compliances relating to continual disclosures and periodic disclosures which are time -based and event -based.

Note: It is advisable to refer all the relevant and updated Amendments and Circulars made by SEBI w.r.t the SEBI Listing Regulations while conducting the Annual Secretarial Compliance of a listed entity.

For provisions which shall be effective from 01.04.2019, the PCS will simply indicate not applicable as the Annual Secretarial Compliance Report is effective for the financial year ended on 31st March, 2019.

(c) SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011

One of the most popular modes of corporate expansion is by the acquisition of an existing company. However, when the company being acquired is a listed company, then along with the promoters' stake, there are interest of other stakeholders, such as, public shareholders, financial institutions, foreign stakeholders, etc. It is essential that all these shareholders also get fair dealing in case of an acquisition.

To address all such concerns, SEBI has framed the SEBI (Substantial Acquisition of Shares and Takeover) Regulations, 1997 which have been evolved significantly over the years and notified as the SEBI (Substantial Acquisition of Shares and Takeover) Regulations, 2011 ('SAST Regulations').

The SAST Regulations prescribe a systematic framework for acquisition of stake in listed companies. By these laws, the regulatory system ensures that the interests of the shareholders of listed companies are not compromised in case of an acquisition or takeover. They also aim to protect the interests of minority shareholders, which is a fundamental attribute of corporate governance principle.

This checklist covers various event based/continual disclosures to be made in case of takeover.

(d) SEBI (Buy-Back of Securities) Regulations, 2018

Buy-back of securities is a corporate financial strategy which involves capital restructuring and is resorted to by companies to achieve the varied objectives of increasing earnings per share, averting hostile takeovers, improving returns to stakeholders and realigning the capital structure.

The concept of buy-back was introduced by the Companies (Amendment) Act, 1999 by the insertion of Sections 77A, 77AA and 77B and was governed by the now repealed SEBI (Buy-Back of Securities) Regulations, 1998. Under the Companies Act, 2013 buy-back is governed by sections 68, 69, 70 and Rule 17 of Companies (Share Capital and Debentures) Rules, 2014 and listed companies are governed by the SEBI (Buy-Back of Securities) Regulations, 2018.

In order to revive the capital markets and protect companies from hostile takeover bids, earlier SEBI had notified the SEBI (Buy-Back of Securities) Regulations, 1998, now, repealed by the new Regulations "SEBI (Buy-Back of Securities) Regulations, 2018" to simplify the language, removing redundant provisions and inconsistencies, updating the references to the Companies Act, 2013/ other new SEBI Regulations, and incorporating the relevant circulars, FAQs, informal guidance in the regulations.

Regulations 16(2) and 23(3) - Disclosure Document**Part A : Statement of Risks**

All investments in shares, options or SARs are subject to risk as the value of shares may go down or go up. In addition, the options/SARs are subject to the following additional risks:

1. Concentration: The risk arising out of any fall in value of shares is aggravated if the employee's holding is concentrated in the shares of a single company.
2. Leverage: Any change in the value of the share can lead to a significantly larger change in the value of the options / SARs.
3. Illiquidity: The options / SARs cannot be transferred to anybody, and therefore the employees cannot mitigate their risks by selling the whole or part of their benefits before they are exercised.
4. Vesting: The options / SARs will lapse if the employment is terminated prior to vesting. Even after the options / SARs are vested, the unexercised options / SARs may be forfeited if the employee is terminated for gross misconduct.

Part B: Information about the company

- 1 Business of the company: A description of the main objects and present business of the company.
- 2 Abridged financial information: Abridged financial information, for the last five years for which audited financial information is available, as prescribed under clause (b) (i) of Section 26(1) of the Companies Act, 2013 as amended or re-enacted from time to time. The last audited accounts of the company shall also be provided unless this has already been provided to the employee in connection with a previous option or SAR grant or otherwise.
- 3 Risk Factors: Management perception of the risk factors for the company (i.e., sensitivity to foreign exchange rate fluctuations, difficulty in availability of raw materials or in marketing of products, cost/time overrun etc.).
- 4 Continuing disclosure requirement: The option or SAR

grantee shall be provided copies of all documents that are sent to the members of the company. This shall include the annual accounts of the company as well as notices of meetings and the accompanying explanatory statements.

Part C : Salient Features of the Scheme

This Part shall contain the salient features of the scheme of the company including the conditions regarding vesting, exercise, adjustment for corporate actions, and forfeiture of vested options / SARs as the case may be. It shall not be necessary to include this Part if it has already been provided to the employee in connection with a previous grant, and no changes have taken place in the scheme since then. If the scheme administrator (whether the company itself or an outside securities firm appointed for this purpose) provides advisory services to the grantees in connection with the exercise of options or SAR, as the case may be, or sale of resulting shares, such advice must be accompanied by an appropriate disclosure of concentration and other risks. The scheme administrator shall conform to the code of conduct appropriate for such fiduciary relationships.
